Mr A H Dewar, Vernon  
Dear sir.

I thank you very much for use of your testimonial. it will help educate the people that fall planting is safer than spring. I really expected a bad report from your fall planting on acct of the exceptional cold winter and was agreeably surprised when I received such a favorable report.

Donald Graham of Armstrong. Lost 6 out of 350. & Patten 3 out of 300. and it is quite evident that where the trees were properly planted there has been no loss to speak of.

We shall commence digging and shipping the coming week and shall be pleased to fill any orders for you.

Again thanking you and awaiting your pleasure I remain

Truly Yours  
M. J. Henry
