BUILDING PERMITS

8271—frame shed, 101 Dufferin St. W. W. G. Scripps Lbr. Co. owners \$200.

KERRISDALE—Henry Floyd, C.M.C. will receive tenders up to noon Monday, October 16th for the supply of five hundred feet of 2 1/2-inch rubber-lined standard fire hose.

VANCOUVER—Announcement is made by Mr. Robert Dollar, the steamship owner and lumberman, that he will in the near future commence the construction of a big saw mill somewhere on Burrard Inlet.

WEST VANCOUVER—It is announced that the Vander River Shingle Co. of Chilliwack has acquired the extensive cedar limits of Frank King at West Vancouver. The company will establish a large shingle mill here in the near future, it is stated.

EBURNE—S. Shepherd, C. M. C. will receive tenders up to noon Monday, October 16th for cutting brush and cleaning canal ditches in the Lulu Island Local Improvement District to the level of the bottom of the flood boxes, a distance of about seventeen miles.

VANCOUVER—The Canadian Northern Pacific Ry. Co. has let the contract for the freight shed and freight offices to be erected at False Creek, Vancouver to MacDonald, Nettleton & Bruce of Victoria. The contractors will open an office in the Vancouver Block this city today or tomorrow.

VANCOUVER—Grant, Smith & Co. and McDonnell, Ltd. are receiving tenders for excavating, laying pipe and back filling for a 42-inch reinforced concrete sewer for drainage purposes at the Great Northern Ry. terminals at False Creek. The trench will average ten feet in depth and will be 1200 feet long.

VICTORIA—The minister of public works will receive tenders up to noon, Tuesday, October 24th for the erection of a two-room school and out-building at Silverton, Slooan Electoral District. Plans, specifications, etc. may be seen at the office of the Provincial Constable, Silverton; R. J. Stenson, Government Agent, Kaslo; J. Cartmel, Government Agent, Nelson; or the Department of Public Works, Victoria.

PRINCE GEORGE—The industrial reawakening which seems now to be well started in British Columbia, has reached this district, which suffered perhaps more than any other through the shutting down of railway construction and other large projects owing to the war. As at the coast, the change so far is most noticeable in the lumber industry. All the mills here have been working to capacity for some time past and now the Willow River Co., a concern with considerable American capital behind it, announces it will move its large mill at once from Willow River to Eaglet Lake, a few miles east, and commence to cut as soon as possible. This mill, it is stated, will cut from 20,000,000 to 30,000,000 feet of lumber yearly and employ from 150 to 200 men steadily. A narrow gauge railway will be built to carry logs to the new mill site at Eaglet Lake.

VANCOUVER—About \$300 damage has been caused in a Chinese restaurant at 91 Pender St. East by fire.

VICTORIA—Provincial appointments gazetted last week by the executive council are those of John H. Glass, Penticton, as Justice of the Peace, and of Dr. J. G. McKay, Gilbert Matthews and Gowan Macgowan, as trustees of the Essondale school district, to serve for three, two and one years, respectively.

VANCOUVER—At the forthcoming annual convention of the forest protective organizations of the Pacific Coast, comprising the Western Forestry and Conservation Association with State and Federal and British Columbia forest interests, papers will be presented by Mr. M. A. Grainger, chief of the British Columbia forest service, who will take as his topic, "What British Columbia is Doing to Help its Lumber Business," and by Mr. H. R. MacMillan, late Timber Trade Commissioner of Canada, who will deal with the "Necessity of International Co-operation: Forest and Lumber Problems, Canada and the United States Cannot Solve Independently."

PROVINCIAL ESTIMATES ARE TABLED IN THE HOUSE

VICTORIA—A revenue of \$1,191,000 and an expenditure of \$1,191,000 for the year commencing April 1 next is predicted in the provincial estimates which were tabled in the House by Hon. Louis Campbell, Minister of Finance, on Monday.

Summary of Expenditure

The summary of estimated expenditure indicates that in four of the Government departments there will probably be an increased expenditure over last year. In the rest a reduction is predicted.

The following are the totals: Public debt, \$1,152,376; \$1,422,254; Civic government (salaries), 1,709,566; 1,687,736; Administration, 68,000; 67,428; Justice (salaries), 89,320; 167,626; Public institutions (maintenance), 467,426; 472,575; Hospitals and charities, 374,100; 526,800; Administration of, 78,000; 308,670; Education, 1,594,800; 1,624,500; Transport, 82,000; 43,000; Revenue services, 50,000; 25,000; Public works, 3,067,752; 3,032,000; Miscellaneous, 1,128,752; 2,032,000.

In this year's report of the estimates the service "miscellaneous" is divided into three distinct services. "Lands" upon which \$505,000 is to be spent this year and \$475,000 in 1932, of which \$176,500 will probably be expended, are each given a service to themselves, thus greatly reducing the "miscellaneous" total.

Present conditions have also necessitated more and larger hospitals. The result being an unusually large increase for hospitals and charities. Last year \$16,000 was voted for the construction of hospitals. This year about \$150,000 will probably be granted for that purpose. Grants to refuge homes, and social centres, is increased from \$19,000 to \$50,000.

NABOB COFFEE

is strictly high-grade—a combination of Mocha and Java. From the plantation to the cup, all the processes through which "Nabob" passes are strictly sanitary. The blending—the roasting—the grinding—follow an exact scientific formula which ensures absolute Coffee perfection. And it also ensures absolute uniformity—an exceedingly important point—day in and day out. A user of "Nabob" knows this—those who are not drinking "Nabob" are surely missing one of the Joys of the culinary art.

VICTORIA—The building inspector having refused to issue a building permit to McCarter Brothers for the reconstruction of their shingle mill on the ground that as its walls were within the fire limits it must be of solid construction, the owners appeared before the council at the last meeting to plead the reasons why the new by-law requirements should not be enforced too strictly when doing so would mean that a local industry which has had the misfortune to suffer by fire would be driven out of the city.

Mr. McCarter explained to the council that the building which the firm intends to erect would be of galvanized iron sheathing and that the sawdust and debris from the mill would be utilized under the boilers. The fire warden, fire chief and building inspector are to meet the owners this week at the proposed site of their mill to inspect their plans and discuss the matter.

DEPARTMENT OF WORKS

NOTICE TO CONTRACTORS

SILVERTON SCHOOL. Sealed tenders, superscribed "Tender for Silverton School," will be received by the Hon. the Minister of Public Works, up to 12 o'clock noon of Tuesday, the 24th day of October, 1916, for the erection and completion of a two-room school and outbuilding at Silverton, in the Slocan Electoral District, B. C.

Plans, specifications, contract and forms of tender may be seen on and after the 11th day of October, 1916, at the office of the Provincial Constable, Silverton, B. C.; Mr. R. J. Stenson, Government Agent, Courthouse, Kaslo; Mr. J. Cartmel, Government Agent, Courthouse, Nelson, or the Department of Public Works, Victoria, B. C.

Intending tenders can obtain one copy of plans and specifications of the above school by applying to the undersigned with a deposit of ten dollars (\$10), which will be refunded on their return in good order.

Each proposal must be accompanied by an accepted bank cheque on a chartered bank of Canada, made payable to the Hon. the Minister of Public Works, for a sum equal to 20 per cent. of tender, which shall be forfeited if the party tendering declines to enter into contract when called upon to do so, or if he fails to complete the work contracted for. The cheques of unsuccessful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied, signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted. J. E. GRIFFITH, Deputy Minister and Public Works Engineer. Public Works Department, Victoria, B. C., October 3rd, 1916.

VICTORIA—Tenders are being asked for by the chief forester for the purchase of timber license X690, under which may be cut one million feet of cedar, larch, fir and white pine, one million feet of cottonwood and 5,000 cords of posts, on an area adjoining lot 491, Goat River, Kootenay district. One year will be allowed for the removal of the timber.
