## BROCK UNION BUILDING GRANT TO BE MADE

### RHODES SCHOLAR

JACK DAVIS

### SIR F. BANTING TO SPEAK HERE

#### CO-DISCOVERER OF INSULIN

Sir Frederick Banting, co-discoverer of insulin, will speak in Arts 100, at 12.30 on Monday, December 5. The address is sponsored by the Monro Pre-Med Club, but anyone, either of the faculty or student body is invited to attend.

#### CHAIRMAN OF RESEARCH COMMITTEE.

Dr. Banting is chairman of the Associated Committee of Medical Research of the National Research Council at Ottawa. This special committee was formed in February 1938, after a conference held in Ottawa, at which the University of British Columbia was represented by Dr. C. E. Dolman. The purpose of the committee is to discover what types and opportunities for medical research, there are in medical and other institutions in Canada.

Dr. Banting is surveying universities and other organizations represented on the committee, with a view to possible allotments for medical research.

Recently, Dr. Banting has been conducting research in the Banting Institute on cancer, silicosis, and asphyxia. He is a graduate of the University of Western Ontario, and is at present a professor of medical research at the University of Toronto.

Before coming here, he will be conducted by Dr. Dolman through the provincial laboratories, and other divisions of the Provincial Board of Health. Dr. Banting has expressed a wish to see especially all those interested in medicine.

### STUDENTS' NUMBERS ARE NOW AVAILABLE

Are you looking for the address of that blonde you met last night? Or are you looking for the phone number of that big handsome footballer for the Co-ed? Then the Alma Mater Office holds just what you want, in the shape of the newly-issued STUDENT DIRECTORY. POCKET SIZE

This neat little green book, vest-pocket size, is the product of much earnest labor on the part of editor Helen Hann and her three energetic assistants.

It has in it the names, addresses and phone-numbers of all the students in the University, and in the back is a list of the presidents of the campus clubs.

Trot right up the stairs to the A.M.S. office and get yours now. The cost is one dime.

### JACK DAVIS WINS RHODES SCHOLARSHIP

#### PROMINENT IN U. B. C. AFFAIRS

Jack Davis was selected from a large number of applicants Wednesday night to be the 1939 Rhodes Scholar from U.B.C. The official announcement was made on the campus by the Lieutenant-Governor, Hon. Eric W. Hamber.

Varsity students will unanimously hail this choice, for Jack has earned the respect and admiration of faculty and students alike during his college career here. As a scholar, a leader, an athlete, and a man he more than fills the requirements of Cecil Rhodes.

Although he has played an important part in student activities, Jack Davis is no less distinguished in his academic life. He was the winner of a matriculation scholarship and has shared for the last two years in the Swan Memorial Bursary. Throughout his four years he has consistently maintained first class averages.

#### PRESIDENT OF M.U.S.

During his first two years here, Jack was active on the Science class executive. He was for two years the president of S.M.U.S. and during the last year has been a member of Students' Council as president of M.U.S.

"Spud" Davis wears a Big Block, won for serving on the U.B.C. Canadian Championship basketball team of 1937. In addition he has been actively engaged in intra-mural sports all through his four years at Varsity.

#### SINCERITY

Not the least of Jack's achievements here has been the fact that he has worked his own way through Varsity. His sincerity and genuine interest in his comrades have made him popular with all types of students. In appearance he is the answer to a co-ed's prayer: "tall, dark and handsome." His bearing is dignified and he will without doubt command respect for himself and U.B.C. while at Oxford. Jack's home town is Kamloops, where his parents, Mr. and Mrs. Fred. Davis, reside. In his fifth year of chemical engineering, he is affiliated with Sigma Phi Delta fraternity.

Intellect plus industry plus personality equals Jack Davis, Rhodes Scholar.

### MUSICAL SOCIETY WORKING ON OPERA

With but one week of rehearsals remaining before the Christmas vacation, work on the Musical Society's production, "Serenade," goes smoothly on. Having a satisfactory knowledge of the First Act behind them, members of the ensemble are now busy studying Act. Two.

#### SMOOTH SONGS

Victors to an ensemble rehearsal recently were delighted with the variety of catchy, smooth and sad songs the opera contains. Although typical Herbert waltzes predominate, there are many light and stirring tunes, including "I'm A Duke," "Woman, Lovely Woman," and others.

Added colour and fascination will be given the show this year by "The Fandango"—a lively and picturesque dance in which the whole chorus takes part.

Announcement is expected soon to the effect that ensemble rehearsals will take place during the Christmas holidays, probably in some down-town hall.

### Success!

The smiling gentleman below is Carson McGuire, who is justly proud of the success of the Union Building Campaign. He is shown here inspecting the tentative plans of the new building.

### GOVERNORS' DECISION ENDS LONG CAMPAIGN

### Construction of New Union Building to Start in Spring

By JACK MAIR

After five years of money raising and three years of vigorous campaigning, in which a student union building seemed to be a vision of the distant future, the Brock Memorial Union Building is to become a reality at last.

#### ASK PERMISSION

At the meeting of the Board of Governors last Monday night it was announced that the Board has asked for the consent of the Lieutenant-Governor-in-Council to make the contribution of \$25,000 to the Building fund.

Although the grant is contingent upon permission from the Lieutenant-Governor-in-Council to change the University budget, this step in regarded as merely a formality.

The grant is to be paid in ten yearly installments of \$2,500 each and is intended to cover a loan made by the Brock Memorial Committee for the immediate construction of the Union Building.

The building will cost approximately \$75,000 and is to be a "Class B" construction, that is, reinforced concrete outside and wood inside. It can be faced with stone at any time.

#### LOCATED ON EAST MALL

Work will begin on the building in the spring and it will be completed by the fall. The building is to be located on the East Mall between the gymnasium and the stadium. It has been announced that the Government will pave the East Mall and extend it through to Marine Drive, at an estimated cost of \$40,000, making the Mall the main entrance to the campus.

In a statement issued by the Permanent Memorial Committee the finances were listed as follows:

Bonds in hands of Trustees	\$32,000.00
Balance in Bank	1,496.20
Women's Committee (collected and pledged)	1,600.00

Faculty Association (pledged)	1,500.00
Student Bond Issue	15,000.00
Estimated cost of connecting services, possibly to be provided by the Board of Governors	4,000.00
Board of Governors' Grant	25,000.00
	\$80,000.00

Carson McGuire expressed the hope that the Provincial Government might put up \$40,000 thus obviating the necessity of the bond issue. If, however, the issue is made, it will be paid out of the A.M.S. building fund which draws \$3.00 from the annual A.M.S. fee, and by benefit dances held in the new building.

Some of the pledged money has not been collected, but arrangements are now being made to call it in. \$10,000 has been earmarked for furnishing the building although this money may be replaced by the proceeds of the first few dances held in the Union building.

### COUNCILLORS DISAGREE ON "OPEN HOUSE"

#### MAJORITY FAVOR IT AS ANNUAL INSTI- TUTION

This year's "Open House" will be held some time during Education Week. No definite plans have been made as yet, but Student's Council is holding a meeting at noon today, to decide on some of the more important details.

#### OPEN HOUSE CHAIRMAN.

A chairman will be appointed by Student's Council, to take charge of, and organize, the "Open House."

There has been some difference of opinion in Council, as some members feel that "Open House" should not be held more than once every two or three years.

Carson McGuire, A.M.S. president, expressed his opinion on the matter in the following words: "I feel that the "Open House" should be the University's annual contribution to the "Education Week." It need not be entirely new each year, but should show any new developments as they come along.

#### OPEN FOR ONE DAY.

"Open House" should be the type of exhibition at which people would be encouraged to investigate one phase of the University each year. People have not the time to do more than that at each "Open House", and the University does not have the time to be "open" more than one day.

Even ap Roberts felt that the "Open House" is being held too often, saying: "I believe that 'Open House' should be held only once every other year or so, because it takes up a great deal of time which should be devoted to studies, and because there are not enough new things happening on the Campus to provide a really original 'Open House' each year."

#### TREASURER'S OPINION.

Bob Smith, treasurer, mentioned that the committee in charge last year suggested that "Open House" should not be an annual affair, and that by holding it every two or three

(Continued on Page Two)  
See OPEN HOUSE

### NO FREEDOM OF SPEECH IN PRAIRIE CITY

#### SASKATCHEWAN PROF. CONDEMNED FOR VIEWS

In an address to the Young Communist League on the subject "Youth and World Affairs", Dr. C. A. King, professor of English at the University of Saskatchewan, suggested that the present government of Great Britain would go to war for only two reasons: to maintain the British Empire, or to prevent the spread of socialism in Europe; and he did not consider either cause worth fighting for.

#### DISMISSAL DEMANDED.

When this speech appeared in the newspaper under the heading "Should Not Fight For British Empire", the Moose Jaw branch of the Canadian Legion demanded Dr. King's immediate dismissal and the Saskatoon Star-Phoenix received a flood of letters both condemning and approving what had been said by Dr. King.

#### NOT ANTI-BRITISH.

Dr. King published a statement pointing out that his view was neither Anti-British nor unpatriotic but he still continued to be condemned and criticized all over the province. However he had a few supporters who gave him as much aid as they could.

#### SPEECH CANCELLED.

During the summer the talk died down but was renewed after a speech Dr. King made on the subject "Patriotism." This time there was no public attack on him and no one knew that anything was happening until Dr. King cancelled a speech, that he was to have made the next day, because of the criticism and bad feeling created. The Saskatoon League for Peace and Democracy passed a resolution calling the Board of Governors of the University to preserve freedom of speech for the members of the faculty. The Sheaf came to his aid in a front page editorial.

Since then, Dr. King has made no public speech and until the Board of Governors issue a statement guaranteeing Dr. King's right to express his views on world affairs in public without fear of dismissal, suspicion will naturally fall on them.

### Union Building to Include Dance Floor, Assembly Hall

The University Architect is now working on the plans for the Brock Memorial Union Building, as submitted by the sub-committee of the Brock Memorial Committee.

The plans, as submitted, call for a two story, semi-permanent building, to be erected on the East Mall, north of the Stadium, and facing the Gymnasium.

#### TO BEGIN IN THE SPRING

It is expected that the foundations will be started next spring.

In order to provide a suitable approach to the new building, the East Mall will be finished at a cost of \$40,000, next year. It will be extended to meet Marine Drive, and will become the main approach to the University.

One half of each floor will be devoted to women's activities, while the other half will be reserved for the men.

#### DANCE FLOOR

The central part of the first floor will be used for a large assembly hall, to be used for meetings. The corresponding part of the second floor will be used as a dance floor, which will be large enough to hold about 250 couples.

#### OFFICERS IN THE BASEMENT

The C.O.T.C. will have the great-

est part of the basement, according to the present plans, with space for several rooms and possibly a rifle range.

The only room decided upon as yet for the first floor, excepting the assembly hall, is a Students' Council Office.

#### L.S.E. AND UNDERGRAD ROOMS

On the second floor, besides the dance hall, it is planned to have rooms for the W.A.A., W.U.S., M.A.A., L.S.E., and M.U.S.

There will also be rooms for the treasurer and president of A.M.S.

In connection with the dance floor there will be a dining and tea room, a kitchen and a confectionary.

### SCHUBERT SYMPHONY AT THURSDAY NOON

Next Thursday at noon the last two movements of the immense Symphony in C Major by Franz Schubert, which was begun yesterday in Arts 100, will bring the 1938 Carnegie Orchestral Recital series to a close. Those who would be hearing for the first time this complex work at the December concert of the Vancouver Symphony Society will find this preview of great assistance.

### BIG BLOCK FEMMES SWELL BROCK FUND

An increase of \$40 to the Brock Memorial Union Building Fund, is the gift of the Women's Big Block Club.

#### WHAT, NO POKER?

The money was raised from a tea and bridge, held at the home of Betty Fleck, on November 4. There were about twenty tables in play. Women undergrads and grads attended.

President of the Women's Big Block Club is Betty Fleck, and Secretary is Pauline Scott.

# MR. WHEELER MAGICIAN & BUSINESS MAN

ENTERTAINER WAS IN  
VAUDEVILLE

The curtain rang down at Saturday's Pep Meet cutting off applauding students from an immaculate gentleman who briskly commenced to pack up gaudy-coloured paraphernalia in his big black box.

**ON THE ROAD.**  
Mr. Wheeler indulges in black magic only as a hobby now. He got the "bug" as a boy when he watched The Great Powell perform in a small town in the wilds of B.C. Practice brought the perfection needed for vaudeville, and as a young man he went on the road, achieving his ambition to see New York and the glamour cities.

There he met such celebrities as Thurston, Blackstone, even Fatty Arbuckle, and the dean of them all—Houdini. Finally he settled in business in Vancouver, but still retains an interest in his former profession, sees all the magicians that come to town.

### SMALL GIRL AUDIENCES HARD TO PLEASE.

Questioned on audience reaction, Mr. Wheeler said that small girls were by far the most difficult to please. "They're too inquisitive," he said, "they'll sneak up for a peek when you're not looking."

Interesting addenda on Mr. Wheeler include the fact that he's not a bit superstitious, that he has a Chinese magician in Pekin for a pen pal, that his favourite music is "The Sorcerer's Apprentice," that he has an Australian uncle, also a magician, living in the land of rabbits, that his hobby is trick photography, and that he has to take his front gate into the basement on Hallowe'en just like anyone else.

Congenial home for 3 Students; good table, hot water, moderate rates. Apply to Ubysey office.

## APPOINTMENTS FOR SUMMER SESSION

The appointments to the staff of the U.B.C. summer session for 1939 were announced by President L. S. Klinck after a board of governors meeting on Monday night. They will include eight well known visiting professors and twenty-one from the U.B.C. under the direction of Prof. Lemuel Robertson.

Following are the appointments: Botany, Dr. A. H. Hutchinson, Dr. Frank Dickson and Prof. John Davidson; U.B.C. Chemistry, Dr. R. H. Clark, Dr. William Ure; U.B.C. Classics, Prof. Lemuel Robertson; U.B.C. Economics and Commerce, Prof. C. F. Drummond; U.B.C. Education, Dr. W. G. Black; U.B.C., Dr. H. E. Smith, University of Alberta.

English, Prof. F. G. C. Wood, U.B.C. and Dr. Edward Chapman, University of Utah. Geology and Geography, Dr. Gordon Davis, U.B.C., and Dr. Eric H. Paigle, Syracuse University. History, Prof. F. H. Soward and Dr. Sylvia Thrupp, U.B.C. Mathematics, Dr. Ralph Hull and Prof. F. J. Brand, U.B.C., and Dr. R. L. Jeffery, Acadia University, and Dr. F. C. Leonard, chairman of the department of astronomy at University of California at Los Angeles.

Modern languages, Dr. D. O. Evans, Dr. Joyce Hallamore, Dr. Deborah A. K. Aish and Dr. Joan Dangelser, all of U.B.C. Philosophy and psychology, Dr. J. A. Irving, U.B.C.; Dr. Wibur Long, Dr. Frank Davis, University of California at Los Angeles; Prof. J. A. Sharrard, University of Saskatchewan.

Physics, Dr. O. E. Anderson and Dr. A. M. Crooker, U.B.C.

## SATURDAY OPERA TO BE VERDI'S "OTELLO"

The second Saturday matinee performance of the Metropolitan Opera Association will be Giuseppe Verdi's most ambitious opera, "Otello", the first act of which will be reproduced in the auditorium by direct line with CBR's Sea Island receiver at 10.55.

This is the next to last stage work of Verdi, written after he had renounced his earlier attitude toward the Wagnerian drama and had spent considerable time studying the Wagner scores. Lawrence Tibbett will supply his famous interpretation of the canny Iago, with Giovanni Martinelli as the Moor.

## ALPHA DELTA PI NITE ON ICE WILL BE EXAM ANTIDOTE

It's Alpha Delta Pi Nite at the Forum on Monday, December 19, from 8 to 11!

Tickets are 75c, and may be obtained from any member. There will be a special program of a professional hockey game, and a figure skating exhibition. This will be followed by refreshments and private skating.

It's the perfect antidote for the exams, and besides, it's all in aid of the Brock Memorial Building Fund.

# SHOPPING with MARY ANN

There is one gift that all women like, and in numerous quantities . . . that little gift is, hankies . . . white ones, plain ones, lace-edged ones . . . navy . . . pastel colored . . . every kind that every type of femininity could desire. . . These dainty gifts are single or boxed in harmonizing groups . . . at Mrs. Paton's Lingerie Shop, 2793 Granville Street. . .

Said a freshette reporter in a pitiful little voice, as she handed in a story to the editor, "Please, may I go to my lecture now?"

Starting from the exquisite midget handkerchief, they graduate to the larger kerchief size . . . applique . . . handwork with superimposed designs in white, of cherry blossoms, water lilies . . . among a host of other attractive designs . . . gossamer fine linen hankies appeal to the tea hostess, or Sunday 'at home' type, chiffon and dance hankies for all co-ed friends, . . . for the sorrority sister or special friend linen squares with dainty lace edges and delicate corner patterns in blue. Just to prove our point that hankies are always a desired gift . . . we asked a friend what they would like for Christmas and they said "One of Mrs. Paton's gorgeous hankies". . .

Every Christmas season co-eds look forward to their wardrobe renewal, and when making an inventory this year don't forget the smart woollen frock which is so suitable for lectures and general campus wear. Not only is it smart but it is warm, too . . . and in the seasonal colors, which lead all style parades. . . Lora Lee Dress Shop, 2814 Granville Street, have a varied selection of these frocks . . . in rust and raspberry tones. . .

One particularly smart dress features the outseam pleats, and short puffed sleeves . . . a round white collar gives it that demure naive . . . gold buttons from the neck to the waist, and wide patent black belt from the adornments . . . tricky diamond pockets . . . and at a price which fits any co-ed's allowance. . .

There is a little story about two Phrateres pins . . . one is reposing on the lapel of a Fourth Year Forestry student . . . while the other, rests, not on the lapel, not on the waistcoat . . . but on the shirt of a Musical Society member immediately over the "Hollow organ for circulation" (see dictionary).

Other suggestions for gifts, which Lora Lee specializes in are, zippered gold sequin evening bags, hosiery, silhouette and a novelty purse size case for evening mishaps . . . containing scissors, needles, pins and carigated colored threads, and numerous other useful gadgets . . . all encased in this one little needle-point covered folder. . .

An Alpha Phi has been trying for a whole week to be introduced to the leading man in "300th Performance" . . . but hasn't succeeded yet. . . She thinks he is "so fascinating." . .

Here is the opportunity all co-eds have been waiting for . . . Raeson's Mezzanine Floor, 644 Granville Street, are having a special sale of footwear, formerly \$7.95 and over, will be at the one price, \$5.95. . . We have been viewing the platform soled slippers with longing eyes, imagine the comfort you would have, dancing on New Year's Eve, at Junior Prom, Co-ed Ball, and a host of other social highlights . . . every pair of slippers and high-gore pumps has that distinctive air and smartness that makes every ensemble, perfect. . .

A Phi Delt, the morning after the Theta party, spent the before-noon hours trying to find out which Theta was the proud possessor of his ring. . .

Sportswear for golf and other athletic activities are among the fashion designs, suede, mudguard features, zippers, ties and straps . . . glamorous evening slippers in contrasting tones and daintily jewelled, afternoon slippers, rubberized footwear for rainy sessions, all at 644 Granville Street, on the Mezzanine floor of Raeson's. . .

Going skiing after the exams? Then you'll want clothing that is both classy and cosy. . . Fred Holmes has a new line of ski togs that for comfort and style can't be equalled . . . shirts in smart tartans that are warm and zippered. . . Slacks that the like of which you've never seen. . . Ask especially to see the Gabardine slacks tailored in the continental style in the new Teal blue. . . They are light but waterproof. . . You'll need a jacket . . . For men they have Slalom jackets in the Fairway cloth and for ladies smart Jigger jackets in a lovely Moritz red. . .

And ladies if you want to be ultra ultra get one of the new ski handkerchiefs . . . an accessory that will wipe snow from your eyes and lend zest to your costume . . . and of course a gayly colored pair of Tyrolean braces will make you look as thought fresh from St. Moritz. . . Remember, all these lovely things are available at Fred Holmes at 2845 Granville Street. . .

Midst last minute packing and while finishing exams students will have no time to go hunting and scouring all over town for suitable gifts that fit their purse and are appropriate . . . so we recommend Phoebe, 713 Dunsmuir St. . . Not only has she the most exclusive of gift ideas, but will wrap them in gift paper all ready to hang on the Xmas tree . . . tea rose dance sets slips, gowns and pyjamas in all dainty shades including white and sky blue . . . in satin and brocaded silk. . .

Romance is prevalent on the campus, and is budding among the Phi Delt. . . It appears that one of their football players is taking quite an interest in the petite blond freshette sister of one of his fraternity brothers. . . Together they walk, they talk, they lunch, they sup, they study, they play . . . in fact they are interested in one another.

Think of the delight your friends will have opening the gifts you have given them . . . handmade imported lingerie from the Orient at 713 Dunsmuir St. are reasonably priced and make welcome gifts . . . For the young girl in her teens may we suggest a tailored slip for everyday wear and one with lace trim for special events . . . gowns which are suitable for every age as well as Phoebe's sheer stockings and fabric gloves. . .

When one's love is absent . . . what to do? . . . here is one answer . . . at all hours of the day one may find a certain council woman whose "I'll-love-you-forever" lad is not on the campus this year sitting in the caf apparently discussing bacteriology with a Beta. . .

MARY ANN

## DIRECTOR TO SPEAK AT FILM SOCIETY

Mr. Jaffa, the technicolor director for such shows as "Men with Wings" and the coming "Gone With the Wind," will speak to an intimate group of Film Society members either Monday or Tuesday noon. Those who would like to attend please get in touch with Dick Jarvis. Further information will be posted on the Film Society Board in the Quad Monday morning.

## SANTA CLAUS AT S.C.M. XMAS PARTY

As an antidote to the potent Xmas Xams, the S.C.M. offers a Christmas Party to be held Saturday night, Dec. 17, in the spacious ballroom of the Kingsway Bar-B-Q, 3065 Kingsway Ave.

Dancing, drollery, and delectable delicacies are some of the features of this outstanding fete which will swing into action at 8.30 p.m. and keep on swinging till the midnight hour.

## NOVEL PRODUCTION FEATURED AT LYRIC

Boasting a cast that looks like a "Who's Who" of the Vancouver entertainment world, "A Footlight Frolic" produced by Gordon Rowntree gets under way in the Lyric Theatre at 9.00 p.m. Sunday, Dec. 11.

The show promises to be one of the best entertainment values of the year and features Mart Kenny and his Western Gentlemen, W. C. Shelly, Beth Lockhart—formerly of 20th Century Fox—a novel band leaders musical quiz with Earle Hill, Doug Raymond, Trevor Paige, Leo Smuntan, Ole Olson, Stan Patton, Len Chamberlain, and Sandy de Sanna, and many other outstanding acts.

The proceeds are in aid of the Vancouver Sun Santa Claus Fund. Tickets, which may be obtained at the Lyric box office, are 25 and 50 cents. The show is being put on for one night only—Sunday, Dec. 11th at 9.00 p.m., in the Lyric Theatre.

## HOSPITAL HOLIDAY FOR STAGE HAND

One student will spend exam time in Ward D of the General Hospital convalescing. The patient is Roy Jackson, Second Year Artsman who was operated on Saturday evening.

**STAGE HAND.**  
Jackson, Players' Club member, was working on the stage on Saturday morning and suffered severe strain, following which he was removed to the hospital. After a three weeks convalescence in Room 102, Roy will journey to his home in Creston for Christmas.
