WHOLESALE PACKERS  
AND SHIPPERS OF . . . **FRUIT**

Vernon, B. C., December 4th 1908

Dear Sir,

Owing to the writer having had to go to the Territories and his being detained there for some ten days, he found himself unable to get out the usual monthly statement of accounts on the 15th of November, and now, owing to the absence of Mr. Ricardo on the Company's business, he is again unable to forward you your cheque until Mr. Ricardo returns. This gentleman will be back in Vernon in about ten days, and your cheque will be mailed to you on the 15th inst. We regret very much that this should have occurred, but found it was absolutely impossible to make any better arrangements.

Thanking you for your consideration and kindness in this matter, we are,

Yours truly,
