

P. O. BOX 152

VERNON, B.C.

5th Aug. 1908.

Dear Sir.

Many thanks for
your letter & particulars
about the pony.

I think the pony would
do for the children all
right but I am afraid
I could not go to that
price as a pony that

size is too small to be
of any use for anything
else.

Yours sincerely,

H. W. Husband.

If any time you want
to part with him & need
to take \$50. please
let me know HWH
