"SCRAPPED"

" ____ " ____ " ____ "

(By Sir Clive Phillips-Wolley)

In the last dull flat of a river,
That has all but reached the sea,
Where it pauses, half dead, to shiver
Ere it plunge in Eternity.
On the mud it has purged ere it passes,
Lies a warship of England's Fleet,
Fouled by the slime and the grasses,
Impotent—obsolete.

* * * * *

Outside is the sound of the surges,
As they toll at the river's bar;
Above them, triumphant, emerges
The thunder of Britain's war.
Her mates are living the story
For which she was laid and built;
They are fighting or sinking in glory,
She rots alone on the silt.

* * * * *

Was it a breeze made her shiver,
By the envious years entrapped;
In the fog at the mouth of the river,
Unused, obsolete, scrapped.

COMING EVENTS.

Electric Street Lighting. Electric Car Service.

A MARINE DRIVEWAY.

Progress is still the watchword of the inhabitants of the immediate district of which White Rock is the centre.

A considerable amount of routine work has been going forward in connection with improvements of public utility for this neighborhood by the committee and the individuals who have the interests of the general public at heart.

It is learned that the electric lighting scheme both for private household use and for street, pier, wharf and railway depot purposes is nearing fruition and that plans are under way for the opening up and putting through of a Marine Driveway to run along the shores of Semiahmoo and Mud Bay, thus connecting up White Rock and Crescent with a direct highway.

The electric lighting scheme will in all probability go through on the local improvement plan, under the direction of the Surrey Municipal council; whilst the Marine Driveway will be undertaken by the Provincial Government at the recommendation of our local member, Frank J. MacKenzie.

THE LATE JOHN HENDRY.

Intimately Connected with the History of White Rock.

The late Mr. Hendry, who died at his residence, Shaughnessy Heights, on July 19, had been intimately connected with the history of White Rock from the early ninety's on till the time of his death.

It was in the year 1886-7 that an Englishman, named Smith, homesteaded the quarter section of land now known as The White Rock Townsite. This homestead subsequently passed into the hands of Mr. Gerbritsh who had the same subdivided in 1890 and placed on the market.

A considerable number of lots were sold, mainly to South Surrey and Blaine, Wash., people and in 1891, a large hotel was erected and a pier or dock built.

The hotel has long since vanished and the site is now known as "the old camping ground" adjacent to the pumping plant of the present Townsite Company; the site of the pier is still marked by the remains of the piles which extend sea-ward from the beach at "B" street crossing.

Mr. H. T. Thrift, then of Hazelmere but now a resident of White Rock, together with Mr. R. McMennemy, of New Westminster, materially assisted in the erection of both pier and hotel, and their respective teams of oxen hauled the piles and hewn timbers from the bush to the building site and beach.

The lumber for building the hotel and the planking for the pier was supplied by the B. C. Mills & Timber Co., which had been incorporated in 1889 with the late John Hendry at its head.

Mr. Gerbritch, however, was not able to finance the business and the property fell, by default, into the hands of the late lumberman who held the controlling interest in what is now known as "the townsite" subdivision of White Rock, till the time of his death.

The late Mr. Hendry, visited White Rock a few "seasons" ago, at which time he was interviewed by a representative of The Surrey Gazette; he then expressed himself as being greatly pleased with the signs of progress that he saw round him and stated his firm belief in the future of this seaport not only as a summer resort but also from a commercial standpoint.

It was through the instrumentality of Mr. John Heudry that the Great Northern Railway obtained its present right-of-way through to Vancouver. He was the prime mover in the construction of the V. W. & Y. afterwards taken over by the V. V. & E. Ry. and which now constitutes a portion of the main line of the G. N. R. from Seattle to Vancouver.

SURREY FLOWER SHOW.

The third annual Flower Show of the Surrey Women's Institute will take place on Thursday, August 3rd, at the Opera House, Cloverdale.

SURREY AGRICULTURAL ASSOCIATION.

The Twenty-fifth Annual Exhibition of the Surrey Agricultural Association will be held in September, in the grounds of this Association, Surrey Centre.

THE END OF THE WAR.

Friday, August 4th, markes the 2nd anniversary of the entry of the British Empire into the "World War." Coming events cast their shadows before and the shadows of the great end to the great war are rapidly forming into shape. The night is at hand for Prussian militarism; the dawn is breaking for the day of Righteousness and Peace.

AN EXTRACT.

We like the optimistic spirit of your paper. A good newspaper booster is always one of the mainstays in any community. So we say boost and keep on boosting; it is bound to bring results."

"Here shall the Press the People's right maintain,
Unawed by influence and unbribed by gain.
Here patriot Truth her glorious precepts draw,
Pledged to Religion, Liberty and Law.
Joseph Story, A.D., 1779.

THE RURAL EDITOR.

Consider the editor. He weareth purple and fine linen. His abode is among the mansions of the rich.

Lo! All the people breaketh their necks to hand him money. A child is born unto the merchant of the bazaar. The physician getteth ten golden plunks. The editor writeth a stick and a half and telleth the multitude that the child tippeth the beam at nine pounds. Yea, he lieth even as a centurian. And the proud father giveth him a cigar!

Behold the young one groweth up and graduateth, and the editor putteth into his paper a swell notice. Yea, a peach of a notice. He telleth of the wisdom of the young woman and of her exceeding comeliness. Like unto the roses of Sharon is she and her gown is played up to beat the band. And the dresmaker getteth two score and four iron men and the editor getteth a note of thanks!

The daughter goeth on a journey and the editor throweth himself on a story of the farewell party. It runneth a column solid. And the fair one remembers him from afar with a picture postcard!

Behold, she returneth and the youth of the city fall down and worship. She picketh one, and lo, she picketh a lemon. But the editor calleth him one of our most promising young men and getteth away with it. And they send unto him a bid to the wedding feast, and behold the bids are printed by Montgomery & Hawbuck in a far city. Flowery and long is the wedding notice which the editor printeth. The minister getteth ten bones. The groom standeth the editor off for a 12-month subscription! Can'st thou beat it?—Kaslo Kootnaian.

HAPPENED HAPPENINGS.

The Orange Lodges of Surrey Centre, Murrayville, Tynehead, Hazelmere and "Semiahmoo' spent a pleasant day at White Rock on the "glorious 12th."

Sports on the sands, bathing, boating and swimming were much enjoyed and keen interest was shown by every one in the "Baby Show." The Boy Scouts both of White Rock and Cloverdale took a prominent part in the days procedings. Dr. Arthur Smith, of New Westminster, and Nurse Saborn were judges in the baby contest. The first prize went to Master Hyslop and the second to Marjorie Bielby, who was a close contender. Chester Lever, admittedly the star baby, was over age.

In the evening, a programme of music and recitations was rendered. Recruiting speeches were delivered by Rev. Dr. Sipprell, Rev. Mr. Goard and Lieut. F. J. MacKenzie, M.P.P. Scoutmaster H. T. Thrift was chairman. The ladies of the White Rock Red Cross Society reaped a golden harvest from the raffle of a fancy lace collar, and by the sale of miniature engravings of Princes Patricia. Miss Eileen Gilley, of New Westminster, M. J. J. Wilson and Master Wilson of Cloverdale, and a quartette led by Mr. Harper, were among those who contributed to the musical programme. Corp. Florence C. Campbell of the 211th Batt. (American Legion) was one of the leading spirits of the affair, Mr. Beaton, of Tynehead, played the bagpipes.

REGATTA AND ANNUAL.

The date will be fixed and announcements made in the near future.

WELCOMED BY THE LADIES' AID.

A New Denver Exchange, under July date says:—

Rev. Mr. Balderson, who takes charge of the Methodist church here, arrived in town on Thursday with his family. They were met on their arrival by a delegation of the Ladies' Aid who conducted them to the patronage which the ladies had prepared for their occupation.

NEW MANAGER AT CLOVERDALE

M. H. Wilson former local manager for the B. C. T. Co. at Cumberland has been appointed to the position of manager of the Cloverdale Exchange.

AN "AT HOME"
At the Residence of Mrs. F. J. MacKenzie

A most pleasant and enjoyable At-home, under the auspices of the White Rock Ladies' Aid, was held last Wednesday afternoon and evening at the residence of Mrs. F. J. MacKenzie.

Afternoon Tea, Ice Cream, home-made goodies and general sociability marked the occasion. A silver collection in aid of the Church funds was suitably recognized by the large number who attended the affair, and a program of musical items, to which several New Westminster visitors kindly contributed, added the variety which pleases. Fuller details will be published next issue.

MARRIED
ROBBINS—FENTON

On the 7th day of June, 1916, William E. Fenton of the White Rock staff of the G. N. R., and Miss Eva Robbins of Snohomish, Wash. were united in marriage.

The ceremony took place at the Baptist Church, Snohomish, with the Rev. Mr. Randall officiating.

The bride, who approached the altar on the arm of her father, was attired in a costume of white satin, Grecian style, and a veil of silk net in Juliet cap fashion; she was attended by Miss Florence Goodrich as bridesmaid, costumed in pink with over flounce of white net.

Six ribbon bearers and several little flower girls, members of the brides Sunday school class, Lohengrin's wedding march, played by Louis Cook at the organ with violin obligato by Mr. St. Clair, the singing by Mrs. Warne of "Oh, Promise Me" and a tastefully decorated church all combined to make the service one of beauty and solemnity.

The groom was supported by Gordon McKinley as best man and after the ceremony a jolly reception was held during which Mrs. Warne rendered the solo "I Love You Truly."

A honey moon of some duration was spent visiting the Sound Cities and on their return the young couple have now taken up housekeeping at White Rock.

A CLOVERDALE COLONY.

BOY SCOUTS AND GIRL GUIDES.

The Coqualeetza (Indian) Boy Scouts and Girl Guides visited both Cloverdale and White Rock last month. They provided an excellent program of atheltics and Scout craft exercises before an interested audience on the Pier at White Rock.

FOR THE SOUND OF A VOICE.
The Clasp of an Absent Hand.

Camp fire sing-songs on the beach are, as of yore, a favorite pastime these summer evenings. The old folks and the "kiddies" bravely essay to put zest and zip into these gatherings, but the musical bass, or the sweet tenor that formerly started the song and led the rousing chorus, is sadly missed. Not till "Johny comes maching home again" will the beach camp fire regain its old witchery both for young and old.

BEEKEEPERS ATTENTION.

The Beekeepers Association of British Columbia, propose holding an Exhibit of the products of the Apiary at the Vancouver Exhibition, August 14th to 19th. S., Dominion specialist and Messrs. J. Brooks, F. D. Todd, Williams Hugh D., Mowat, Fred White, J. Reagh, and other well-known beemen will address the meeting, Beekeepers wishing to exhibit should write Manager Rolston, for entry forms.

THE HORNET STINGS AGAIN

That a sea-side resort advertises among its attractions, "Mixed Bathing and Nature Study." Why this tautology?

* * * * *

That War is like Golf—when Russia acts and Germany provides the news, a successful "drive" results in a good "lie."

* * * * *

That the Liberal campaign lacks the enthusiasm which carried it along at the time of the Bye-Elections.

* * * * *

That it looks very much as if Messrs. Brewster and Macdonald had "shot their bolt."

* * * * *

That the latter seems unable to talk anything but petty politics.
