BUILDING NEWS

And Construction Work not otherwise Classified.

BUILDING PERMITS.

8334—Garage, 1663 Robson St., Capt. Bassett, owner, $150.

8335—Garage, 264 Powell St., J. Kitamura, owner, $75.

VICTORIA—A building permit has been issued to Mrs. Helen G. Jones for raising her house at 605 Moss St.

QUALICUM—Tenders have been called for cedar poles and equipment for a new telephone line to run from Hilliers to Parksville, via Qualicum Beach. This telephone line will be in operation in April of next year.

VANCOUVER—It is announced from Ottawa that the Dominion Government has taken definite steps to place two public owned steamers on the service between Eastern and Western Canada via the Panama Canal. These will be constructed in Vancouver yards and will cost about $160,000 each. The contracts will be let immediately.

TRAIL—The electrolytic copper refinery of the Consolidated Co. at the Trail works, having a capacity of 10 tons at present will be enlarged at once. The present copper refinery is a steel and fireproof structure about 200 feet long by 67 feet in width. The length will now be added to sufficiently to allow of the capacity being increased to about 15 tons daily of the refined etal. Steel for the addition is being prepared by R. Trench, the contractor, and the erection of the supplementary structure, which is also close to the lead refinery, will soon be under way.

TRAIL—The feature of the last meeting of the Trail city council was the matter of the best way to take up and prepare for a sewer system in this city. It was realized that the water supply should be augmented, and as the city owns water rights on Ryan creek, south of the city and contiguous thereto, which has a greater supply than the present source, the cost of doing this will be ascertained as well as that of the estimated cost of a sewer system for the city. It was decided to take up the matter with Engineer McCulloch of Nelson immediately, because if the preliminary work is done now, it will save time for the 1917 council should they decide to carry out the plans.

VICTORIA—Notice is given of intention to apply for an act of incorporation by the Peace River, McKenzie and Copper Mine River Railway Company of Canada which proposes to build five hundred miles of railway in the far north. The route, as described, is from Sawridge, on the Edmonton, Dunvegan and British Columbia railway, north to Lesser Slave Lake, Buffalo Lake; Peace River to Vermilion and on to the Falls of Peace river, crossing at the head of the rapids above the falls and continuing to the foothills of the Cariboo Mountains and northeasterly along the base of the mountains to the headwaters of the little Buffalo river; thence following the valley of that river to the head waters of the Salt river and along the valley of the latter to the point on the west shore of the Great Slave river known as Bells rock.

BUSINESS NOTES.

and other items of interest to the business man.

OTTAWA—The Lauder Lumber Co., Limited, has been incorporated with a capital of $200,000, and the headquarters at Lauder, B. C.

VANCOUVER—Mr. W. P. Hinton, traffic manager of the Grand Trunk Pacific and of the Canadian Government railways is expected here from Winnipeg today.

VICTORIA—The case for the city in connection with the attempt to secure a reduction of fire insurance rates is being prepared for presentation at the committee meeting to be held on Wednesday afternoon.

VICTORIA—The question of securing a lower rate on motor cars coming to Vancouver Island, when accompanied by a party of two or more, for the purpose of touring the island, is still being canvassed in order to make the island trip as attractive as possible.

VANCOUVER—No further steps have been taken in the matter of the Hastings street tunnel project. Inquiry at the C. P. R. offices yesterday elicited the information that the city representatives had not made any request to see Mr. Grant Hall, the vice-president and general manager from Winnipeg, who is here for a few days.

VICTORIA—As a result of a judgment handed down in the suit of W. J. Farney et al vs. Joseph Astley and the Malaspina Quarries Co., an eighth interest in the quarries is invested in each of the five plaintiffs, Messrs. W. J. Farney, Irvine Rose, D. E. Williams, Joseph Silvey and Capt. Napier. By the judgment the plaintiffs secure a controlling interest in the company. The quarries are said to be of great value.

STREET AND ROAD IMPROVEMENTS

NORTH VANCOUVER — Improvements to Keith Road, from Bewicke Ave. to the west limits of the city, estimated to cost $8,450 have been recommended to the city council by Acting Engineer Clucas, and laid over for the board of works to discuss on Thursday. Mr. Clucas estimated that for this figure the road could be graded and macadamized, but submitted an alternative proposal to macadamize the roadway, 16 feet wide in its existing condition at a cost of $3,750.

VANCOUVER—The regular meeting of the Board of Public Works was held yesterday afternoon. City Engineer Fellowes reported on the cost of planking several lanes and on the regrading of Georgia St. E. from Glen to Vernon Drives. He also stated that in connection with the recommendation for the plank roadway on 29th Ave. between Lillooet and Nootka Sts., which was approved subject to South Vancouver bearing one-half the cost, a letter had been received from the Clerk of South Vancouver stating that due to present financial difficulties that Municipality would be unable to assume one-half the cost of the work. Mr. Fellowes stated also that it was desirable to plank the section of 25th Ave. from Fraser to Burns St. This would cost about $500.00.

NORTH VANCOUVER—Unanimous support to the movement for public ownership of public utilities was expressed by the city council at its meeting Monday night and several expressions of satisfaction were voiced at the stand being taken by the Harbor Commissioners on this question.

VANCOUVER—The locating of two new industries in this city is announced by Industrial Commissioner Davison. These industries have decided to move from New Westminster and upon taking up quarters here will double their plant and output. They are the Schaake Machine Works and the Vulcan Iron Works. Four waterfront lots have been leased by the Schaake Machine Works on the Industrial island under Granville Street bridge, but the Vulcan Iron Works have not so far selected their site. It is also stated that the Metal Products Co., Ltd., will move their plant from New Westminster to Vancouver.

PROVINCIAL ESTIMATES ARE TABLED IN THE HOUSE

VICTORIA.—A revenue of just under $6,000,000 and an expenditure of $11,000,000 for the year commencing April 1 next is predicted in the provincial estimates which were tabled in the House by Hon. Lorne Campbell, Minister of Finance, on Monday. The revenue shows a falling off of about $1,000,000 for the anticipated revenue for this year, while the expenditures show a slight increase.

The exact estimated revenue is $5,944,015, as compared with $7,134,615 for the present year, a difference of $1,095,000. The estimated disbursements are $11,301,374, as compared with $11,163,056 for the previous year, an increase of $138,000. The increase is more than accounted for by the increased fixed charges, which are over $300,000.

Summary of Expenditure

The summary of estimated expenditure indicates that in four of the 14 Government services there will probably be an increased expenditure over last year. In the rest a reduction is predicted.

The following are the totals:

	1915-16.	1916-17
Public debt	$1,152,376	$1,422,254
Civic government (salaries)	1,709,566	1,687,736
Administration of justice (salaries)	68,000	67,428
Legislation	89,820	167,620
Public institutions (maintenance)	467,426	472,575
Hospitals and charities	374,100	525,800
Administration of justice	378,000	308,670
Education	1,594,600	1,624,500
Transport	83,000	43,000
Revenue services	50,000	25,000
Public works	3,067,315	3,023,010
Miscellaneous	2,128,752	2,032,000

In this year's report of the estimates the service "miscellaneous" is divided into three distinct services, "Lands," upon which $565,000 is to be spent this year, and "agriculture," upon which $176,500 will probably be expended, are each given a service to themselves, thus greatly reducing the "miscellaneous" total.

Present conditions have also necessitated more and larger hospitals, the result being an unusually large increase for hospitals and charities. Last year $16,000 was voted in the way of assistance in the construction of hospitals. This year about $150,000 will probably be granted for that purpose. Grants to refuge homes, aid societies, etc., is increased from $19,000 to $80,000.

University of B. C.

Among the appropriations in this year's estimates is a conditional one of $200,000 for the University of British Columbia. Last year's estimate was $175,000. Included in the works and buildings to be constructed by the Public Works Department are the following: Okalla prison farm, $15,000; improvement of government reserve, Burnaby, $10,000; mental hospital and colony farm, Essondale, $35,000; provincial government buildings, London (completion and maintenance), $175,000; maintenance, $8,000. The appropriations provincial normal school, Vancouver, for roads, streets, bridges and wharves in each constituency are the same as last year. Chilliwack gets $33,300; Delta, $22,500; Dewdney, $68,600 and Richmond $40,000. Eighty thousand is revoted for Kingsway through the Municipality of Burnaby. Point Grey gets $10,000 for roads, and Nicomen Island the same amount for dyking; $13,500 is a subsidy for the Ladner-Woodward ferry.

The vote of $400,000 on last year's estimates for the Second Narrows bridge is left off. For bridges generally $450,000 is set down, while for the bridge over the Fraser River at Prince George there will be an appropriation of $150,000.

An item in the Land Department appropriations is that for $20,000 for "timber testing and investigation of wood products." An indication that the government intends to continue seeking overseas markets for the B. C. lumber trade is that another $50,000 is appropriated for salaries, travelling expenses, and purchase of material.

Other Appropriations.

Among the other appropriations are the following:

Grant to B. C. regiments $5,000, grant to patriotic fund $6,000, grant to boy scouts $1,000, grant to Victorian Order of Nurses $500, grant to returned soldiers' aiid commissions, $15,000; Royal Commissions $15,000 (last year $50,000), cougar bounty $35,000. Contribution to Vancouver toward purchase of certain lanes in Ward VIII., $5,000. Fraser River Bridge, New Westminster, maintenance and repairs, $20,200. Songhees Reserve improvements, $240,000.

CONGOLEUM
Floor Coverings
If you have Congoleum on your floors, you can run a mop over them and they will be cleaner than any swept floor. Congoleum is waterproof right through—water cannot injure it. Compared with printed linoleum, Congoleum is more durable, more attractive, more waterproof, yet the price is less. Congoleum requires no fastening—any one can lay it—it won't curl up.
Congoleum Rug Borders, laid next to a rug or carpet, give the actual appearance of polished oak.

YOU WANT MORE BUSINESS

We can help you to increase your business by telling all of our readers every other day:

WHO you are
WHERE you are
WHAT you have to offer
and WHY they should do business with you.

Such a service will pay you big because through us you reach every owner who is building, every architect, every contractor--everybody interested in building.

We will help you to fix up your announcement without charge. LET US BOOST FOR YOU.

THE MEDIUM.

Did you ever notice that 95 per cent. of the big successful firms are firms who advertise? They figure advertising as an investment, not an expense. The secret of advertising is the selection of a medium which reaches those people who are or will be the most likely "purchasers of your product." If you are in the building supply or machinery line don't select a moving picture publication in which to do your advertising. Because of the fact that the RECORD is the only paper published in the province devoted exclusively to the contracting business it is read by practically every one you would like to sell your products to. Your ad. where they will see it will put a capital C on your cash.

Automobile Records for B. C.

From Week Ending July 29th to Week Ending Augnst 5th

Following is a complete list of new Automobile Licenses, Transfers and Relinquishments Recorded in British Columbia: The name of person to whom transfer is made is given. The name of person making transfer may be obtained by referring to the same license number in any complete published list or by telephoning or writing to the British Columbia Record.

Where street address is given and name of town omitted the address is Vancouver.

All cars for hire are ndcated thus: (*)

NEW CARS.

No.	Name	Address	Car

Dredging for Causeway	$16,962	Vancouver	City	Owner	Owner
Alter Theatre Building	$5,000	351 Granville St.	W. P. Nicolls		

VANCOUVER—Two new bylaws dealing with such widely differing matters as smoke and milk, will be presented to the city council at the meeting of that body next Monday evening. One of the new by-laws provides for the appointment of a smoke abatement commission composed of three representative ratepayers. The other by-law provides for an amendment to the existing milk by-law which will legalize the sale of milk by grocery stores and the usual inspection of its sale under those conditions assuring regulations the same as prevail in officially inspected dairies.

MINING

A new vein has been struck on the Cassier Queen near Telkwa.

The Freddy Lee in the Slocan will be a steady shipper next year.

The power plant at Bonnington Falls now has a capacity of 40,000 horsepower.

At Sandon the Surprise-Ivanhoe mill has been completed and is breaking ore.

A copper deposit 28 miles up the Oxtail river has been bonded by New York interests who will test it with diamond drills next spring.

The Chambers group in the Slocan has been leased and bonded to J. Y. Kessler for three years. Kessler was one of the original locators of the Ruth.

Laying of 4,000 feet of 3 and 4-inch airpipe line at the California mine near Nelson is completed and about a carload of ore is ready for shipment to Trail smelter.

The Skyline, a good shipper in the early nineties, being six miles from Ainsworth, is being opened up by A. W. McCune of Salt Lake, quarters being prepared for 25 men.

M. J. Halpin of Vancouver and Donald Grant of Ainsworth have secured a lease on the No. 3 tunnel of the Whitewater mines and will start work at once.

The St. Eugene concentrator at Moyie is being remodelled to treat the ore from the Sullivan mine at Kimberley. A. G. Monkhouse has charge of the plant.

The Spanish group at Alice Arm has been bonded by men connected with Granby, the price being $100,000. The values are principally silver.

There are 250 men on the payroll of the B. C. Copper Co. at Copper Mountain and about 60 men at the Princeton colliery. This gives a payroll from over 300 miners amounting approximately to $30,000 monthly.

Approximately 200 tons of ore have been shipped from the Pathfinder mine on the North Fork of Kettle river to Greenwood smelter. The first car netted about $100, but the returns from the next three cars dropped to nearly half this amount.

Between 25 and 35 tons of ore are being produced daily at the Jackson Basin zinc mines. Of this between 10 and 12 tons are clean shipping ore which Mr. Caldwell says goes around 45 per cent. zinc.

PROPOSALS WANTED

TROUT CREEK SCHOOL.

Sealed Tenders superscribed "Tender for Trout Creek School," will be received by the Honourable the Minister of Public Works up to 12 o'clock noon of Tuesday, the 28th day of November, 1916, for the erection and completion of a small one-room school-house and out-buildings at Trout Creek, in Summerland Municipality, and the South Okanagan Electoral District.

Plans, specifications, contract, and forms of tender may be seen on and after the 9th day of November, 1916, at the office of L. Norris, Government Agent, Vernon; J. Mahoney, Government Agent, Court house, Vancouver; J. L. Logie, Secretary of School Board, West Summerland; and the Department of Public Works, Victoria.

By application to the undersigned contractors may obtain one copy of the plans and specifications for the sum of ten dollars ($10), which will be refunded on their return in good order.

Each proposal must be accompanied by an accepted bank cheque on a chartered bank of Canada, made payable to the Honourable the Minister of Public Works, for a sum equal to 20 per cent. of tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques of unsuccessful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied, signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

J. E. GRIFFITHS,
Deputy Minister of Public Works.
Department of Public Works.
Victoria, B.C., November 2nd, 1916.

NOTICE TO CONTRACTORS.

Tenders are required for the erection, plumbing and heating of Tuberculosis Ward in connection with the Provincial Royal Jubilee Hospital.

Plans and specifications may be seen at the office of the undersigned, to whom tenders must be delivered not later than 5 p.m. on the 30th instant. The lowest or any tender not necessarily accepted.

J. C. M. KEITH,
Architect.
416 Sayward Building,
Victoria, November 22, 1916.

PROPOSALS WANTED

MISCELLANEOUS PROPOSALS

VICTORIA—The B. C. Electric Ry. Co., is calling for tenders for 500 cedar poles. Specifications can be obtained from purchasing dept.

VICTORIA—The Canadian Explosives Ltd., Arcade Bldg., are calling for tenders for the construction of a wharf at the James Island plant. Plans and specifications may be seen at the above office.

VICTORIA—Sealed tenders are being invited by the minister of lands for the purchase of timber license X719, under which may be cut 7,230,000 feet of dead and down cedar and 1,000 cords of shingle bolts, on an area adjoining Powell Lake, and timber license X768 under which may be cut 182,600 feet of yellow pine and Douglas fir on an area adjoining lot 1417, Nicola River. Three years is allowed for the removal of the timber in the former case and eight months in the latter.

OTTAWA—The Joint Committee on Reconstruction of the Parliament Buildings desire to use Canadian stone for the interior finish of the corridors and chambers, provided it can be obtained in proper dimensions and of suitable quality, texture and color, and at fair and proper prices and delivery made within a reasonable time.

Prices and samples of sandstone, marble, limestone and granite will be received by John A. Pearson, Architect, and J. O. Marchand, Asso. Architect, Centre Block, Parliament Hill, Ottawa, until 4 p.m., December 5th, 1916.

About 150,000 cubic feet more or less of stone is required for the interior lining of the corridors, lobbies, chambers, etc. A stone that is light in color, either light grey or buff, will be preferred, medium to fine grained in texture, uniform in color and free from veins, iron stains, vents and other defects of this nature.

Give description of the quarry, and state the thickness of beds and dimensions of the stone that can be supplied, submit a three-inch by three-inch by five-inch sample, and state price per cubic foot delivered f.o.b. Ottawa; also the date on which delivery can be commenced and the number of cubic feet that can be supplied per month.

Envelopes containing prices to be marked "Interior Stone."

NABOB COFFEE

—is strictly high-grade—a combination of Mocha and Java.

From the plantation to the cup, all the processes through which "Nabob" passes are strictly sanitary.

The blending—the roasting—the grinding—follow an exact scientific formula which ensures absolute Coffee perfection.

And it also ensures absolute uniformity—an exceedingly important point—day in and day out.

A user of "Nabob" knows this—those who are not drinking "Nabob" are surely missing one of the Joys of the culinary art.
