BUILDING NEWS

And Construction Work not otherwise Classified.

BUILDING PERMITS.

$482—1 story fr. bldg., 2153 8th Ave. West, Thos. A. Lamb owner, $75.00.

$483—Add. to bldg., 2205 7th Ave. West, Jas. Riley owner, $100.

$484—Add. to bldg., 1246 Barclay St., Mrs. Smith owner, $75.00.

$485—Frame add., 1062 12th Ave. East, W. G. Gowlin owner, $250.

NEW DENVER—New Denver residents want the Provincial Government to erect a new school building in that Slocan Lake town.

CRESTON—Creston may get a jam plant. Wagstaffs Limited of Hamilton are figuring on putting in a canning factory.

VICTORIA—A building permit has been issued to Mrs. William Bryce, for a frame garage to be built at the corner of Fort Street and Elford Street.

CLINTON—A flour mill is to be established at Big Bar Creek, in Clinton district. A part of the plant has already been forwarded to the former place.

VANCOUVER—The City Council has decided to further delay the matter of enlarging the city treasurer's vault. The proposed vault would cost about $300.

VANCOUVER—The contract for the bulkhead at New Westminster for the Canadian Northern Pacific Ry. Co., has been awarded to the Fraser River Pile Driving Co. of New Westminster.

VANCOUVER—Tenders for the construction of the National Machinery Co's building on Industrial Island, False Creek, have been opened by architects Gardiner & Mercer, but a contract will not be awarded until the latter part of the week.

VANCOUVER—Kelly Douglas & Co., Ltd., are figuring on two additional stories for the portion of their building on Cordova St. now occupied by Gault Bros. Several contractors have been asked to figure on the work and it is likely a decision will be made as soon as figures are gone over.

CUMBERLAND—Besides building 120 new coke ovens to supply the general demand and 30 especially supplying the Ladysmith smelter, the Canadian Collieries has taken preliminary steps towards the erection at Union Bay of 50 of the most modern by-product coke ovens. These will be the first ovens of their kind in this part of the country. Instead of allowing all the gases and distillates to escape to the open air, these ovens will collect them. The company has already secured a market for these by-products and expects to supply the whole of the Pacific Coast markets with ammonia and the bases for dyes.

While the company is unable to commit itself, it is believed that the by-product ovens and the opening of more mines are preliminary to the ultimate establishment of an iron and steel plant to utilize the extensive deposits or iron ore on the coast, particularly on Texada and Graham Islands and especially the large body of high grade ore that has been prospected on the company's own property.

BUSINESS NOTES.

and other items of interest to the business man.

NORTH VANCOUVER—In order to keep their finances in sound condition there is strong probability of the district of North Vancouver holding a tax sale this year of the property against which there are arrears of taxes owing for the years 1914-15.

VANCOUVER—The trade and commerce committee of the Vancouver Board of Trade will meet on Wednesday to deal with the Gulf Island service, which, it has been announced, is to be discontinued owing to the subsidy being insufficient to enable the service to be conducted with success.

VANCOUVER—If the negotiations with respect to persuading Andrew Carnegie to donate to this city a branch library or two are successful, the city council will favorably consider the giving of a site, the old No. 3 fire hall property on Broadway, Mount Pleasant, it was decided Monday evening.

HAZELTON—Settlers on the Skeena across the river from Hazelton are handicapped by the lack of a bridge and have begun an agitation for one to replace the ferry which is at present the only means of reaching the town or railway. The Hazelton Board of Trade has passed a resolution to consider the request for a bridge.

VICTORIA—Mr. H. C. A. Cornish, surveyor, who has spent the last four months at Quatsino, is authority for the statement that good progress is being made on the project to establish a paper mill at the north end of the Island port. He states that the company purposes to drive a tunnel some three miles long to get water power from a lake. There would be a fall of some 300 to 400 feet, which would give all the power required. The expenditure by the company would run into some millions of dollars. There is much mining and settlement activity at Quatsino, and to take care of the business, the C. P. R. has arranged to put on an improved service by steamer.

VICTORIA—City Engineer Rust and City Solicitor Hannington do not like the proposal made to the City Council by the Lemon, Gonnason Co., the Taylor Mill Co., and the Victoria Gas Co., for the temporary rebuilding of the centre span of the Rock Bay bridge and opening it to traffic.

The city engineer estimated the approximate cost of making the proposed repairs with a seventy-foot span and fifteen feet clearance above high water at $9,000, this estimate being based on the tenders of last October. A greater clearance would involve additional expense. A fifty-foot span with a fifteen-foot clearance would cost $7,600.

It was pointed out by some of the aldermen that even with the new span, the bridge would not be safe for heavy traffic, as the old part is weak. It was said that under such circumstances it would not be worth while bothering with the bridge unless it were reconstructed from end to end, as the city would be held liable for any damages due to a collapse. The city engineer was instructed to bring in an estimate for reconstructing the whole bridge to make it fit for the heaviest traffic from end to end. This will be considered this week.

SAANICH—A special meeting of the Saanich Council will be held this week, in connection with the Works Committee, at which a resolution will be passed, to acquire $25,000 of paving bonds to be applied to sinking fund purposes.

VICTORIA—The sewage from the Gorge and Burnside Road districts that is now discharged into the Cecilia Street low level tanks is soon to go into the main sewer, the members of the streets committee of the Council decided yesterday. The connection will be made at a cost of $2,500.

VANCOUVER—New postoffices have been opened during the month at Boston Bar, served from North Bend three times per week, and Canford Mill, served daily from Spences Bridge. Pemberton Portage on the P. G. E. Railway has been changed to Owl Lake. Dragon Lake Postoffice on the Cariboo Trail has been closed. Port Gillam is the name of a new office to be opened on Vancouver Island. On April 1 summer offices at Kimsquit and Schooner Passage will be reopened.

PROVINCIAL ESTIMATES ARE TABLED IN THE HOUSE

VICTORIA—A revenue of just under $6,000,000 and an expenditure of $11,000,000 for the year commencing April 1 next is predicted in the provincial estimates which were tabled in the House by Hon. Lorne Campbell, Minister of Finance, on Monday. The revenue shows a falling off of about $1,000,000 for the anticipated revenue for this year, while the expenditures show a slight increase.

The exact estimated revenue is $5,944,016, as compared with $7,134,615 for the present year, a difference of $1,095,000. The estimated disbursements are $11,301,374, as compared with $11,163,056 for the previous year, an increase of $138,000. The increase is more than accounted for by the increased fixed charges, which are over $300,000.

Summary of Expenditure

The summary of estimated expenditure indicates that in four of the 14 Government services there will probably be an increased expenditure over last year. In the rest a reduction is predicted.

The following are the totals:

	1915-16.	1916-17.
Public debt	$1,152,376	$1,422,264
Civic government (salaries)	1,709,566	1,637,736
Administration of justice (salaries)	68,000	67,428
Legislation	89,820	167,620
Public institutions (maintenance)	467,426	472,575
Hospitals and charities	374,100	525,800
Administration of justice	378,000	308,670
Education	1,594,600	1,524,500
Transport	83,000	43,000
Revenue services	50,000	25,000
Public works	3,067,315	3,023,010
Miscellaneous	2,128,752	2,032,030

In this year's report of the estimates the service "miscellaneous" is divided into three distinct services, "Lands," upon which $565,000 is to be spent this year, and "agriculture," upon which $176,500 will probably be expended, are each given a service to themselves, thus greatly reducing the "miscellaneous" total.

Present conditions have also necessitated more and larger hospitals, the result being an unusually large increase for hospitals and charities. Last year $16,000 was voted in the way of assistance in the construction of hospitals. This year about $150,000 will probably be granted for that purpose. Grants to refuge homes, aid societies, etc, is increased from $19,000 to $80,000.

University of B. C.

Among the appropriations in this year's estimates is a conditional one of $200,000 for the University of British Columbia. Last year's estimate was $175,000. Included in the works and buildings to be constructed by the Public Works Department are the following: Okalla prison farm, $15,000; improvement of government reserve, Burnaby, $10,000; mental hospital and colony farm, Essondale, $35,000; provincial government buildings, London (completion and maintenance), $175,000; maintenance, $8,000. The appropriations provincial normal school, Vancouver, for roads, streets, bridges and wharves in each constituency are the same as last year. Chilliwack gets $33,300; Delta, $22,500; Dewdney $68,500, and Richmond $10,000. Eighty thousand is revoted for Kingsway through the Municipality of Burnaby. Point Grey gets $10,000 for roads, and Nicomen Island the same amount for dyking; $13,500 is a subsidy for the Ladner-Woodward ferry.

The vote of $400,000 on last year's estimates for the Second Narrows bridge is left off. For bridges generally $450,000 is set down, while for the bridge over the Fraser River at Prince George there will be an appropriation of $150,000.

An item in the Land Department appropriations is that for $20,000 for "timber testing and investigation of wood products." An indication that the government intends to continue seeking overseas markets for the B. C. lumber trade is that another $50,000 is appropriated for salaries, travelling expenses, and purchase of material.

Other Appropriations.

Among the other appropriations are the following:

Grant to B. C. regiments $5,000, grant to patriotic fund $6,000, grant to boy scouts $1,000, grant to Victorian Order of Nurses $500, grant to returned soldiers' aid commissions, $15,000; Royal Commissions $15,000 (last year $60,000), cougar bounty $35,000. Contribution to Vancouver toward purchase of certain lanes in Ward VIII., $5,000. Fraser River Bridge, New Westminster, maintenance and repairs, $20,200. Song-[illegible] improvements $240,000

ROBINSON CONTRACTING CO., Limited
K. S. Robinson, Contracting Engineer
Winch Bldg. 'Phone Seymour 6888
Specializing in Foundation Test and Core Drilling

CONGOLEUM
Floor Coverings
If you have Congoleum on your floors, you can run a mop over them and they will be cleaner than any swept floor. Congoleum is waterproof right through—water cannot injure it. Compared with printed linoleum, Congoleum is more durable, more attractive, more waterproof, yet the price is less. Congoleum requires no fastening—any one can lay it—it won't curl up.
Congoleum Rug Borders, laid next to a rug or carpet, give the actual appearance of polished oak.

YOU WANT MORE BUSINESS

We can help you to increase your business by telling all of our readers every other day:

WHO you are
WHERE you are
WHAT you have to offer
and WHY they should do business with you.

Such a service will pay you big because through us you reach every owner who is building, every architect, every contractor--everybody interested in building.

We will help you to fix up your announcement without charge. LET US BOOST FOR YOU.

THE MEDIUM.

Did you ever notice that 95 per cent. of the big successful firms are firms who advertise? They figure advertising as an investment not an expense. The secret of advertising is the selection of a medium which reaches those people who are or will be the most likely "purchasers of your product." If you are in the building supply or machinery line don't select a moving picture publication in which to do your advertising. Because of the fact that the RECORD is the only paper published in the province devoted exclusively to the contracting business it is read by practically every one you would like to sell your products to. Your ad. where they will see it will put a capital "I" on your cash.

Automobile Records

FROM FEBRUARY 19 TO MARCH 14

Following is a complete list of new Automobile Licenses, Transfers and Relinquishments Recorded for Vancouver and District.

Where street address is given and name of town omitted the address is Vancouver.

All cars for hire are adcated thus: (*)

NEW CARS.

Dredging for Causeway	$16,962	Vancouver	City	City	Dominion Construction Co.
Alter Theatre Building	$5,000	851 Granville St.	W. P. Nicolls	Owner	Owner

VANCOUVER—Mr. John Eadie has been appointed general manager of the Wallace shipyards at North Vancouver.

VANCOUVER—The legal and legislative committee of the Board of Trade at a meeting Monday afternoon appointed a committee, consisting of the chairman, Mr. R. Kerr Houlgate, and Messrs. P. G. Shallcross, G. L. Smelly, J. K. McRae, W. Dalton and W. A. Blair, secretary of the board, to interview Attorney-General Macdonald with reference to the proposed amendments to the city charter by the city council. The deputation will ask for several amendments to those amendments proposed by the council, and will visit Victoria as soon as an appointment can be arranged by Mr. Blair.

VICTORIA—The mining legislation of the new Minister of Mines, as introduced last week, covers one of the important phases of aid to the industry which have occupied considerable attention in mining journals since the revival of interest in the industry. He seeks to devise means by which the mineral prospect may be assured of becoming a mine, by aiding in drilling and boring on claims. While terms under which the Crown will protect itself against failure may seem rather rigid, they really are not when the chances of loss are considered. Similar plans have worked out well in other parts of the Empire. While doubtless the subject matter of the bill will be very fully discussed by the members who are interested in mining, none have more practical experience than the Minister himself, so the general principle is likely to be fully accepted.

TENDERS WANTED.

Tenders will be received by the undersigned up to noon on Thursday, fifth day of April, 1917, for the purchase of 40,000 feet of Spruce logs (more or less), and now lying at the head of Seymour Inlet, Coast District, Range 1. The above timber is subject to an upset price of $160.00, together with royalty charges, costs of seizure, and advertising.

Further particulars can be obtained from the District Forester's office at Vancouver, B. C.

Dated this 20th day of March, 1917.

G. D. McKAY,
District Forester.

Court House, Vancouver, B. C.

PROPOSALS WANTED
DEPARTMENT OF MARINE.

Tenders addressed to the Agent of the above Department, endorsed on the envelope, "Tenders for Lighthouse and Steamer Supplies for 1917-18," will be received up to noon, March 28, 1917.

Tender forms and lists of supplies can be obtained from the agent, Wharf Street, Victoria, B. C., and all tenders must be made upon forms supplied by the Department.

The lowest or any tender not necessarily accepted.

G. E. L. ROBERTSON, Agent.

PROPOSALS WANTED

MISCELLANEOUS PROPOSALS

LADYSMITH—The Ladysmith City Clerk has been instructed to call for tenders for motor cars, with and without bodies.

VANCOUVER—S. E. Junkins & Co., C. P. R. depot, are now receiving tenders for a supply of 750,000 feet of lumber to be used in their C. P. R. Pier A contract. Tenders will also be received shortly for a supply of corrugated iron and for bolts, spikes, plates, etc.

VICTORIA—The Minister of Public Works is calling for tenders for a large one-room schoolhouse to be erected at Bull River Bridge, in the Cranbrook electoral district, tenders to be in by April 13. The Minister of Lands invites tenders for the purchase of timber licence x810, under which there may be cut 320 cords of fir and hemlock on an area adjoining x788, Point Grey, and for timber licence x853, under which may be cut 663,600 feet of pine, fir and larch on an area adjoining Lot 3542, Okanagan Lake.

NABOB COFFEE

—is strictly high-grade—a combination of Mocha and Java.

From the plantation to the cup, all the processes through which "Nabob" passes are strictly sanitary.

The blending—the roasting—the grinding—follow an exact scientific formula which ensures absolute Coffee perfection.

And it also ensures absolute uniformity—an exceedingly important point—day in and day out.

A user of "Nabob" knows this—those who are not drinking "Nabob" are surely missing one of the Joys of the culinary art.

ASK FOR IT AT YOUR GROCERS.

CHALMERS MOTOR CO. OF CANADA LTD. Walkerville, Ontario
Quality First

THE NEW WAY TO SPELL ECONOMY--
C-H-A-L-M-E-R-S

We refer now to the 1917 3400 r.p.m. Chalmers. Here's a car that has been run more than 1,000,000 miles in the hands of owners, yet attained a service record of 99.21% perfect.

That is the mark of a great car. And though it costs, possibly, a little more than you ever paid for a car before—remember that extra little sum gets you from the zone of a *fair* car to the zone of a *great* car.
