Kaleden B.C.
Feby 4th 41.

J. Goldie Esq.
Okanagan Centre
B.C.

Dear Jim.

Better late then never - I hope.

When Letters Patent were granted this District, the following schedule of charges was laid down.

	Per Acre
Renewal & Replacement Fund	8.00
Debenture Fund.	4.00
Maintainance Tax	3.00
Toll.	3.00
	$18.00

The $18.00 pr acre has been paid ~~by~~ on all property privately owned at the time the Dist was formed.

The other property pays $4.00 less (the Debenture levy) as the Kaleden Estates put up the cash to put the system in shape & also to build Marron Lake Dam, we issued the Debentures, 30 year, for our share.

We have about 11 issues to retire yet, but the fund is in good shape, so we may reduce the levy to #2.00 for the next year.

Our Renewal & Replacement Fund a couple or three years ago, had about #19,000.00 in land & the Prov Govt accepted #14,000.00 cash in settlement of our debt to the Conservation Fund.

If we had taxed ourselves to pay annual installments asked by them, it would have meant between #5 & #6.00 added to our rates. Hope this is the information you want

Sincerely

Bill Kling.
