NORTH VANCOUVER—The district council has granted a lease to the Capilano Timber Company of part of Lots "A" and "E" of Block 25, D.L. 601 and 607, which the company will use for its logging railway.

VANCOUVER—Plans for the B. C. Telephone Co.'s building are now completed and ready for figuring and will be given out today or tomorrow. Twelve sets of plans will be issued to selected contractors, who will have about two weeks' time in which to submit tenders.

VANCOUVER—Hodgson & King who have the contract for the construction of the Beach avenue intercepting sewer are ready to receive figures for the supply of sand and gravel needed for the work. The contractors have let the following contracts for other materials: cement and vitrified pipe to Evans, Coleman & Evans; reinforcing steel to Balfour Guthrie & Co.

SAANICH—At a meeting of the Saanich School Board last week ten tenders for the building of the new Tillicum School and six for the plumbing thereof were received. They were considered high in the opinion of most of the trustees, and before any action is taken, they will consult the Department of Education, since the department provides the cost of the building.

VANCOUVER — Mr. L. A. Rostein, Orpheum Bldg. stated positively Saturday to the Record that he had selected an architect and a contractor for the work of preparing plans and finishing the building of the theatre on Pender and Burrard Sts. this city. This is in contravention of the rumors that the contract had not been let. Mr. Rostein states that he will give out the architects and contractors' names sometime this week.

VICTORIA—The formation of a new shipbuilding company for Victoria, capitalized for initial purposes at $500,000, was announced last week at a meeting of the Board of Trade by Mr. James A. Griffith. Headquarters of the concern will be in this city, and it will be operated as far as possible by local capital, to be supplied by businessmen of Victoria. The lumber for the construction of vessels handled by the company will be supplied exclusively by the Cameron interest at their three mills on Vancouver Island.

PORT ALBERNI—Port Alberni now aspires to become a busy centre of shipbuilding activity. Mayor McIntyre, the Port Alberni Council and H. B. W. Garrick have been working with a view to landing some of the contracts that will shortly be awarded by the Imperial Munitions Board, and strong inducement for the establishment of a shipbuilding yard at the Barklay Sound port has been advanced by Lord Shaughnessy, president and chairman of the C. P. R., who, replying to a communication forwarded by Mayor McIntyre, sees no season why contracts for ships should not be placed with Port Alberni, providing proper facilities are available.

BUSINESS NOTES

And other items of interest to the business man.

VANCOUVER—The estimates of the city publicity department for this year call for the expenditure of some $20,000. The expenditure last year was $4,000, but Industrial Commissioner Davison is asking that the city show considerable energy this year in inviting tourists to Vancouver.

SOUTH VANCOUVER—It is possible the municipal council will reconsider its decision to close the firehall in the Collingwood district and Councillor Mengel has already stated his determination to bring in a resolution for the rescinding of the resolution relative to the closing.

VANCOUVER—The transportation committee of the board of trade last week decided that at the meeting of the board of railway commissioners here in a few weeks objections would be raised against the increase of 15 per cent on all commodity class freights. Objection will also be taken to the old clause 16 in the rate classification.

VANCOUVER—By an arrangement entered into betwen the management committee of the Returned Soldiers' Club and the representatives of the Hotel Elysium, that building will be taken over by the former on July 1 next. A sum estimated at $1000 will be spent in repairs, and for this purpose Mr. Murrin, the head of the club made a thorough inspection of the premises last week in company with Mr. T. M. Harnett, the manager.

VICTORIA—Joseph Walters of Yale, has introduced a bill into the Legislature amending the Mechanics' Lien Act. This provides that a laborer's lien to the extent of twenty-five days' wages shall be prior to any mortgage or other encumbrance. The holder of mortgage or encumbrance may, if he desires, after five days' default to satisfy a judgment by the mortgagor, pay the money and treat the sum as principal advanced on account of the mortgage, bearing interest at the rate provided for on the principal. He is further given the right to treat this amount as immediately due and payable and to enforce his remedies under the mortgage.

VICTORIA—During the past week there have been incorporated the following new companies: Burnside Park, Ltd., Victoria, with a capital of $10,000, to acquire the rights of Hon., F. S. Barnard in what is known as Burnside Park, being 330 acres in sections 26 and 96, Lake District; Alfred W. McLeod, Limited, New Westminster, $10,000; Nixon & Co., Ltd., Vancouver, $10,000; Raymond Timber Co., Ltd., Vancouver, $3,000. Extra-provincial companies registered are West Vancouver Commercial Company, of San Francisco, the attorney for which in British Columbia is H. G. Lawson, Victoria, and Montana-Atlin Development Company of Malta, Mont., the B. C. Attorney for which is A. Scott Innes, Victoria. Canadian Underwriters, Limited, Calgary, is licensed as an extra-provincial corporation. Notice is given that the non-renewal of the license of the Factories Insurance Company under the federal laws has operated as a cancellation of its license under the Provincial Fire Insurance Act.

MINING.

When coke and water become more plentiful the mining and smelting business will become more active in this province.

The Payne was the first claim located in the Slocan. It was staked by Eli Carpenter and Jack Seaton in September, 1891.

(Continued on Page 4.)

Sealed tenders will be received by the Minister of Lands not later than noon on the 21st day of May, 1917, for the purchase of Licence X 652, to cut 4,342,000 feet of Fir, Cedar, Hemlock and Balsam, on an area adjoining Lot 975, Snout Point, Toba Inlet, Range 1, Coast District.

Two (2) years will be allowed for removal of timber.

PROVINCIAL ESTIMATES ARE TABLED IN THE HOUSE

VICTORIA.—A revenue of just under $6,000,000 and an expenditure of $11,000,000 for the year commencing April 1 next is predicted in the provincial estimates which were tabled in the House by Hon. Lorne Campbell, Minister of Finance, on Monday. The revenue shows a falling off of about $1,000,000 for the anticipated revenue for this year, while the expenditures show a slight increase. The exact estimated revenue is $5,944,015 as compared with $7,134,615 for the present year, a difference of $1,095,000. The estimated disbursements are $11,301,374 as compared with $11,163,656 for the previous year, an increase of $138,000. The increase is more than accounted for by the increased fixed charges, which are over $300,000.

Summary of Expenditure

The summary of estimated expenditure indicates that in four of the 14 Government services there will probably be an increased expenditure over last year. In the rest a reduction is predicted.

The following are the totals:

	1915-16.	1916-17.
Public debt	$1,152,376	$1,422,254
Civic government (salaries)	1,709,566	1,687,736
Administration of justice (salaries)	68,000	67,428
Legislation	89,820	167,620
Public institutions (maintenance)	467,426	472,575
Hospitals and charities	374,100	525,800
Administration of justice	378,000	308,670
Education	1,594,600	1,524,500
Transport	83,000	43,000
Revenue services	50,000	25,000
Public works	3,067,315	3,023,010
Miscellaneous	2,128,752	2,032,000

In this year's report of the estimates the service "miscellaneous" is divided into three distinct services, "Lands," upon which $565,000 is to be spent this year, and "agriculture," upon which $176,500 will probably be expended, are each given a service to themselves, thus greatly reducing the "miscellaneous" total.

Present conditions have also necessitated more and larger hospitals, the result being an unusually large increase for hospitals and charities. Last year $16,000 was voted in the way of assistance in the construction of hospitals. This year about $150,000 will probably be granted for that purpose. Grants to refuge homes, aid societies, etc. is increased from $19,000 to $80,000.

University of B. C.

Among the appropriations in this year's estimates is a conditional one of $200,000 for the University of British Columbia. Last year's estimate was $175,000. Included in the works and buildings to be constructed by the Public Works Department are the following: Okalla prison farm, $15,000; improvement of government reserve, Burnaby, $10,000; mental hospital and colony farm, Essondale $35,000; provincial government buildings, London (completion and maintenance), $175,000; maintenance, $8,000. The appropriations provincial normal school, Vancouver, for roads, streets, bridges and wharves in each constituency are the same as last year. Chilliwack gets $33,300; Delta, $22,500; Dewdney, $68,500, and Richmond $40,000. Eighty thousand is revoted for Kingsway through the Municipality of Burnaby. Point Grey gets $10,000 for roads, and Nicomen Island the same amount for dyking; $13,500 is a subsidy for the Ladner-Woodward ferry.

The vote of $400,000 on last year's estimates for the Second Narrows bridge is left out. For bridges generally $450,000 is set down, while for the bridge over the Fraser River at Prince George there will be an appropriation of $150,000.

An item in the Land Department appropriations is that for $20,000 for "timber testing and investigation of wood products." An indication that the government intends to continue seeking overseas markets for the B. C. lumber trade is that another $50,000 is appropriated for salaries, travelling expenses, and purchase of material.

Other Appropriations.

Among the other appropriations are the following:

Grant to B. C. regiments $5,000, grant to patriotic fund $6,000, grant to boy scouts $1,000, grant to Victorian Order of Nurses $500, grant to returned soldiers' aid commissions, $15,000; Royal Commissions $15,000 (last year $50,000), cougar bounty $35,000. Contribution to Vancouver toward purchase of certain lanes in Ward VIII., $5,000. Fraser River Bridge, New Westminster, maintenance and repairs, $20,200. Songhees Reserve improvements, $240,000.

CONGOLEUM
Floor Coverings
If you have Congoleum on your floors, you can run a mop over them and they will be cleaner than any swept floor. Congoleum is waterproof right through—water cannot injure it. Compared with printed linoleum, Congoleum is more durable, more attractive, more waterproof, yet the price is less. Congoleum requires no fastening—any one can lay it—it won't curl up.
Congoleum Rug Borders, laid next to a rug or carpet, give the actual appearance of polished oak.

THE MEDIUM.

Did you ever notice that 95 per cent. of the big successful firms are firms who advertise? They figure advertising as an investment not an expense. The secret of advertising is the selection of a medium which reaches those people who are or will be the most likely "purchasers of your product." If you are in the building supply or machinery line don't select a moving picture publication in which to do your advertising. Because of the fact that the RECORD is the only paper published in the province devoted exclusively to the contracting business it is read by practically every one you would like to sell your products to. Your ad. where they will see it will put a capital C on your cash.
