Dear Sir,

We beg to acknowledge receipt of yours of the 6th inst., in reply to which wish to state that we are doing our best to clear up all Account Sales for goods shipped to us on Commission and have written our consignees requesting them to make us full returns as quickly as possible. We regret that such a period has elapsed but it is rather difficult to make wholesale houses account for all the various small lots which have been shipped to them. However, the writer is busily engaged on this matter now and cheque will be forwarded you before the end of the current week.

Yours truly,

COLDSTREAM VALLEY FRUIT PACKING CO. LTD
