Dear Sir:-

Complaint has been made to me by the Winfield Flats Water Users Association, the members of which hold the following Licences, - Final Licences 3559;3560;4273;4434;5935; on Duck Lake Creek, that you have stored and are storing water in Beaver Lake and are diverting water from Vernon Creek which should be available for them in Duck Lake Creek for diversion under the above referred to licences.

I find that the said complaint is justified and therefore under the powers vested in me by Section 295 of the Water Act, I hereby order you to immediately let down into Duck Lake Creek sufficient water to supply the lawful requirements of these licensees.

Yours truly,

(Signed) O.F.D. Norrington
