Okanagan Lake, via Vernon B.C.

Gentlemen:-

We have just been advised by the C.P.R. that the shipment of boxes sent to you on June 27th is still at Okanagan Landing awaiting the freight charges before forwarding them to Rainbow Landing.

Will you kindly attend to this matter at your earliest convenience and let us know how you wish future orders sent.

We are sorry for this delay, as the order was delayed so long in reaching us, you having mailed it to Ladner instead of Vancouver.

Trusting you will receive them all in good shape and in time for your packing.

Yours truly
Pacific Box Co.

Vancouver. The C.P.R. Shipping Clerk tells us to send boxes to Okanagan Landing as Vernon was too far from your Ranch. We hope we have sent them to the right place for you.
