469 17. Joint Matriculation Board:-

The Committee of Faculty appointed to consider the steps that are necessary to the placing on a permanent footing, satisfactory both to the University and to the Department of Education, of the Matriculation Examinations, and any such matters as may call for adjustment, and to report thereon, makes the following recommendations:

That the June Matriculation Examinations be conducted by a joint board of representatives from the University and the Education Department.

That the Examining Board shall consist of one representative of the University and one representative of the Education Department in each major subject of examination (at the present time: English, History, Mathematics, Classics, Modern Languages, Chemistry, Physics, Botany), and the Registrar of the University, and that the Examiners in any subject be jointly and severally responsible for setting the papers in that subject. The Superintendent of Education shall be ex-officio Chairman of the Board, and the Registrar of the Education Department, ex officio Secretary and Registrar of the Board.

That the conduct of the examinations in the various centres (the appointment of the supervisors, etc.) be entirely in the hands of the Education Department.

That the candidates make application to the Department for examinations.

That Matriculation fees, if any, be paid to the Education Department.

That the examination papers be marked by members of the Board and others appointed by them.

That when the marks have been assembled and tabulated the returns be prepared in duplicate, and both Department and University retain a copy.

That all certificates be issued by the Board in the name of the University and of the Education Department.

That all applications for adjustment, concessions, re-readings, etc., be made to the Education Department.

That this Board be a permanent board, its members to remain in office from the time they are gazetted until the time their successors are gazetted, and that it have advisory function in reference to limits of work prescribed in the various subjects, the text-books to be used, and such other matters as may in any way affect the preparation for examination of

candidates for entrance to the University.

That the remuneration of the members of the Board should be:

For setting papers, per paper	$12.50
For presiding, and actual travelling time, per day	5.00
For work done at Victoria in connection with the examining of papers	225.00
And all hotel and travelling expenses.	

That the September Supplemental Matriculation Examinations for admission to the University be conducted by the University and held only in Vancouver and Victoria.

That it be understood, and also stated in the Calendar, that "Students who have been barred through sickness or by reasons of any other disability from writing on the examinations in June, if the reasons submitted by them are satisfactory to the Registrar, shall have the privilege of writing the whole examination in September".

Mr. Robertson)
Mr. Vance) That the report be received.

Carried.

Mr. Vance)
Mr. Gordon) That the report be left over for further consideration and that a copy be sent to each member of Senate.

Carried.

Dean Coleman)
Mr. Robertson) That the Chair appoint a committee to bring in a report to the next meeting of Senate, in order to facilitate final settlement.

471 Report of Committee on Chapel Exercises:-

Your Committee, appointed to prepare a report on the interpretation of the University Act with respect to the holding of Chapel Exercises, beg leave to report as follows:

That, in the opinion of this Committee, the University Act, and especially Sections 95 and 110, preclude the holding by the University of any Chapel Exercises, except in the case of affiliated colleges.

Mr. Shaw)
Dean Brock) That the report be adopted.

In Amendment:
Dr. Ashton)
Dr. Brydone-Jack) That the report be adopted merely as an interpretation of the Act and that the Senate requests that such changes in the Act be made as would permit student organizations to hold undenominational services in the University if they so desire.

In Amendment to the Amendment:
Mr. Vance)
Mr. Brough) That this be referred back to an enlarged Committee to bring in a report to Senate.

The amendment to the amendment was lost when put to vote.

The amendment carried.
