

JACKSON & GOLDIE

RAILROAD & BRIDGE CONTRACTORS

July 2nd.

Dear Ett.

The following epistle of idle babblings from your wandering brother is to try and enlighten you as to the way to this God forsaken country. I am looking forward to your visit & I am sure you will enjoy yourself.

If you leave Toronto on No. 95 the Winnipeg Express at 10.10 P.M. on Friday ^{July 30th} night you are due to arrive on 95 at Kenora 8.A.M. Sunday morning so Wave & I will be waiting by the way side to drag you off the train and then we will hike for camp and give you a feed of saw-belly & beans and Wave will go to Winnipeg with you. If I can possibly get away I will also take a holiday as I am about 2 weeks behind in sleep. Last week I averaged about 5 hours and I ^{am} nearly all in. This working for a living is not all it is cracked up to be.

Well so long give my love to the girls. Expect you here with the bells on Sunday ~~July 30th~~ August 1st.

Yours as ever.

Pat
