Dear Sir: -

an OK Centre
We are in receipt of your letter of the 15th inst, and in reply beg to say that we expect to have our Pile-driving outfit about the 20th, although we are unable at the present time to state the exact date. We will be glad to execute your work after we finish there provided you have everything in readiness for us to go on. We are charging \$5 per pile, but in a case where there are only a few piles to drive, we will expect the wharf owner to pay the expenses of moving, since we pay our pile-driving gang full time. Trusting this will be satisfactory.

Yours faithfully
SUMMERLAND NAVIGATION CO.
