BLESSING THE BELL.

AT THE CATHOLIC CHURCH LAST SUNDAY.

Sunday last at the Catholic Church a large crowd gathered to see the ceremony of blessing and christening the first church bell in Greenwood.

His Grace the bishop presided assisted by the local priest.

After a short address the bell was unveiled, while the choir sang "Lead kindly light", then the bell was sprinkled with holy water and anointed with oil during which ceremony the sponsors to the number of 14 attended.

After this the bell was christened the Rosa, in honor of America's first saint.

Then the sponsors presented gifts and each rang the bell, while incense burned under the bell penetrating everywhere just as later the sweet sounds will.

THE ANACONDA NEWS

2

WEDNESDAY, OCTOBER 29, 1902.

2

On Thursday the editor took an all day trip on C. P. R. engine No. 312.

We were interested to see just how our hard working crew put in 16 hours of a working day.

At 9 o'clock we met the engine at the smelter grade, the crew having already come from Eholt and been to the Y to turn. First it was a trip to Mother Lode with 8 empties and a return with a train of loaded ore cars.

Then switching these at the smelter, until lunch time. After lunch we made a second trip to Mother Lode taking up empties, and back down with a load part of which was Sunset. This necessitated switching and a trip to Boundary Falls, then back with 14 empties to Greenwood. Next a third trip to Mother Lode, and back to the smelter. After switching this last load the crew retired to Eholt, where they arrived near midnight; their day's work done.

ABOUT TOWN

Mr. T. A. Garland is conducting an auction sale of lots in the western section of Anaconda.

The News appears one day late on account of much job work in the fore part of the week.
