BUILDING PERMITS.

8555—Dr. W. F. Carter, bld. fr. garage, 2135 8th Ave. W. $100.

VICTORIA—The school and surrounding buildings of the Ahousat Presbyterian Indian Mission, near Tofino on the West Coast, have been destroyed by fire.

VANCOUVER—Plans for the British Columbia Telephone Co.'s building on Seymour St. were not ready for figuring yesterday. It is just possible that they will be given out today or tomorrow.

VANCOUVER—The Sewerage Board announces that rapid progress is being made on the construction of the Stanley Park trunk sewer and that H. P. Peterson, the contractor, will be finished with the job by July 1.

LADNER—A new reservoir is to be installed at the Delta waterworks which lies some 10 miles to the east of Ladner. The plan has been talked of for some time and the engineers inspected the site Wednesday.

NEW WESTMINSTER—Plans have been approved by the city council of a frame warehouse, 48x106, to be built by the Broder Canning Co., on the old site of the Pacific Chocolate Co., the lease of which has been transferred to the cannery.

VANCOUVER—It is expected that work will be started in the near future by Snider Bros. & Brethour, Ltd., on the construction of ice sheds at Revelstoke and Okanagan Landing for the Canadian Pacific Ry. Co. It is stated that the buildings will cost between $30,000 and $40,000.

NEW WESTMINSTER — The announcement that a contract for approximately a million dollars' worth of wooden ships to be built at New Westminster, has been awarded, is contained in a telegram received from the local federal member, Mr. J. D. Taylor. He added that the contractors have ordered their plant and are proceeding to the Coast to begin work.

VICTORIA—Representatives of the councils of Saanich and Victoria met this week at the City Hall to make preliminary plans for the improvement and sanitation of the public beaches just north of the city and in Saanich. Each council recently agreed to appropriate $2,000 for this work. It is proposed that proper buildings be erected at Cordova and Cadboro Bays. Representatives of the two councils are to visit the beaches at once and pick out the best locations for these buildings.

PRINCE RUPERT—W. T. Muse, a pioneer contractor of Prince Rupert, is about to start driving piles on the shore of the Tsimpsean Peninsula, across the harbor, at a point about opposite the Grand Trunk Pacific wharf, for the construction of a marine ways. It is proposed to establish a plant that will especially cater to the fishing industry, such as scraping, cleaning and repairing fishing boats. The building of small craft will also be undertaken, and the promoters will be prepared to construct vessels up to about 150 feet in length.

BUSINESS NOTES.
and other items of interest to the business man.

PRINCE RUPERT—The lighthouse on Birnie Island, in Port Simpson Harbor, was burned this week.

NEW WESTMINSTER—The proposition for macadamizing a roadway on the west side of Twelfth St., between the B. C. Electric Railway car shops and Fifth Ave., was again discussed by the City Council in committee yesterday afternoon, and again laid over.

VANCOUVER—Mr. H. M. Forbes, who has been attached to the head office staff of the Toronto General Trusts Corporation in Toronto for a number of years, has arrived in the city to take over the local management as successor to the late Mr. Frank M. Pratt.

VICTORIA—Accepting a hint from the Government at Victoria, the Board of Trade of this city and the harbor and navigation committee of the Vancover board will not send any delegation to interview the Provincial executive regarding the aid to shipping, which act, passed by the late government, is to be abrogated, it is stated.

NORTH VANCOUVER—The municipality has several good industrial sites which it can recommend to intending manufacturers and yesterday decided to notify the Vancouver Board of Trade and Mr. Reginald Davison, industrial commissioner, that it will be happy to furnish particulars and details to anyone interested.

VICTORIA—Mayor Todd, Aldermen Walker and Dinsdale, City Solicitor Hannington and City Engineer Rust yesterday discussed with Rock Bay property owners the proposed bill before the Legislature to allow the city to enter into an agreement with the owners of waterfrontage in the district to build a temporary bridge, with the privilege of removing it in five years and erecting a permanent bridge. The representatives of the property owners yesterday included: Messrs. Charles Wilson, J. W. Wilson, Andrew Gray and John F. Dickson. City Solicitor Hannington and Mr. Charles Wilson were chosen to draft some changes to the bill and submit them to the City Council next Monday night.

VICTORIA — Announcement of the plans of the Seaboard Wellington Coal Company has just been made by the president and general manager, G. D. Schofield, of Nome, Alaska. This company is the organization formed to develop a valuable seam of coal at Nanoose Bay. It is to commence actual operations by September next, and intends to spend a quarter of a million in development work.

The colliery is to be located right at tidewater, assuring adequate facilities for shipping. The new owners acquired the title from the Universal Investments Co. of Vancouver, and control 1720 acres of land. The company will mine up to 500 tons a day when the preliminary details have been settled.

The officers of the company, in addition to Mr. Schofield include R. K. Dykes, of the L. C. Smith Bldg., Seattle, vice-president; treasurer, Louis Williams of the South End Development Co., Seattle, and secretary, John A. Coleman, of Seattle. The head offices will be in Seattle.

VANCOUVER — Advices from the coal dealers would seem to foreshadow some increase in the price of coal at an early date, the advance being necessitated by the increase in the cost of production.

Sealed tenders will be received by the Minister of Lands not later than noon on the 21st day of May, 1917, for the purchase of Licence X 652, to cut 4,342,000 feet of Fir, Cedar, Hemlock and Balsam, on an area adjoining Lot 975, Snout Point, Toba Inlet, Range 1, Coast District.

Two (2) years will be allowed for removal of timber.

Further particulars of the Chief Forester, Victoria, B. C., or District Forester, Vancouver, B. C.

PROVINCIAL ESTIMATES ARE TABLED IN THE HOUSE

VICTORIA — A revenue of just under $6,000,000 and an expenditure of $11,000,000 for the year commencing April 1 next is predicted in the provincial estimates which were tabled in the House by Hon. Lorne Campbell, Minister of Finance, on Monday. The revenue shows a falling off of about $1,000,000 for the anticipated revenue for this year, while the expenditures show a slight increase. The exact estimated revenue is $5,944,015, as compared with $7,134,615 for the present year, a difference of $1,096,000. The estimated disbursements are $11,301,374, as compared with $11,163,056 for the previous year, an increase of $138,000. The increase is more than accounted for by the increased fixed charges, which are over $300,000.

Summary of Expenditure

The summary of estimated expenditure indicates that in four of the 14 Government services there will probably be an increased expenditure over last year. In the rest a reduction is predicted.

The following are the totals:

	1915-16.	1916-17
Public debt	$1,152,376	$1,422,254
Civic government (salaries)	1,709,566	1,687,736
Administration of justice (salaries)	68,000	67,428
Legislation	89,820	167,620
Public institutions (maintenance)	467,426	472,575
Hospitals and charities	374,100	525,800
Administration of justice	378,000	308,670
Education	1,594,600	1,524,500
Transport	83,000	43,000
Revenue services	50,000	25,000
Public works	3,067,315	3,023,010
Miscellaneous	2,128,752	2,032,000

In this year's report of the estimates the service "miscellaneous" is divided into three distinct services, "Lands," upon which $565,000 is to be spent this year, and "Agriculture," upon which $176,500 will probably be expended, are each given a service to themselves, thus greatly reducing the "miscellaneous" total.

Present conditions have also necessitated more and larger hospitals, the result being an unusually large increase for hospitals and charities. Last year $16,000 was voted in the way of assistance in the construction of hospitals. This year about $150,000 will probably be granted for that purpose. Grants to refuge homes, aid societies, etc., is increased from $19,000 to $80,000.

University of B. C.

Among the appropriations in this year's estimates is a conditional one of $200,000 for the University of British Columbia. Last year's estimate was $175,000. Included in the works and buildings to be constructed by the Public Works Department are the following: Okalla prison farm, $15,000; improvement of government reserve, Burnaby, $10,000; mental hospital and colony farm, Essondale, $35,000; provincial government buildings, London (completion and maintenance), $175,000; maintenance, $8,000. The appropriations provincial normal school, Vancouver, for roads, streets, bridges and wharves in each constituency are the same as last year. Chilliwack gets $33,300; Delta, $22,500; Dewdney, $63,500, and Richmond $40,000. Eighty thousand is revoted for Kingsway through the Municipality of Burnaby. Point Grey gets $10,000, for roads, and Nicomen Island the same amount for dyking; $13,500 is a subsidy for the Ladner-Woodward ferry. The vote of $400,000 on last year's estimates for the Second Narrows bridge is left off. For bridges generally $450,000 is set down, while for the bridge over the Fraser River at Prince George there will be an appropriation of $150,000.

An item in the Land Department appropriations is that for $20,000 for "timber testing and investigation of wood products." An indication that the government intends to continue seeking overseas markets for the B. C. lumber trade is that another $50,000 is appropriated for salaries, travelling expenses, and purchase of material.

Other Appropriations.

Among the other appropriations are the following:

Grant to B. C. regiments $5,000, grant to patriotic fund $6,000, grant to boy scouts $1,000, grant to Victorian Order of Nurses $500, grant to returned soldiers' aiid commissions, $15,000; Royal Commissions $15,000 (last year $50,000), cougar bounty $35,000. Contribution to Vancouver toward purchase of certain lanes in Ward VIII., $5,000. Fraser River Bridge, New Westminster, maintenance and repairs, $20,200. Songhees Reserve improvements, $240,000.

CONGOLEUM
Floor Coverings
If you have Congoleum on your floors, you can run a mop over them and they will be cleaner than any swept floor. Congoleum is waterproof right through—water cannot injure it. Compared with printed linoleum, Congoleum is more durable, more attractive, more waterproof, yet the price is less. Congoleum requires no fastening—any one can lay it—it won't curl up.
Congoleum Rug Borders, laid next to a rug or carpet, give the actual appearance of polished oak.

THE MEDIUM.

Did you ever notice that 95 per cent. of the big successful firms are firms who advertise? They figure advertising as an investment not an expense. The secret of advertising is the selection of a medium which reaches those people who are or will be the most likely "purchasers of your product." If you are in the building supply or machinery line don't select a moving picture publication in which to do your advertising. Because of the fact that the RECORD is the only paper published in the province devoted exclusively to the contracting business it is read by practically every one you would like to sell your products to. Your ad. where they will see it will put a capital C on your cash.

VICTORIA—Thirteen holes, averaging 25 feet deep, will be fired at 5 p.m. on Saturday evening at the knoll of rock on the Indian reserve, near Songhees point. It is expected that the blast will dislodge 2,000 cubic yards of material, to be used in building the revetment wall.

NEW WESTMINSTER—Following another debate on the proposal to close two firehalls, the City Council has instructed Chief Watson to make a plan showing how the city would be districted and the halls rearranged if this proposal were carried out. Tests will then be made to ascertain how long it would take to answer calls from certain sections.

SAANICH—At a meeting of the Saanich Works Committee Wednesday the estimates were again discussed. They show a substantial reduction as compared with 1916. Of the $111,000 in the general estimates, some of the items are practically fixed by contracts, whereas expenditure for roads and bridges has been greatly reduced. This figure of $111,000 compares with $130,000 for corresponding items twelve months ago.

SOUTH VANCOUVER—Donald Burgess, at one time member of the municipal council in South Vancouver, and one of the best known business men in the district, has secured a lease on a big shingle mill plant at Nanaimo and expects to have the outfit running in the course of a couple of weeks. A large dry kiln will be added to the plant and the mill completely overhauled to meet the requirements of additions which will be made.

LADYSMITH—The Ladysmith fire by-law is to undergo several alterations as suggested by a special committee, which was appointed to look into the matter. A number of clauses were changed, and the percentage of 40 per cent., which is the maximum amount of repairs to be put on a building was at first raised to 50 per cent. but it was finally decided to adhere to the original 40 per cent. These amendments will come up before the Council next Monday night. In future, the raising of a building will not be classed as improvements.

VICTORIA—The Minister of Lands is calling for tenders for the purchase of Timber License X909, under which there may be cut 3,130,000 feet of hemlock, cedar, spruce and 1,500 lineal feet of piling on Juskatla Inlet, Graham Island, and Timber License X911, under which may be cut 900,000 feet of hemlock, cedar and spruce and 16,000 lineal feet of piling on an adjoining location.

VICTORIA.—The Minister of Lands is calling for tenders for the purchase of Timber License No. 930, under which may be cut 4,908,000 feet of cedar, spruce and balsam on an area near Guildford, in the Cariboo District, and Timber License No. 882, under which may be cut 850,000 feet of hemlock, fir and cedar, on an area on the north shore of Dean Channel.

PROPOSALS WANTED

MISCELLANEOUS PROPOSALS

VICTORIA—The Department of Public Works is calling for tenders for the erection of a one-roomed school at Corbin, Fernie district, tenders to be in by May 22.

VANCOUVER—Baynes & Horie who have the contract for the improvements being made to the Empress Theatre are taking figures for the plastering and painting.

SUMMERLAND—Tenders are being called up to May 15th by the Bank of Montreal for the construction of a building at West Sumerland. Particulars from Bank of Montreal, Penticton.

VANCOUVER—S. E. Junkins & Co., contractors for the extension of C. P. R. Pier "D" foot of Granville St. are now receiving figures for the supply of paint needed to paint the pier. The contractors are also receiving figures on miscellaneous materials in small quantities.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories and a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 per acre. No more than 2,560 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory, the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall permitted to purchase whatever available surface rights may be considered necessary for the working of the mine furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined, and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be at the rate of $10 per acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.
