Victoria V. I. June 15th 1863

Wm Royal Esq
San Francisco

Dear Sir

Yours of the 7th inst with letter enclosed from the East was duly received We notice your remarks abt the keys it is all correct if you have the Original the ones you sent to us of those Locks will must have got misplaced as we have not been able to find them We remain the Safe and are much pleased with it Tillman omitted to send the Covering for the Combination for the inner door We mean the plate that Covers the Combination inside also we think he should have sent one of those patent locks for the outside door in place of a common pad Lock - please mention it to him -

Nothing new with us trade quiet We send you papers with all the news

Yours Truly
