grounds. Mr. MacKenzie fully concurred with the tenor of Mr. Thrift's letter, stating that in view of the generous treatment accorded to Surrey by the provincial government it was up to the Surrey trustees to do their share in the upkeep of the grounds surrounding the schools. Mr. MacKenzie further expressed his personal appreciation and the appreciation of the people of White Rock of the honor conferred upon this section by the presence of the minister of education amongst

THE MONROE DOCTRINE AND THE BRITISH NAVY

In the last issue of The Semiahmoo Gazette we published the following paragraph: "The Monroe Doctrine has been assured to the United States during the past by the prepondering strength of THE BRITISH EMPIRE UPON THE SEA."

The truth of this statement has been questioned; in support of its perfect veracity and justification we reprint an extract from an article on the "War in Europe," published in the "Army and Navy Register," one of the leading papers in the United States:

"If it shall develop that the Germans drive the British from the seas, incredible as it may seem, then this country will have a veritable and formidable foe with which we may cope for the protection of our Monroe Doctrine only by vast expenditures for naval defence, or forfeit our right and power of enforcement of that instrument, to which, it is proper to remark, the Germans have never subscribed.

"With the German necessity of expansion there will be, without much formality, a descent upon Central American and South American domains as an outlet of the excess of Teutonic population. With the loss of the British fleet the power of that country to control the seas will deprive us of our principal ally in the maintenance of the Monroe Doctrine, which has been honored by Europe largely, if not entirely, because of the British naval fighting strength.

"Without that aid, the Monroe Doctrine would long ago have been a venerable superstition. Great Britain has compelled its recognition by the other European powers. We have been able to assert our dignity and exercise our right only by virtue of British support."

THE HOME FLAG.

To North and South and East and West,
Wherever the Briton homes,
On lonely road or sheltered quest,
Whatever the train he roams,
Today a call rings loud and clear,
That hearing no man may lag,
It stirs our hearts both far and near,
The call of the old Home Flag!

Wide strewn the Empire that we hold,
And never our work is done,
The chain that links us purest gold—
The love of a son for son.
And none may hear it and say it nay,
We are one in silk or rag;
Oh, sons of the Motherland, obey
The call of the old Home Flag!

Red—for the blood that was shed for it
Ere ever we saw the light,
White—for the men that are dead for it,
Giving their all for its might,
Blue—as the seas that roll under it,
Far as the ends of the world—
Flag of our race, with its Cross of God's Grace,
We hail it, our Hope upfurl'd!
—Walter E. Grogan in the London Telegraph.

GAME REGULATIONS.

Duck Shooting Is Open—Grouse and Pheasants Next.

The open season for duck shooting commenced throughout the province on September 1, and will continue till the 31st of January next. Grouse and cock pheasants may be shot in this district from October 15 to December 15 and November 15, respectively. No person may kill more than six pheasants in one day, neither shall they shoot any pheasant whilst there is snow on the ground in its vicinity. Trout fishing remains open till the 15th of November. Thanksgiving day is on October 12, and quite a number of visitors from town are expected down to this neighborhood to try their luck with rod and gun. Geese, ducks, snipe, plover and trout will afford plenty of sport.

The Semiahmoo Gazette is in receipt of a photo post card from Valcartier showing the Grenadiers in camp there. The sender of the post card was R. M. Gillespie, formerly of Crescent, who is now Morse code operator attached to the engineers ordered to the front.

LOCAL NOTES.

Mrs C.E. Sands, of Rocklands, White Rock, will be at home the first Thursday of each month.

Mr E. Thrift has received notice of his appointment to the local staff of the Immigration department to fill the position made temporarily vacant by the absence of Officer Barge, who is with the 104th at Valcartier.

The White Rock unit of the Imperial Reserve in Canada will parade for drill at the White Rock hotel hall on Wednesday and Friday evening at 7:30 till further orders. A church parade is called for Sunday evening, September 27. This company is now recruited to over forty men, the majority of whom have served under the colors in former years.

Mr. and Mrs. R. P. King, of Mission City, were recent week-end visitors to their seafront residence here.

Mr. and Mrs. J. Johnston, of Vancouver Heights, together with Miss Anderson, Mrs. Johnston's sister, returned home last week, after spending a week's visit to Mr. J. Hetherington.

Mr. and Mrs. W. P. Goard and daughter, Ruth, who have been residing in White Rock all the summer, went back to their Vancouver home a few days ago.

Mrs. L. Thornbur and Mrs. Duncan are down in their seafront cottage.

On Sunday afternoon, September 6th, the Rev. Mr. Gilbert, of Surrey Center, conducted divine service in the school house. He also performed the christening of Hugh Mervyn, infant son of Mr. and Mrs. E. H. Sands, White Rock Cottage.

The regular September meeting of the Ladies' Aid was held at the home of Mrs. David Hughes. The attendance was large and a good deal of important routine business transacted.

Gilley Bros.' tug Burrard removed the pile driving outfit used for the construction of the White Rock pier to Roberts Creek, where the government proposes to build a wharf.

Arrangements are under way for a dramatic entertainment to be held here early in October. Rehearsals are now under way but the piece to be produced is not yet known.

Although most of the summer houses are now closed for the season, new inhabitants are still coming in to reside here. Among the more recent ones are Mr. Davis and family, who yesterday moved into one of the Winch cottages on Victoria avenue. Mr. Davis is connected with the office staff of the Campbell River Lumber company and formerly resided in Vancouver.

Mrs. Kenneth Chester and children, of White Rock, are visiting friends and relatives at Duncans, V. I.

Mr. and Mrs. George Wade, of Hill Croft, White Rock, have gone to Vancouver to reside for the present. A farewell reception was held at the home of Mr. and Mrs. F. J. MacKenzie the night before they left for the city. The Wade house has been rented temporarily by Mr. and Mrs. S. White. Mr. White is local immigration inspector appointed in place of Mr. W. R. Barge, who volunteered for active service in the 104th and is now at Valcartier.

Thanksgiving day falls on Monday, October 12, this year.

Mrs. Balderston, wife of the resident Methodist minister, the Rev. B. H. Balderston, and infant daughter returned home last week. Both mother and child are reported as progressing nicely.

THE MAN WHO KEEPS HIS HEAD.

("Britain's Motto: Business as Usual.")
There's man who fights for the Empire,
and he keeps her still atop,
He will guard her from dishonor in the
market and the shop,
He will save her homes from terror on
the fields of Daily Bread,
He's the man who sticks to business,
he's the man who keeps his head.

Let the foe who strikes at Britain hear
her wheels of commerce turn,
Let the ships that war with England see
her factory furnace burn;
For the foe most fears the cannon, and
his heart most quails with dread,
When behind the man in khaki is the
man who keeps his head.

Brand him traitor and assassin who with
miser's coward mood
Has his gold locked up in secret and his
larders stored with food,
Who has cast adrift his workers, who
lies sweating in his bed,
And who snarls to hear the laughter of
the man who keeps his head.

When the ships come back from slaugh-
ter, and the troops march home from
war;
When the havoc strewn behind us threats
the road that lies before,
Every hero shall be welcomed, every
orphan shall be fed,
By the man who stuck to business, by
the man who kept his head.

Chronicle.

RED CROSS SOCIETY

LOCAL BRANCH ORGANIZED

An organization meeting of the local branch of the Red Cross society took place on Friday, September 11, at the residence of Mrs. F. J. MacKenzie.

Nurse Hutchinson, of the Blaine hospital, was present and gave the ladies many hints as to the mode of work, and Mrs. I. Burton-MacKenzie, the moving spirit of the local branches, gave valuable assistance in the routine of organization.

The following officers were elected: Mrs. R. C. Thompson, president; Mrs. David Hughes, vice-president; Mrs. A. J. Smith, sceretary-treasurer.

A second meeting was held at the home of Mrs. W. E. Johnston, on Friday last and a campaign of energetic work was commenced. Every lady in the White Rock district is asked to assist in some way or another in this laudable way of looking after the needs of the soldiers, wounded and otherwise, who are likely to suffer great hardships during the coming cold weather at the "front."

Surrey War Relief Fund

The municipality of Surrey will look to the interests of those within its boundaries whose circumstances are adversely affected by the war. All districts of the municipality will report to the municipal center where funds, provisions and farm produce for this purpose may be sent. White Rock is represented on the general committee of management F. J. MacKenzie, M.P. P., Rev. Mr. Balderson, Mrs. R. C. Thompson and Mrs. F. W. Leesor.

The next meetidg of the committee will be held in Municipal hall on next Tuesday afternoon, Sept. 29.

Parcel Post Boxes

Wooden boxes are safe boxes.

The man who intends to build up a mail order business should use wooden boxes for soft fruits, butter, meats and all perishable goods. The disappointed customer will not repeat his order.

We carry a variety of light, strong boxes which are specially designed to meet the requirements of the parcel post service.

Our patent collapsible boxes have solved the problem of combining lightness and strength at a low price. They do not lose their rigidity when wet.

Tell us what you intend to pack and ask for prices. We are equipped to make all kinds of boxes and crates.

PATRIOTIC MEETING.

Enthusiastic Gathering at White Rock Hears Pledges of Aid for War Relief Fund.

The rousing patriotic meeting held in the church hall here on September 4th resulted in $70 being donated by the audience towards the war relief fund, and a number of fresh names added to the local unit of Imperial reserves.

Mr. H. T. Thrift occupied the chair and amongst the various announcements read a communication from the Campbell River Lumber company, White Rock, stating that their employes were sending in a generous donation towards the fund in view, but that the amount was not yet fully made up. Mr. Thrift also stated that the Dominion government customs and immigration officials stationed at the White Rock offices were donating 5 per cent of their salaries each month and as long as necessary to the same object, whilst Mr. F. J. MacKenzie announced on behalf of the White Rock school teacher, Miss Simon, that the boys and girls under her charge had contributed $10 to the fund.

The program was a long one and included stirring addresses from A. H. B. Macgowan, M. P. P.; F. J. MacKenzie, M. P. P.; Mr. W. P. Goard and the Rev. Mr. Balderston; vocal solos by Miss Alvina Munn, Miss Irene Gilley and Mrs. F. W. Leeson; a war recitation by Mr. C. E. Sands and patriotic selections by a large chorus, composed of the local choir and their friends.

A message was received from Colonel J. D. Taylor, M. P., stating that military and other pressing duties prevented him from attending the meeting.

TRESPASS CLAIMED AGAINST SURREY MUNICIPALITY.

Road Lines Do Not Conform to Gazette Notice.

Judgment is reserved in the case of Hope & Hobson vs. Surrey Municipality, which was heard before Mr. Justice Clement in a supreme court action at Vancouver recently.

The plaintiffs claim trespass on the part of the Corporation of Surrey and contend that the highway adjacent to the G. N. R. depot at White Rock does not belong to the municipality but to them.

In support of this claim they affirm that the V., V. & E. railway or G. N. R. has trespassed on the municipality's property, and that the roadbed of the railway company properly belong to the municipality. On this account the railway has been added as a defendant.

The plaintiffs ask for a declaration as to the southern boundary of the property and for a finding that the boundary is not the municipality's road.

Mr. Charles E. Hope, in an interview with the Semiahmoo Gazette regarding the standing of this case said, in part: "No decision has as yet been given. Judgment is reserved but will be given out, I expect, before very long.

"A very important question is at issue, one far beyond our perseral interests in the case: Can a municipality gazette a road and then build it somewhere else?

"There is no doubt whatever that the road in question does not conform as constructed with the road as gazetted.

"There is no doubt that the road as gazetted is in a much better position than the road as built. This may now means a heavy expense to the municipality or to the railway company, owing to the apparent great carelessness as between the railway and the municipality in the past."

WESTLAND-RIDINGS.

Mr. Andrew Westland and Miss Gertrude Ridings, the latter formerly of Blaine, but more recently of Seattle, were married at the Episcopal rectory in Seattle on Wednesday, September 9. Mr. Clifford Adams, of the White Rock customs staff, acted as best man.

Mr. Westland and his bride have now returned to their home at the Pacific Highway. Mr. Westland is an official at the Dominion government office at that point.
