Volume X. VANCOUVER, B. C., JANUARY 10th, 1928 No. 17.

VARSITY HOOPSTERS DIVIDE HONOURS WITH CAPITAL CITY

Chief among the features of the Invasion were the three basketball games and dance staged at the Victoria High School Gym. on Friday evening. A record crowd was in attendance and saw Varsity triumph in two of these encounters. The Intermediate B men were too fast for the Victoria College quintette winning out by a score of 21-15. The Senior A women vanquished a representative Victoria team 12-4, and in the final the Intermediate men lost out to Ex-Victoria College crew by 30-13. The entertainment throughout was of the best, the dance that followed proving very enjoyable.

In the opening struggle, the Intermediate B's had only three of their regulars on the floor, Chapman and Horton of the A team filling in. The game was a battle from start to finish, and neither team had more than a few points lead at any stage. Varsity jumped into an early lead on a foul shot by Chapman and a couple of pretty baskets by Horton. The local boys were combining very nicely, considering the conditions, while Victoria were weak on shots under the basket. Our hosts soon tied the event at 5-5, however, mainly on foul shots and for the rest of the period it was a see-saw affair, with neither team having a very great advantage. Varsity led at the interval 15-13. Both teams were slow in getting started in the second half, and it was five minutes before there was any score. From then on Varsity had the edge and only allowed one more basket for the rest of the encounter. The homesters fought hard all the way and with a little better luck in shooting might have finished on top. What the game lacked in scientific basketball was more than made up for by the energy and eagerness of the players. Victoria: McQueen 6, Temple 3, Foubister 4, Dunsmuir 2, Thompson, Gilmour and Lyons. Varsity: Cummings 4, Horton 10, Williams 6, Streight, Chapman and Daw.

In the second game Varsity's snappy Women's Senior A team proved much too good for an All-star Victoria team. The Capital City squad was composed almost entirely of Adanacs with the odd Victoria College star thrown in. Both teams were slow in getting started and there was little score in the first half, the count being 4 all at the interval. The large floor space handicapped the local coeds.

After resumption of play, Varsity got going better and their opponents failed to register during the remainder of the game. The struggle gained in speed and the checking was closer as the game went on. Victoria had some real tough luck in their shooting, but Varsity clearly deserved to win on their showing in the second half. The team as a whole was combining well and Jean Whyte finished two very pretty plays with a couple of well-placed shots. Thelma Mahon worked hard all the way and with Rettie Tingley engineered several fine plays. For the Capitals Misses Lea and Crawford were outstanding. The Teams. Victoria; Lea 2, Philbrook, MacMurchie, Rennie, Crawford 2, and Robertson. Varsity: Whyte 5, Tingley 2, Mahon 3, Agar, Menton 2, Pronuik, Lanning and Bailey.

The Intermediate A boys stacked up against a much heavier and more experienced team in the final game of the evening. The Victoria squad was composed of Ex-Victoria College stars, and wore the colors of the Provincial Normal School. The game was featured by powerful checking on both sides.

At the start Rose of Victoria scored two quick baskets on sensational individual efforts giving his team a lead which they never relinquished. The Victorians were too big for the local boys, and although they fought hard, Varsity was on the short end of a 17-6 score at half time. A sensational feature was provided when Little of Victoria scored a perfect basket while looking in the opposite direction.

Victoria continued to hit their stride in the second half and outscored Varsity 13-7. Both teams were fighting hard and travelling at top speed. Foul shots were numerous, but the boys did not make use of these to any great extent, each side scoring only twice. Le Marquand had the misfortune to collide with one of the local boys and was forced to retire. Varsity desire a lot of credit for the game fight they put up against a much superior team. Knott and Rose shone for Victoria, and Horton, Williams and Chapman showed up well for Varsity.

The Teams—Ex-Victoria College: Le Marquand 1, Knott 10, Chapman 2, Little2, Rose 6, Thomas 7, Johnson 2. Varsity: Daw 3, Ackerley 1, Williams 7, Horton 2, Chapman 2, Gavin and Dunbar.

After the hostilities ceased, the evening was climaxed by a very successful basketball dance, the first social event of the Invasion. All formalities were cast aside, as students of both colleges swayed to the rhythm provided by Harold King's S.S. "Prince Rupert" Alaskan's band. The capacity crowd thoroughly enjoyed themselves until 12.30, when the struggle was postponed until Saturday night at the Empress.

Women's Senior "B" Basketball

One of the closest women's senior B basketball games was played at the Victoria High School, Saturday morning, when the Varsity team lost to Victoria College, 14-12.

At the end of the first half the score was tied 4-4. During the second half, Victoria College took the lead, and managed to keep it after a hard and exciting struggle.

The Varsity team played especially hard the last quarter to try to make up the one basket.

The neat interception and quick checking of Ruth Herbert, prevented Victoria College from scoring many more baskets.

The Team—Mary Campbell, centre, 8; Iola Worthington, forward, 4; Dorothy Patterson, forward, 0; Zora McNab, forward, 0; Ruth Herbert, guard, 0; Lois Tourtellotte, guard, 0. Total 12.

OXFORD RECOGNIZES MATRIC. STANDING

Word has been received by the Registrar that the Junior and Senior Matriculation certificates of the Province of British Columbia have been accepted by special statute as exempting the holders of such certificates from passing Responsions (i.e. the entrance) examination of the University of Oxford.

The statute as it effects the holders of British Columbia Matriculation certificates is as follows:

"The following persons shall not be required to pass Responsions:

D. Any person who has obtained (3) a Certificate or Certificates of having passed one of the Examinations enumerated in the following schedule, provided that in such Examinations he has satisfied the Examiners in two of the languages Latin, Greek, French, German, Italian, Spanish, of which either Latin or Greek shall be one; (332) The Senior Matriculation Examination of the Province of British Columbia. (33) The Junior Matriculation Examination of the Province of British Columbia, provided that the certificate shows that the holder has obtained at least 60 per cent. in each of the two languages."

REPORTERS' MEETING

There will be a reporters' meeting in the Publications Office on Wednesday noon, at 12.10. All reporters please attend.

BOOK PRIZE IS SET

The subject for the University Book Prize for this year is one of the following: (a) The Historical dramas of John Drinkwater; (b) The short stories of W. W. Jacobs. The essays must contain at least two thousand words and must be submitted to the Head of the English Department by April 1.

'28 Rhodes Scholar

JAMES SINCLAIR, SC. '28

James Sinclair, Science '28, is British Columbia Rhodes Scholar for 1928. Through the whole of his college career Sinclair has maintained a brilliant record. As a student he has won several scholarships. He has played on the McKechnie Cup Team for two years, winning his big block letters last year. During his fourth year he was Associate Editor of the "Ubyssey" and was appointed Editor-in-Chief though unable to accept the position because of a previous election to an A office. This year Sinclair is President of the Men's Athletics. Such a record is very difficult to rival and we know that Sinclair will do credit to his University when be goes to Oxford next year.

VARSITY TO STAGE DEBATE FEST.

On Monday, January 16th, in the auditorium of King Edward High School, 12th Ave. and Oak streets, the first intercollegiate debate of this term takes place. This is one of the Western Universities Debating League fixtures. Varsity joined the league in 1925 and has been an enthusiastic member ever since. Each of the four Western Canadian universities enters two teams into the contest, and a cup, donated by a member of the staff of the University of Alberta, goes to the college gaining the largest number of points in the two debates.

This year Albert S. Whitely of Arts '28 is the general secretary of the league. U.B.C. meets a team from Saskatchewan here and sends a team to Winnipeg.

Next Monday, Bill Masterson and David Wadlinger meet Manitoba at Winnipeg, and Denis Murphy and Grevith Rowland debate here.

The topic to be simultaneously discussed at all four universities is, "Resolved that economic imperialism is a perpetual menace to international peace." The debate will produce warm discussion and is of great present-day interest. Varsity's home team supports the affirmative and its away debaters uphold the negative.

Invasion Tabloid

McKechnie Cup—Varsity 12, Victoria, 0. Intermediate Rugby—Varsity 0, Victoria 11.

Swimming—Varsity 57, Victoria 68.

Ice Hockey—Varsity 4, Victoria 1.

Badminton—Varsity 13, Victoria 11.

Basketball—Int. B 21, Victoria College 15. Women Senior A 12, Victoria 4. Men Int. A 13, Victoria Grads. 13. Senior B. Women 12, Victoria 14.

Track Road Race—Victoria won by 25 yards.

VARSITY'S MIRACLE MEN VANQUISH VICTORIA REP.

Upsetting all the dope of the learned bookmakers of the Capital city, who had figured that their own local talent were set for a win, the Varsity McKechnie cup squad flashed through for a most decided triumph in a sparkling-ly brilliant fashion.

The McKechnie tussle was the outstanding event of the Victoria Invasion. The play was fast and open, filled with one line run after another. Using the New Zealand type of 2-3-2 scrum the forwards were having an even break in getting the ball out to the backs besides holding the much heavier Victoria scrum like a stone wall. Fed with precision and regularity the threes were successful in making long runs during which the ball passed out to the wings and then started back. Fumbles were entirely out of order and each pass went where it was intended. It was nice to see a scrimmage break up after a passing movement had been started and to watch the whole team work into the play and this in the face of heavy opposition. Such passing, deftness of movement, precision in kicking and sureness of handling has only been equalled by the famous Maoris and New Zealanders in these parts.

Saturday's result was well worth the strenous training which the players had undergone during the previous three weeks, in fact starting right after exams. About two hours a day seemed sufficient before Christmas but after drawing with the eastern squad Coach Tyrwhitt put his old corn-cob away and in a systematic and thorough manner put the boys through many hours of heavy toil. His efforts have been rewarded in no uncertain manner. However, the season is just nicely started, the heavy games are yet to be played, and many improvements in both tackling and recovering can be made before we clash with the now world famous Waratahs in February. To defeat this team is the everlasting and unquenchable hope of Capt. Bert Tupper—may he have his wish.

SATURDAY'S GAME

The game Saturday commenced with Bud Murray taking the kick off and driving the ball well into Victoria's home area. Close play followed but Varsity pressed hard and kept the play moving inside Victoria's 25 yd. line. U.B.C. looked good for a try when Hendry of Victoria pulled the leather out of the air to make 50 yds. for the home squad before he hit the dirt. In a snappy comeback the right wing just fell short when Willis, Richardson and Eaton made a pretty run for a long gain.

"Old Spike"—himself—McInnis was gathering the leather up without a fumble and kicking for good gains. Victoria's Pack smashed to no advantage. In another brilliant three run the Blue and Gold only missed a score by inches. This was followed by another speed test when Eaton on the wing gathered in the first points. Kelly, slightly off form from an infected leg, missed the convert from a bad angle. He played an excellent game at five-eights and many a politician took away some new ideas of football strategy.

VICTORIA STAGES COME-BACK

On the kick off Victoria pressed hard but Kelly relieved to touch. Another three run was spoiled when Eaton lost a difficult pass. It was only a minute before Jack Richardson took the ball near the corner, passed out to Locke, got in position, received Locke's pass and went across for the next tally. Kelly again missed the convert.

Fearing an old jinx Varsity came back with a rush after the oranges, hesitated for five or ten minutes with much packing in centre field and then IT happened. Sparks, burning with the Leap Year fever took the ball at the end of a combined run and gallumphed playfully across for the third touch. Gunboat gets this way about every four years, so he says. Kelly again underestimated.

The next play found Richardson taking a fast pass which he relayed to Tupper and then got around to receive it gain. He made a neat run behind the line before putting it well under the bars. Kelly delayed too long and his kick was intercepted by Victoria. Play continued in centre field and ended with Varsity pressing Victoria in their own 25 yard line.

For Varsity the whole back division shone. McInnis at full was doing some of his old stuff, Locke the noted broken field runner pulled one play after another, Richardson starred often on the wings, Eaton and Tupper showed their old speed and Phil Willis was getting his pass regularly. In the front division all showed the results of the past few weeks hard work and it is sufficient to point out that opposed by a heavier bunch of bruisers the Varsity Pack never yielded and got away faster after every scrimmage. The half was always there. The Team: McInnis, Locke, Tupper, Richardson, Willis, Eaton, Kelly, B. Barratt, Murray, Forrester, Sparks, Noble, Wilson, Farrington, Morris.

In the eye-opener, the intermediates, picked partly from regulars and the rest from those having played in previous years, learned that Victoria College could play rugby when they went down to a 11-0 defeat before the driving onslaught of the island team.

Annual Write-ups Due January 31st

The annual staff has begun the work preliminary to the publication of this year's Totem, and the co-operation of the graduates is requested in observing the following regulations:

All photographs must be taken at Bridgman's Studio before January 31. The charge is $1.25.

All personal write-ups must be handed in to the Annual Office, Room 204, Auditorium, not later than January 31. Write-ups may not exceed eighty-five words, and must be written on one side of the papepr only. Any graduates who have neglected to make arrangements for their partners for the write-ups are urged to do so immediately. The editor cannot assume further responsibility in a matter which is the personal interest of every graduate.

Class and club secretaries are responsible for the write-up of their organizaton. Letters containing full instructions have been addressed to each secretary and placed in the Auditorium letter rack.

The captains of the various athletic teams are responsible for the group picture of their team and for the write-up. Letters have also been written to each captain, and will be placed in the rack before the end of the week.

Any further information may be obtained from the Annual editor.

U. B. C. Swimmers Lose Island Meet

The annual naval conflict between Varsity and Victoria was pulled off successfully on Friday afternoon. As usual the Varsity team, lacking some of their best performers, came out on the short end, but they made a better showing than they have for some years. When the spray settled down, the scoreboard showed the Varsity had come within 12 points of winning the meet.

In the finals, at half-time the "Y" was apparently hopelessly aheadof the Varsity forces, but the blue and gold clad (or unclad) mermen, and—maids, with their backs to the wall fought grimly through the latter part of the programme and steadily cut down the Victoria team's lead until the end when the score stood: Victoria 68, Varsity 57.

The highlight in the struggle was the men's hundred yards free-style. Reg. Wilson and Ken Derbyshire were well ahead at the half mark, with Wilson some three yards behind Derbyshire. After the turn Reg speeded up and in a diving finish he caught Derbyshire at the finish for a perfect dead heat. With three yards more to go Wilson would have won.

THE VICTORIA INVASION

The complaints that have been made in the past of the Victoria Invasion could find very little justification this year. The athletic contests were worth while and Varsity did better than in previous years. Those who failed to attend the games missed the best part of the trip.

The conduct of the three hundred students who went over was as far as we could judge, commendable. It is regrettable that several persons who have no connection with the University should have gone with the students and allowed their conduct to bring censure on the University. Apart from this the trip as a whole was very well conducted and those who managed it are to be congratulated on its success.

THE DALHOUSIE SERIES

The major Varsity athletic event of the season was undoubtedly the Dalhousie series played here during the Christmas holidays. On Boxing Day, and the Saturday before New Year, two of the hardest fought battles that we have seen this year were waged. The eastern squad consisted of eighteen fine athletes, and they played a clean, swift game. Our own team was in excellent trim annd worked hard for both games. The weather conditions, particularly during the second game, made playing very difficult and the field was as bad as it could possibly be.

It was probably because of the bad weather that the attendance was poor. However, it was very unfortunate that student support should be so noticeably lacking. At the New Year's game there was scarcely a sufficient number present to give a decent yell. In the face of the efforts and difficulties of both teams, we regard it as hardly sporting of the student body to fail to attend.

As a result of the poor attendance the Vancouver Rugby Union has to meet a deficit of $2,000. The Varsity Rugby Club has to pay its shares of this. The team is selling tickets now on the Paige Coach, this being the only way out of the difficulty. Every student in Dalhousie University contributed fifty cents towards the expenses of this team. We hope that the students of this university will have sufficient sportsmanship to support our team now and do their part in paying the debt.

MEETING OF SENATE

At the meeting of the Board of Governors held on December 30, 1927. A presentation to the University of the portrait of Dr. F. L. Carter-Cotton was made by a committee representing McGill University College. The personnel of the committee was as follows: Mr. J. S. Gordon, Chairman; Mr. G. E. Robinson, Mr. W. P. Argue, Mr. Cecil Cotton and Inspector A. Stewart.

The Chancellor, Dr. R. E. McKechnie, in accepting the portrait on behalf of the Board of Governors, spoke in appreciative terms of the great public services which the late Mr. Carter-Cotton had rendered to the people of British Columbia. He commended the committee for their action in perpetuating the memory of the first Chancellor of the University in this most acceptable form and stated that the portrait would be hung in the Board room.

Two other matters were discussed. A statement showing the places from which students who attend the University come; and a report of the Senate and of the Board of Governors regarding summer session courses.

KEY

S.S.—Is Summer Session.
W.S.—Is Winter Session.
A. and E.—Afternoon and Evening classes.
R.C.—Reading Courses.

1. The standard of requirements for S.S. work shall be equivalent in all respects to that of W.S. work and no credit shall be given for courses not fully equal in value to those of the W. S.

2. Every undergraduate seeking a degree without attendance at a W.S. in the Fourth Year shall be required to write, in addition to the exams, in each course, one paper in each of the two departments in which his major work has been done. These papers will be on the whole of the undergraduate's Third and Fourth Year work in those departments.

3. The maximum credit for S.S. work in any one calendar year shall be 6 units; and the maximum of credit for work other than that of the regular S.S. and W.S. shall be 3 units per year and 15 in all (subsequent to Senior Matric.)

4. The S.S. shall be seven weeks in length and shall provide for the same number of lectures per unit of credit as the W.S.

5. Preparatory work shall be provided from Sept. to June prior to the S.S.

6. The nature of this work shall be determined by the department offering the course to which it is preparatory, and may range from prescribed reading to a preparatory correspondence course.

7. A candidate proposing to undertake this preparatory work shall register prior to Oct. 1st (or subject to the penalties applying to late registration in the W.S. between Oct. 1st and Jan. 1st.

8. A candidate who does not undertake this work may register at any time prior to the commencement of the S.S., but may not register for more than 4½ units of work for credit.

9. The preparatory work shall be tested by a paper to be written in the first week of the S.S.

10. If a student does not write this paper, or fails in it, he shall be required to reduce his registration to 4½ units of work for credit.

11. Students seeking to remove supps., or repeating a course in which they failed in the W.S., may register for 6 units of work for credit without undertaking the preliminary work.

12. Examinations on the courses of the S.S. shall be held at the end of the S.S.

13. Supps. and Special exams. may be granted to students who have failed in S.S. exams. in the same way as to students who fail in W.S. exams.

14. A regular date shall be set for these Supps. and no Special exam. shall be granted earlier than Oct. 1st of the year in which the S.S. was attended.

15. If a student fails in two Supps. (or Sp. Exams.) in respect of the same course no further Supp. or Sp. Exam. shall be granted him in respect of that course.

16. Afternoon and evening classes are approved subject to the following conditions:
   i. There shall be 70 lectures for 3 units of credit.
   ii. The classes shall be open only to students who are at least 18 years of age and who have completed Senior Matric. or First Year Arts.
   iii. The classes shall be given at the University.
   iv. The classes shall be self-supporting.

17. In testing students who have attended A. or E. classes the ordinary W.S. exams. shall be used if convenient. Supps. and Sp. Exams. may be granted on the principles laid down for S. S. exams.

18. Extra-mural instruction shall not be offered. (This rule is not to be understood as an obstacle to either preparatory correspondence course prior to a S.S. or Reading Courses as described below.)

20. No credit shall be granted for Extra-mural work done at other universities in the same academic year in which W.S., S.S.; A. and E.; or Reading Course work has been attempted at this University.

21. E.-M. work done at other universities prior to registration at this university may be accepted if approved by the Faculty concerned, but shall not exceed the total number of units of credit obtainable here without attendance at W.S. or S.S. (i.e., 3 units per year and 15 units in all subsequent to S.M.)

22. If credit is granted for E-M work taken elsewhere, the total of work which the student concerned may take at this university without attendance at a W.S. or S.S. shall be correspondingly reduced.

23. Reading courses shall bt open to S.S. students in the same way as to W.S. students (i.e., One course not exceeding 3 units in the Fourth Year subject to the approval of the department concerned). A S.S. student shall be deemed to be in his Fourth Year when he has completed 15 units of credit in Third and Fourth Year courses.

24. Any extension of the number of units of credit offered to W.S. students through Reading Courses shall apply to S.S. students as well.

25. Reading Courses shall not be open to students who are not proceeding to a B.A. degree by W.S. or S.S. work at this university (except, as at present, to M.A. candidates).

26. S.S., A. and E. classes, and R.C.'s should be made financially self-supporting. Whether any expenditure is justifiable for courses not likely to prove self-supporting is for the Bd. of Governors to decide.

27. For the purpose of para. 26 the cost of these courses should be taken to include; the cost of instruction, any additional expense occasioned to the Library; any administrative cost which would not otherwise be incurred; any expense necessary to make good any teaching services withdrawn from W. S. work.

28. The teaching staff should receive adequate compensation for the increased length of the S.S.; for any preparatory correspondence work; for additional examinations.

29. The teaching staff should not be required to undertake an amount of work which will prejudice research, etc.; or which will impair the quality of W.S. work.

Six units of credit towards a B.A. degree should be made available in the Department of Eduction.

31. (a) The Faculty of Arts and Science is invited to recommend a number of courses in Education which may be offered in Winter Session or Summer Session, in Third or Fourtd Year.

(b) An undergraduate may take any two of these courses (six units for credit towards the B. A. degree.

(c) An undergraduate with special qualifications may (on the recommendation of Faculty) be allowed to substitute an advanced course in Education (of similar content) for one of the courses mentioned in the two previous paragraphs.

32. Credit for courses in education taken in previous S.S.'s should be given only if the courses correspond closely in content and standard with those proposed by the Faculty; and only if any prerequisites imposed in respect of those courses had been taken previously to the S.S. course for which credit is sought. It will be for the Faculty to make recommendations in appropriate cases.

35. W.S. students taking S.S. courses not already attempted in the W.S. shall be limited to 4½ units of credit.

35 (a) Not more than 30 units of credit may be obtained in the two academic years subsequent to Junior Matriculation nor more than 15 in the academic year subsequent to Senior Matriculation.

36. S.S. work shall not be used to shorten the course of W.S. students to less than 3 years from Senior Matric. or 4 years from Junior Matric.

37. The establishment of courses for students not seeking degree credits is approved, subject to those courses being financially self-supporting.

38. The general principles of this report shall apply to other Faculties in the U. B. C. which may in future institute S.S. courses or undertake extension work.

39. This report shall be referred to tde Calendar Committee for action, and forwarded to the President and Board for information.

40. It is recommended that immediate effect be given to this report with a view to having its provisions adopted and in form for the session 1927-28, due allawance being made for any minor adjustments that may be necessary to secure prompt action.

Correspondence

AN OPEN LETTER

December 22, 1927.

Editor, the "Bisector":

Dear Sir:

We wish to protest against the allegations contained in an article appearing in the last issue of your paper under the caption "The Ubyssey." The statements contained in this article are entirely without foundation and cannot but leave a false impression on your readers.

There is not, and never has been, an organization known as the "Society of Damned Souls" at the University of British Columbia. There is no Atheistic society whatsoever among this student body under that or any other name, and no organization with any connection with the American Association for the Advancement of Atheism.

Your "explanation" of the Publications Bord skit is totally inaccurate. No attempt was made to ridicule religion or the beliefs of the Fundamentalist Society. No member of the Publications Board is a member of any atheistic organisation or a reader of "Queen Silver's Magazine." It is obvious that the skit was not borrowed from the "Seventeen Year Old Schoolgirl" that you mention, and that the details of the acts were original.

We have sent you a letter refuting your article in detail, and consider that it is now your duty to prove your allegations or make an apology to us through the columns of your paper.

Yours Sincerely,
PUBLICATIONS BOARD,
UNIVERSITY OF B.C.

NOTICE!

At a recent meeting of Senate the following recommendation of Faculty was approved:

"That in laboratory subjects students may be debarred from the examination if they fail to present satisfactory results in laboratory work, and that they be required to pass in both parts of the course."

Students are hereby notified that the above regulation will apply to the final examinations of the present session.

H. T. J. COLEMAN,
Dean.

"What Kind Will I Buy?"

We know that some of you have been wondering what your new shoes should be like.

Of course, that largely depends on where you want to wear them. For street wear, the rugged wide-toe, stitch-trimmed, grain leather, heavy-soled Oxfords are best.

For semi-dress wear, neat black or brown Oxfords with wide or medium-wide toes are best.

Our best selling shoe for street wear is a multiple-stitched Blucher Oxford, with a guaranteed waterproof sole, black or brown, at $6.50.

Don't get the idea that all our shoes are $6.50, for they are not. We can show you a nice selection at $5.00 and $7.00.

Three lots of new shoes have just arrived—come and look them over. There are some surprises for you.

Other Universities Offer Scholarships

Fellowships & Scholarships offered by University of Missouri

The University of Missouri offers annually a number of Fellowships, bearing a stipend of $600 each, to students that have successfully completed at least one year of graduate study.

To promising graduates of standard universities and colleges a large number of scholarships, being each an annual stipend of $300, are available.

These fellowships and scholarships are awarded to the applicants best qualified, irrespective of departments of specialization, in:

Biological and Physical Sciences, Mathematics and Engineering, Philosophy, Education, Journalism, and the Social Sciences, Languages and Literature and Art.
Agricultural and Medical Sciences.
Home Economics.

Fellowships & Scholarships offered by Washington University

1. Six Jessie H. Barr Fellowships for women. Stipend, $400 each.
2. Five Rufus J. Lackland Research Fellowships in Botany offered by the Board of Trustees of the Missouri Botanical Garden. Stipend, $500 each.
3. One Henry Semple Ames Fellowship. Preferably for a graduate student in law or in allied subjects. Stipend, $500.
4. James Harrison Steedman Traveling Fellowship in Architecture for travel and study abroad. Stipend, $1,500.
5. Two American Creosoting Company Fellowships in Civil Engineering. One-half time is devoted to graduate study and one-half time to timber research investigations. Stipend, $1,000 each.
6. One Surgical Fellowship in the School of Medicine for special neurological work. Stipend, $1,200.
7. One Century Electric Company Research Fellowship in Electrical Engineering. One-half time is devoted to instruction and one-half time to advanced study and research. Stipend, $750.
8. Graduate Assistantships. These pay from $500 to $750 each and are normally available in various departments of the College of Liberal Arts, the Henry Shaw School of Botany, the Schools of Engineering and Architecture, and the School of Business and Public Administration. They require the devotion of approximately one-half time to teaching and permit the holder to devote the remainder of his time to carrying on of his graduate work.
9. University Fellowships and Scholarships. In addition to the fellowships and scholarships listed above, the University appropriates a special fund for fellowships and scholarships for graduate students of outstanding merit. Fellowships carry a stipend for $500. Scholarships carry a stipend of $200.

Scholarship, to encourage study and research in biology at any recognized summer school. Stipend, $75.

War Memorial Fellowship Administered by the Alumni Federation of the University of Toronto

An Open Fellowship of Nine Hundred

The Scholarship Committee of the Alumni Federation of the University of Toronto offers one Open Fellowship of NINE HUNDRED DOLLARS in the School of Graduate Studies of the University, under the following regulations for 1927-28:

1. The War Memorial Fellowship is open to graduates (men or women) of approved Canadian Universities enrolled in or intending to enrol in the School of Graduate Studies for the purpose of proceeding to a degree in any department of the University of Toronto.
2. The general basis on which the War Memorial Fellowship may be awarded shall be as follows:
   (a) Standing at graduation or in previous year of post-graduate work.
   (b) Such other general qualifications of merit as may commend themselves to the Committee including relationship (if any) to active service during the War.
3. Application forms may be secured from the University Registrar or the Secretary-Treasurer of the Alumni Federation, before May 15, 1928, and MUST BE ACCOMPANIED BY AN OFFICIAL STATEMENT OF THEIR UNDERGRADUATE STANDING.
4. The award will be announced as soon as possible after June 1, 1928, and will be payable in three instalments on October 15, January 15, and May 15.
5. The award of the War Memorial Fellowship is accompanied by the remission of tuition fees by the University.

Sir William Meyer Studentship in European History University of London

1. The Studentship shall be known as the "Sir William Meyer" Studentship.
2. The Studentship is tenable for two years, subject to satisfactory progress.
3. Candidates must be graduates of a University of the British Empire and must be qualified to enter upon an approved course of training in methods of research, with a view to taking an approved higher degree in the University of London.
4. The candidate elected will be required to devote his whole time to his work.
5. On or before 1st June in the year of award, each candidate will be required to submit a statement giving full particulars of his educational career and the branch or branches of research which he desires to pursue.

Candidates wishing to compete should communicate with the undersigned as soon as possible, **and not later than 1st June, 1928.**

Yarrow Scientific Research Fellowship 1928 - 1931 Eaton College, Cambridge

1. A fellowship o fthe value of £300 a year is offered for research in Mathematical, Physical and Natural Sciences, including such sciences as Chemistry, Electricity, Engineering, Botany, Geology, Medicine, Agriculture, etc.
2. The Fellowship will be awarded by the Council on the recommendation of the Board of Electors, provided that in the opinion of the Board a candidate of sufficient merit presents himself.
3. The election of the Fellow will take place in time to permit of the award by the Council being made not later than June 30th, 1928.
4. Women who are graduates or have taken Honours in a final degree examination of any University, and members of the Girton College Roll shall be eligible. If in the opinion of the Board of Electors no candidate of sufficient merit has presented herself, the Council may offer the Fellowship to some specially qualified women, or may withhold it.

The University College Committee will award in June, 1928, a Sir William Meyer Studentship in European History, of the value of about £120, tenable for two years, in accordance with the following terms extracted from the Regulations:—

Bert Fellowships for Scientific Research Imperial College of Science and Technology, London

Those desiring further information on this should see the Registrar.

Science Research Scholarships, offered to Overseas Universities, by the Royal Commission for the Exhibition of 1851.

Second Barber—"Yes. I'm courtin' his housemaid—that's to let 'er know I can see 'er Tuesday night!"—Ex.

• • •

Pledge—Brother, what makes the world go 'round?

Frat Head—Say, I've told you many times to keep out of the basement.—Ex.

• • •

Have you heard the one about the girl who started to play strip poker, and then got cold feet?—Ex.

• • •

Yesterday we heard positively the last one on our friend the absent-minded professor. He slammed his wife and kissed the door.—Ex.

LEAP YEAR

So this is Leap Year. The prospect of being invited by fair co-eds to the class parties and dances is causing quite a flutter of excitement in the Men's Common Room. The Arts Rugby team is practising blushing while the Science team is concentrating on giggling. Coach Tyrwhitt is in despair, as Bert Tupper and Wilbur Sparks have decided to practise handling compacts instead of rugby balls. "Tiny" Noble is much envied for his newly acquired ability to look coy. The athletes will no longer engage in rough games for fear of marring their beauty.

The Common Room is a scene of great activity. All the chairs are in use by pairs of earnest students learning the correct mode of sitting on someone's knee. The place reeks of perfume and instead of loud laughter there is a persistent buzz of whispers with an occasional brainless titter.

The co-eds, too, are preparing for a busy season. Already several have wrecked their cars while practising driving with one arm. Others have learned to swear—mainly since discovering the rates charged by taxi companies. The strong, silent, red-blooded, two fisted she-woman has begun to appear. The big slump in the sales of cosmetics to women has been compensated by the new demand from the men.

A period of revenge for the co-eds and remorse for the men will ensue. Male wall flowers will experience the delights of merely watching a dance. Others will learn how pleasant it is to be taken home in a street car while still others will have the unaccustomed experience of walking home.

"Did I ever tell you what a fright I got on my wedding day?"

"Tut, tut, man; you should not speak that way of your wife."—Ex.

• • •

First Cannibal—"The chief has hay fever."

Second Cannibal—"Serves him right. We warned him not to eat that grass widow."—Ex.

• • •

Tourist in Norway—"But the coast line looks so much more lovely than it did a few years ago."

Native—"Yes, madame, you see, it's the new Fjords."—Ex.

• • •

"Say, Gimme a Pound of Dog Meat an' Make It Good. The Last I Got Here Made My Old Man Sick."

• • •

Tourist—Well, I congratulate you. It is a great honor to be the oldest inhabitant.

Native—Yes, sir, but what makes it so funny is that my old woman is older but she won't admit it.—Goblin.

• • •

Squiddy McInnes—"Did you have an enjoyable time at the Empress Hotel?"

Kelly—"Frightful! Say, I felt as out of place as a wisdom tooth in a freshman's head."—Ex.

Ice Hockey Has Good Prospects

Two crack ice hockey squads have been picked from forty prospective members to make an intermediate and a junior team. The intermediates are in the playoffs of their league. The playoffs are to be held on January 20 and 21, against ex-King George. The total number of goals is to decide the winner.

Both the juniors and intermediate teams have been ably coached by Mr. McGregor who comes from Fort William and is giving his services to Varsity gratis. He is, in no small way, responsible for the success of the two teams.

U. B. C.'s junior team has played four games so far, and now stands in second place, with Monarchs leading the league.

The junior team merits the support of the students in its next two league games. The first is to take place next Friday in the Arena at 10 o'clock and is against the Merolamas.

It was from the intermediate and junior teams that seven men were picked to play against a team from the Victoria Commercial league during the Invasion.

Selders, Macdonald and Rhodes of the intermediates, and Hume, Carswell, Parker and Mathews of the juniors were finally selected, with Mathews as spare.

It is to the credit of these men that they defeated the Victoria combination 4-1. Jack Parker captained the team, and husbanded his resources well, keeping his men fresh by giving them frequent rests. In the first two cantos Varsity dominated the play, though the ice was somewhat too fast to permit much team work. Early in the first period Parker opened the scoring with a lone rush. In the second period MacDonald and Parker both scored but Varsity began to weaken during the latter part of this period. The third period was the most exciting as the Victoria team had the best of the play due to the number of substitutes they had. Despite this, however, their erratic shooting and the watchfulness and Varsity's diminutive goalie held them to one goaol which Carswell evened up by a neat tally for U. B. C. A small but interested crowd watched the contest.

BADMINTON WINS

At Victoria the Badminton teams made up for the defeat of the previous year. The points in both the mixed and ladies' doubles balanced evenly, but in the men's doubles three games out of four went to Varsity, making a final score of 13-11 in favour of U. B. C.

In the mixed doubles Miss Matheson and Sparks were the outstanding couple, Spark's smashing play gaining numerous points. On the Victoria team Miss Miller and Radford, handled shots from all angles with uncanny precision. As also evidenced in the men's doubles, Radford shows promise of becoming one of the strongest players in the province. Nick Solly, the U. B. C. player from Okanagan, was outstanding in the men's doubles. Here also Noble's powerful smash displayed itself to advantage. Miss Lyle and J. Pound, playing together for the first match of the season, combined to form the strongest in the ladies' doubles.

The results of the matches are as follows:—

Mixed Doubles: Miss Lyle and Noble lost to Miss Miller and Radford, 21-12; lost to Miss Campbell and Hutchinson, 21-15; lost to Miss Pitts and Cabbett, 21-13; won from Miss Wilson and Flett, 15-0, 1504. Miss Eddy and Solly lost to Miss Miller and Radford, 21-10; won from Miss Campbell and Hutchinson, 21-15; lost to Miss Pitts and Cabbett, 21-13, won from Miss Wilson and Flett, 21-11. Miss Pound and MacFarlane lost to Miss Miller and Radford, 21-18; won from Miss Campbell and Hutchinson, 21-13; lost to Miss Pitts and Cabbett, 21-11; won from Miss Wilson and Flett, 21-2. Miss Matheson and Sparks lost to Miss Miller and Radford, 21-7; won from Miss Campbell and Hutchinson, 21-10; won from Miss Pitts and Cabbett, 21-13; won from Miss Wilson and Flett, 21-7.

Men's Doubles:—Noble and MacFarlane lost to Radford and Cabbett, 18-16, 15-6, and won from Hutchinson and Edgell, 15-1, 15-7. Solly and Sparks won from Radford and Cabbett, 15-11, 12-15, 15-11, and from Hutchinson and Edgell, 15-7, 15-4.

Ladies' Doubles:—Misses Eddy and Matheson lost to Misses Miller and Campbell, 15-4, 15-11, and won from Misses Pitts and Wilson, 12-15, 15-0, 15-7. Misses Pound and Lyle lost to Misses Miller and Campbell, 12-15, 15-4, 15-3, and won from Misses Pitts and Wilson, 15-8, 18-17.

LITERARY SOCIETY NOTICE

Executive Meeting to-day, 12:15, Arts 204.

Some students at Victoria were bound to get ahead—the morning after.

VICTORIA WALLOPS STICK WIELDERS

The Girls' Grass Hockey Team was turned back again at Victoria this year, losing their game by a score of 6-0. With practice, the team should make a good showing during the coming months. During the first period, the ball was several times almost on the Varsity line, the players struggling ankle-deep in the mud, but Victoria succeeded in caging the ball only once. During the second half Victoria rang up five more tallies.

On the Varsity team Jean Salter distinguished herself at right fullback. Helen Barton did well as goaltender, and Beth Pollock as forward. On the whole, the team shows good promise. The line-up was as follows: Beth Pollock, Agnes Healey, Evelyn Cruise, Gladys Pendray, Phyllis Smith, Billie Wilson, Josephine Hart, Helen McGuire, Jean Salter, Edith Dingle, Nellie Mellish, Helen Barton.

STUDENTSHIP OFFERED

The National Research Council has been requested to announce that a studentship for research, having an annual value of £150, is offered by the Greening body of Emmanuel College, Cambridge, England, tenable at Emmanuel College, commencing in October, 1928.

Requirements may be obtained at the Registrar's Office or from the National Research Council, Ottawa.

The Road Race

The Y.M.C.A. won the annual road race at Victoria by a substantial lead of some twenty-five yards, setting a record for the 1,350-yard course by covering it in thirteen minutes four and four-fifth seconds.

Men's Hockey Team Loses to Victoria

On Saturday afternoon at Oak Bay Park, the Men's Grass Hockey team met with defeat in a close-fought game against the Victoria Grass Hockey club. The game was very slow, but nevertheless, both teams put up a fine brand of hockey, and from start to finish the game was keenly contested.

In the opening stages of the game Varsity pressed vigorously, but the heavy mud in the penalty area made effective shooting almost impossible. Towards the end of the first half, however, Syd Clarke managed to scoop the ball through the goal, but Victoria evening up the count as the whistle blew for the interval.

In the second half Victoria took the offensive, and kept the ball within Varsity's twenty-five line, and in spite of the brilliant work of Varsity's goal keeper, Anderson, they managed to secure another goal.

The University squad were playing a man short, which proved a serious handicap in the later stages of the game. Dhami, at half, played a very good game, and was the only Varsity man worthy of note, although everyone played hard. The final score was 2-1.

Line-up—Anderson, Lee, Richmond, Dhami, Vincent, Craster, Clarke, Fleming, Preston, Buckland.

Varsity started in with a double handicap. Chappelle had an injured foot and Jerry and Bert, two of the regular men were not out. However, Fell, Dawe, Chappelle and Dunn put up a hard fight. Y.M.C.A. was represented by Grolman, Finemore, G. Aldous and F. Aldous. Frank Aldous of the Y. team is holder of the record for one mile on the island.
