WHITE ROCK IS BOOMING

WHITE ROCK IS BOOMING.

With hundreds of visitors thronging the beaches of Semiahmoo Bay; with hot summer weather, tempered by the balmy breezes of the Pacific; with ideal bathing and camping conditions and with Dame Nature at peace with all humanity, is it any wonder that, despite the European War, the present season at White Rock is proving one of the most pleasant on record.

Not only is the influx of visitors numerically a return to the pre-war days, but also the demand for lots, lands and locations for both permanent and summer locations is a return to the former "boom" times.

During the month of July just passed, real estate transactions were very active. Upwards of a dozen new houses have already been signed for the building of some six or seven more.

Most of these deals have been put through by Mr. David Hughes, the local estates agent, and have been for spot cash, at prices which are reasonable to all parties.

A Partial List.

The following is a partial list of the more recent turnovers and building operations: Mr. J. Pilling, of North Vancouver, erecting a house, Sea-front road; Mrs. C. Lemax and Mrs. A. J. Burrows, of Cloverdale, severally erected summer cottages, Sea-front road; M. G. Hay, of Collingwood, purchased house and lot, Sea-front road; Mr. R. P. Munro, Vancouver, just completed handsome residence on the two lots recently purchased on Reid subdivision; Mrs. A. Smith, Edmonds; Mr. Fennell, New Westminster. Mrs. J. Dixie, Edmonds, and Mrs. J. H. Mackenzie, Vancouver, have all purchased lots on Victoria Avenue and intend to build. Mr. A. P. Currie, of Cloverdale, has erected a house on Reid subdivision. Mr. Miller, of Vancouver, is erecting a cottage on the Thrift subdivision, and Miss Steede, of Abbotsford has just acquired two lots on Victoria Avenue and has given out a building contract for two houses.

Visiting Householders.

Amongst the visiting householders are the folowing: E. A. Lovitt and family; Mr. and Mrs. Munro and Mr. Smilie; Mr. and Mrs. Barrett and family; Mrs. Cook and children; Mr. and Mrs. C. M. Bruce and family; Mrs. Winton and family; Mrs. Sterling; Mr. and Mrs. A. G. Bewley and family; Miss Florence Illman and party; Mr. and Mrs. J. R. BORDEN AND BUSINESS.

Sir Wilfrid Laurier and His Shirkers, Which?

The electorate of Canada may soon have to say whether Canada's word is but a "scrap of paper."

If a general election is forced on the Dominion by Sir Wilfred and his folowing, the issue will lie between Borden and Business; Laurier and the Shirkers.

Sir Robert Borden's business is WAR.

Sir Robert has given Canada's plighted word that WAR is Canada's sole and only business until the Allied arms bring the war to a successful conclusion.

Sir Wilfred, on the other hand, says that Canada should be given an opportunity to "take back" her plighted word; to break her promise to the Motherland, to the Allies, to Humanity!

In other words to let the "shirkers" say whether or no our gallant soldiers in the trenches are to be left without support, without encouragement, without reinforcements. Left to do double and trebble duty, left to die on behalf of a handful of "shirkers" who are living in peace and safety at home.

In the event of a Dominion election it is safe to say that Canada will proclaim in no uncertain voice that Borden's business is Canada's business, and that business is WAR, WAR, WAR!

OPEN AIR SERVICES.

War Anniversary.

The Rev. L. A. Morrant, of Christ Church, Surrey Centre, has instituted open-air services at White Rock during the summer season. These services take place Friday evening at 7 o'clock on the Pier.

Next Saturday being the third anniversary of the entry of Great Britain into the present great war, the service on Friday next will take the form of special intercession and prayer in this connection.

SURREY CENTRE SERVICES.

Special war anniversary services will be held at Christ Church, Surrey Centre, on Sunday, August 5th, at 7:30 in the evening, and at Hall's Prairie at 11 a.m.

WINS MILITARY MEDAL

Pte. Will Barge of White Rock is Decorated.

In a letter to The Surrey Gazette from the front, Pte. E. H. Sands says: "I am still 'Johny-on-the-spot' on my job. Will Barge is going strong; he will get his second stripe and a Military Medal. The medal is for his good work in keeping communication trenches open in his sector, between front lines and headquarters during the advance. He deserves the medal all right, I can assure you. Russel Smither was slightly wounded by premature bomb explosion the other day and will get a month or so rest at a convalescent camp. Phil Sangster is A1, and was in to see us today. Andrews, formerly of the Westminster Daily News, is quartered close to us; he is in an Engineers corps. None of us have any surplus flesh or weight, but generaly we are a bronzed, lean, healthy and cheerful bunch of boys."

FOR OUR WHITE ROCK SOLDIER BOYS.

Yesterday, Tuesday, July 31st, an afternoon tea and social was held at the residence of Mrs. Barge in order to raise funds and to formulate plans for providing Christmas cheer for the White Rock boys who are at the front, and who, in all human probability, will still be there doing their "bit" on Christmas Day, 1917.

NEWSPAPER EDITORS ARE VISITORS TO WHITE ROCK.

Mr. Ben C. Nicholas, editor of the Victoria Times, together with Mr. John Nelson, editor of the Vancouver World, were week-end visitors to "Rocklands," as guests of Mrs. Lachlan Macmillan and Mrs. F. C. Mawhinney.

Entered according to Act of Parliament as Second Class Matter at White Rock Post Office.

Let me live in my house by the side
of the road,
Where the race of men go by;
They are good, they are bad, they are
weak, they are strong,
Wise, foolish,—and so am I;
Then why should I sit in the scorner's
seat,
Or hurl the cynic's ban?
Let me live in my house by the side
of the road,
And be a friend to man.

CHEAPER POULTRY FEED.

On account of the scarcity and high price of feed the Poultry Industry of this country is threatened by the prospect of the wholesale slaughter of laying stock and a serious falling off in the number of pullets to be matured.

The necessity for retaining for milling every possible bushel of wheat suitable for that purpose need not be emphasized. To provide poultrymen with feed for rearing their young stock without unnecessarily lowering the supplies of milling wheat, the federal Department of Agriculture has requested millers throughout Canada to put on the market the cracked and shrunken wheat removed from grain before it is milled.

In addition to small and broken wheat these cleanings consist chiefly of the seeds of wild buckwheat, a near relative of the culivated buckwheat. The Poultry Division of the Central Experimental Farm has used wild buckwheat in feeding experiments and reports it to be a highly satisfactory poultry feed and has ordered two cars of buckwheat screenings for the Central and Branch Experimental Farms from the Canadian Government Elevators at Fort William. Fowls used to good grain do not take to it at first but when they become accustomed to it they eat it readily and do well on it.

The mill cleanings from local flour mills also contain traces of many other weed seeds, including several kinds of mustards. These, however, would not as a rule amount to more than two or three per cent. of the cleanings in the case of the standard grades of Western wheat. This material is specially recommended for backyard, suburban and professional poultrymen. On farms the cleanings from yards and poultry houses where it has been fed would have to be disposed of so as not to disseminate noxious weeds in grain fields.

Those interested in obtaining this class of feed should immediately arrange with local mills or feed dealers for a supply. The mills cannot be expected to keep this material for poultry unless it is demanded for that purpose and that rests with the poultrymen themselves.

PRISONERS OF WAR.

(E. Cottington)

When you're sitting by your fireside,
Far away from Cannon's roar,
Do you think of those our hereos,
The brave Prisoners of War.
How they're watching, how they're
waiting
For the stress of war to ease,
How they're looking,
How they're longing for the happy
day's of Peace.
For their brothers in the trenches,
Have an easier game to play;
Their's the Glory of the Battle
The excitement of the Prey.
But the Prisoners in their exile,
Have for them a kindly heed,
Spare for them some of your savings,
Help them in their hour of need.

OLD TIMERS' RE-UNION.
Water Fete, Sports and Picnic.

A combined sports day for the young folks and an old timers' re-union picnic has been arranged to take place at White Rock on Saturday, August 11th.

Committees working towards these ends are arranging the programme, getting in prize money, etc., etc., and will announce full details in a day or two.

It is understood that the sports will consist of the usual aquatic events, such as swimming, diving, water polo, etc., etc., and there will also be races, high jump, throwing the shot and other items on the beach and sands at low tide.

Messrs. David Hughes, Wm. Rickard, H. T. Thrift, Harry Gage and others are attending to the details.

DELIGHTFUL GARDEN PARTY.
At Mrs. J. H. Vidal's.

Last Wednesday the White Rock Ladies' Aid held a very pleasant garden party in the grounds of Alderwylde the home of Mrs. J. H. Vidal, president of the society.

A large number of ladies were present as well as a sprinkling of the sterner sex. Ice cream, tea and light refreshments were served out of doors, under the shade trees, and during the course of the afternoon musical selections were rendered by Mrs. Westland and Miss Aldyth Ireland.

In the evening, vocal solos and musical sketches by Miss Hood and Messrs. Williams and Stewartson delighted a large audience. Altogether the affair reflected great credit not only to the Ladies' Aid but also to the kindly hostess and her daughters.

The Aid funds were enriched by about $25 from the sale of ice creams and a silver collection.

PARKS FOR WHITE ROCK.

The question of picnic grounds and park sites for White Rock has been a live one for some two or three years. Owing to varying circumstances, however, very little headway was made until recently, but it can now be safely stated that one, and very possibly two, acreage sites will be vested with a local company "in trust" for the public use. These sites will be cleared and graded during the coming fall and winter, and will be ready for use next season.

INCLEMENT WEATHER.

Last week the Rev. Leonard Morrant, of Christ Church, Surrey, commenced his Friday evening services at White Rock. Owing to inclement weather the service was held in the Sea View Rest Room, opposite the local depot, and about 50 people were present. A short but impressive sermon followed the usual evensong and it was announced that on Friday, August 3rd, the service would be of a War Anniversary nature to which all military visitors in White Rock are specially invited. The local troop of Boy Scouts will be in attendance, and the general public are asked to remember the date and the hour. Friday evening, August 3rd, at 7 o'clock, on the Pier, if weather suitable, otherwise in the Sea View Parlors, rest room.

ELECTRIC LIGHTING.
Streets, Wharf, Railway Depot and Residences.

Enough paper, envelopes, stamps and ink has been spent on this subject to finance the proposition. It is understood that the B. C. Electric company are "anxiously" waiting for the Surrey council to put the matter through on the local improvement basis; it is further understood that the Surrey council are ready and willing to pass the necessary papers with this end in view, and it is also understood that practically all the ratepayers and property owners interested have duly signed up.

Where is the hitch? The delay is "penny wise and pound foolish." When it is remembered that the Electric Company supplies the lumber mill, within the confines of White Rock, with both power and light and that they also supply the city of Blaine, not over three miles distant, and when it is a fact that the pole line is up and in use by the B. C. Telephone Co., surely the outlay for lighting purposes so greatly needed in a seaport and summer resort like White Rock, would be an insignificant item, and the returns certain.

CHRIST CHURCH LADIES' GUILD.

Last month the Ladies' Guild of Christ Church, held a delightful social at the residence of Mrs. Hadden, Cloverdale. Mrs. Bell, Mr. N. F. Kendall, Miss Doris Powell, Miss J. Hadden, Mrs. Croft and Mrs. O. C. Lane contributed to the musical program and the affair was most pleasing both from a social and financial aspect.
