F. A. Hewer, Esq.,

Rainbow Landing,

O. K. Centre, B.C.

Dear Sir:

We trust you have received your potato digger to-day and as I will be down the lake early in the week, I shall be glad if you will be in a position to use it, as I want to see it work and also want to see your potato crop.

Will likely be down Monday or Tuesday.

Very truly yours,

Dic. W.R.M.
