Dear Sir

My Friend Mr. Hanker of Vernon has
 been kind enough, in response to a request which
 I made to him in October last, to interest
 himself in making enquiries of you whether
 you would be willing to take my Son Gerald
 Leslie Bailey & Mr. Hanker has sent me on
 your letters to him of the 18th & 25th Nov from
 which I gather that you would be willing
 to take my Son into your employ, Boarding
 & Lodging him in your House & paying him
 wages at 25/- per month exact during
 the winter months when possible no wages

providing but only his board, & Lodging
 provided. I am myself a Solicitor in practice
 here; my Son who was 18 years of age last
 October was educated at King School Canterbury
 & has been up at Strathcona now a
 year & a half. He is a Capital worker
 & always willing & ready to help in any
 way. He can handle a team well -

I feel confident from all that Mr.
 Hanker writes me that I can place
 my Son with you with a full
 assurance that he will find a
 comfortable home with you & Mr.
