### THEATRE SCHOLARSHIP FUND

The British Columbia Drama Association is conducting a province-wide campaign to raise funds for scholarships, bursaries and loans to assist talented young people to obtain theatrical training either at the National School of Theatre of Canada or at a B.C. Summer School of Theatre. From their ranks will come the theatre artists of the future.

Patrons of the Frederic Wood Theatre are invited to contribute to the silver collection which will be taken at every performance of the season. For their convenience a box has been placed on the counter in the theatre lobby.
