Gentlemen.

At the meeting on the 1st of this month Mr Mc Donagh asked were the large amount of stamp money went, this amount has not all been stamps but various small amounts mostly akin to postage, a year or so back I mentioned to the Auditor that some persons might think the stamp account high if these other items were entered into it, he did not think they would as the amounts were small, however now that at least two people have mentioned the matter he stated when I saw him yesterday that perhaps under the circumstances it would be best to place this account under a different heading and suggested 'Office Exes' with each item being entered on the cheque when this is paid.

For your knowledge I am submitting as much as I can remember of the expenditures under the heading of stamps

Writing the flat people in connection with	
D L Flume most of them three to five times	1-05
Receipts for same	221
Sending out notices of meetings etc 3 times	7-20
Cheques & postage thereon	1-62
Receipts mailed	1-65
Three registrations	30
Telegram Sent by Rutherford	9¢
Long distance Phones Goldie 1	
Marshall 3	
White 3	
McDonald 1	
These averaged 30 cents	2-40
	\$ 15-40

These are the main items there are always a lot of letters to write, coming from all sources, Lawyers, Loan Board. S.S.B. Loan Companies etc.

I hope this will clear up any mistrust that may have been in some peoples mind, believe me I would rather be out a few stamps myself than charge more than is used.

Yours faithfully

Walter.J.Coe
