

TODAY.

CHURCH FAIR AND GOOD TIME AT THE AUDITORIUM.

The church of England bazar which is coming off today at the Auditorium is full of promise of a good time for everybody.

Those that do not care for the cake walk, may amuse themselves in the shooting gallery or may carry off the championship at table tennis or surely they can manage to spend all their money in the candy and flower booth.

The lower sulphur quarry at the Mother Lode has recently come into ore very similar in character to the high grade ore found in the upper sulphur quarry: this indicates the existence of a large body of good ore in that part of the mine.

Mr. Underwood and Mr. Thomas of the B. C. Copper Co. arrived in the Boundary.
