OFFICIAL ORGAN

The British Columbia Record is the official organ of the Architectural Institute of British Columbia, federated with The Royal Architectural Institute of Canada and as such is used by them as the medium through which to make their official announcements to the general public.

By such selection the British Columbia Record is no wise pledged to editorial support of any policy advanced by these societies, but maintains an absolutely independent position on all matters subject to editorial opinion.

ACTION, NOT WORDS, NEEDED NOW ON WAR MEMORIAL, "LEST WE FORGET."

It is high time that some definite line of action that will produce results, instead of delays and postponements, should be adopted that will provide Vancouver with a proper memorial to those of its sons who fell in the great war. So far, the tangible results of a lot of talk has only crystallized in one meeting at which a lot more talk was spilled but nothing definite in the way of action achieved.

We are getting too prone to forget and to postpone. This does not apply to Vancouver more than to other Canadian cities, but as a people we are getting somewhat like the Americans—too inclined to thing of memorials in terms of dollars and cents and to believe that we should have something massive and awe inspiring. This we do not particularly need.

Vancouver is fortunate in one respect, and that is having a most magnificent and centrally located site for a war memorial, which, under the terms of the grant to the city, cannot be used for any other purpose. Let us, however, not delay longer than necessary, the erection and dedication of a suitable memorial which will cause us to remember as often as possible the debt we owe to those boys for whom "taps" sounded in blood-drenched Vimy Ridge or other of the notable engagements in which they brought such imperishable honor to Canadian arms, when Canada's sons moved forward in the most glorious offensive for the good of man that the world has ever known.

Before we can give out, we must take in.

BUILDING AND INDUSTRIAL NEWS

SIX FIRMS TENDER ON HULL FOR POLICE BOAT

Six local boat-building firms submitted tenders to the civic fire and police committee on Wednesday for the construction of a new hull for a police patrol boat. The specifications as prepared by Mr. T. Halliday, naval architect, call for a power boat forty feet over all, nine feet beam, and of the cabin cruiser type. In this new hull is to be placed the overhauled and rebuilt forty horse-power engine removed from the old police patrol boat. A considerable variety was shown in the figures submitted as follows:

Hoffar Motor Boat Company, \$3,900; W. R. Menchins, \$5,000; Vancouver Shipyard, Ltd., \$6,350; Pacific Construction Company, \$7,100; Seaton & Smith, \$8,350; Erickson Bros., North Vancouver, \$13,940. The tenders were all referred to the chairman, Ald. Owen, and City Purchasing Agent James Stuart, to tabulate and report upon.

MONEY AND HAPPINESS

Never at any time has the "almighty dollar" held so little purchasing power as now, and never has the race for riches been such a hot one. "Get money honestly if you can; but by all means, get money," seems to be the new adaptation of the old saying. The whole world is running a race for riches, while with all his swollen earnings, the average man has more difficulty than ever in making ends meet.
