BUILDING PERMITS.

8622—H. H. Welsh, bld. fr. garage, 101 10th Ave. W. $75.

8623—J. Boyd, bld. fr. garage, 3635 28th Ave. E. $75.

8624—F. O. Downing, bld. fr. stable, 1017 13th Ave. E. $500, Baynes & Horie contrs.

NORTH VANCOUVER.—Tenders will be received up to noon, July 3rd by Geo. Davidson, Secretary of School Board, Municipal Hall, Lynn Valley for resurfacing basement of North Star school and for drains for the Lynn Valley school grounds.

VANCOUVER—The tenders for the construction of the addition to the plant of the Dominion Products Co. at New Westminster were opened Monday. Archts. Gardiner & Mercer do not wish any announcement made as to the low bidders or the figures submitted until the contract is signed which will be today or tomorrow. Five tenders were submitted.

TRAIL—A congregational meeting of Knox Presbyterian church was held last week when it was decided to go ahead with the proposed new ediface. The building, according to the plans, is to be 36x57 feet in size and seat about 300 people. There will be a full basement for Sunday school purposes. A pastor's study, kitchen, furnace room and four or five class rooms are provided for, and the church is so planned that it can be enlarged in the future if need be. The cost is estimated at $7,500.

TRAIL—A special meeting was held last week to open the tenders for the waterworks and sewerage systems. The tenders were as follows for the waterworks:

Empress Con. Co., Vancouver $76,819, Hodgson & King, Vancouver $69,606, Grant & Co., Rossland $69,266, C. L. De Vall, Edmonton $60,798, J. A. Broley & Co., Fernie $44,990.

The sewerage contract tenders were as follows:

Hodgson & King $38,035, C. L. De Vall $28,165, J. A. Broley & Co., $24,650.

After opening the bids for the waterworks extension, in the presence of the contractors and of Engineer McCulloch, they were considered high and no action was taken. The four highest tenderers had their marked cheques returned to them at once.

It was decided to award the contract for the sewerage system to J. A. Broley & Co., the lowest bidder, at the tendered price of $24,650, and the firm is now busy getting ready to bring their equipment to Trail to start the work with the least possible delay.

Inasmuch as the Violin lake reservoir and conduit pipe line seemed to be the thing that worried most of the contractors, on the recommendation of Engineer McCulloch, it was also decided to ask for further waterworks tenders, the bids not to include the Violin lake end of the contract, which will be handled in another way.

The following tenders for material were accepted: Alberta Clay Products Co., Medicine Hat, for 12 and 15-inch sewer pipe; B. C. Pottery Co. for 4, 6, 8 and 14-inch sewer pipe; Trail Mercantile Co. for cement, subject to approval of the engineer.

BUSINESS NOTES.
and other items of interest to the business man.

TRAIL—The fire, water and light committee will investigate the cost of a city sprinkling cart.

VICTORIA—Efforts are being made to establish a jam preserving and canning plant in the Victoria district, Commissioner Armstrong states.

NORTH VANCOUVER—D. Campbell, Secretary-Board of School Trustees will receive tenders up to July 9th for the supply of coal and wood for the city schools.

SAANICH—The ratepayers of Saanich will be called upon to vote on the road improvement and fire protection by-laws at an early date, probably within two weeks.

TRAIL—The new waterworks twenty-year six per cent. debentures to the amount of $80,000 have been sold by Trail city to Sweet Causey, Foster & Co. of Denver, Colo., at 93½.

CALGARY.—Alberta Stockyards which handles great herds of cattle for Toronto and Coast cities each month, has decided to enlarge the handling capacity by 50 per cent. and to spend $100,000 on the project.

FERNIE—Arrangements are under consideration with a view to the installation in the Coal Creek mines of an electric light system, which it is believed would do much to reduce the dangers of explosions.

VICTORIA—The Pacific Dredging Co., sub-contractors for the filling in of the area contained within the concrete walls of the Ogden Point piers, have abandoned the contract on the ground that they have been losing money owing to the unsuitability of the material which they have been handling under the terms of the contract.

PORT MOODY—Work has started on the construction of the dam in Cypress lake at the outfall of Noon creek. The dam will be from 10 to 12 feet deep, and when completed, it is computed, will hold from 40 to 50 million cubic feet of water. The situation lies 2700 feet above sea level. The approximated cost is about $1300 and the work will be executed by the city council employees.

VICTORIA—An important addition to the ever-increasing number of shipbuilding plants located at Victoria is looked for in the near future. It is understood that Grant Smith & Co., one of the biggest engineering and contracting firms on the continent has under consideration the establishment of a shipyard at this port, but up to the present time the plans of the company have not materialized beyond preliminary investigations.

VANCOUVER—The B. C. representatives of the Imperial Munitions Board, Capt. Troup and R. P. Butchart, have received more detailed plans for the main engines of the 25 ships contracted for by the board in B. C. yards. General specifications for the engines accompanied the plans and as tenders for the engines were asked for the members of the B. C. Metal Trades Asso. are now busy figuring costs. It is stated that contracts for from 12 to 15 sets of engines in addition to auxiliary machinery, will be let in this province.

C. M. DAVID.....MANAGING EDITOR

VICTORIA—The City Council will be asked to authorize the purchase of some secondary coils for the use of the lighting department.

KAMLOOPS.—Dr. M. J. Vigneux, who has just visited the Great Northern lumber camps at Clearwater, Hall's siding and Porto Rico, says that on all sides he heard expressions of opinion to the effect that the building of the Ymir road had become a vital necessity.

VICTORIA—The Minister of Lands is calling for tenders for the following timber licenses: X958, under which may be cut 2,081,000 feet of spruce, balsam and cedar on an area on Dome Creek, Cariboo District; X302, under which may be cut 892,000 feet of fir, cedar and hemlock on the west shore of Calm Channel, Sayward district; X969, under which may be cut 964,000 feet of balsam, hemlock, cedar and spruce, on an area on Union Passage.

PROVINCIAL ESTIMATES ARE TABLED IN THE HOUSE

VICTORIA.—A revenue of just under $6,000,000 and an expenditure of $11,000,000 for the year commencing April 1 next is predicted in the provincial estimates which were tabled in the House by Hon. Lorne Campbell, Minister of Finance on Monday. The revenue shows a falling off of about $1,000,000 for the anticipated revenue for this year, while the expenditures show a slight increase. The exact estimated revenue is $5,044,015, as compared with $7,134,616 for the present year, a difference of $1,095,000. The estimated disbursements are $11,301,374, as compared with $11,163,056 for the previous year, an increase of $138,000. The increase is more than accounted for by the increased fixed charges, which are over $300,000.

Summary of Expenditure

The summary of estimated expenditure indicates that in four of the 14 Government services there will probably be an increased expenditure over last year. In the rest a reduction is predicted.

The following are the totals:

	1915-16.	1916-17.
Public debt	$1,152,376	$1,422,254
Civic government (salaries)	1,709,566	1,687,736
Administration of justice (salaries)	68,000	67,428
Legislation	89,820	167,620
Public institutions (maintenance)	467,426	472,575
Hospitals and charities	274,100	526,800
Administration of justice	378,000	308,670
Education	1,594,600	1,524,500
Transport	83,000	43,000
Revenue services	50,000	25,000
Public works	3,067,315	3,023,010
Miscellaneous	2,123,752	2,032,000

In this year's report of the estimates the service "miscellaneous" is divided into three distinct services. "Lands," upon which $565,000 is to be spent this year, and "agriculture," upon which $176,500 will probably be expended, are each given a service to themselves, thus greatly reducing the "miscellaneous" total.

Present conditions have also necessitated more and larger hospitals, the result being an unusually large increase for hospitals and charities. Last year $16,000 was voted in the way of assistance in the construction of hospitals. This year about $150,000 will probably be granted for that purpose. Grants to refuge homes, aid societies, etc., is increased from $19,000 to $80,000.

University of B. C.

Among the appropriations in this year's estimates is a conditional one of $200,000 for the University of British Columbia. Last year's estimate was $175,000. Included in the works and buildings to be constructed by the Public Works Department are the following: Okalla prison farm, $15,000; improvement of government reserve, Burnaby, $10,000; mental hospital and colony farm, Essondale, $35,000; provincial government buildings, London (completion and maintenance), $175,000; maintenance, $8,000. The appropriations provincial normal school, Vancouver, for roads, streets, bridges and wharves in each constituency are the same as last year. Chilliwack gets $33,300; Delta, $22,500; Dewdney, $63,500, and Richmond $40,000. Eighty thousand is revoted for Kingsway through the Municipality of Burnaby. Point Grey gets $10,000 for roads, and Nicomen Island the same amount for dyking. $13,500 is a subsidy for the Ladner-Woodward ferry.

The vote of $100,000 on last year's estimates for the Second Narrows bridge is left off. For bridges generally $450,000 is set down, while for the bridge over the Fraser River at Prince George there will be an appropriation of $150,000.

An item in the Land Department appropriations is that for $20,000 for "timber testing and investigation of wood products." An indication that the government intends to continue seeking overseas markets for the B. C. lumber trade is that another $50,000 is appropriated for salaries, travelling expenses, and purchase of material.

Other Appropriations.

Among the other appropriations are the following:

Grant to B. C. regiments $5,000, grant to patriotic fund $6,000, grant to boy scouts $1,000, grant to Victorian Order of Nurses $500, grant to returned soldiers' aiid commissions, $16,000; Royal Commissions $15,000 (last year $50,000), cougar bounty $35,000. Contribution to Vancouver toward purchase of certain lanes in Ward VIII., $5,000. Fraser River Bridge, New Westminster, maintenance and repairs, $20,200. Songhees Reserve improvements, $240,000.

VANCOUVER & VICTORIA

YOU WANT MORE BUSINESS

We can help you to increase your business by telling all of our readers every other day:

WHO you are
WHERE you are
WHAT you have to offer
and WHY they should do business with you.

Such a service will pay you big because through us you reach every owner who is building, every architect, every contractor--everybody interested in building.

We will help you to fix up your announcement without charge. LET US BOOST FOR YOU.

THE MEDIUM.

Did you ever notice that 95 per cent. of the big successful firms are firms who advertise? They figure advertising as an investment not an expense. The secret of advertising is the selection of a medium which reaches those people who are or will be the most likely "purchasers o' your product." If you are in the building supply or machinery line don't select a moving picture publication in which to do your advertising. Because of the fact that the RECORD is the only paper published in the province devoted exclusively to the contracting business it is read by practically every one you would like to sell your products to. Your ad. where they will see it will put a capital C on your cash.

Automobile Records

FROM APRIL 25 TO MAY 14

Following is a complete list of new Automobile Licenses, Transfers and Relinquishments Recorded for Vancouver and District.

Where street address is given and name of town omitted the address is Vancouver.

All cars for hire are ndcated thus: (*)

Dredging for Causeway	$16,962	Vancouver	City	Owner	Owner
Alter Theatre Building	$5,000	851 Granville St.	W. P. Nicolls		

PORT MOODY—The city council may drop the steel works by-law in the next few days if some bona-fide representative of the financiers does not put in an appearance. The council does not feel justified in submitting the by-law to the ratepayers when much necessary information is lacking.

VICTORIA—No action has as yet been taken with regard to Oak Bay Avenue, the interview with the delegation having been postponed for a week. However, a report has been prepared based on the data gathered last year for re-surfacing the avenue, which was estimated to cost about $30,000, including the necessary grading.

PRINCE RUPERT—A telegram from Ottawa says that the Union Iron Works at San Francisco has been in communication with Messrs. E. J. Chamberlin and A. W. Smithers of the Grand Trunk Pacific. Negotiations are now in progress for a two-year lease of the Prince Rupert drydock and shipbuilding plant for the construction of twenty-five steel freighters of 12,000 tons each.

NEW WESTMINSTER—A. N. P. R. engineer of way is in the city to meet Mayor Gray and Ald. Mathers, chairman of the harbor committee, in relation to the question of removing the market building. Should the company be willing to wait long enough, it is presumed that in accordance with the plebiscite taken last year, the council will proceed to build a new market on the site at the foot of Tenth St., but it is likely that the railway people will want the old building removed at once.

TIMBER SALE X 975.

Sealed tenders will be received by the Minister of Lands not later than noon on the 9th day of July, 1917, for the purchase of Licence X 975 to cut 1,445,000 feet of Cedar and Fir on an area situated on two separate areas adjoining Timber Sale X 616, Hotham Sound, New Westminster District.

Two (2) years will be allowed for removal of timber.

Further particulars of the chief forester, Victoria, B. C., or district forester, Vancouver, B. C.

PROPOSALS WANTED

MISCELLANEOUS PROPOSALS

VICTORIA—Tenders are invited, to be in by July 3, for the repair of the Made-in-Victoria building at Willows park, which has been in a state of collapse since the great storm of February last year.

VICTORIA—Tenders will be received by Geo. Phillips, Naval Store Officer, H.M.C. Dockyard, Esquimalt, until noon, June 30, for the purchase of two motorboats about 30 feet long with cabin or shelter. Boats must be suitable for harbor service and capable of proceeding to Esquimalt under their own power.

VANCOUVER—Sealed tenders will be received by C. C. Worsfold, acting supt. of dredges, dept. of public works, until 4 p.m. on Thursday, the 5th of July, for repairs and general overhaul of the Department Dredge "Mastodon," No. 306. Specifications can be seen at the office of A. F. Mitchell, Esq. Acting District Engineer, Victoria, B.C., and at the office of C. C. Worsfold, Esq., District Engineer, New Westminster, B. C., and at 614-18 Birks Building, Vancouver.

SYNOPSIS OF COAL MINING REGULATIONS.

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories and a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 per acre. No more than 2,560 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall permitted to purchase whatever available surface rights may be considered necessary for the working of the mine furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined, and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be at the rate of $10 per acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.
