

2013.57.9.02.11

Meeting of the Trustees of the Winfield & Okanagan Centre Irrigation District held in the Rainbow Rancho office on Mon. Nov. 3, 1947 at 8 pm.

PRESENT :- J. Seaton (chairman) Messrs. Goldie & Williams.

This meeting was called at very short notice. Messrs. Chase & Edwards were out of the district and were not able to be notified.

The Sec. read the minutes of the last meeting and it was MOVED by GOLDIE

SECONDED by WILLIAMS :- That the minutes of the meeting on Oct. 8th. 1947 be adopted. CARRIED

ARISING FROM THE MINUTES Chairman reported that he had seen Mr. M. McCarthy who had said that he would arrange a meeting between the Trustees and the water users on the "Flat" to discuss the future of Duck Lake Flume.

The Chairman said that he had heard that Mr. Crown was thinking of selling his orchard. This would mean that Mr. Crown would then be living on land outside the District and not owning land within it. This rather complicates the domestic water problem.

Another case mentioned was Lot 142, Map 521, now owned by the Free Baptist Church of Canada. It was thought that a permanent residence was now using water on this property. It was decided not to discuss this matter any further at this time but to wait to the next meeting when Mr. Paul Chase would be present.

CORRESPONDENCE.

The Sec. read the minutes of two meetings held by the Association of B. C. Irrigation Districts at which it had been decided to send a delegation to Victoria to interview the Govt. re the implementation of the Dean Clement report. The Assn. had decided to ask each District to send one delegate whose expenses would be paid by the Association.

The Chairman said that it was to discuss this matter that the present meeting had been called.

MOVED by GOLDIE

SECONDED by WILLIAMS :- That the Sec., S. J. Land, join the delegation of the Association of B. C. Irrigation Districts to meet the Cabinet at 10 a.m. on Thurs. Nov. 6th. 1947.
