## VACATION TIME IS HERE.

The following words of advice  
WILL BE WELCOME.

Work is very bad,  
When play can be had,  
So all your tasks shirk  
And refuse to do work.

For his play it was long,  
And his work it was short,  
And he spent all his time  
At the summer resort.

For his work it was short,  
And his play it was long,  
And what he's attempted  
Was sure to go wrong.

At the Mother Lode a new glory hole  
is being opened on the ledge recently  
discovered. A tram is being put in, and  
active shipments will soon begin.

## ABOUT TOWN

Wild strawberries are now ripe and of finest flavor, and there are numerous pickers.

The second furnace at the Anaconda smelter is running smoothly.

The Boundary Falls smelter has also had good luck.

Remember that tomorrow is circus day. Greenwood should present a jolly appearance.

## CULTUS HEHE.

"Isn't it about as tedious as it is unprofitable fishing that way all day?" the angler was asked.

"Oh, no; I put in the time thinking."

"About what, pray?"

"About why the confounded things don't bite."

"Isn't it curious how onions bring tears to the eyes?"

"It surely is. It's like nature springing a leek."
