Forty-Second Year, No. 8 | PRINCETON, B. C. | THURSDAY, January 29th, 1942 | $2.00 Year, 5c per Copy

Curling Bonspiel To Start Sunday

The Coles Cup Competition was decided on January 22nd., when the W. Arthur rink defeated Sorenson which cancelled out the mathematical chance that the Hamilton rink did have to catch Arthur.

Arthur's outfit did the same to this competition as the Yankees did to the American League — they just breezed through without a defeat.

The rink was composed of W. Arthur, skip; A. Samuel, third; P. Pinn, second; and E. McDonald, lead.

BONSPIEL

Weather permitting the Princeton Bonspiel will get under way on Sunday, Feb. 1st, at 9 a.m.

Appropriate and valuable prizes have been donated in each of three events by the following prominent business concerns:

First Event (Grand Challenge)

1st. prize donated by Princeton Brewing Co. Ltd., 2nd prize donated by Princeton - Tulameen Coal Co.

Second Event (Similkameen Championship)

1st. prize donated by Princeton Hotel, 2nd prize donated by Prineton Cafe.

Third Event (Consolation)

1st. prize donated by Tulameen Hotel, 2nd. prize donated by Travellers Cafe.

Additional prizes are being put up by the Princeton Curling Club.

The entry fee has been set at $1.00 per person and each player is requested to pay this amount to his skip.

Rink wishing to enter must see that the Secretary is notified not later than 5 p.m. Jan. 29th.

The draw will be posted in the show window at the Princeton Market at 4 p.m. Jan. 30th. Prizes will also be on display there.

The following skips have already entered: W. Arthur, Tidball, Hamilton, Wilson, Gould, Seaman, Sorenson, Wallace, R. Arthur, Hooper, Avery, McKendrick, Geddes, Harmon, Nelson.

Among these rinks can be found all types of curlers, those at the peak, others coming up and others coming back, so that everything in the curler's book and a lot that is not in there will be on exhibition at curling rink on Feb. 1, 2 and 3.

Sugar Rationing In Effect Here

Sugar rationing has already gone into effect. Daylight saving will become effective Monday, Feb. 9. Under the present regulations no one should be conscious of any hardship.

Sugar will be limited to three quarters of a pound per person per week. People are allowed to have two week's supply on hand, and can make purchases for two weeks ahead.

For two months people are asked to co-opreate with the Government in giving effect to these regulations. Should the co-operation not prove satisfactory then more drastic measures will have to be resorted to.

Tires of Obsolete Size Taken Off Restriction List

Tire dealers have been notified that they are now allowed to release tires and tubes with 17, 18, 19, 20, 21 and 22 inch rims, and 30 x 3½ and old sizes of high pressure passenger car tires. These tires may be sold to anyone, but the same regulations apply to the sale of these obsolete sizes as are applicable to the sale of new tires and tubes to "eligible" purchasers.

An old tire must be turned in by the purchaser and no tarde-in allowance is to be made to the purchaser for any old tire so turned in.

Letters to the Editor

Princeton, B.C.
Jan. 28, 1942

The Similkameen Star,
Princeton, B.C.
The Editor,
SIR:-

Public notices have appeared in Princeton stating that a public meeting will be held on the 29th inst. under the auspices of the U.M.W.A. to hear Larry Sifton on the Kirkland Lake Strike.

As little has appeared in the press in these parts as to the present status of the Kirkland Lake affair, it would be well for the peoples of this community to be advised as to the present standing of the matter.

On November 18th, 1941, the total number of men on the payroll in this camp was 4,164. Since the strike was called 459 have withdrawn employment cards, 600 have permamently lost employment due to two properties going to the wall. Out of the balance, 3,105, we find at this date that there are 1,875 men at work.

The interesting point about the men back at work is that 1723 of them are British born, the balance, 152, being foreign born. Of the men remaining out. 949 are foreign born.

The total foreign born employed at the beginning of the strike was 1134, so it appears that 86% of these men are still out while 92% of the men at work are British born.

Here is the evidence that elements which are subversive are working against our People and our State. If otherwise, why are not the British born working men supporting this affair. The truth is that they know from personal experience that the C.I.O. is not for them.

Yours truly,
J. W. SOUTHIN.

Elks' Work For Past Year Reviewed

The following is the Historian's report of the Elks' Lodge work for the year. Mr. J. O. C. Kirby was elected to this post at the recent installation:

May 24 — Dance and Queen contest, with parade and dedication of the Victory Torch.

June 10—The Lodge invested $150 in Victory Bonds.

June 15 — The Lodge erected a large "Welcome to Princeton" sign next to Logan's Garage.

July 1 — The Elks had their customary crowning of the Carnival Queen ceremony at the Cenotaph, followed by a programme of sports and special features, including performing dogs, Punch and Judy show, and music by the School Band. There was free ice cream for the children. July 1 & 2 dances were a great success.

October 15—The Lodge purchased the Scandinavian Hall.

November 6, 7 8 — The Elks' Fall Carnival was held in the Britton Block and proved a big success. An arm chair and lamp was given away as first prize.

December 24 — 25 Hampers were passed out to the needy of Princeton. The money was raised by the sale of tickets, and two dances were held on Christmas Eve and Boxing Day. 25 prizes were donated by local business firms, and all were distributed.

January 10—The Elks' Overseas Cigarette Fund sent 215,-100 cigarettes overseas to date, and received 250 letters of acknowledgment that smokes arrived in England O.K. 98 men are on the list and all from Similkameen Valley.

The Lodge and Committee wish to thank the public and business places for their donations and kind co-operation.

Smoke Fund Cans To Be Picked Up Next Tuesday

Elks' Smoke Fund cans will be picked up next Tuesday. The following cans will be replaced with new ones:

Lucerne Club, Burr Motors, H. McConnell, Princeton Drug and Book Store, Dr. Butler, Princeton Power & Light Co., McDonald & Wallace, Avery & Avery, P. W. Gregory, Post Office, C.P. Station, Princeton Brewing Co., Ewarts Hardware, J. Corrie, Scott's Drug Store, Burns Meat Market, Overwaitea, Travellers Cafe, Quality Meat Market, Princeton Bakery, Gray's Bakery, Bank of Commerce, Princeton Cafe, Princeton Hotel, Billiard Hall, Bretts Ltd., White's Hardware, Tulameen Hotel, Logan's Garage, Capitol Theatre, Mike Batie, barber, Princeton Market, Scott's Grocery, Taylor's Dairy, Princeton Hospital, Tulameen Cafe.

New Names Added

Two new names have been added to the list: Spr. J. McCowan, Copper Mountain, and Spr. K. B. Morrison, Copper Mountain. 99 men are now on the list. Total "smokes sent overseas, 215,100. New names should be sent to the Committee by Feb. 8th.

The Nickle Plate Community Club monthly cheque of $15 was received and is more than appreiated.

Letters From The Boys

Neil W. Bigelow: "Just a line to thank you for the cigarettes which arrived a few days ago. They've had quite a journey trying to catch up with me—three packages arrived in all, two of which had been unwrapped once. They were in good shape, however, and I certainly appreciate them very much.

NOTE—Neil Bigelow is a brother of Russ Bigelow, of Copper Mountain.

Sig. E. Asbury: "I received another parcel of cigarettes, which I gratefully acknowledge. May I express my sincere wish that you will have plenty of health and happiness for the year 1942. My heartfelt thanks for all the 'cigs' you sent to me during 1941. I have received every one up-to-date.

Gnr. Doug Evans: "I'm afraid this is a very belated letter of thanks for cigarettes which arrived Dec. 2nd, but I have been (and still am) in hospital with a broken right wrist, until today, when a smaller cast was put on, I could do no writing. Hospital is not the best place to spend Christmas in, but we were given a very good time. I have to go another two months before returning to my unit. Again, many thanks for your kindness."

Game Association To Meet Monday

The regular monthly meeting of the Princeton Fish, Forest & Game Protective Association—the first since the annual meeting—will be held next Monday at 8 p.m. in Travellers' Hall.

The new President, E. W. Taylor, is anxious that there be a good attendance, so that the association gets a good start for the new year. All members and prospective members are urged to attend.

Bill Irwin Places 4th In Seattle Ski Meet

Bill Irwin, of the Amber Ski Club placed fourth (B division) at the Seattle Ski Club's open jumping tournament at Snoqualmie Pass last Sunday. Bill's distance wasn't listed in the report appearing in The Province.

Other competitors well known to local ski enthusiasts were: Tom Mobraaten, Canadian Olympic ace, who placed second to Torger Tokle, with a jump of 222 feet; Art Johnson, of Vancouver Ski Club was listed as third with leaps of 212 and 224 feet; and Karl Baadsvik, fourth Canadian in the tourney, placed tenth.

Local Red Cross Hold Annual Meeting; New Officers Elected

Princeton Body Enjoys Good Year With Total Collection of $1,488.75; Response to Russian Relief Appeal Commended; 2,592 Articles Made

The annual meeting of the Princeton Branch of the Canadian Red Cross Society was held last Thursday in the Parish Hall. Election of officers for 1942, and the submission of reports by the president and committee chairmen were the main items on the agenda. With only one minor change and the addition of one extra officer the entire 1941 executive was returned to office en bloc for the coming year.

The slate for 1942 is: P. W. Gregory, president; Mrs. W. Garrison, first vice - president; Mrs. E. Dallow, second vice-president; C. R. Mattice, recording secretary; Mrs A. Smith corresponding secretary; Mrs. A. Sorenson, treasurer; Mrs. R. F. Thorstenson, chairman home nursing; Mrs. T. B. Hooper, chairman works committee and purchasing agent; Stan Wilson, chairman transportation committee. Mrs. C. R. Mattice will fill the new office of convenor of the Junior Red Cross groups.

A year of steady progress and achievement was noted by the President, P. W. Gregory, in his report on the activities of the branch during past year. Membership during the year reached 477, with 236 already having renewed their pledges for 1942. On this point Mr. Gregory remarked that, "It is hoped the list will be substantially increased early in 1942. The fee ($1) could not well be smaller, the sacrifice is well within the compass of many more than our present membership roll indicates."

Total funds colleted by the local branch during the past 12 months amounted to $1,488.75. Sources of this revenue were exceedingly varied, including individual donations, the membership drive, Russian Relief Appeal, and fund-raising events by the branch and by individuals and other organizations.

The latter group included events all the way from the presentation of the Kitsilano Boys Band to carol singing by local school children. Operation of refreshment booths at the Dominion Day celebration, First Aid Competitions, and at dances also added to the total.

Mr. Gregory commented on the generous response of national organization to the Russian Appeal. Up to the end of the year the total of $391.65 had been donated by the Slovene, Croat and Serb Organization, the Ukranian Fraternal Lodge and the Croation Fraternal Organization.

"It is confidently expected the total will reach $550 by the close of the appeal on the 31st of January next," stated the president.

The removal of the Red Cross workroom to new quarters in the M.B.B. block on Bridge St. was hailed by the president as an improvement in bringing the work of the local branch more to the attention of the public. He expressed appreciation of the executive at the generous action of Messrs. A. D. Broomfield and J. J. Malone in making these rooms free to the Red Cross.

Mrs. T. B. Hooper, chairman of the works committee, reported 2,592 articles had been turned out by the Princeton Branch during the year. Of this total 976 articles were for active service use, 1,142 for civilians, and 474 for hospital supply. In addition 27 articles had been donated, and two quilts, which were raffled, were presented to the branch.

Mrs. Hooper paid particular tribute to the work of the ladies of the Rebekah Lodge, the Orange Lodge, the Princeton Ski Club and the Knitting Club.

The organization of four junior Red Cross groups within the local school was reported by Mrs .C. R. Mattice. Officials of the senior high school group are Ruth Saunders and Audrey Lander. John Stephen, Marilyn Ashley and Loreen Bond are president, secretary and treasurer, respectively of the grade three organization, while Kenny Schisler, Betty Kovalcik and Jimmy Plecash hold the same postions in grade four .

Refresher courses in home-nursing were given during the year, and it is intended to continue regular instruction again in 1942. Mr. Gregory pointed out the value of this work in the event of the recurrence of epidemics such as occurred during the last war. Mrs. R. F. Thorstenson heads this group.

Mr. Gregory was named as a delegate from the local branch to the forthcoming Provincial Council Meeting of the Red Cross. Mrs. W. Garrison and Mrs. A. Sorenson were named as alternates in the event Mr. Gregory should be unable to attend.

Red Cross Brevities

It may not be a world's record, but its good enough to rate tops around here! Since June last Mrs. Rossiter has knitted no less than 58—count 'em—pairs of socks.

* * *

Mrs. T. McClellan also set some sort of a new mark one week recently by cutting 180 yards of material into pajamas. Even that little chore didn't keep Mrs. McClellan from doing her share of knitting, as well.

* * *

Remeber that story about the grade four class that held a toy sale and went Christmas carolling? Well, sir, believe it or not, but those little totts raised the not inconsiderable sum of 15.05 for the Red Cross by their efforts. Well done!

* * *

A beautiful rag rug has been presented to the Red Cross by Mrs. Waugh, who lives out near the Cement Plant. It is now on display in C. V. Prosser's store, and will be raffled within the next month or so. Tickets are a dime, three for a quarter.

* * *

The local Red Cross branch has prepared to act in any emgency under the direction of Air Raid Precautions Warden C. H. Nichols.

* * *

347 pounds of aluminum were collected in the salvage campaign last year. A lot of pots and pans gone to scrap—Hitler!

* * *

Despite the rather stupendous total of work done during 1941 by the Princeton Red Cross branch its total operating expenses were only $83.10 A mark of the high efficiency with which the group operates. Next year, with no rent to pay, expenses will be only a fraction of that low figure.

Hold First Aid Exams This Week

St. John Ambulance First Aid examinations are being held in the Mine Rescue Station this week. Six Juniors sat on Monday and 40 Seniors, including 25 Cadets, began their examinations on Wednesday. The results should be announced some time next week.

A. S. Baillie, of Copper Mountain, is in Victoria on business.

Junior Red Cross Has Active Season

Under their president, Ruth Saunders, the Junior Red Cross has done much useful work in the past year. For the Christmas hampers they collected dolls and games which were painted and mended by members of the group and were then turned over to the Elks to put in their annual Christmas hampers for needy families.

For the raffle of Mrs. H. G. Sellers' quilt the girls sold over $30 worth of tickets.

Since that time the group has been working on a quilt back which is to consist of scraps of fannelette. They have been making baby's nightgowns and shirts. They are also knitting squares for an afgan.

Clothes have been collected for Bundles for Britain, but as yet are not completely mended. During this conflict, they are happy that they may do their part.

Correspondent—Verna Sellers

ARP Organization In Need of Funds

At a meeting of the Advisory Board of the local A.R.P. held in the Court House Wednesday afternoon, with Chief Warden C. H. Nichols in the chair, immediate needs were considered, and ways and means of raising funds to meet necessary expenditure.

In addition to the Chief Warden there were present Dr. Vosburgh, W. D. Seaman, Constable Nelson, Jack Southin and C. A. Pease.

It takes money to provide homes with sand with which to fight incendiary bombs, and there are other items that make it imperative that the A. R. P. have funds at its disposal. To meet this need it is proposed to ask each householder to contribute a minimum of 25c, and each business establishment a minimum of $2.00.

The wardens in the respective districts are to be asked to look after collections. A minimum fund of $150 is required. Constable F. E. Nelson has been appointed Deputy Chief Warden

Conservatives Elect Officers For 1942

The work of the year was reviewed and officers elected for 1942, at the annual meeting of the local Conservative Association, held in the Travellers' Hall on Tuesday night. R. Taylor, retiring President, was in the chair.

In view of the present co-operation between provincial Liberals and Conservatives, a commitee of three was appointed to meet with a similar committee of local Liberals and discuss matters pertaining to the riding. In this way, it was hoped, the greatest good would result to the greatest number.

Officers elected for the ensuing year are as follows: President, J. W. Southin; Vice-Presidents, R. Taylor, P. W. Gregory and J. L. Jenkins; Secretary, T. B. Hooper; Treasurer, Perley Russell; Executive, R. McKelvie H. E. Lethebe, J. A. McLellan, W. Maxwell, Bert Thomas and Neil McFadden.

High-Grading Alleged

R. B. Barlow, employed at Allenby, has been charged with theft of concenerates. The case was remanded last Thursday, and will be heard this Thursday. Mr. Barlow is out on $2000 bail.

MIRACLE FINANCING—YOU CAN SPEND YOUR MONEY AND YOU CAN KEEP IT TOO

* * *

In the startling days in which we live—days in which history is being made at a speed unprecedented in the history of the world—many customs are being hurled into the discard and the things of yesteryear become rapidly out-moded.

And so, the old axiom that, "you can't have your cake and eat it too," has been tossed into the ashcan.

Today you can turn your surplus money into tools of war and, while these tools help to beat down barbarian hordes, the money you spend is still safe, it is still at your disposal, and it is working for both your country and for you—because it pays you substantial interest every six months until maturity when the original sum comes back into your own hand.

And, if you need the cash before maturity, you can get it back. That, in short, is the meaning of a VICTORY BOND. It is the best investment Canadians can buy. It is far better than cash.

Does this surprise you? Then analyse it: If you have $100 in your sock, how much is it worth a year from now? Exactly $100.

If you store it in the bank, you can draw your money one year from now, plus 1½% interest. BUT—if you buy a Victory Bond, it will pay you 3% interest—and you can sell it without difficulty before maturity if the need occurs.

Run back through the past year in your mind's eye. You will discover that you spent a dime here, a quarter there, a dollar elsewhere, scores of times for things you didn't really need. If you had, right now, those little dimes, those quarters, the dollar here and there, you would have on hand a nice little nest-egg.

Well, start building that nest-egg now and, at the same time, draw substantial interest on it, and—by so doing, play your role in paving the way to victory.

A Victory Bond is just as safe, and just as negotiable, as money in the bank. In other words, don't envy those who, by wise and judicious investments, have secured nest-eggs of their own. These same people are again using their nest-eggs to buy Victory Bonds and the egg is growing.

You can be an investor too, for this is a democracy where totalitarian dictators do not say: "Thou shalt!" and, "Thou shalt not!", but where opportunities are equal to all.

Of course, there are many thousands who will invest in Victory Bonds solely from patriotic motives. Nevertheless, it is pleasing to know that patriotism pays in more ways than one. Victory Bond purchasers help to ensure Victory, they help to bring peace nearer, they benefit themselves financially.

Attached to each bond are small coupons which are clipped off and cashed at any bank each half year as they become due, unless you have ordered a registered bond. In that case the government sends you a cheque from Ottawa each half year for the interest.

A registered bond is called a "bearer" bond because it is payable to the bearer, and ownership can be transferred by simply handing it to someone else just like handing a bank bill to someone in payment of an account. You can order a bearer bond, or you can order a registered bond in the larger denominations. Bonds are issued in denominations of $1,000, $500, $100 and (to give everyone a chance) as low as $50. And you can purchase bonds on the instalment plan—so much per month for six months.

Investments of various kinds sometimes pay dividends and sometimes do not. There is risk. An investment in Victory Bonds is NOT a gamble. It has all the assets of the Dominion of Canada behind it. There is no risk involved—and anyone can purchase. You can, if you desire, purchase bonds for your children to help guarantee their future security.

GEDDES BROTHERS MILL

Budget Shows Better Position In Province's Financial Status

VICTORIA, B. C.—Announcing a completely balanced budget; a reduction in expenditures amounting to more than $800,000, mostly due to debt interest savings, and forecasting an increased pension and cost-of-living bonus for Old Age Pensioners, Hon. John Hart, Premier and Minister of Finance, delivered his sixteenth budget address to the Provincial Legislature last Friday.

While this is his sixteenth budget, it is the first given in the dual capacity of Premier and Minister of Finance.

Other major announcements included: a net surplus of revenue over expenditures during the last fiscal year amounting to $4,000,000; a reduction of $24-227,458.38 in the gross debt since October 1, 1940; a reduction in the net debt since October 1st, 1940, of $5,944,680.28; a saving in interest and sinking fund requirements annually of $1,400,000 due to the reduction in the debt; a general improvement in the municipal finacial position due to government grants and aid in connection with unemploment relief and indigents; and further assistance to the Dominion in respect to its war effort by surrendering revenue sources to the Dominion.

After dealing with the various financial policies, and accomplishments, Honourable Mr. Hart proceeded to review British Columbia's contribution to the nation's war effort. He pointed out that the Government had placed all Provincial services that were adaptable at the disposal of the three defence forces.

The entire resources of British Columbia, he said, had been marshalled to Canada's war effort, and action taken by the government during the last two and one-half years was tangible evidence of the sincerity of the pledge made to the Dominion on behalf of the people of British Columbia during the early days of September, 1939, when the present world war saw its beginning.

Mr. Hart further pointed out that the events since December 7 had further awakened in the hearts of all British Columbians a deep consciousness of the dangers and resopnsibilities that belonged to British Columbians in particular.

With this realization in mind the Premier closed his address by stating that these dangers, and the fact that British Columbia was, in very truth, the first line of Canada's defence in the Pacific arena, had only given the people of this Province a greater determination to carry on "so that when nations gather together to lay foundations for a lasting peace, we can say with pride we did our part."

BUDGET HIGHLIGHTS

Following are the major highlights from the Minister's budget address:-

1. Surplus of assets over liabilities for year ended March 31, 1941, amount to $24,357,356.44. Total assets are placed at $273,044,598.16. Liabilities amount to $248,687,241.72. The surplus assets for 1941 are $4,386,217.43 greater than they were in 1940.

2. Revenue accruals during 1940-41 were the highest on record, totalling $36,253,936.46. This revenue provided for ordinary expenditures of $28,876,742 for current purposes; $776,422.40 for current debt redemption, and $2,516,016.81 for unemployment relief.

3. Net surplus of revenue over expenditure during 1940-41 amounted to $4,084,755.25, which was applied to repay part of the provincial debt maturities which fell due during 1941.

4. The gross debt of the Province on Nov. 1, 1941, amounted to $164,927,282.52 and the net debt to $145,363,488.49.

5. The reduction in gross debt sine October 1, 1940, amounted to $24,227,458.38, and the net reduction to $5,944,680,

6. During eight years ended November 1st, 1941, the gross debt was reduced by $2,071,313.02, and the debt was increased by only $8,545.042, although borrowings totalling $11,551,098.05 were made for new public works and $24,955,646.65 for unemployment relief.

7. During the twelve months ended Nov. 1, 1941, there were repaid $28,703,988.38 of direct Provincial obligations, and $1,000,000 of guaranteed bonds, making the total debt retirements $29,703,988.38.

8. Debt repayments enabled a saving in interest of $1,035,140.52 annually, and a reduction in sinking fund requirements of $407,224.

9. Preliminary steps have been taken to deal with maturities during 1942 amounting to $20,470,000.

10. Sinking funds amounted to $37,846,566.13 on October 1, 1940. Since then $22,689,063.65 were used to repay debts. Concurrntly, however, deposits and earnings amounted to $4,406,291.55, leaving the sinking fund at November 1, 1941, at $19,563,974.03.

11. The Dominion, the Province and Municipalities spent for the relief of unemployed during 1940 - 41 $4,928,794.72. Since April 1, 1941, the Province absorbed the Dominion share of unemployment relief cost estimated at $1,000,000 during the current year, making the total Provincial bill for this year $3,000,000. It is anticipated that the province will spend for this purpose during the coming fiscal year $2,400,000.

12. By ratifying the Dominion - Provincial agreement on taxation, B.C. surrenders the income and corporation taxes as well as certain licenses under the Fisheries Act. These revenues during 1940-41, yielded $12,048,367.51. During the term of the agreement the Province will receive in exchange an annual subsidy equal to that sum. The Province, however, will lose the $750,000 special subsidy, and the normal increases which the surrendered taxes otherwise would have yielded. This implies a revenue loss for 1941-42 of nearly $3,000,000.

13. Old-age Pensions will be increased by $5.00 per month, subject to certain provisos in connection with divided provincial responsibilities. This involves an additional expense of $711,000 for 1942-43.

14. Revenues for 1942-43 are estimated at $33,155,058.97, and expenditures at $33,094,292.78, leaving a surplus of $60,766.19.

15. The main estimates for 1942-43 show that on the basis of appropriations for the current year, reductions aggregating 834,000 were effected, due principally to reduction in public debt interest. There have been added to the estimates, however, $2,400,000 for unemployment relief (this is the first time these show under current expenditures); $711,500 as a war cost of loving bonus to old-age pensioners; further debt redemption provisions of $670,000 and $200,000 as a supplemental grant pursuant to the special assistance to municipalities under the Education Act.

16. Out of the total estimate of expenditures, $19,700,000 are uncontrollable due to statutory provisions. Out of the balance ($13,400,000) must be provided: for unemployment relief, $2,400,000; public works, $3,165,000, police and gaols, $1,230,000; agriculture $335,000, and expenses for general administration, health and welfare services, administration of natural resources, etc.

17. The general financial position of the Municipalties has improved greatly. Direct government grants since 1933-34 have been increased by $2,442,000 annually. Incidentally, the total cost of both unemployed employables and indigents, by Provincial assumption of 80% of that cost, has reduced to $315,000 municipal expenditures

Miner Wins Suit Against Mine Co.

VICTORIA — The Supreme Court has dismissed the appeal of the Cam-Roy Mining Company, and John A. Campbell and George Campbell against a judgment in Yale County Court granting Alfred Gwynne Watkins, placer-miner, $3,000 and delivery of six mining leases in the Similkameen River area.—Western Canada Mining News.

Business Houses Must Have Licence By March 31, States Wartime Prices, Trade Board

OTTAWA, Jan. 27—A plan to inform business men about price ceiling regulations by sending bulletins to all firms under licence to the Wartime Prices & Trade Board is announced this week.

"Every business which has already applied for or obtained a Wartime Prices & Trade Board licence is now on the mailing list to receive these business bulletins,' explained C. R. Morphy, Director of Licensing. "As each new application for licence is received, the name of the applicant will be added."

Apart from the legal requirements which make it obligatory for every licensee to notify the Board after March 31st of any change in name, ownership, or character of his business within ten days after such change, such notification will enable the Wartime Prices and Trade Board to keep its mailing list for information up to date.

Every person who buys for resale, sells or offers for sale any goods must obtain a Wartime Prices and Trade Board licence, unless he has already obtained one under a previous Board licensing order.

Farmers, gardeners, livestock and poultry producers, and fishermen, need no licence unless buying for resale. Operators of private boarding - houses and employees of persons or firms themselves subject to licence are also exempt.

The current licensing order also applies to those providing services that have been brought under the price ceiling. These include: the supplying of electricity, gas, steam and water; telegraph, wireless and telephone services; transportation of goods and persons and the provision of dock and harbour facilities, warehousing & storage; undertaking and embalming; laundering, cleaning, tailoring and dressmaking; hairdressing and beauty parlor services; plumbing, heating, painting, decorating, cleaning and renovating; repairing of all kinds; supplying meals and beverages; exhibiting motion pictures; process manufacturing on a custom or commission basis.

Licence application forms have been distributed to all Post Offices. Upon completion these are to be mailed, post free, to the Director of Licensing, Wartime Prices and Trade Board, Ottawa. There is no licence fee.

Upon receipt of completed forms, the Dircetor of Licensing will mail to each applicant, a licence identification card bearing his lience number which will be valid for the duration of the Maximum Prices Regulations. After March 31, any official or investigator of the Board may require the production of this identification card by any business subject to the price ceiling regulations.

Enquiries for further information should be addressed to the Regional Directors of Licensing at Halifax, Saint John, Charlottetown, Montreal, Winnipeg, Regina, Edmonton or Vancouver.

Budget

[Continued from Page 2]

on that account, which sum is $415,000 less than they formerly paid for indigents alone.

18. Basic production from agriculture, fisheries, forest and mines shows an increase of $20,800,000 over 1940. Gross manufacturing production has increased by $34,000,000, and bank debits during the eleven months ended November 30th., 1941, amounted to $2,219,000,000, and already exceed those for the whole of 1940, which amounted to $2,137,000,000.

19. British Columbia continues to marshall all its resources to Canada's war effort, placing at the disposal of the three defence forces all Provincial services adaptable thereto. In conclusion of his budget address, Hon. John Hart pointed to what had been done in the past as tangible evidence of the sincerity of British Columbia's pledge, and an earnest of what its intentions were for the future.

By Order of the Wartime Prices and Trade Board

You Must Have a Licence by March 31, 1942

Every Person or Firm is Required to Have a Licence

1. if engaged in the business of buying for resale or selling any commodity; or
2. if engaged in the business of supplying any of the following services:

the supplying of electricity, gas, steam or water; telegraph, wireless or telephone services; the transportation of goods or persons; the provision of dock, harbour, or pier facilities; warehousing or storage; undertaking or embalming; laundering, cleaning, tailoring, or dressmaking; hairdressing, barbering, or beauty parlour services; plumbing, heating, painting, decorating, cleaning, or renovating; repairing of any kind; the supplying of meals, refreshments or beverages; the exhibiting of motion pictures; process manufacturing on a custom or commission basis.

IF YOU HAVE ALREADY APPLIED FOR OR OBTAINED A WARTIME PRICES AND TRADE BOARD LICENCE UNDER A PREVIOUS LICENSING ORDER, YOU SHOULD NOT APPLY AGAIN

Why Licence Applications Should Be Made At Once

Apart from the legal requirements, licensing of your business will enable the Board to advise you quickly and fully of the price ceiling regulations that affect your business.

The name of every person who has been granted a licence or who has already applied for a licence is being placed on the Board's mailing list. Your name will be added when your application is received.

To Get Your Licence

1. Get an application form at your nearest post office.
2. Complete the application and mail it, postage free. There is no licence fee.
3. You will receive by mail a Licence Identification Card bearing your licence number.

Those Who Do Not Need a Licence

1. farmers, gardeners, livestock or poultry producers, and fishermen, unless buying goods for resale.
2. employees of a person or firm which is itself subject to licence.
3. operators of private boarding houses.

NOTE: Persons who have already applied for or obtained a Wartime Prices and Trade Board licence should not apply again.

WHAT THE LAW REQUIRES YOU TO DO

After March 31, 1942, any official, representative, or investigator of the Wartime Prices and Trade Board may require you to produce your Licence Identification Card if you are subject to this licensing order.

After March 31, 1942, you must notify the Director of Licensing of the Wartime Prices and Trade Board, Ottawa, in writing, quoting your licence number, of any change in the name, address, or character of your business within 10 days of such change.

You must retain your Licence Identification Card as it will remain in effect, unless suspended or cancelled, as long as the Maximum Prices Regulations continue. If you are already licensed, a Licence Identification Card, valid for the duration of these Regulations, will be automatically mailed to you before March 31, 1942. You need not apply for a renewal and there is no licence fee.

FOR FURTHER INFORMATION WRITE THE REGIONAL DIRECTOR OF LICENSING, WARTIME PRICES AND TRADE BOARD, AT THE NEAREST OF THE FOLLOWING CITIES: VANCOUVER, EDMONTON, REGINA, WINNIPEG, TORONTO, MONTREAL, HALIFAX, SAINT JOHN OR CHARLOTTETOWN

Issued under the authority of THE WARTIME PRICES AND TRADE BOARD, Ottawa, Canada

OFF THE ICE

BY CAM

The mild weather this week has the league moguls worrying about the schedule. Moaned one as he gazed out over a slightly sodden rink the other day: "That's what I like about hockey—it's NATURE IN THE THAW."

Time: last Saturday. Place: Princeton rink. He comes dashing in on the goal, measures the goal-keeper with steely eyes, lets fly a terrific shot. The puck hits the goalpost and rebounds, smacking our hero on the chin. You can stop shaking your head now, Johnny Boag!

Incidentally, this same Jack is getting as contagious as an epidemic. Dick Davis, who's been around enough to know better, has picked up the Boag method. You know, trick your way through the defence, get into the clear, and then hit the goalkeeper square in the pads. Sort of a Boagey Shot, you might say. (There we go again)

Bet it will be some time before Pete Pesut kicks about playing over-time again. The Princeton coach nearly talked himself out of Saturday night's win over Allenby when he suggested the extra time be forgotten. The next ten minutes riveted Princeton's grip on first place in the league standing pretty firmly, at least for this week.

Patrons of the puck sport (yeah, both of you) will get an extra treat next Saturday when Copper Mountain plays here. The Blasters are bringing along their midgets to play a curtain-raiser against the local kids at 7.45.

The Princeton Midgets have a double - barelled brain trust in the persons of George "Butch" Bosnich and Will "Waldo" Foster. The youthful coaches figure they've got a crop of potential N.H. L. stars coming along.

There was certainly no dearth of midget material at the first practice. All that was missing was a couple of bargain counters to make it look like 98c day at Woodwards. After a hectic period of whittling down Butch and Co. finally emerged with a streamlined squad of some fifteen forwards, four defencemen and two goalkeepers. A further cut will be made before Saturday, if only so there will be room in the penalty box for the whole team.

We see by the papers: That Bert Irwin is trying to lineup a junior Western Canada Ski Championships for his Amber Ski Club. Seems the Wells Club, who are staging the senior event, aren't interested in the junior competitions.

Sounds like a great idea, Bert. With conditions what they are this year there's little room for expensive programs, but this shouldn't cost much to put over. And the kids can put on a show that's quite as thrilling as anything their older brothers and and sisters can show. Here's wishing you luck!

Are those Copper Mountain Blasters hard to please. We hear, via the grapevine, that Jay Gee is still peeved with this reporter. Not so much a matter of our sports-manship this time as our lexicography. Seems we didn't spell his name right!

Only one thing worries us now—doesn't anyone in Allenby read this column Or can't they find anything to kick about? Shucks, fellers, we must be slipping.

We see by last week's Penticton Herald that our old friend, Johnny Cassidy has blosomed out as a columnist, too. Good luck, John and may your blasts be few. Thanks for the kind words on our juvenile team. We think we've got a good crew coming along, but it's always nice to have someone else say so, too. You'll get another chance to see the youngsters in action again, soon, John.

Looks like the juveniles will lose their hard-hitting rearguard, Lawrence Morgan, who is leaving this week for the coast to try to hook up with the R. C. A. F. or the navy. If this keeps up, the only sport outside the armed forces will be bantam. However, we wish Lawrene the best, and hope he gets a chance to hand out a few of those bone-jolting body-checks to Messrs. Hitler and Hirohito.

If there is an
Air Raid Alarm

— • —

If there is an air raid alarm don't telephone unless absolutely necessary. Leave the telephone system free to handle urgent calls by the authorities. Your safety may depend on this.

The recent blackout on the coast gave us a significant warning of how the public can quickly overload the telephone system, interfering with vital calls.

Resist the impulse to telephone about unusual sights or sounds during the present critical days.

B.C. TELEPHONE CO.

THE WEATHER PROPHETS have again made a failure of propheysing the weather. The forty-eight below has not materialized so far.

In Europe is where they are getting it—ten feet of snow in Scotland, forty below in other parts of Europe make B.C. look like an Banana Belt.

Perhaps the heavy explosions from cannon, bombs, etc., has caused the cold wave, whereas in B.C. there is nothing but hot air. Naturally that would heat up the air and then again there is FIVE ROSES FLOUR, when used in making bread, raises the temperature quite a lot.

Garrison Reunion Mark Family's Five Generations

The following extract, from The Centralia Daily Chronicle for June 30, 1939, has reference to Mrs. W. S. Garrison's grandmother, who died on New Year's Day, 1942:

Most people, in order to look back five generations, must get out the old and reliable family album, but neither Great-Great-Grandmother Mrs. S. C. Garrison, of Centralia, nor her two-year-old great-great grandson needed to bother with albums recently.

Gathered here the past week were members of the Garrison family representing five generations.

So members of the family could reunite, it was necessary for three of them to come a distance of 3,000 miles. The two oldest of the five both reside in Lewis County.

Representing the earliest of the generations is Mrs. S. C. Garrison who lives on Waunch Prairie. Born in Iowa in 1850 as Polly Phelps, Mrs. Garrison came west over the plains by wagon train.

She was the first white woman on Klickitat prairie, now Mossyrock, and crossed Cowlitz river in a boat guided by an Indian. Although she will be 90 years of age in September, Mrs. Garrison is exceedingly active and in fair health.

Daughter of Mrs. Garrison, representing the second in the generation, is Mrs. W. A. Kirk, of Packwood, who was born near Chehalis in 1872. Her maiden name was Lillian Garrison.

Curiously enough, Mrs. J. A. Gally, of San Francisco, daughter of Mrs. Kirk, many years after her grandmother crossed the plains by wagon train, came from near her birthplace, Santo Rosa, Calif., to Centralia by a similar method at the turn of the century. Mrs. Gally, whose maiden name was Hazel Huntington, is now 41 years of age.

Fourth in the generation is Mrs. J. J. Pucek, of New York City, daughter of Mrs. Gally. Mrs. Pucek is now 23 years of age and is the mother of the only member of the fifth generation, Joseph Pucek, 2-year-old and the great-great grandson of Mrs. Garrison.

Juniors Hold Ski Tournament At Copper Mountain

Following is the list of the winners in the first Junior Ski Tournament held Sunday, Jan. 18th at Copper Mountain:

GIRLS

Class Ages 14 to 16

SLALOM — 1st. Inger Olsen, 2nd. Sheila Kirby.

DOWNHILL—1st. Inger Olsen, 2nd. Sheila Kirby.

Class Ages 12 to 14

DOWNHILL—1st. Aurore Cadden, 2nd. Frances Chase.

Under 12

DOWNHILL — 1st. Ina Cronquist, 2nd. Sandra Coggins.

BOYS

Class Ages 14 to 16

SLALOM — Jack McCallum, 2nd. Luke Kirby.

JUMPING — 1st. Luke Kirby, 2nd. Jack McCallum.

Class Ages 12 to 14

SLALOM — 1st. Ian Johnson, 2nd. Gus Malensek.

DOWNHILL—1st. August Olsen, 2nd. Harry Skoglund.

JUMPING — 1st. Harry Skoglund, 2nd. Gus Malensek.

Class Ages 9 to 12

DOWNHILL—1st. Freddie Fiesel, 2nd (tie) Jack Pesut and Chris Sken.

JUMPING — 1st. Noel Kirby, 2nd. George Kirby.

Class Ages Under 9

DOWNHILL—1. Billy Thompson, 2. George Kirby.

It's surprising how much punch and effectiveness can be squeezed into a three line classified ad. in The Star.

Wes. Young returned home last week from the coast where he was visiting Mrs. Young who has been ill for some time. Wes. reports that Mrs. Young is making good progress and hopes soon to return to Similkameen.

Three Banks Here 29 Years Ago

Last Thursday there arrived in Princeton Ernest G. Pearson, who from 1913 to 1915 was teller in the Bank of Commerce here. Mr. Pearson came here from Revelstoke in the Fall of 1913, coming by way of Penticton, from there by stage to Keremeos, and then by Great Northern Railway to Princeton.

At that time the Bank of Commerce was on the corner of Billiter Ave. and Bridge Street, in the building now occupied by Spafford's Clothing Store. The staff lived in quarters above the bank, and this was Mr. Pearson's home during his stay in Princeton.

There were three bank in Princeton then, the Bank of Commerce, the Bank of Montreal and the Royal Bank. The managers of these were, respectively, J. D. Andras, Mr. Mansfield and Mr. Chapman. The K.V.R. was completed in 1915, and Mr. Pearson remembers that this was the occasion of quite a celebration.

In addition to Mr. Andras and Mr. Pearson there were two others on the staff, one named Ridge, and the other known as "Fat" Hamilton. Hockey in the winter time, and baseball during the summer months were the accepted sports.

From Princeton Mr. Pearson went to New Westminster, and after six months in the bank there joined the army. He enlisted in the 68th Battery, and went overseas in 1916. Among his overseas recollections is the fact that he was chambermaid to a team of mules.

Mr. Pearson comes here as Assistant Unit organizer for the 1942 Victory Loan. During his stay here he will supervise arrangements, and give direction to the campaign. The impressions that come today, after an absence of 27 years, are of the growth in area and population of Princeton; and the number of young people in skiing togs.

School Band May Play At Carnival On February 13th

Friday the Thirteenth isn't usually considered the best day to start things, but there are a few gentlemen around town who hope the old superstition isn't working this year. The annual ice carnival at the Princeton Rink will be held Friday—you guessed it—the 13th of February, it was decided at a committee meeting Monday night.

Members of Jack Gellatly's Board of Trade sports committee, working with the local rink executive, are planning to stage a carnival this year that will be the equal of any in the past. A full list of events and prizes is not available at this early date, but will be published next week it is hoped.

Music for this year's ice mardi gras will be furnished by the Princeton School Band if arrangements can be made to secure the assistance of the highly popular youngsters' organization, the local senior group being in a state of hibernation during the winter months.

The public address system will also be on hand to make results of the contests known to all.

Travellers Nose Out Allenby 2-1; Fluke Goal Beat Millers

Princeton 2—Allenby 1

Princeton gained another two points in Similkameen Hockey League standing here Saturday night, but only with the help of Old Lady Luck. The old gal not only played nice defensive hockey for the Travellers, she scored the first goal of the night for them.

Will Foster was fighting it out in the corner with Cousins of Allenby, when the Old Girl decided to take a hand. As Cousins cleared behind his own net the puck bounced out, hit goalie Scott on the back, and fell into the nets. Up to that point in the second period the game had been scoreless, with the Millers having a slight edge against the lighter Prineton lineup.

Allenby went into action in the third and Davis scored from Jerry Douglas to tie the game up. The rest of the game amounted to a sustained Allenby power-play, but the Travellers' luck held.

Half way through the overtime canto Princeton got the winner on a neat play by Jack Boag, who tricked his way past the defence and passed to La-Valley, who fired it in.

Princeton fielded a weak team by comparison with its last meeting with the Millers. Ike Mullin, off to the air force, was absent, and Doug Mitchell was on the bench as a result of trying to knock down the nets at Allenby last game.

Nick Oreskovich, who made his first appearance of the season last week, couldn't get off work, so the Travellers had to call on the juveniles for reserves. Foster showed definite promise of making good, and Sims was in there battling all the way.

The game was a crowd-pleaser, with plenty of wide-open action, but the crowd was more or less conspicuous by its absence. The ice was surprisingly good, despite the thaw all day Saturday.

Last night's game, Allenby 2, Copper Mt. 1. Full report next week.

National Films To Be Shown

Representing the National Film Board of Canada L. W. Chatwin visited Princeton Wednesday and conferred with P. W. Gregory, President, and other Red Cross officials. It is planned to stage a series of monthly movies of a patriotic and educational nature.

These will be shown in the Orange Hall. No charge will be made for admission, but a collection wil be taken to defray expenses.

The first pictures will be shown on Wednesday, February 11th. Some of the films will be in color, and titles will be announced next week. A special showing will be held for children at 7.30 p.m., and the adults programme will begin at 8.30.

Life Insurance Savings Invested In Victory Bonds

TORONTO—In wartime, life insurance plays two additional roles important to Canada's war effort, C. S. Macdonald, president, told the 70th annual meeting of the Confederation Life Association. It mobilizes civilian dollars for war use and it checks inflation by providing a ready channel for regular savings, he said.

Mr. Macdonald pointed out that life insurance savings of $170 millions already were invested in Victory Loans by companies operating in Canada. These would buy 500,000 Bren guns for the Candaian army or 6,800 Spitfire fighters for the R.C.A.F.

Life insurance companies are peculiarly suited to their task of helping to convert Canadian economy to the business of waging war. Over the years they had been the chief exponents of thrift, on which such governmental emphasis now is placed

Copper Mountain Notes

Tom Hooker, Copper Mountain miner, returned recently to his work in the mine, having left last June to join the Canadian Active Army. He was discharged for physical disabilities in September a few weeks before his unit sailed for Hong Kong

☆ ☆ ☆

Pete Baumgartner, also of Copper Mountain, enlisted with Hooker. He was at Hong Kong during the siege of that stronghold. His fate is not known, but it is thought he is a prisoner-of-war.

☆ ☆ ☆

Wilf Noel, of Kelowna, former school teacher at Copper Mountain, spent part of his leave here. He joined R.C.A.F. last summer.

☆ ☆ ☆

Dean Gaffney, formerly of Copper Mountain, is reported safe in England with R.C.A.F. Mrs. Gaffney, the former Phyllis Mitchell, was a visitor to Copper Mountain recently.

☆ ☆ ☆

Eric Dood, of Copper Mountain, left recently for Vancouver to join the R.C.A.F. Bob Dodd, a younger brother, formerly employed at the crusher plant, left in December for service with the R.C.A.F.

Odd Pieces of Meat

Wholesome and delicious soup can be made if the odd pieces of meat are used in the stock pot. Left-over vegetables added will make a good vegetable soup.

How Rent Control Affects You —

as a landlord **as a tenant**

AS a part of the general plan to halt further increases in the Cost of Living, the Government on December 1, 1941, extended the policy of the Price Ceiling to rentals for all commercial and housing accommodation in Canada. Generally speaking the new rental laws provide that:

(1) No oral or written lease for any commercial or housing accommodation (furnished or unfurnished) may legally be made after October 11, 1941, at a rental higher than the rental lawfully payable under the lease in effect on that date unless an application for increased rental has been made to and approved by a local Rentals Committee of the Wartime Prices and Trade Board. Such an application must be based on specified circumstances arising since October 11, 1941.

NOTE: Land and premises used solely for farm purposes are not subject to rent control.

(2) A tenant is entitled to a renewal of his lease unless the landlord requires the premises for certain reasons named in the Board's Rental Orders and has given the tenant a written notice to vacate within the time and in the manner prescribed therein. If this notice to vacate is contested by the tenant, the landlord must secure a Court Order for possession.

(3) Copies of all Rental Orders and Regulations of the Board and application forms for rental variations are available from any of the regional or sub-offices of the Wartime Prices and Trade Board, and, in areas where such offices are not yet established, from the Clerk of any County or District Court or local Rentals Committee.

VIOLATIONS of these orders are punishable by law and should be reported in writing to the Prices and Supply Representative Regional Office, Wartime Prices and Trade Board, at the nearest of any of the following cities: Vancouver, Edmonton, Regina, Winnipeg, North Bay, London, Toronto, Brockville, Montreal, Quebec, Saint John, Halifax or Charlottetown.
