#### TRAGIC DISCOVERY BY CONSTABLE THORNE

The body of a Swede named Kalberg, aged about 45, of Vancouver, was found on the B. C. Electric track at Marshall's Creek, close to Vye Road station, on Thursday morning. At an inquest held later the verdict given was that the deceased died from the results of exposure and excessive drinking. It appears that about six o'clock a. m. Constable Thorne was called up by a Swede named Johnson, a friend of deceased who said his fellow countryman was lying on the tracks. He said, "He must have been dead because when I shook him and asked him to get up he wouldn't do what I told him." At the inquest over which Dr. Swift coroner, presided it turned out that the two Swedes had been to Sumas on a drinking bout. Constable Thorne found Kalberg lying face down wards and on searching him found he had but twenty five cents in his pockets. Deceased had worked in the district at different times. The

following constituted the jury: L. Hunter, foreman; James and David Moran, A. Everett, L. Lemeran and Andrew Anderson.

#### OFFICERS OF THE B. C. HORSE COMPANY

At the Sunday drill of the local company (C company) of the 31st regiment of B. C. Horse the following were announced as officers: Capt John son of Milner, lieutenants, S. A. Morley and D. C. McLagan; sergeants T. Hutton and George Kerr. It is not generally known how the Abbotsford company comes to be known as "C" Company. The explanation is that the B. C. Horse was formed before the war broke out and on the trouble in Europe arising the original "C" Company of the regiment enlisted en bloc for service abroad. What a fine record the Abbotsford boys have to emulate.

#### SALT-PARTON

The marriage took place at Seattle, Washington, at eleven o'clock on Tuesday last of Miss Lucille Gwendoline Parton, eldest daughter of Mr. and Mrs. J. E. Parton, of Abbotsford, and Mr. Arthur Cowper Salt, of the Canadian Customs, Abbotsford. The wedding trip was spent in and around Seattle and the coast. The newly married couple will reside in Abbotsford. Both the contracting parties are well known here and enjoy general popularity. Congratulations of a profuse kind are promised for them on their return home.

Mr. O. Kidwell, who joined the 47 battalion, was in Abbotsford from New Westminster at the week end. He looked quite smart in his uniform.

#### THE PASSING OF MRS. YATES IS DEEPLY REGRETTED

It is with deep regret we record the passing of Mrs. Yates, the beloved wife of Rev. C. F. Yates, vicar of St. Matthews church, Abbotsford, and who died at Calgary on Thursday April 22, after an illness of several months. Several weeks ago the deceased lady was taken to Calgary in the hope of recovering from a illness, and was accompanied by her husband, her daughter, Edith and Nurse Ryan. Mrs. Yates had been in Abbotsford for four years and was dearly loved by all who knew her. As a churchworker and minister's help her services were valuable; her kindly disposition and her anxious care for the betterment of the community were well known. The deceased lady leaves a husband, two daughters, Miss Edith Yates and Mrs. Bell, wife of the manager of the Imperial Bank at Calgary, and one son, Mr. A. R. Yates, of Gleichen, Alberta. The Rev. Mr. Yates is expected to arrive home this week end.

#### THREE TURBANNED TAPPERS THEMSELVES GET TAPPED

Three Hindus who had been imbibing too freely got into arguments which were given extra force by the use of fists. Constable Thorne interviewed the darkies and eventually introduced them to Magistrate Kerr who sent them on their weary way less two and a half dollars and costs apiece. The fighting ones hailed from Chilliwack.

An exceptionally interesting and able sermon on "The Good Samaritan" was preached by the Rev. Mr. Campbell at the I. O. O. F. service held in the hall here on Sunday, when some forty brothers were present. In the gathering were several Oddfellows from Mission and Sumas. Noble Grand Master F. J. Boulter and other prominent members of the fraternity were present at the service, which was greatly enjoyed.

#### FRIDAY IS MAY DAY

Only brilliantly fine weather is required to ensure the annual May Day demonstrations, the crowning of the May Queen ceremonies, and all attendant attractions a complete success on Friday next. Miss Annie McPhee is this year's Queen Elect, Miss Jessie Anderson being the dowager. They will head the grand procession from the schoolground. Sports, a concert and dance and numerous other attractions are arranged, a fine band from Mission City will play breezy tunes, and altogether a right royal time is promised all. The committee of which Mrs. Baylor is so energetic and able a secretary, would be glad if any ladies who propose bringing flowers would kindly leave them at the homes of Mrs. Irvine or Mrs. Taylor either the night before or the morning of the festivities. A large number of visitors is expected from outside points. These are reminded that a nine-piece orchestra will play for the dance. The proceeds will be handed over to the patriotic funds.

#### BOY SCOUTS HOLD ANNUAL MEETING

The Annual Meeting of the British Columbia Council of the Boy Scouts Association was held on Monday, April 9th, 1915, at the Provincial Parliament Building (by kind permission).

His Honor the Lieutenant Governor of British Columbia and President of the Council took the chair at 8:30 p. m.

There were also present the Lord Bishop of Columbia (representing the Anglican Church), Colonel W. H. Cunliffe (District Commissioner of Victoria), T. H. Bamforth (Acting District Commissioner of Vancouver), Messrs H. I. Muskett (A. D. C. to His Honour), Rev. W. Govier (Port Hammond), G. E. Timms (Vancouver), A. D. Muskett (Victoria), and Rev. and Hon. T. R. Heneage (Assistant Provincial Commissioner and Hon. Secretary).

A letter regretting his absence, and wishing the Association every success was read from Dr. F. F. Westbrook, President of the University of British Columbia.

The minutes of the last meeting were read and confirmed.

The Hon. Secretary read his annual report in which he showed that our progress though slow and steady was very sure. More officers and stronger and more active local executives were our greatest need.

The Report was moved, seconded and adopted and a hearty vote of thanks tendered to the Hon. Secretary.

The District Commissioners read their reports, which were adopted. Attention of the meeting was called to a very successful Patrol Leaders Conference at Vancouver.

The Financial statement was produced.

The report urged that steps be taken to largely increase the funds of the Association, which at present consist solely of the Government Grant. It pointed out that the organization of local associations throughout the province and the proper supervision and inspection of Troops cannot be continued without funds to meet the expenses incurred.

His Honour suggested that friends and well-wishers of the Association work should become Associate members, each paying an annual subscription. The Lord Bishop of Columbia endorsed His Honour's suggestion, and pointed out that the Association cannot always depend upon having the Honorary Services of Mr. Heneage, he therefore wished to see some provision now made, while there is yet time. He requested that His Honour's suggestion be put in the form of a motion when motions were called for.

S. M. Govier (Port Hammond) suggested a per capita subscription be received from the Scouts of the Pro-

vince. The Hon. Secretary pointed out that this was against the regulations, local Associations and Troops having their own local expenses to meet.

The financial statement was adopted.

The Hon. Secretary read the New Year's message from H. R. H. The Chief Scout of Canada. Also communications from the Canadian General Council, Ottawa.

Re His Royal Highness' desire for a roll of honor to be kept of all Scouts serving in the Canadian Expeditionary Forces.

Re June 30th being substituted for Sept. 30th as date of close of Scout Year.

Re stricter regulations regarding the application for and granting of awards.

Re Minimum age of S. M.'s lowered to 19; that of A. S. M. to 17.

Re the validity of Warrants.

The Hon. Secretary informed the meeting that 610 proficiency badges

Our Shibboleth—Neither for nor agin' the Government.

FRIDAY, APRIL 30th, 1915

The proper termination of this war is the execution of the Kaiser Wilhelm and the execution or life imprisonment of the Crown Prince and probably of a number of other members of the Imperial family and the Junker aristocracy. It may be difficult to bring about, but this should be the aim and object of all the Allies' operations. The soft-hearted humanitarianism which during the last few centuries has absolved personal rulers from responsibility for the crimes which they have committed in war is not based upon Christianity or justice. It is the result mainly of the extensive inter-marriage of the reigning families, which has given every royal personage a set of relatives and defenders in every country in Europe. This inter-marriage system, we may confidently believe, is now dead. The progress of democracy and the growth of national consciousness will henceforth make it impossible for a nation such as the British to view with equanimity the tying up of its monarchy with an entangling web of "alliances" which are powerless to prevent warfare and effective only to prevent justice being done upon those who made the war.

The constitution of Germany is such as to make the Kaiser, by divine right, personally responsible for his country's action in precipitating the most murderous war in history, and that responsibility can be purged only by blood. Nor is the mere declaring of war the limit of responsibility resting on the Kaiser. He, and he alone, is the person on whom rests the blame for the assassination of unarmed and helpless civilians by his soldiers on land and his submarines at sea. In the case of the submarines there are the cleverest and most direct orders from headquarters, which the officers on board could not disobey without treason to their sovereign lord. It is not the captains who must be hanged; it is one "higher up."—Beck's Weekly.

We should say that hanging was too good for the Kaiser—it would end his misery too soon. The Napoleon idea would be better. It worked nice once, and should work again.

A report elsewhere tells of the annual meeting of the Boy Scouts. We commend that report to the consideration of all our readers; and also the good training that is being given to British Columbia boys through that association.

The birth notice of another paper in British Columbia has been written, and the healthy young child is called "The Victorian" and has been adopted by Mr. F. E. Simpson, sometimes known among his intimate friends "Dad Simpson", who has been in the province for twenty years, and "during all that time never spoken or written a word that, to the best of our judgment, was not beneficial to the Province and the people." This is a good record and Bro. Simpson no doubt will carry on the good work of "always endeavoring to boost and not boom, to tell the truth and not misrepresent."

We welcome the editor back to the newspaper field again and trust that he will do for Victoria what he did for Cranbrook—make it better known, and more favorably known. Victoria needs a paper of the kind that the first issue of the Victorian indicates its policy to be. He says, "we are tied to no clique or clan", which would indicate that it will be independent and "A Paper for the People". May The Victorian prosper.

A politician who gets sore can never expect to win the confidence of the electors on election day. The electors want men not soreheads to represent them.

The one great anxiety outside of the war news and its results, in British Columbia, is when the elections are going to be held; or if they are going to be held at all this year.

Government road work throughout the district is progressing very favorably towards good roads in the province.

Be careful how you deliver your letters. According to the Postal Act a bill, circular, etc., when placed in an envelope ready to seal is a "Letter" within the meaning of the Act.

They say Joe Martin's paper cost him \$10,000 for one month. Short and sweet. An ad in any one of the Vancouver papers would have cost him considerably less, but Joe wanted the experience, and the opportunity.

They can say what they like but Dewdney appears to have had an up-to-date and clean voters' list. Only a few over 20 objections will come up at the coming court of revision.

Now there is organization going on with a view to a dominion election. The professional politician should be happy in British Columbia these days. Something doing every minute and an opportunity to get after the local and dominion representatives, and be listened to. What more could he desire except it be an election?

## THE FARMERS AND THE RED CROSS SOCIETY

Last week we published in this paper an appeal on behalf of the Red Cross Society, by Dr. James W. Robertson.

Dr. Robertson is still best known as Dr. Robertson. He began his office to the farmers of Canada as Professor of public service at the Ontario Agricultural College nearly thirty years ago. Twenty-five years ago

he went to Ottawa as Dairy Commissioner for the Dominion. The Dairying Service of the Department of Agriculture soon became known and trusted throughout Canada. From Prince Edwards Island to Alberta, farmers profited by the illustration Dairy Stations and the Travelling Instructors. The output of Cheese and Butter in Canada added to the reputation of its rural workers.

Other public services of contin-

ing and growing value were inaugurated, while Professor Robertson was Commissioner of Agriculture. Among them were the Live Stock Branch, the Cold Storage Service, the Seed Grain Competitions, Trial Shipments of Fruit to the United Kingdom and Extension of Markets. Besides these were the Manual Training Movement, the School Gardens, Household Science, and the Consolidated Rural Schools. In more recent years, Dr. Robertson was chairman of the Royal Commission on Industrial Training and Technical Education. Farmers in all provinces are familiar with the Survey of Farms by the Commission of Conservation and the Illustration Farms of its Committee on Lands, of which he is chairman.

In these and many other ways Dr. Robertson has given the farmers of Canada the best that was in him. He says he is their debtor for many opportunities, for much kindness and for warm appreciations. But they are his debtors too. And he now reminds them of that for the first time in order to establish his right and privilege to appeal to them for this worthy cause.

## POSTAL LAWS OF CANADA

Under the Post Office Act, Sections 65 and 66, the Postmaster General has the exclusive privilege of receiving, collecting, conveying and delivering letters within Canada.

Bills and accounts whether in open or sealed envelopes, as well as circulars or other printed matter enclosed in envelopes sealed or ready to be sealed, are "Letters" within the meaning of the Post Office Act.

There is a penalty under Section 136 of the Post Office Act which may amount to \$20.00 for each letter unlawfully carried.

It has been brought to the attention of the Post Office Department that some business firms desiring to avoid paying the War Tax which became effective on the 15th April, propose making arrangements for the delivery of accounts, bills, circulars, etc., through means other than the Post Office, contrary to the Postal Act, and a warning is hereby given that the Post Office Department intends to insist that the law shall be rigidly lived up to, and will in no circumstances allow these parties to avoid paying the one cent tax which has been imposed for war purposes.

All letters conveyed, received, collected, sent or delivered in contravention of the Post Office Act will be seized and necessary steps immediately taken for the prosecution of the offenders in all cases where the law has been contravened.

## Boy Scouts Held Their Annual Meeting

(Continued from Page One)  
for tests in the following subjects: Ambulance, Bee-Farmer, Bugler, Carpenter, Clerk, Cook, Cyclist, Dairyman, Electrician, Engineer, Fire men, Friend to Animals, Gardener, Handyman, Horseman, Interpreter, Leather Worker, Marksman, Master-at-Arms, Missioner, Musician, Naturalist, Pathfinder, Photographer, Pioneer, Poultry Farmer, Signaller, Stalker, Starman, Surveyor, Swimmer Woodman.

Re Cadet and Camp and Boy Scouts. A resolution was passed expressing the opinion of the meeting that Boy Scouts should not attend Cadet Camps as Boy Scouts; that this does not prevent Boy Scouts, who are also Cadets from attending Cadet Camps as Cadets.

Re funds for the Association. A resolution was passed that a sub-committee be struck by the chair with a view of forming an Association from which, by membership fees a revenue could be obtained to defray expenses of Grants to District camps travelling and other expenses incidental to the work of the movement. His Honour promised to see what he could do with a view to the forming of the proposed Association.

A motion that a paid Assistant Secretary be appointed, was laid on the table, the Association finances at the present not allowing for further liabilities.

The Hon. Secretary, by motion, was requested to have the Annual Report printed and circulated as usual.

His Honour requested that the proceedings of the meeting be published in the provincial papers.

A standing vote of thanks was

passed to His Honour for his presence and active interest.

Also a vote of thanks to the Auditor, Mr. Ross.  
The meeting then adjourned.
