Dear Sir:-

Referring to your favour of 15th. inst. I have delayed replying to this, as I saw your Mr Dormer, and also expected to see Mr McAllister. I have honored cheques which overdraw your account some One hundred and twenty Dollars. I would suggest in resigning officers that either a meeting be held at which a motion authorising your signature alone be passed, or that Mr Dormer or Mr McAllister give a limited Power of Attorney to some third party to sign?

Yours truly,

Manager
