For Carlotta, on our 12th Wedding Anniversary

Dearest: I give you the original script of this play of old sorrow, written in tears and blood. A sadly inappropriate gift, it would seem, for a day celebrating happiness. But you will understand. I mean it as a tribute to your love and tenderness which gave me the faith in love that enabled me to face my dead at last and write this play—write it with deep pity and understanding and forgiveness for all the four haunted Tyrones.

These twelve years, Beloved One, have been a Journey into Light—into love. You know my gratitude. And my love!
