NOTE—It is our business to send out Good, Fresh, Reliable Stock, and from our tests we know them to be so under suitable conditions of temperature and moisture, but after shipping in good condition I give no warranty expressed or implied, as to description, quality, productiveness or any other matter of any Seeds, Bulbs, Trees or Plants I send out, and I will not be in any way responsible for the crop. If the purchaser does not accept the goods on these conditions, they must be returned at once, and money that has been paid will be refunded.

Mr F A Dewar, Vernon

Dear Sir

Yours of 20th rec
enclosing chke to balance for which
please accept thanks -

Re the ex shipment, as it was
my error in mislaying your order
and only shipping part of it we will
let it go but my bookkeeper billed them
to you and it was the ex agents bus-
ness to notify you of arrival of con-
-signment. I have prepaid stuff several
times by ex so as to get delivery on point
on Okanagan Lake but in about every
case they have been delivered only at
regular offices - as this was a small
lot I shipped by ex to save minimum
ft chgs. so if you can get an open spot
in the ground to heel them in kindly do
so and if they do not grow I will replace
them. and in the spring shipment I will
get your whole order boxed and shipped by
ft prepaid.

Truly yours M J Henry
