K. V. R. CONTRACT

PENTICTON—The contract for the first section of the K. V. R. southern line has been let to August Nicholson. He will build from South Penticton to Dog Lake.

BIDS FOR NEW GARAGE WILL CLOSE ON MAY 19

VICTORIA—Plans which have been in preparation for some time by Architect Percy Fox, Broad street, for a two-story building for Mr. Otto Weiler, are now ready for contractors and it is announced that tenders for this structure will close on Wednesday, May 19. The building is to be of fireproof construction and is intended to be used for a combined garage and auto mechanics school. The estimated cost is in the neighborhood of $30,000.

PENTICTON BANK TO COST ABOUT $30,000

PENTICTON—It is announced that the construction of the new local branch for the Bank of Hamilton is to be proceeded with this summer. The new bank building will be a handsome one, designed along similar lines to the big city branches. It will occupy a fine site at the south-east corner of Main street and Westminster Avenue and the cost will probably run about $30,000.

Tenders are also to be invited shortly for an addition to the existing premises of the Bank of Montreal. The addition is to be erected on the north side of the present bank building and with the fittings and additional vault accommodation, will entail an expenditure of about $10,000. The plans have been prepared by Architect R. B. Bell of Vernon, with whom is associated Messrs. Swan and Augustine of this city, who will supervise the construction.

START WORK ON AVENUE THEATRE NEXT WEEK

All bookings of road shows and local engagements at the Avenue theatre, which had extended pretty well all through the summer, have been cancelled with the exception of one local show next Tuesday night, and arrangements are being made by Mr. Alfred Williams, construction engineer, to start work next week on the addition and remodelling of the Main street playhouse. In all about $85,000 is to be spent in the improvements which comprise an addition with a frontage of 25 feet to the south side of the theatre and its complete remodelling both interior and exterior, so that when the playhouse is reopened next September it will have a seating capacity of 1,800 and will be able to handle the biggest road shows travelling. Architect Franklin Cross, Credit Foncier building, has been busy preparing the plans and Mr. Williams will supervise the construction details. Most of the work will be done by day labor owing to the intricate nature of the alterations.

BRIDGE TENDERS TO BE CALLED NEXT MONTH

VICTORIA—Announcement is made by Mayor Porter that tenders for the construction of the Johnston street bridge will probably be called by the end of June at the latest. Every effort will be made to have actual construction work on the bridge started by the first of September in accordance with the terms of the bylaw.

Mayor Porter bases his predictions for the calling of tenders on the fact that the plans for the bridge have already been approved by the C. P. R., which contributes towards the cost of construction, and the final approval of the plans is expected shortly from the federal public works department, whose consent must be secured for the erection of any bridge over a tide-water stream. The approval of the board of railway commissioners after that is a mere formality.

AWARD CONTRACT SOON ON NEW REGAL THEATRE

Announcement is made by Mr. J. R. Muir, local representative of the Canadian Famous-Lasky Film Corporation, and the Regal Films, Ltd., that tenders are now being received from a number of prominent firms on the revised plans for the projected new Regal theatre to be erected soon in the 800 block Seymour street. The revision of the plans which was made to conform to certain restrictions insisted upon by City Building Inspector Bird, will give considerably more

OFFICIAL ORGAN.

The British Columbia Record is the official organ of The Architectural Institute of British Columbia, federated with The Royal Architectural Institute of Canada and as such is used by them as the medium through which to make their official announcements to the general public.

By such selection the British Columbia Record is no wise pledged to editorial support of any policy advanced by these societies, but maintains an absolutely independent position on all matters subject to editorial opinion.

RENT STRIKES INDICATE HOUSING SHORTAGE IS ACUTE

The "rent strikes" in eastern cities which marked May 1, the usual "moving day," have their humorous phase, no doubt, for those not affected by the housing shortage, but they are decidedly serious to those vainly striving to find accommodation. And things are getting so serious in the matter of housing accommodation in Vancouver, that if the influx continues all summer and fall, there may be rent strikes here before next May Day rolls round again.

Thousands of families in Chicago went on a "rent strike" on May 1 and refused to vacate their apartments in accordance with May Day moving orders. In a majority of instances, of course, these controversies will be settled by arbitration, but others will be carried to the courts and the Chicago Tenants' Protective Association has been organized to fight these cases.

The housing problem is one of the most acute at the present moment for practically all communities in Canada and the United States. Cities have grown tremendously since 1914. During that period there has been either very limited and in some communities, practically no construction. As a result, nearly every progressive municipality or community in the Dominion is underbuilt. In some places the insufficiency of accommodations has reached extraordinary proportions.

Most serious phase of the situation is the refusal of property owners in many places to build. Labor is demanding unusually high wages, materials are higher and incidental costs are greater. Equally serious is the restriction on output imposed by some short-sighted unions in eastern cities.

One desirable result, however, is flowing from this housing shortage. Difficulty in renting is forcing numbers of persons to buy who otherwise would not invest in homes. Builders will put up houses for sale where they will not put them up as an investment. However as usual, there are numbers of persons, particularly in the larger cities, who will not subject themselves to the discomfort of residing in the suburbs and who are unable to pay for a home close in. Upon them falls the chief burden of the conditions resulting from the unprecedented shortage of housing accommodations.

NEW WAREHOUSE FINISHED

CAWSTON—The spacious cement feed storage house erected at the back of the store for Messrs. Newton & Sinclair, has been completed by Mr. P. Madden, the contractor.

BIG PAVING CONTRACT AWARDED TO COTTON CO.

Marking the award of about the largest single paving contract that has been let so far this year, Hon. J. H. King, Minister of public works, announces that the successful tenderers for some 2 1/3 miles of additional concrete paving on the Pacific Highway is the Cotton Company, Limited, of Vancouver. This firm's bid was the lowest received by the department and runs close to $120,000 for the completed work.

This additional paving job which will keep the contracting firm busy for the greater part of the summer, will carry the concrete paving of this much-travelled highway from its present terminus at Peterson, right through the long, scenic stretch of the "green timber" to the Johnston Road. The specifications call for a very substantial form of concrete paving with an asphalt surface. The Cotton Company intends to begin assembling material at once and will take advantage of the summer weather to rush the work to completion.

SEEK INDUSTRIAL SITES

With Industrial Island now practically all filled up as far as any further available waterfront lots are concerned, the board of harbor commissioners are now seeking some other suitable location to be utilized for industrial sites. They have naturally turned to the Kitsilano reserve, which is also under their jurisdiction, but before utilizing that tract for this purpose, the commissioners wish to have various questions such as taxation, water and sewerage service settled with the city council. Accordingly a conference has been called between a special committee of the city council, comprising Aldermen Crone, Ramsay, Owen and Reid, and the harbor commissioners for some day next week at which these matters will be discussed and it is hoped, an agreement arrived at.

WAGE SCHEDULE FOR BRICKLAYERS SETTLED

Following the successful and amicable conclusion of negotiations which have been in progress for nearly two weeks, the bricklayers and stone masons of the city who have been out on strike since May 1, resumed work last Monday morning. The men went back to work under an agreement which provided for a minimum wage schedule for $8 per day for unfinished work commenced prior to January; $8.50 for all new work from May 1, to July 15, after which date the minimum wage for bricklayers and masons will be $9 per day. Commendation was expressed by President King of the Master Builders' Association, at the fair manner in which the bricklayers conducted their negotiations.

PLAN ALTERATIONS FOR EDWARDS BLOCK

Making still another firm which has yielded to the business lure of Granville street, Messrs. Clubb & Stewart, the well known pioneer clothing firm, have taken a three years lease of the Edwards block on the west side of Granville street, between Dunsmuir and Georgia. Considerable alterations are planned for the premises before the firm will occupy them and it is understood plans are to be prepared shortly and tenders called later for these alterations and remodelling necessary to make the premises into an up-to-date clothing store.

Orders You Should Have Had

Jim Hill said success is due to "facts and foresight." There is no use getting news of a nice fat contract after all the bids are in—but yours. MacLean gives you DAILY a batch of live, timely reports on

Building & Engineering

contracts that will result in a keener sales force, more orders, and in cutting down selling expenses for you. We are serving hundreds of the more aggressive houses year after year. Why not you?

Write for full information.

G. T. P. TO BUILD FINE STATION AT TELKWA

TELKWA—As a result of negotiations which have been conducted actively by the residents of Telkwa for over a year past, the directorate of the Grand Trunk Pacific have at last consented to build a much needed new station for the chief town of the Buckley Valley. The new depot will cost about $10,000 and is intended to provide adequate railway accommodation for the valley which is being rapidly settled up, and many new stores and homes built. It will be located quite close to the present temporary depot which has long since outgrown its usefulness. New sidings and warehouses will also be constructed so as to furnish proper accommodation needed at a divisional point of such growing importance.

WILL PLAN ADDITIONS FOR COMOX HOSPITAL

Architect Wm. Frederick Gardiner, 701 Vancouver Block, has been appointed architect for the projected alterations and additions to the St. Joseph's Hospital at Comox, B. C. He is to start soon on the preparations of the plans which are intended to provide additional accommodation for at least 50 beds in addition to new and larger administration quarters.

This hospital has ben greatly overcrowded for some time and seriously hampered in its work of caring for the sick and injured from the Comox and northern Vancouver Island district, owing to lack of sufficient accommodation. Mr. Gardiner announces that it will be about June 1st before the detail plans are ready to call for tenders on this work.

INVITE BIDS TO BUILD SIX COURTENAY HOMES

COURTENAY, B. C.—Municipal Clerk Robert McCuaig is inviting tenders for the construction of six dwellings under the provisions of the Soldier Housing Act, to be erected on various locations in this town. Separate tenders for each house are not wanted and no tender will be considered unless for the entire six dwellings. Tenders will be received up to noon of Monday, May 17, and each tender must be accompanied by an accepted check for a sum ecual to ten per cent. of the tender.

aisle space but will reduce the total seating capacity from nearly 3,000 in the original plans to 2,300 in the revised plans which are now being tendered on. Otherwise, with the exception of some minor exterior alterations, the structural plans remain the same.

Mr. N. L. Nathanson, general manager of the Famous-Lasky Film Corporation, and Mr. Thos. W. Lamb, of Toronto, architect of the building, are coming west soon, being expected here about Saturday, May 22. They will personally look over the site and the local theatrical situation and it is expected that the general contract for the erection of the big playhouse will be awarded shortly after their arrival. In any event, Mr. Muir expects that work on the excavation for the foundation will be commenced by June 1, and that the construction of the theatre will be rushed after that in order to have it ready for the late fall or early winter season. The site has all been cleared and there is nothing to delay an immediate start on building operations once the contract is awarded.

The new theatre will cost between $500,000 and $600,000 and will have an approached by a covered overhead bridge from Granville street. This approach will be built as soon as the theatre building is well under way.

PENTICTON BUILDERS BUSY

The high cost of material is not seriously interfering with building operations at Penticton this year. For the first three months of 1920 permits total over $42,000. For all of 1919 not more than $100,000 of permits were issued.

NOTICE TO CONTRACTORS

Sealed tenders will be received up to June 10, 1920, for the construction and installation of a waterworks system for the Corporation of the City of Courtenay. Plans and specifications may be seen at the office of the City Clerk in the City Hall, Courtenay, B. C.

Tenders must be accompanied by an accepted bank cheque on a chartered bank of Canada, made payable to the Corporation of the City of Courtenay, or by Dominion Government bonds, for a sum equal to 5 per cent. of the tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for; the cheques or bonds of unsuccessful tenders will be returned to them upon execution of the contract.

The lowest or any tender not necessarily accepted.

ROBERT McCUAIG,
Clerk of the Municipal Council.

NOTICE TO CONTRACTORS TENDERS FOR SOLDIERS' HOUSING

Sealed tenders, superscribed "Tenders for Soldiers' Housing," will be received by the undersigned not later than 12 o'clock noon, Thurs. May 13, 1920.

Plans, specifications, contract and forms of tender may be seen at the Municipal Hall, South Vancouver, from 10 to 12 a.m. on May 10th, 11th, 12th and 13th.

A deposit of 10 per cent. on the contract price must be made by the successful tenderer before a contract is entered into.

The lowest or any tender not necessarily accepted.

WM. T. RILEY,
Municipal Clerk.
Municipal Hall, 43rd and Fraser St.,
South Vancouver, B. C.

KIMBERLEY SCHOOL.
Notice to Contractors.

Sealed Tenders superscribed "Tender for Kimberley School," will be received by the Honourable the Minister of Public Works up to 12 o'clock noon of Tuesday, the 25th day of May, 1920, for the erection and completion of a Two Room School at Kimberley in the Cranbrook Electoral District, B. C.

Plans and specifications can now be seen at the office of:

J. Mahony, Esq., Government Agent, Court House, Vancouver. N. A. Wallinger, Esq., Government Agent, Court House, Cranbrook. N. W. Burdett, Esq., Secretary to the School Board, Kimberley or the Department of Public Works, Victoria, B. C.

Lowest or any tender not necessarily accepted.

A. E. FOREMAN,
Public Works Engineer.
Public Works Department,
Victoria, B. C.,
May 6, 1920.

A NEW GAS SERVICE -- HEATING --
YES, you can heat your home, office building, store or factory with GAS economically, conveniently and satisfactorily—without the dirt and dust of a furnace—without the work of carrying ashes or shoveling fuel.
There are gas-heating systems that fit any type of house or building from the hot air system that uses your present registers and pipes to the automatic unit radiator system that controls your heat to a nicety.
Think of the convenience of a gas-heating system—think of the clean basement and the freedom from work that gas means—and then call up our New Business Department. Seymour 5000.
WE SHALL BE GLAD TO ADVISE YOU ON YOUR HEATING PROBLEMS

NOTICE TO CONTRACTORS
REVELSTOKE WEST ROAD.

Sealed Tenders endorsed "Tender for construction of Revelstoke West Road," will be received by the Honourable the Minister of Public Works up to 5 o'clock p.m. the third day of May 1920, for the construction of approximately 19 miles of above road.

Plans, Specifications, etc., can be seen at the District Engineer's Office, Court House, Vancouver, at the Court House, Revelstoke and at the Office of the undersigned.

The lowest or any tender not necessarily accepted.

A. E. FOREMAN,
Public Works Engineer.
Public Works Department,
Victoria, B. C., April 15th, 1920.

"The time for receiving tenders on the above road has been extended until 5 p.m., May 17th."

VANCOUVER HARBOUR COMMISSIONERS.

NEW PIER WORKS AT BURRARD INLET.

CONTRACT NO. 1.

Sealed tenders addressed to the undersigned and endorsed "Tenders for Filling and Dredging" will be received at this office until twelve o'clock noon fifteenth May, 1920, for the execution of the Filling and Dredging for the Harbour Commissioners' New Pier, to be known as "Ballantyne Pier," at Burrard Inlet, Vancouver, B. C.

Plans and Specifications can be seen and form of tenders obtained at the office of the Harbour Commissioners, 712 Pender St. W., Vancouver, B. C., or at the office of A. D. Swan, M. Inst. C. E., Consulting Engineer to the Commissioners, 10 Phillips Place, Montreal, P. Q.

Tenders will not be considered unless made on the forms supplied by the Commissioners and in accordance with the conditions set forth therein.

Each tender must be accompanied by an accepted cheque on a chartered bank payable to the Order of the Harbour Commissioners for the sum of Fifty Thousand Dollars ($50,000).

Copies of plans can be obtained on application to the Harbour Commissioners or the Consulting Engineer on payment of the sum of $25.00 which will be returned when the plans are returned.

The Harbour Commissioners do not bind themselves to accept the lowest, or any, tender.

By Order,
W. D. HARVIE.
Secretary.
Vancouver Harbour Commissioners,
Dated at Vancouver, B. C.,
April 20th, 1920.
