PRINCETON'S ANNUAL CELEBRATION

July 1st and 2nd

Campaign Opens With Splendid Address

HON. A. M. MANSON GIVES REVIEW OF ACHIEVEMENTS OF TWELVE YEARS OF LIBERAL ADMINISTRATION

Presenting the government's case as that of a directorate seeking re-election, Hon. A. M. Manson, attorney general and one of the most prominent members of the government, auspiciously opened the 1928 political campaign in the Similkameen when he favorably impressed a large audience in the Oddfellows' Hall last night.

Regardless of policies or creeds, it was a pleasure to listen to Mr. Manson. Possessed of a fine stage presence he presented the case of the case of the government in a lucid and convincing style, and confined himself to enlightening if sifted information. A pleasing feature was his restraint from personalities, the most damaging accusation he made of the member for the Similkameen being that he patronized the saint of Canadian mail order buyers. In this he set a laudable example for the campaign.

"British Columbia's Progress" was the topic of Mr. Manson's address, which he illustrated by a number of slides. It might more properly have been called "British Columbia's Progress under Liberal administration."

Working from a well-devised plan, the speaker proceeded to present the "directors' report" under five headings—development of natural resources; administration; legislation; a progressive policy for the future; and a defense of Liberal administraton along the lines of the four chief criticisms, namely, the debt, taxation, expenditure and party abuse.

He paid glowing tribute to the late leader, Hon. John Oliver, referring to his personal life, an example for the young, and his work in organizing and strengthening the party. His work was beig ably carried on by his successor, Hon. J. D. McLean a man of like reputation. It was notable, he thought, that the wheels of the government continued to move so easily when the necessity came to change leaders. He contrasted the Kamloops convention and the Tolmie-Bowser split.

He showed by statistics how the province had advanced under the twelve years of Liberal rule in many lines. Agricultural production increased 192 per cent. diversity being greater than in any other province. Population increased 46 per cent., imports from seventeen million to twety-one million exports 300 per cent.; lumbering 240 per cent., the export of lumber tremendously; pulp and paper 360 per cent; mining values 58 per cent., tonnage 101 per cent.; fishing 95 per cent.; basic industries 100 per cent.; school population 68 per cent; telephones 104 per cent.; payroll 125 per cent.; power devolopment 104 per cent.; investment 36 per cent., or three and a half times the average for the Dominion—a reply to the opposition cry that capital was being driven out of the province. B C's financial position was good. Production was up 77 per cent., with decrease of 4½ per cent. per capita in expenditure. Actually the net debt was only $45,000,000, while with relation to sinking fund British Columbia's position was the soundest of all the provinces, as proven by low rate of interest at which she could borrow, 4.61 per cent. The cry of increased taxation was a myth. Taxes actually had been cut $2,600,000 last year, and reduction had been the order after the first three years of Liberal rule.

A scientific plan of arterial road construction; enlightened labor and social legisation; sound administration, had been followed.

Hope-Princeton Coming

Though he found the audience willing to warm up on the subject, Mr. Manson did not side step the Hope-Princeton road issue. "The road will be built in decency and in order. . . not before July 18, but I venture to say, before the next election, if you send Mr. Tupper to Victoria. It is our plan to open up the province by an arterial network of roads. Work is already being done on the Richter Pass to provide a link with the boundary. The road east of Hedley must be relocated, and your connection with the coast eventually made."

"In the last few years we have spent $6,000,000 in the North and South Okanagans and the Similkameen, represented by opposition members. In doing so we have laid ourselves oper to criticism of Liberal ridings yet we have had nothing but destructive criticism from the representatives of these ridings. The

(Continued on page two.)

LOCAL GIRL WEDS AT EASTERN UNIVERSITY

On Tuesday following the graduating exercises of the previous day at Clark's University, Worcester, Mass., the students were guests at another interesting ceremony of local import when, at the Union Congregational Church, Rev. Marshall Goold united in marriage Miss Muriel Emmie Wagenhauser, only daughter of Mr. and Mrs. W. A. Wagenhauser of Princeton, and Mr. Ralph Willard Hidy, eldest son of Mr. and Mrs. Urban Wilson Hidy of South Solon, Ohio.

The event crowned an interesting romance. The young people were brought together at Clark last year by the winning of fellowships, Miss Wagenhauser receiving the honor on graduation from the University of British Columbia Mr. Hidy receiving similar recognition on completing his course at the Heix Miami University, Oxford, Ohio.

Both were successful in post graduate studies, and received their degree of master of arts in history and international relations at commencement ceremonies Monday.

At the close of the ceremony the happy couple left by auto, and after visiting at the Hidy home, Solon Ohio, will motor across the continent to Princeton, where they will spend the summer. They will return early in September, when Mr. Hidy will join the faculty of the Calvary section of the Norwich Military college as lecturer in history and sociology. They will make their home at the college.

Miss Wagenhauser is very well and popularly known in Princeton, and her academic career has been watched with interest and with pride. The town will unite in wishing joy to the newly married couple.

BLAKEBURN JUMPS TO TOP OF STANDINGS

Standing

	P	W	L	D	F-A	Pts
Blakeburn	4	2	0	2	9-4	6
Copper Mt.	4	2	1	1	10-10	5
Princeton	4	1	2	1	10-10	3
Hedley	4	0	2	2	4 9	2

Football games this week are:
Princeton at Hedley, 5:30.
Blakeburn at Copper Mt., 5:30.

By virtue of a 4-1 victory at home, the most decisive of the season, Blakeburn finally attained the position at the top of the league standing towards which they have been heading for some time. The game, the only one scheduled, drew a record crowd, and created considerable interest.

The score is hardly a fair indication of the run of the play though it is conceded that Blakeburn were the better team. Hedley is playing fine football, and gave the leaders a good run for the points. Both teams played heady ball, the chief criticism being that they almost over-did the fancy stuff.

Playing with their backs to the wall Blakburn soon put the fans at ease, and were seldom in danger of losing. Towards the end their supremacy was marked. The win creates an interesting situation. Blakeburn and Copper Mountain are billed to play two games, and on the result of this series rests the title. A single win gives Blakeburn the honor, but if Copper Mt. can take three points the cup will travel there. Hedley and Princeton are both out of the running.

Blakeburn—J. Craig; McIntosh and Hapwood; Parkes, Slogan and Plaskett; Thomson, Frew, S. Craig, Lewis and Haddow.

Hedley—Prout; Hambly and McLaren; Royce, Luxon and H. Pilkington; J. Pilkington, Andrews, Samson, Richards and Trudgeon.

Referee—J. Brown.

Hugh McConnell admits it, but but won't divulge the facts yet.

Liberals Rally for Election Campaign

MOST ENTHUSIASTIC MEETING IN HISTORY OF ORGANIZATION; STRONG EXECUTIVE ELECTED; CANDIDATE SPEAKS

Supporting the candidature of Chas. Tupper, Princeton Liberal Association commissioned him to carry to Victoria an appeal for the construction of a Princeton-Okanagan highway via Five Mile. T. J. Guinan was re-elected president, a roster started, and the candidate heard at what was termed the most successful Liberal organization meeting ever held here, Thursday night, in the Parish Hall.

A full contnigent of officers was elected, and a roll started, with several signing up at the meeting. Officers are: first hon. pres., Dr. J. D. McLean; second hon. pres., Hon. Dr. W. H. Sutherland; pres., T. J. Guinan; vice-pres., W. R. Foster; sec., C. K. Cunard; executive—Messrs. Lyall, Young, MacKenzie, Charlton, Ewart, Waite, Huston, Campbell, Cadden, Miller, Green, and Triplett.

That the Five Mile district had been neglected during the past twelve years was openly avowed and admitted. In spite of the fact that the district was rapidly filling up, practically nothing had been done, and the road had become very bad. Whereas years ago it was possible to go into Penticton with a heavy truck, and there is really only a mile and a half of road to be actually opened, the general condition of the road is bad. The grade is easy, and the cost would be small.

1350 New Votes

Mr. Tupper, in his first local address, promised to support the project, having already convinced himself by personal visits that the work was sorely needed. Mr. Tupper spoke optimistically regarding the Liberal chances in the forthcoming election. A total of 1350 new voters had been registered, mainly by efforts of his friends since he was nominated a year ago, and he believed that three fourths of them would vote Liberal. He briefly outlined the record of the retiring government, in social, agricultural, industrial and financial legislation and administration. He paid tribute to Dr. McLean, and the unity of the Liberal party, contrasting the disorganized state of the opposition.

The Similkameen, had made a bad bargain in being represented as she had. In some ridings which were represented by an opposition member the government listened attentively to his pleas, and gave the riding full justice. The Similkameen member, however, had of late years made a policy of indulging in destructive criticism, had lost the confidence of the ministers.

Since his nomination Mr. Tupper had been busy. A total of $40,000 had been spent in the west section of the riding in the past year. The Blakeburn-Coalmont and Allenby Copper Mt. road projects were now under way. The Five Mile route could be completed, he thought, for $2000 and he was entirely in favor. Engineer Phillip had said he thought the work could be done easily. The road lay in three ridings—South Okangan, Yale and Similkameen. A petition urging this road had been circulated years ago, and a subscription started. Mr. Tupper admitted that some criticism of the road superintendent was justified. Since his nomination Mr. Tupper had, he said, visited all parts of the riding.

Mr. Guinan introduced the candidate as a working man, who could not, as a K.V. engineer, indulge in an expensive campaign. Most of the work at that had been done in the past year was due to Mr. Tupper's efforts. The illness of the wife of the minister of works had delayed the arrival of the snow plow for the Copper Mt. road. It was regretted that Dr. Sutherland had not been able to address the present meeting. He sent a wire expressing regret.

Several communications were read dealing with routine and provincial organization work, and some regarding local appointments. The wish was expressed that the association meet more often.

SCOUTS TO GIVE DISPLAY

"Tenderfoot Tim," a special scouting film depicting the aims and activities of the Boy Scouts, will feature the exhibition to be staged by Princeton troop June 21. Practical first aid work, drills and other scout work will be demonstrated by the local scouts. Songs around the camp fire will bring back to many the memory of the good old days of youth.

Mr. Ackland of Keremeos motored to town Tuesday.

Fine Pitching Fails To Hold Princeton

COPPER MOUNTAIN TURNED BACK 7-2 ON HOME GROUNDS; LOCALS TO TRAVEL TO OROVILLE SUNDAY

Standing

	W	L	Pct.
Princeton	3	0	1.000
Coalmont	0	1	.000
Copper Mountain	0	2	.000

Princeton ball team will break the monotony of its Copper Mountain series with a trip to Oroville Sunday, to play an exhibition game with the team of that town. It will be a home coming for four of the member of the local team.

So far it appears that there will be no league game this week-end, and it is doubtful whether Coalmont will continue in the league. Manager Logan said that the mining town had lost several of its best men and it was hardly likely that it could muster sufficient strength to compete. An exhibition game is being arranged with Merritt.

Continuing their heavy hitting, and giving Callahan even better support in the field than usual, Princeton ran its winning streak up to three straight games, and held tight to the leadership of the league by bearding Copper Mountain in their own den Sunday, 7-2.

It was a peculiar game, featured by superb pitching, and yet heavy hitting. Princeton made a big effort to "get Kimberley's goat," but he took the joke like a sportsman, and turned in a stellar performance, whiffing fifteen men, and leading his team at bat. Callahan was also in fine form, whiffing eleven, but he did not have anything like the task set his rival. In spite of the twenty-six strikeouts, there were ten extra base hits, including the first homer of the season, poled by Jack Wilson, and two long triples by Ab Garton.

Copper Mt. started out like a real ball team, and as both teams were thoroughly on their mettle, the game is a good indication of the relative strengths. After Williams had singled, a smart double play retired the side, and Roberts and O'Grady registered clean doubles. Callahan held the last named runner to third, and Copper Monutain did not get another tally till the seventh. Allen, first man up in the second, got to third, but it was in the next inning that Princeton first scored, Callahan's double with the bags loaded driving in two. From the second to the fifth inning Kimberley struck out 13 men, but Wilson landed on one of his shoots for a homer. In the seventh Princeton bore down, scoring four runs on three hits and two errors. Two doubles gave the Mountain its last tally in the last half of the same frame.

Summary

Home run, Wilson; three base hits, Garton (2); two base hits, Callahan, Allen, Roberts, O'Grady, McGeer, Kimberley, Meldrum; earned runs, Princeton 5, Copper Mt. 2; stolen bases, Allen, Muir, Meldrum; sacrifice hits, Sparks, Wilson, Sinclair, Kimberley; bases on balls, off Callahan, Kimberley 1; struck out, by Callahan 11, Kimberley 15; left on bases, Princeton 7, Copper Mt. 7; double plays, Buchanan to McGeer; Langridge to Sinclair; wild pitch, Callahan, Kimberley; passed ball, Buchanan, Wilson; hit by pitcher, Callahan 1, Kimberley 1; time of game 1:52. Umpire, Hawk.

Ladies' Aid of St. Paul's Church met yesterday afternoon in the church. Plans were discussed for handling the refreshment booth in connection with the Dominion Day celebration.

LIBRARY ASSOCIATION IS ORGANIZED HERE

Princeton's library will be closed for three months during the summer, but will reopen October 1 with a complete new stock of books, under administration of the newly formed Princeton Library Association. This was effected at a well attended meeting held in the office of P. W. Gregory Monday night.

Due to the fact that Mr. Boult, who has acted as distribution clerk will be taking a holiday and because there is very little demand for reading matter in the summer, it was thought better to have a "house-cleaning." All books out on loan should be returned to Mr. Gregory's office. A circular will be sent out.

Appreciation was expressed of the fine selection sent. It was recommended that in future a book be kept in which titles of popular books in demand be jotted down. The library is supplied by the provincial library, and any book may be procured by deposit of a dollar. This leaves no margin for operating expenses, and it was decided to form an association to this end. The $1.00 deposit fee will, if the subscriber agrees, be applied to the treasury, and entitle him to membership in the association. E. Barr Hall was named president and P. W. Gregory secretary. A general meeting will be called just before the re-opening.

A vote of thanks was passed to the committee. P. W. Gregory, W. L. Boult and R. Levack.

Present were Messrs. E. Barr Hall, P. W. Gregory, E. Waterman, Rev. J. C. Goodfellow, W. Freeman, W. L. Boult; Misses R. Coles and D. Fee, and Mesdames Wright and Gregory.

A LAMENTABLE CASE

A cripple, penniless, and with hardly any resources to earn his bread, was thrust upon Princeton this week in the course of a journey in which he is being dumped from place to place.

Brought up from Keremeos by car Saturday, he was thrust into a local boarding house. He could not walk. He said he was a lecturer of renown, and was touring the country telling of his adventures in China and other lands. It soon transpired, however, that he was practically destitute, and good hearted citizens, foreseeing disaster, took a hand in arranging his lecture Monday night. As was expected, a mere handful turned up, and the entire takings were $2.50. He had already been boarded three days, and had incurred the usual expenses in conection with his "lecture."

Then the true facts leaked out. He left Smithers where he has a home and a family, and receives a small pension in the belief that he could augment his income by "lecturing." He met with an accident some years ago. He left Smithers with a man who was travelling through to the prairies, and who agreed to take him along, stopping from place that he might lecture. At the first stopping point the "friend" went on, leaving the cripple to his certain fate. He drifted into Keremeos; Keremeos passed him on to Princeton. Princeton dumped him on Merritt.

An appeal was made to the Canadian Legion here. The man had seen service with Imperial forces in the Boer War, but his injury was not in any way attributable to war services. The local officers could only protest the unfairness of the situation. Of the $2.00 dues they receive from members $1.50 is sent to Ottawa leaving only fifty cents for the conduct of local affairs and the establishment of a fund out of which the branch is expected to take care of cases such as this. They are constitutionally limited to $2.50 per case.

This amount will carry the man to Merritt, where he will again be dumped on the community. He is hoping to get as far as Kamloops, and eventually back to Smithers.

Word comes from the coast that E. E. Hardwick is progressing favorably in hospital.

Princeton Golfers Open New Course

MERRITT MEN ARE VISITORS SPLENDID LINKS WIN UNIVERSAL ADMIRATION; LADIES PROVE FINE HOSTESSES

With a score of visitors from Merritt, all enthusiastic over the reception, Princeton Golf and Country Club formally opened its splendid new course with an informal inter-club tournament Sunday. The event was of unusual significance in that it established the opinion that Princeton at last possesses a truly remarkable course, voted one of the best in the interior, and among the best inland courses those who have played on it have seen.

The visitors were delighted with their reception—with the hospitality of the ladies of the Princeton club, and more especially with the excellent new course. Its condition came as a distinct surprise.

In spite of the fact that work has been done on the course over a period of only two months, the turf is in excellent shape. The groundsman has done fine work, and the new mower has been a good investment. A fine expanse of velvety turf accordingly greeted the players at the official opening Sunday.

In location, too, the links are ideal. Situated down the river, within handy distance of the town, the course nestles against the hillside and the silvery expanse of the winding Similkameen. In the distance tower the lofty peaks, enveloped in a haze of blue.

The course, too, from a player's point of view, is said to be most attractive, possessing just enough difficulties and peculiarities. But it was the hospitality of the home players that came in for most comment. Players of both clubs—and several from Hedley—enjoyed what they vowed was one of the best days of their lives and Princeton golfers were roundly congratulated on their achievement and good fortune.

At the club house the ladies exceeded themselves in catering to the appetites of the players. Decorations were tastefully carried out and no pains were spared to make the day thoroughly enjoyable. Even the weather man did his bit, letting loose one sharp shower just to show what he might have done had he not become imbibed with the general spirit of genuine happiness.

Assisting at the club house were Mesdames H. C. Smith, Lee Smith, J. A. Brown, W. B. Ewart, E. C. Lansing, H. R. Taylor, A. W. Smith, E. Doerflinger, A. Sorenson, E. Gray and E. Barr Hall; Missess A. Knowlton and V. Carr.

The tournament itself sank into significance by comparison, but when the scores were totalled up it was found that Princeton had a substantial lead. In the individual play Princeton won thirteen games, the visitors six and one ended all square; in the foursomes Princeton won 4, the visitors 3, while three ended all square.

Results

P. Boyd, Merritt, beat R. Levack, Princeton, 1 up; Dr. L. Smith, Princeton, beat Dr. Coughlan, Merritt, 1 up; G. Morgan, Princeton, beat W. C. Parker, Merritt, 2 up and 1 to play; H. W. R. Moore, Princeton, beat Warr, Merritt, 5 up and 3 to play; E. C. Lansing, Princeton, beat Williams, Merritt, 6 up and 4 to play; R. Gay, Merritt, beat J. L. Coles, Princeton, 2 up and 1 to play; H. Priest, Merritt, beat F. Field, Princeton, 6 up and 4 to play; Dalton, Merritt, and H. C. Smith, Princeton, all square; S. Haynes, Princeton, beat M. L. Grimmett, Merritt, 5 up and 4 to play; W. Hazzard, Princeton, beat Hardy, Merritt, 3 up and 2 to play; A. E. Wilson, Princeton, beat J. Morrissey, Merritt, 2 up; Langstaff, Merritt beat H. R. Taylor, Princeton, 5 up; S. Ewart, Princeton, beat Sowerby, Merritt; J. A. Brown, Princeton, beat G. B. Armstrong, Merritt, 2 up; E. Nye, Princeton beat Ransom, Merritt, 3 up; R. MacDonald, Princeton, beat G. Jones, Hedley, 2 up; F. Farnsworth, Hedley, beat H. Nye, Princeton, 2 up; B. A. Heeney, Hedley, beat R. Pyper, Princeton, 7 up; P. Murray, Hedley, beat E. Gray, Princeton, 4 up; W. B. Ewart, Princeton, beat F. Wilson, Princeton, 6 up.

Foursomes: Alf Sorenson and Dr. Lee Smith, Princeton, beat P. Boyd and Dr. Coughland, Merritt, 2 up and 1 to play; Morgan and H. W. R. Moore, Princeton, beat Parker and Warr, Merritt, 2 up and 1 to play; Williams and Gay, Merritt, and Lansing and J. L. Coles, Princeton, all square; Priest and Dalton, Merritt, and Field and H. C. Smith, Princeton, all square; W. Hazzard and A. E. Wilson, Princeton, beat Hardy and Morrissey, Merritt, 2 up and 1 to play; Langstaff and Sowerby, Mer-

MINING NOTES

P. B. Freeland, district government mining engineer, is spending a few days here. He has just finished a review of the boundary country, and found the mines in the Greenwood section particularly promising. The Sally made a fine strike recently. Mr. Freeland also looked over the placer fields up the Tulameen River.

* * * *

John Biggs made his regular inspection of district mines this week. On Saturday he went out to the Coalmont Collieries' mine at Blakeburn. On Monday he visited the United Empire property and also the Copper Mt. mine. Tuesday and Wednesday, accompanied by James Dixon, provincial mines inspector, he visited the new Wilson mine site, the Lynden mine and the Tulameen Valley mine. He expects to return to Merritt today, Mr. Dixon going back to Victoria.

* * * *

Mr. Roberts of Vancouver, who recently engaged Bob Jameson and Charlie Smitheram to do some prospecting for him in the Lillooet country visited the Tulameen placer country Sunday.

* * * *

A keystone drill has been installed at the Hunter Creek mine, owned by the United Empire concern of Spokane. It is planned to make several drill holes to locate the seam and to guide the driving of tunnels.

CAMPAIGN OPENS WITH SPLENDID ADDRESS

(Continued from page one.)

Similkameen is not being unfairly treated. My own riding has equally as much cause for complaint.

"It is easy to build paper roads. On one platform Dr. Tolmie spent $34,000,000 in promises. They will spend more all round, and yet reduce your taxes. It can't be did."

Mr. Manson defended the P.G.E. work, soldiers' loans, municipal contributions, and such projects as the Sumas scheme as good investments. By the P.G.E. sale the taxes could be cut another $2 000.000 a year. The return of railway lands was a real feather in the province's bonnet.

The "blue ruin" cry of Dr. Tolmie and colleagues was resented as being bad for the province and untrue. Dr. Tolmie was criticized for his methods, and declared to have been found "asleep at the post." The directors could seek re-election by virtue of an "unparalleled legislative record."

Mr. Manson was glad to have Mr. Tupper allied with the party; glad for his independence of thought.

The candidate expressed the hope that the campaign should be kept clean, and that the interests of the district rather than of the party shoud be kept foremost. T. J. Guinan occupied the chair.

PRINCETON GOLFERS OPEN NEW COURSE

(Continued from page one.)

ritt, and S. Ewart and Taylor, Princeton, all square; Murray and Armstrong, Merritt, beat Gray and J. A. Brown, Princeton; B. A. Heeney and F. Wilson, Hedley, beat Pyper and W. B. Ewart, Princeton, 1 up; Farnsworth and Ransom, Merritt, beat H. Nye and E. Nye, Princeton, 2 up.

Among the lady visitors from outside points in attendance were Mrs. G. B. Armstrong and Miss Vicars of Merritt and Mrs. Prior and Mrs. R. E. Baxter, Hedley. Many local residents also attended and help swell the merry crowd.

It is hoped at some future date to extend an invitation to members of the Penticton and Kamloops clubs to visit our links, and also to be able to take our turn in having the interior championship games played here.

Dr. Francis and R. E. Baxter of Hedley arrived too late to compete in the twosomes. Mr. Francis, sr., and Mr. Heeney, sr., of Hedley enjoyed a social game of their own. Winner not announced.

KEREMEOS QUALIFIES

Princeton will oppose Keremeos in the final for the Similkameen public schools championship, and the Star cup Saturday afternoon, the game to be played at Hedley, commencing 2:30 p.m. Keremeos qualified for the final by winning from Hedley, then defeating in the semi final Allenby, who had eliminated Copper Mt. Princeton defeated Blakeburn and drew the bye. Both teams will be at full strength. T. Daly of Keremeos will umpire.

Scoring seven runs in the fifth inning after Allenby had led from the first frame, Keremeos qualified for the final of the school baseball series in the semi-final played at Hedley Saturday. Princeton drew a bye to the final.

Allenby started off in great style, sending Stalker and Pitney, their first batters, over the pan. They got two more in the second, and left men stranded on second and third. Keremeos started equally well, scoring the first man, but went out 1-2 3 in the second, third and fourth. Allenby came near scoring again in the third, but were easily disposed of in the next two innings. In the fifth Keremeos got to Stalker with a vengeance, and only after eight men had swarmed the paths, seven scoring, did they go out three in a row.

Allenby replied with a rally in the sixth which netted only one run, and Keremeos put over the final tally in the seventh.

Allenby—Stalker (1 run) p; Pitney (1) 1b; Lansing (0) ss; Williams (0) 2b; Lawrence (0) 3b; Broomfield (0) rf; Alexander (2) cf; Baird (1) lf; Joss (0) c.

Keremeos—H. Smith (2) c; Corrigan (1) p; Derry (2) ss; Campbell (1) 2b; Parsons (1) 1b; Allen (1) 3b; Christie (1) cf.

Umpire—H. Hawk.

Jim Sweet, member of the Copper Mountain hockey team, and one of the more seriously hurt of the Copper Mountain fire victims, packed up his troubles Friday afternoon and hit the rails for his home in Keewatin Ont. He is still on crutches, but was in a happy mood. He was accompanied by his brother Frank, and Frank's wife, who came from Keewatin to escort him home. Frank is employed with the C.P.R.

ELECTION BRIEFS

British Columbia will elect July 18, The election campaign is already beginning to warm up, following the somewhat sensational announcement of the data last week-end. The campaign promises to be short and hot, fought out under strained and unusual circumstances. Neither party seems to be as strong as it could wish. Nomination day is set for June 27, the next session of the legislature tentatively called for Jan 8.

Premier McLean's manifesto, in his first appeal to the country, is, briefly: transfer to the Canadian National Railways of the P.G.E., and extension of that line; a substantial reduction in the tax rate during the eral rule, and a further reduction soon, based on general progress made during the government's tenure of office—a higher standard of living, enlightened health and social legislation, sound financial admistration; a policy of forest conservation and a system of trunk roads to open up the country; encouragement of the mining industry, and a study of the question of pulverized coal.

Vancouver.—Nominations have not been made in the largest voting center, but the following men are definitely in line: Conservative—W. C. Shelly, R. L. Maitland, C. M. O'Brien, R. H. Tupper, Col. W. W. Foster, G. Walkem, T. Kirk, Col. N. Spencer, Mrs. R. C. Boyle; Liberal—Premier J. D. McLean, B. S. Brown, Hon. D. Donaghy, Ald. H. E. Almond, Mrs. J. Z. Hall, J. Hart, C. McRae, F. Crone, Rev. J. S. Henderson, Brig. Gen. V. Odlum. Charles Woodward, who headed the Liberal ticket in the last election, has declined to stand.

Nanaimo.—After years of unbroken supremacy by the late Hon. Wm. Sloan, Nanaimo promises to have a real fight this year. There are several nominations for the Liberal ticket, while the Conservatives are already in line, and L. Samson has announced himself an independent.

Burnaby. — Burnaby Conservatives will select a candidate June 19.

Nelson.—J. A. McDonadlfi manufacturer, former mayor, and most recently elected member of the House, declined to run again, and the Liberal nomination fell to Dan. D. McLean, a railway conductor.

Dame Rumor has been playing strange pranks with the name of Hon. A. M. Manson attorney-general, who spoke here last night. It is said that he will quit politics and take a seat on the bench. Chief Justice Hunter will retire, Mr. Justice Morrison will succeed him, and Hon. A. M. will step into this vacancy, making room in the cabinet for David Whiteside, K.C., as attorney-general.

Chilliwack—Hon. E. D. Barrow, minister of agriculture, will again contest this riding for the Liberals.

MINERAL ACT, 1896
(Form F)

Certificate of Improvements

NOTICE

Anac nda and Red Star mineral claims situate in the Similkameen Mining Division of Yale District.

Where located: On the Roche River a tributary of the Similkameen.

Take notice that I, P. W. Gregory of Princeton, B.C., acting as agent for Charles Bonnevier and Gustav Pouwels, Free Miner's Certificate Nos. 6232D and 6238 D respectively, intend, sixty days from the date hereof, to apply to the Mining Recorder for a Certificate of Improvements, for the purpose of obtaining a Crown Grant of the above claim.

And further take notice that action, under section 85 must be commenced before the issuance of such Certificate of Improvements.

Dated this eighth day of May, 1928.

If It's Lumber

We can supply your requirements---no matter what they may be.

DEMUTH SAW MILLS
PRINCETON, B. C.

Our leading Industry

WHEN 38c. of every dollar paid in industrial wages and salaries in British Columbia comes from lumbering, her ten-year production increase of 138.7 per cent. is vitally important to everyone.

Thirty per cent. of our Province's entire industrial production of 251 million dollars in 1926 was contributed by lumbering and its allied industries. British Columbia now ranks third in the Dominion in industrial importance, and forest products dominate.

Involved in British Columbia's lumbering industry is capital of more than 100 million dollars . . . 20,000 people are employed . . . 330 mills operated.

Without question this gigantic business is destined to continue at the same pace.

Climate, soil and drainage have produced our vast forests of soft woods . . . the greatest in the world! One-third of the British Empire's entire timber supply is in British Columbia. Today, the demand for soft woods is four times that of hard woods . . . and with the last great stand of soft woods located in our Province, continued progress and prosperity are certain.

Great as our timber stands are, our government realizes the necessity of safeguarding the future of this vast industry and is devoting much time, study and thought to the question of scientific reforestration, fire prevention and conservation.

Lumbering brought 84 million dollars to British Columbia in 1926 (the value of the cut that year), an increase of 49 million dollars over 1916. Every year more than 30 million dollars worth of supplies are purchased to enable this great industry to carry on.

Foreign markets have been sought . . . and captured. Water borne export of lumber has enjoyed exceptional growth. Ships laden with 2,616,419,000 feet board measure left our ports during 1922-1926 . . . an increase over the period of 1912-1916 equal to 984%. The log scale jumped 111% during the same period!

This activity represents real money in constant circulation. It keeps thousands of men busy . . . influences every phase of commercial life . . . builds markets for our farm products . . . spells "BRITISH COLUMBIA" the world over!

Add to this the sash and door factories, and pulp and paper production, which alone jumped from $15,450,000 in 1916 to $72,327,000 in 1926, and you have an idea of the enormous importance and far reaching influence which this, our chief provincial enterprise, is bound to exercise on the welfare and earnings of each and every citizen.

Read these announcements and understand your province's progress . . . clip them out and send them to friends. If you desire extra copies of these announcements a note to this newspaper will bring them. Advertise your Province!

THIS STORE STANDS FOR ECONOMY, SERVICE AND QUALITY.

STRAWBERRIES

Starting about July 10th we expect to receive about 200 crates of local strawberries. These strawberries are excellent for canning purposes, and the price will be reasonable about $3.00 per crate. At present we are receiving large quantities of strawberries from the coast and Keremeos. Today's price is $3.00 or 2 baskets for 25c and $3.60 per crate or 2 baskets for 35c. We expect the Government Control to reduce the price this week-end.

We have also bought 100 doz. 4 lb. tins of new season's Strawberry Jam of the highest quality procurable, and will guarantee a price of 75c per tin for this coming year.

Fresh Green Peas—2 lbs. for .. 25c

Hot House Tomatoes—Per lb. 35c

Field Tomatoes—2 lbs. 45c

Bing Cherries from Oliver—Will be in this week-end, and the following week Cherries will be plentiful.

Today's price on New Potatoes is 3 lbs for 25c; expect price to be lower this week-end.

B.C. Fine Granulated Sugar—Per 100 lbs. $7.65

Palm Olive Soap—With coupon. 4 bars for 25c

Two in One Shoe Polish—2 for 25c

We sell the best and sell for less and our service is second to none, and that is the only reason we are always busy.

WHY BAKE?

Princeton Paragraphs

Dr. Butler is at Hedley for a few days.

Police Inspector W. R. Dunwoody of Nelson was a visitor to town Sunday.

Mrs. G. W. Morgan is spending a week's holiday with friends at Vancouver.

The pupils of Mrs. B. M. Hickey will give a recital in the Orange Hall tomorrow night.

"Newsy" Hill, well known old timer and formerly in business here is making an annual visit.

Mr. Leckie, hardware merchant of Kelowna passed through the town Tuesday en route to the coast by car.

The streets of Princeton are receiving much needed attention, and the big grader is making a welcome difference.

Angus Nicholson arrived here the first of the week and will take charge of the road work to be done on the Copper Mt. road.

A small slide came down in the Coquihalla region of the Kettle Valley Railway this week, but did not materially disrupt service.

Mr. W. Forsyth is representing the Princeton lodge I.O.O.F. at the convention of the grand lodge, now in session at Chilliwack.

Blakeburn junior schoolboys, grades 4 to 6, are looking for a game with Princeton. Efforts are being made to accommodate them.

Mr. Earl Nowell of the local branch of the Bank of Montreal has been transferred to the Kamloops branch, and left this afternoon. His position here has been taken by H. P. Haam of Vancouver.

Charley Richter of Keremeos rode into town yesterday on his way up to the Roche River where he will join Charley Bounivere and "Belgie" in the work of opening up the trails in that section of the country.

Mrs. P. Prior (nee Miss Avonia Jones) of Mexico, who with her two little daughter are visiting at the home of her parents, Mr. and Mrs. G. P. Jones, Hedley, spent the week-end the guest of Mrs. J. A. Brown.

A. F. Cummings, returning officer for this elcetoral district, accompanied by G. A. B. McDonald, ex-reeve of Penticton, spent Tuesday and Wednesday posting proclamations in this end of the riding for the approaching general election.

Mr. Geo. Gartrell, Summerland, Dominion fishery inspector, was in town Tuesday with a further supply of 30,000 Kamloops spawn for lakes on the One Mile road. Later he will have a supply of fry for Smelter and other lakes in this district.

Mrs. Wm. McCullough who has been visiting relatives in Penticton returned to Princeton last Saturday and will spend a couple of weeks visiting her parents, Mr. and Mrs. W. S. Garrison, when she will proceed to Kimberley to join Mr. McCullough where they will take up residence.

Have your eyes examined for glasses by the latest method, as taught by one of the foremost men in optometry today. At Copper Mt., Thursday, June 21; Hotel Princeton, Friday, June 22; Hotel Hedley, Saturday, June 23. Please come early. L. V. Newton, optometrist. 31-1

The stock of Sostad & Hume will disposed of at a special sale directed by A. F. Pye, commencing Saturday. Bargain prices will prevail, as it has become necessary to dispose of the entire stock by June 30, when the lease expires. Mr. Pye is acting as manager and receiver for the firm of Sostad & Hume.

St. Cuthbert's guild held its last meeting of the season at the home of Mrs. L. A. Dodd Tuesday, with a good attendance. Plans were made for an ice cream and strawberry social to be held late this month on the beautiful lawn of Mrs. Geddes Lyall. The event will continue over afternoon and evening, and musical entertainment will be provided.

Perley Russell returned from a drive to Tulameen Sunday with a large oval shaped stone, with a deep hole in the center, wrought either by human hands or by water. Perley believes it to be an Indian relic the purpose of which he can best explain. Others say it is the product of a natural phenomenon, and that he could smash the stone and take out the gold.

As beginners are received in the Princeton public school only at the beginning of the school year which is in September, the school board requests all parents and guardians who intend sending beginners next term to register before the end of June the name and exact age of the children with any one of the school teachers or with the secretary of the school board. Children must be six six year of age or nearly six.

Taking fire near George Aldous' ranch Friday afternoon, about 3 o'clock, the Ford truck of the Princeton Departmental Stores, driven by Stan Pughe, was badly damaged. Stan was taking an order to the Aldous home, and when he drew up at the gate noticed smoke coming from under the seat. In a minute the gas tank had taken fire, and before anything could be done the truck was enveloped in flames. The car was towed into town, the engine still running fine. An estimate placed damage at about $300. Insurance was carried it is understood.

While our attorney-general may not win many trophies at the royal and ancient game he is none the less a devotee of golf, and despite the fact that his work here kept him up till a late hour, he rose early this morning and had a game on the new Princeton links in company with Dr. Lee Smith and Alf Sorenson. Later in the day he left via motor for Merritt. He expressed himself as very highly pleased with the progress made by the Princeton club in providing up-to-date golf links on the ground recently reserved for park purposes here by the provincial government of which he is an important cog.

GIRLS' BASEBALL

By scores of 18-7 and 13-10 Sockers won the opening games of the girls' ball league and climbed to the top of the standing. Captain Myrtie Garrison heaved her team to victory in both starts.

Friday the Sockers were much too good for the Bisons, who were expected to be the sluggers of the league. They were quite tame, however, and it was left to the Sox to do the heavy hitting. When the dust of battle had cleared the Reds were on top 18-7.

Sockers had a harder battle Monday, but showed equally good form, and, getting an early lead finished three up on the Red Sox, who were, however, coming on strong at the end.

Sockers—M. Oreskovich, M. Avery, O. Bromfield, M. Hughes, G. Foster, M. Garrison, V. White, A. Mitchell.

Bisons—M. Hughes, E. Wardle, O. David, A. Pincash, J. Paisley, A. Hall, P. Pughe, E. Lester.

Red Sox—L. Mitchell, B. McDiarmid, F. McDiarmid, E. Pughe, D. Francis, E. Foster.

COMING EVENTS

Dance—Coming! Les Crane and his Canadians, direct from the Belmont Cabaret Vancouver, with the latest dance hits, Orange Hall, June 25. 31-2 Admission $1.50 per couple.

* * * *

Garden Party—Under the auspices of St. Cuthbert's Ladies' Guild will be held on the lawn at Mrs. G. G. Lyall's on Wednesday, June 27th, in the afternoon from 3:30 to 5:30 and in the evening from 7 to 10 o'clock. Refreshments served; music. 31-2

* * * *

Piano Tuning—W. H. Tassell of Vancouver, B.C., will be in Princeton and vicinity about the beginning of July. 23-tf

Mrs. Bert Fewtrell of Penticton is the guest this week of Mrs. O. Vaughn. Mr. Fewtrell was also in town for a short time en route to Vancouver to attend the annual grand lodge meeting of the I.O.O.F.

Les Crane and his Canadians, formerly Pomeroy's Imperial Radio Orchestra, will appear in Princeton Monday, June 25, playing at the Orange Hall, with the latest dance music.

QUALITY is apparent in the longer, lower, more beautiful bodies of the "Bigger and Better" Chevrolet . . . quality such as only Fisher craftsmanship and Fisher steel-and-hardwood construction can impart.

And that same impressive standard of quality extends clear through the "Bigger and Better" Chevrolet . . . down to every last detail of its design and construction.

It is Chevrolet's insistence upon quality that provides the smooth, effortless power of the "Bigger and Better" Chevrolet engine . . . that gives you such a swift, flashing getaway when you step on the gas . . . that assures you such safety when you apply the non-locking four-wheel brakes . . . that gives you so much real motoring pleasure for so many thousands of miles.

It is quality that makes the "Bigger and Better" Chevrolet the world's most luxurious low-priced car . . . quality that makes it the world's most outstanding value in the low-priced field.

Accept no verdict but your own. Weigh no evidence but that of Chevrolet's own performance. Judge Chevrolet quality for yourself . . . by taking a drive today. C-9-6-28C

The G.M.A.C. . . . General Motors' own deferred payment plan affords the most convenient and economical way of buying your Chevrolet on time.

KEREMEOS NOTES

Lorne Coleman returned on Friday from a trip to Greenwood, made in company with Major Shaw.

* * * *

On Wednesday the Ladies' Guild of St. John's Church held a card party at Mrs. Coleman's. Seven tables were made up. Mrs. Chas. Armstrong won the bridge prize and Miss Daisy Dundas the whist. A collection of over $10 was realized.

* * * *

On Thursday Captain Seaton gave an interesting lecture in the Victory Hall. Capt. Seaton is a cripple, paralyzed all down his right side. In his younger days he was a seaman and soldier and he made a walking tour round the world on behalf of a newspaper. He is now touring round the country giving these lectures as a means of earning some money. A collection was taken up and a good total handed over to him.

* * * *

Mrs. Dave Ring return on Thursday after spending a week with Mrs. Wm. Pilkington.

* * * *

H. Tweddle and C. W. Lintott made a business trip to Kelowna on Friday.

* * * *

Mr. Harry Jones of Victoria was a visitor town on Friday, and Gerald Calvert passed through on Saturday on his way to Hedley.

* * * *

Mr. Gilroy of the Bank of Commerce staff left on Friday for his vacation. Mr. Elford is taking his place during his absence.

* * * *

Mrs. Pearce motored with friends to Seattle and will spend a short vacation there.

* * * *

Miss May Harris returned to town on Monday from Vancouver where she has been attending business college.

* * * *

A hunt for hidden treasure took place last Saturday evening, organized by Mr. and Mrs. Jim Clarke. It afforded lots of fun to the participants. The "clues" were scattered far and wide through the town and vicinity, and some of them took a lot of brain work to solve. Five car loads of seekers took part in the hunt. The last clue led to the Clarke's house where the treasure—a big box of candy—was finally discovered, and supper was served to the hunters.

* * * *

Mrs. Sam McCurdy spent Monday visiting friends in town. She says if we think we have the monopoly on mosquitoes we ought to come to Similkameen—they have a few (?) down there.

* * * *

Mr. and Mrs. Chas. Armstrong and Mr. and Mrs. Webb spent the week-end in Princeton.

* * * *

The weather has warmed up again during the week-end. It was just about time it did, for we were seriously looking for frosts last week.

* * * *

Mrs. Marsden and little daughter left on Saturday for a visit to relatives at her old home in Englond. Mr. Marsden motored them to Kamloops. Mrs. Marsden expects to be away uptil next spring.

* * * *

The public is cordially invited to attend a recital to be given by the pupils of Mrs. Thos. Daly in the Victory Hall, Wednesday evening, June 20, at eight o'clock. A silver collection will be taken to aid the Crippled Children's Hospital, Vancouver.

* * * *

Wm. Honeywell motored over to Penticton Monday evening and took Tuesday morning's boat to Vernon, to attend a meeting of the central executive of the Associated Growers.

* * * *

Mrs. E. M. Crooker has returned from a month's holiday and Mrs. G. R. Clarke is leaving on a visit to friends at the coast.

* * * *

In the opinion of Mr. Rogers of Penticton, who is looking after the enforcement of the spraying regulations in this district, the thorough manner in which the growers here have gone after the codling moth, will, by the time the season's campaign is completed, have pretty well have exterminated the pest, or, at least have brought it well under control. On a visit here this week Mr. Rogers gave personal demonstrations as to how to treat the trunks of the apple trees to assist in eradicating the pest. The rough bark which provides breeding places is carefully scraped away and bands, cut from old sacks, wrapped around he trunks. These act as traps for the grubs seeking a place in which to weave their cocoons.

* * * *

Jas. Clarke, manger of the Co-operative Growers packing house here, is now busy making an estimate of the season's fruit crop. Until this is completed anything like an accurate estimate will not be available. The estimate will likely be ready in time for the next issue of the Star.

* * * *

Mrs. Kirby received delivery this week of a handsome new model Chrysler roadster, and is rapidly becoming quite expert in its manipulation.

* * * *

Mike Costella is reported to have taken up residence in Hedley, and Mr. Marsden is planning to occupy the house vacated by Mike.

* * * *

The finishing touches are now being added to the new bridge above town and it will shortly be open for traffic.

* * * *

Mrs. J. Shuttleworth and baby son are spending a few weeks visiting relatives at the coast.

* * * *

Mr. J. Shuttleworth left for Penticton on Sunday to assume the position of linesman in the Dominion cannery.

* * * *

Work has commenced on an addition to the packing house of the Co-operative Growers. This will be used as storehouse for feed, which, as per a decision reached at the annual meeting, the association is preparing to handle.

* * * *

A. J. Dommett, former manager of the Dominion cannery here and who has since been residing in Vancouver, arrived back Wednesday, and, after getting his car, which was left in storage here, in running shape, will proceed to Kelowna where he has accepted the position as manager for the season for the Rowcliffe Canning Company. Since going to Vancouver Mrs. Dommett's health has been very poor and she had to undergo an operation. She is now convalescing nicely.

* * * *

Harry Armstrong returned Wednesday from a trip to Vancouver where he completed arrangements to act as manager for the Keremeos Packing Company this season.

* * * *

Mr. R. B. Hughes, the new manager for the Dominion cannery here arrived from Vancouver the first of the week, and, assisted by his foreman, Mr. Cargill Armstrong, has been busy getting in touch with conditions here and making preliminary arrangements for the season's work. It is gratifying to citizens here to know that the management has completed arrangements to employ white help only in the cannery. The chief problem in the past has been to find housing accommodation when white girls were employed. This has been solved by the Keremeos Hotel undertaking to house 20, and Carlton's Restaurant 10. The remainder requied to bring the staff up to full working strength, it is believed, can be secured locally. The required acreage has been secured; the plants are making a good showing for this date and a successful season is anticipated.

* * * *

As per custom, the June meeting of the Women's Institute was held on Wednesday at the beautiful home of Mrs. H. Tweddle. It was largely attended and much business disposed of, a full report of which will appear in the columns of the Star next week.

CAWSTON NOTES

On Tuesday, June 6th, the Cawston Women's Institute entertained at tea in the Langside peony gardens at the home of Mrs. T. Rooney. Tea was served at five o'clock in the afternoon and again at eight in the evening. The flowers were more beautiful than ever and the visitors very interested in the numerous varieties. After an enjoyable tea, peonies were distributed amongst the guests. The proceeds are to aid the Vancouver Crippled Children's Hospital which is supported by Women's Institutes.

* * * *

The Misses Greta Rooney, Magdalene Felhauer and Margaret Smith spent last week-end camping in the quiet of the hills off Fairview road. Our friends seem exceptionally fond of the outdoor life.

* * * *

Mr. and Mrs. W. J. Hammill and Miss Madge Ware motored to Penticton and Summerland on Friday last.

* * * *

Miss Florence Prentice who is training in the Royal Columbian Hospital, New Westminster, is spending her holidays with her parents here.

* * * *

On Friday evening a number of young people gathered at the home of Mrs. L. V. Newton, in honor of Miss Arleen Parr who has spent the past few months here, and who left on Sunday for her home in Crystal City, Manitoba. Miss Parr is visiting friends in Summerland and in Vancouver on her return.

* * * *

Mr. G. Leppingwell, who has spent the past few weeks at the home of S. R. Manery, returned to Kellogg Idaho, last week.

* * * *

On Friday evening the members of the Anglican Guild held an ice cream and strawberry social in the Community Hall. It was well attended and very successful both socially and financially.

* * * *

W. N. Sinclair, Mr. and Mrs. L. V. Newton and daughter Dorothy spent Sunday with friends in Summerland.

* * * *

Mrs. Geo. Lindsay and Miss Madge Ware of Bellingham, Wash., spent last week at the home of Mr. W. J. Hammill, brother of Mrs. Lindsay. The guests motored by way of Snoqualmie Pass. They reported roads in good condition except where construction work is going on. The pass is yet in poor condition. Blewett Pass is in fine shape. By July 1st all roads will be in splendid shape. Both guests were delighted with the climate here and said scenery is unsurpassed along the Penticton-Keremeos road. Miss Ware is principal of the city schools which closed June 1st.

CAWSTON SCHOOL REPORT FOR MAY

Divisoin II
(Margaret L. Smith, teacher)

Grade I.—1, Josephine Hall; 2, Richard Shemilt.

Grade II—1, Gordon Manery and Lila Suiter (tied).

Grade III—1, Eileen Tickell; 2, Hazel Silvester.

Grade IV—1, Eileen Rooney; 2, Earle Beecroft.

Attendanie and Punctuality—Norman Cochrane, Richard Cochrane, Eileen Rooney, Richard Shemilt, Joe Busch.

HEDLEY NOTES

It is with deep regret that we have to report the death of Mrs. James Cody, on Tuesday, June 12th. At the time of writing the funeral arrangements had not been completed.

* * * *

A geological survey of the Similkameen valley is being made by the Dominion Government Geological Department under the direction of Mr. H. S. Bostock, professor of geology of the University of Wisconsin. The whole party is at present encamped on the Twenty Mile.

* * * *

May we once again express our hearty appreciation for a most wonderful day's golfing over the Princeton club's new course. We of the Hedley contingent think the course is wonderful, especially the nineteenth hole.

J. Dickson, provincial inspector of mines, Victoria, paid an official visit to town this week, and while here met several of his old friends from Nanaimo.
