

Suggested questions for discussion.

Power of Board to enforce orders.
 What orders can Board enforce and what orders cannot be enforced.
 Measuring Box order
 Early delivery of water,
 What constitutes Irrigation season?

Power of Board to investigate Books and Records of Company
 Request that this be done in connection with Water Users Committee.
 Suggest Jackson for this work. Auditor not familiar with Irrigation problems of little service.

Water Users Committee in first place suggested by Company to facilitate communications in regard to operation.

Committee. Legal and other expenses have been incurred for benefit of all users. It should be equitable that this expense be treated as an operating charge and paid by Company and thus be assessed on all parties benefited. The Company's legal expense is now an operating charge and thus is paid by users in the rates. It is admitted by virtue of Board orders that rates claimed by Company have been too high. By Committee action rates have been reduced to all users an aggregate of about 50% over and above legal expenses.

Re Expenditure

Office Expense

Dams. Crooked Lake. Echo Lake.

Superintendent

Time Books and Record of work done. (Water repair boys has not lately shoe Company's horses. No engineer on job.

Analysis of Expenditure should be complete enough to enable judgement to be formed as to value received for money expended.

Statement of fact should be secured from Company as to system.
 Total original pipe installed.
 Total of pipe purchased from year to year to date (and as far as possible location of renewals from year to year)
 From above a reasonably accurate estimate could be obtained of the condition and value of pipe at present in service.
 Blue Print with named or numbered Laterals etc.. and a record to be kept of each section as to replacements, renewals etc.
 Condition of Siphon. How can this be arrived at?

Under present act only failure to replace or repair gives Lieut. Gov. in Council power to take over system for Water District. What other steps can be taken to bring about Water District.
