AT THE MOTHER LODE AND NO 7.

MOTHER LODE.

Owing to the amount of snow and possible freezing weather, the work of putting in the foundations, for the big crusher, is being rushed.

The new crusher plant will be wanted by the time the second furnace is ready for work.

It was again necessary to shut down for a day because every bin was full of ore and no train to bring it down. The next day the C.P.R. men made a record by bringing down 15 cars of ore in one train.

No. 7.

On Monday morning work started on the shaft which is to be sunk 200 feet lower.

On the 120 foot level the ledge is improving very much in both width and values, being nearly five feet wide.

Its hoped that the melting snow will furnish plenty of water for the boiler.

The road is getting into bad shape for

hauling ore.

ABOUT TOWN.

On Wednesday of last week the first snow of winter fell, to the depth of 1/2 inch, and quickly disappeared.

On Saturday evening it began snowing and continued until about 14 o'clock on Sunday. It was an exceptionally heavy snow fall for this time of year. The snow was about 10 1/2 inches in depth.

Miss Preston is quite well again and has resumed teaching the school at Anaconda.

Mr. L.A. Smith of Anaconda was suddenly taken ill and goes to Spokane for treatment.

CULTUS HEHE.

If a native son and daughter of the Philippine Islands should eat their parents, what would they be?

Give it up.

Orphans, of course.

"I once knew a man who, on account of their color, called his mares Annie Laurie and Annie Rooney."

"How's that?"

"Both were chestnuts, you know."
