BUILDING PERMITS.

8871—W. F. Parker, bld. garage, 2043 Collingwood; $85.

8872—Jas. E. Black, bld. garage, 1986 13th Ave. W.; $100.

8873—Mrs. S. Gunn, bld. garage, 1656 12th Ave. W.; $75.

VANCOUVER—Archts. Gardiner & Mercer have let the contract for the alterations to be made to the Royal Bank Bldg., New Westminster, to William Wallace, 1358 Burrard St., Vancouver. The contract price is $628.

VANCOUVER—A final estimate of $3,252.80 for filling and dredging work done on the west side of the new Coal Harbor causeway has been ordered by the civic board of works to be paid to the Dominion Construction Co.

VICTORIA—Tenders are asked for the removal of ten cottages and four other buildings from Tunstal Bay to James Island. Particulars may be had by applying to the Purchasing Agent, Canadian Explosives Limited, Victoria, B. C.

VICTORIA — The city council has turned down the offer of Messrs. Leeming Bros. to sell to the city for $50,000 the block of property at the back of the City Hall to complete City Hall Square. The owners were willing to take municipal bonds in payment.

VANCOUVER—Archts. Gardiner & Mercer, Birks Bldg., state that plans and specifications for the one-story building to be erected on the Northwest corner of Granville and Pacific Sts., will be ready for figuring Monday. The building will be 75x100 feet and will be erected for Trorey and Campbell. The Hill Tire Co., Ltd. and the Little Giant Truck Co. will occupy the premises.

VANCOUVER—J. Coughlan & Sons, 500 Beatty St., will be ready within a few days to receive tenders for the pile driving in connection with the construction of a wharf and four launching ways on False Creek. The company will handle all other work entailed in the project. Mr. Coughlan also states that they are in the market for 500,000 feet of lumber to be used on this job and this will be purchased from time to time as needed.

VANCOUVER — Lumber trade in British Columbia continues steady to quiet with output below normal capacity, according to millowners and dealers. Shipbuilding contracts and the usual eastern demand for large timbers are the chief factors in the situation. Demand from the prairies is expected to revive after the first of the year.

The log supply is reported about equal to demand, but any increase in log requirements, it is said, would be difficult to meet owing to the labor shortage, 3,200 British Columbia loggers having enlisted since the start of the war. Figures are not yet available as to the number of loggers who will be affected by the Military Service Act, but it is said that the majority of those left in the province are over the age limit for service.

BUSINESS NOTES.
and other items of interest to the business man.

VICTORIA—The city wiring inspector reports that during the month of October 40 permits were issued, 76 inspections made, 19 connection permits issued and 19 each of final inspections and certificates issued.

VICTORIA—City Purchasing Agent Galt will receive tenders up to November 19 for painting and varnishing the newly constructed motor combination hose wagon. Specifications at Fire Chief's office.

VANCOUVER—Although the launch "Aqua" cost the city $5,560, the highest bid received for the vessel by the civic waterworks committee this week was only $2,165, and in consequence it was decided not to dispose of it. The hull, which was built nine years ago, cost $3,000 and the engines $2,650. The boat was part of the equipment of the waterworks department and had been very little used.

VANCOUVER — No contracts for shells for the United States are to be let in British Columbia, according to advices received by local shellmakers from Sir Joseph Flavelle. While contracts for a great number of shells for the United States army will be made in Canadian factories, the work will be confined to factories in the east, on account of the extra cost of freight for shells should such be manufactured on this coast.

VANCOUVER—Fire Chief Carlisle reported at the meeting of the civic fire and police committee Wednesday afternoon that during the past month sixty-five alarms had been responded to by his department. Twenty-two of these were stated to have been false alarms. During the month the value of property involved in fire was given at $215,450, resulting in damage to the extent of $8,261, of which $7,305 was covered by insurance, leaving a balance of $956 not insured.

VANCOUVER—Hanbury & Co. on Tuesday presented to the civic board of works a bill for $309.75 for repairs done to the portion of Fourth avenue, which lies east of the Granville street bridge. In communications to the city engineer's department the firm pointed out that they had requested that this roadway be repaired and the department not having attended to the matter they had done so themselves. The board declined to recommend payment of the account on the ground that it would create an undesirable precedent.

BURNABY — Estimates submitted for the Burnaby water department at the committee meeting of the council, for the two weeks beginning November 19th, were as folows: General maintenance $150; pumping North Burnaby and Patterson, $56; Inspection $39. Totalling $245. The expenditure of $778 was recommended by the Burnaby Board of Works department for the two weeks following November 19th, at the meeting of the council held last night. This was divided as follows: Ward 1, $100; Ward 2, $100; Ward 3, $108; Ward 4, $225; Ward 5, $100, and Ward 6, $100. Kingsway, $55.

SALMON ARM—The contract for the new school on the limit at North Canoe has been let to Mr. Davies, of Kamloops, for about $5,000.

BURNABY—The proposal of the city of Vancouver to exchange 200 acres of land on Broadway, near Burnaby Lake, for 160 acres in D.L. 205, Burnaby, on the Hastings road, has met with strenuous opposition from the Corporation of Burnaby and from Hon. J. W. Weart, the sitting member for the riding in the legislature. The people of North Burnaby have long been asking for a park on this district lot and Mr. Weart has promised to do everything in his power to have a portion of this property set aside for park purposes and the balance, which has been reported on as arable land, divided into small tracts for settlement purposes. The matter is now in the hands of the Hon. T. D. Pattullo.

PROVINCIAL ESTIMATES ARE TABLED IN THE HOUSE

VICTORIA.—A revenue of just under $6,000,000 and an expenditure of $11,000,000 for the year commencing April 1 next is predicted in the provincial estimates which were tabled in the House by Hon. Lorne Campbell, Minister of Finance, on Monday. The revenue shows a falling off of about $1,000,000 for the anticipated revenue for this year, while the expenditures show a slight increase.

The exact estimated revenue is $5,044,015, as compared with $7,134,615 for the present year, a difference of $1,095,000. The estimated disbursements are $11,301,374, as compared with $11,163,056 for the previous year, an increase of $138,000. The increase is more than accounted for by the increased fixed charges, which are over $300,000.

Summary of Expenditure

The summary of estimated expenditure indicates that in four of the 14 Government services there will probably be an increased expenditure over last year. In the rest a reduction is predicted.

The following are the totals:

	1915-16.	1916-17.
Public debt	$1,152,376	$1,422,254
Civic government (salaries)	1,709,566	1,687,736
Administration of justice (salaries)	63,000	67,428
Legislation	89,820	167,620
Public institutions (maintenance)	467,426	472,575
Hospitals and charities	374,100	525,800
Administration of justice	378,000	308,670
Education	1,594,600	1,524,500
Transport	83,000	43,000
Revenue services	50,000	25,000
Public works	3,067,815	2,023,010
Miscellaneous	2,128,752	2,032,000

In this year's report of the estimates the service miscellaneous is divided into three distinct services. "Lands," upon which $565,000 is to be spent this year, and "agriculture," upon which $176,500 will probably be expended, are each given a service to themselves, thus greatly reducing the "miscellaneous" total.

Present conditions have also necessitated more and larger hospitals, the result being an unusually large increase for hospitals and charities. Last year $16,000 was voted in the way of assistance in the construction of hospitals. This year about $150,000 will probably be granted for that purpose. Grants to refuge homes, aid societies, etc, is increased from $19,000 to $80,000.

University of B. C.

Among the appropriations in this year's estimates is a conditional one of $200,000 for the University of British Columbia. Last year's estimate was $175,000. Included in the works and buildings to be constructed by the Public Works Department are the following: Okalla prison farm, $15,000; improvement of government reserve, Burnaby, $10,000; mental hospital and colony farm, Essondale, $35,000; provincial government buildings, London (completion and maintenance), $175,000; maintenance, $8,000. The appropriations provincial normal school, Vancouver, for roads, streets, bridges and wharves in each constituency are the same as last year. Chilliwack gets $33,300; Delta, $22,500; Dewdney, $68,500, and Richmond $40,000. Eighty thousand is revoted for Kingsway through the Municipality of Burnaby. Point Grey gets $10,000 for roads, and Nicomen Island the same amount for dyking. $13,500 is a subsidy for the Ladner-Woodward ferry.

Other Appropriations.

The vote of $400,000 on last year's estimates for the Second Narrows bridge is left off. For bridges generally $450,000 is set down, while for the bridge over the Fraser River at Prince George there will be an appropriation of $150,000.

An item in the Land Department appropriations is that for $20,000 for "timber testing and investigation of wood products." An indication that the government intends to continue seeking overseas markets for the B. C. lumber trade is that another $50,000 is appropriated for salaries, travelling expenses, and purchase of material.

Among the other appropriations are the following:

Grant to B. C. regiments $5,000, grant to patriotic fund $6,000, grant to boy scouts $1,000, grant to Victorian Order of Nurses $500, grant to returned soldiers' aild commissions, $15,000; Royal Commissions $15,000 (last year $50,000), cougar bounty $35,000. Contribution to Vancouver toward purchase of certain lanes in Ward VIII., $5,000. Fraser River Bridge, New Westminster, maintenance and repairs, $20,200. Songhees Reserve improvements, $240,000.

THE MEDIUM.

Did you ever notice that 95 per cent. of the big successful firms are firms who advertise? They figure advertising as an investment not an expense. The secret of advertising is the selection of a medium which reaches those people who are or will be the most likely "purchasers of their product." If you are in the building supply or machinery line don't select a moving picture publication in which to do your advertising. Because of the fact that the RECORD is the only paper published in the province devoted exclusively to the contracting business it is read by practically every one you would like to sell your products to. Your ad. where they will see it will put a capital C [illegible] your case.

Automobile Records

FROM SEPTEMBER 7 TO SEPTEMBER 28

Following is a complete list of new Automobile Licenses, Transfers and Relinquishments Recorded for Vancouver and District.
Where street address is given and name of town omitted the address is Vancouver.
All cars for hire are ndcated thus: (*)

NEW CARS.

No.	Name	Address	Car

Dredging for Causeway	$16,962	Vancouver	City	Owner	Owner
Alter Theatre Building	$5,000	851 Granville St.	W. P. Nicolls		

VICTORIA — Of all the shipyards building wooden hulls on the British Columbia coast, apparently the only real rival to the two Victoria plants is the Western Canada Shipyards, Ltd., of Vancouver, which concern has a contract for six vessels.

It is reported from the Mainland that the management of the Western Canada Shipyards figures on putting Hull No. 14 into the water by the middle of next month, providing the weather conditions in the meantime are favorable. This announcement, coupled with the recent report to the effect that the Cameron-Genoa Mills Shipbuilders, Ltd., would have Hull No. 6 ready for launching about the middle of December, serves to increase the interest and friendly rivalry which exists between the British Columbia yards for the honor of launching the first hull under the programme which provides for the construction of twenty-seven ships.

The only other contender is the Lyall Shipbuilding Company, of North Vancouver, the first hull at this plant being almost as far advanced as that at the Western Canada Shipyards. At the latter yard the ceiling of Hull No. 14 has been finished, and the planking is nearly completed. The main deck is about complete, and a good start has been made on the poop deck. There is a great deal of fitting to be done inside, but this is not expected to interfere with an early launching. As regards weather conditions the Victoria yards have a big advantage over the Vancouver plants.

The planking on Hull No. 6 at the Cameron-Genoa yards is now complete, with the exception of the bulwark planking. The ceiling was completed some time ago and other interior and deck work is well advanced. Another week should see the seams caulked and the hull treated with composition, and from that stage the hull will be ready for launching whenever it is considered advisable to do so. Hull No. 1 at the Foundation Company's yard is coming along fast and the first launching at the Point Hope plant is expected to take place before Christmas.

No names have yet been chosen for the vessels, and from information secured about the yards it would seem that for the present at least no names will be given the ships. It is not improbable that during the period of the war they will be known by numbers.

Sealed tenders will be received by the Minister of Lands not later than noon on the 28th day of November, 1917, for the purchase of Licence X361, o cut 6,290,00 feet of Douglas fir, hemlock, cedar and spruce on an area situated on Agamemnon Channel, N.W.D.

Three (3) years will be allowed for emoval of timber.

Further particulars of the Chief Forester, Victoria, B. C., or District Forester, Vancouver, B. C.

NOTICE TO CONTRACTORS.
THE UNIVERSITY OF BRITISH COLUMBIA.

Public Tenders are requested for the erection and completion of Hay Barn, Dairy Barn, Dairy and other Farm Buildings, together with three cottages on the University Site, Point Grey.

Drawings, Specifications and Form of Tender can be seen at the Office of the Architects, Messrs. Sharpe & Thompson, 626 Pender Street West, and will be handed to Contractors upon receipt of $10.00, which will be refunded upon delivery of a genuine tender and the return of the Drawings and Specifications in good condition.

All Tenders to be delivered in sealed envelope addressed to the Chairman, Building and Grounds Committee, The University of British Columbia, 11th Avenue and Willow Street, Fairview, on or before 12 o'clock noon, November 19th, 1917.

All Tenders to be accompanied by a marked cheque drawn in favor of and made payable to the Board of Governors, The University of British Columbia, for an amount equal to to 10 per cent. of the value of the Tender.

The Board of Governors do not bind themselves to proceed with all or any of the proposed Buildings, and will not necessarily accept the lowest or any Tender.

R. P. McLENNAN,
Chairman,
Buildings and Grounds Committee.

PROPOSALS WANTED

NEW WESTMINSTER—The School Board are open to receive tenders for the laying of flooring and building cupboards for the McBride school Manual Training centre. Full particulars obtainable at the School Board office.

VICTORIA—Tenders will be received by the Minister of Public Works up to 12 o'clock noon of Tuesday, the 27th day of November, for the erection and completion of a four-room school at South Wellington, in the Newcastle Electoral District, B. C.

Plans, specifications, etc., may be seen at the office of J. Mahony, Government Agent, Court House, Vancouver; S. McB. Smith, Government Agent, Court House, Nanaimo; J. E. Parrott, Secretary of School Board, South Wellington; or the Department of Public Works, Victoria.
