BUILDING NEWS
And Construction Work not otherwise Classified.

BUILDING PERMITS.

8784—Alter res., 1165 Davie St.; H. A. Wiles, contr.; $400.

VANCOUVER—It is stated that plans have been prepared by Archt. F. L. Townley for the construction of a two-story brick building to be erected at Carrall and Pender St., on the site of the old Great Northern Depot, for a Chinese. No tenders have been received as yet.

GRAND FORKS—President W. T. Beck of the Spokane and British Columbia Railway and two directors of the company—F. McPhillips of Toronto, and J. B. O'Brien of Renfrew, Ont., were in conference here during the past few days over the proposed extension of the lines from Republic to Spokane.

SEATTLE—The O.-W. R. R. & N. Co. has awarded a contract to the Nettleton-Bruce-Eschbach Co., American Bank bldg., for the reconstruction of the railway bridge over the Chehalis River at Galvin and the Skookumchuck River just west of the limits of Centralia. The contractors have furnished a $25,000 bond to guarantee the completion of the work.

VICTORIA—As a number of difficult points have arisen in the framing of the new building bylaw, action on it was postponed last week. To help him in clearing up some of the knotty points, the Mayor had Aldermen Sargent, Peden and Christie appointed as a special advisory committee. The difficulties have to do chiefly with the classification of the several areas.

VICTORIA—After Mayor Todd last week proded the Esquimalt & Nanaimo Railway for its delay in negotiating with the city for the construction of a new harbor bridge, the city council in a secret session decided to bring the delay to the attention of the Dominion Railway Commissioners. The city is pointing out to the commission that nothing has yet been done about the offers made by the city on August 8th for the settlement of the question.

LADYSMITH—The plant of the Ladysmith Smeltering Corporation, Ltd., at Ladysmith, which was recently shut down for necessary repairs, will shortly be reopened for the treatment of ores. New matte tanks are being installed, a conveyor put down to permit the handling of ore to the smelter with greater facility, and other necessary work carried out. With the reopening of the plant the company will be in a position to operate the smelter to its full capacity.

VANCOUVER—Although it is practically certain that Evans, Coleman & Evans Ltd., will build on Industrial Island, some details remain to be settled and it may be several days before definite information as regards construction work is at hand. The only information available yesterday was that the buildings to be erected will comprise an industrial project second to none in Vancouver, that is any which have been projected in Vancouver during the last three years.

BUSINESS NOTES.
and other items of interest to the business man.

NANAIMO—The Street Committee reported to the Council this week that it had come to the conclusion in view of unsettled weather conditions and the straitened conditions of civic finances it would be unwise to paint the Millstream bridge at the present time and recommended the matter be taken up at the first of the year by the 1918 Council.

VANCOUVER—Tenders were received by the civic fire and police committee at its meeting Tuesday, from a number of local agents for Canadian rubber firms for 3,000 feet of fire hose for the fire department. The tenders were referred to Fire Chief Carlisle for tabulation and report to the city council meeting next Monday when it is propable that the contract will be awarded.

VANCOUVER—J. T. Paxton, receiver and manager of the British Canadian Lumber company, will apply to the supreme court next week for sanction to dispose of the assets of the company. These include the big mill at New Westminster which has never operated, a mill near Nelson, 10,000 acres of freehold land in the West Kootenay district near the Slocan river and 253 provincial timber licenses. Mr. Paxton is making the application at the instance of the holders of eight per cent. three-year-old collateral gold notes issued him as receiver of the company during the past two years.

VANCOUVER—The Pacific logging congress will hold its ninth session at Seattle on October 18, 19 and 20. George M. Cornwall, editor of The Timberman, Portland, and secretary of the congress, has arrived in Vancouver with a view to arousing interest among the logging and lumber men of this province. Mr. Cornwall says that an excellent programme has been arranged, which will include a trip to the Admiralty Logging company's modern camps. The annual banquet will be held at the Hotel Washington. E. J. Palmer, manager of the Victoria Lumber & Manufacturing Co., Chemainus, will be the British Columbia executive member.

KASLO—An important mining deal has just been closed whereby the Surprise mine takes possession of the interests of the Monitor and Ajax Fraction properties in the Slocan, consisting of the concentrator at Rosebery, the Bosun mine between New Denver and Silverton and the Monitor mine at Grand Forks.

Operations are already under way around the Bosun, and it is stated by Supt. McFadden of the Surprise that the Bosun dump will be sent to the Roseberry mill for concentration, as soon as possible. There is a considerable quantity of milling ore on the dump at the Bosun.

The lease held by J. P. Keane in respect to the mill at Rosebery is also being taken over, and the Surprise people will take care of the uncompleted contracts for custom milling for the Lucky Jim. The mill at Sandon, which has been working on Surprise ores for two years past, will continue as usual on ore from the Surprise.

TIMBER SALE X 173

Sealed tenders will be received by the Minister of Lands not later than noon on the 29th day of October, 1917, for the purchase of Licence X 173, to cut 2,520,000 feet of Douglas fir and cedar on an area situated near Pender Harbor, N.W.D.

Three years will be allowed for removal of timber.

Further particulars of the Chief Forester, Victoria, B. C., or District Forester, Vancouver, B. C.

TIMBER SALE X 160

Sealed tenders will be received by the Minister of Lands not later than noon on the 29th day of October, 1917, for the purchase of Licence X 160, to cut 3,188,000 feet of Douglas fir and cedar on an area situated on Sakinaw Lake, N.W.D.

Three (3) years will be allowed for removal of timber.

Further particulars of the Chief Forester, Victoria, B. C., or District Forester, Vancouver, B. C.

PROVINCIAL ESTIMATES ARE TABLED IN THE HOUSE

VICTORIA—A revenue of just under $6,000,000 and an expenditure of $11,000,000 for the year, commencing April 1 next is predicted in the provincial estimates which were tabled in the House by Hon. Lorne Campbell, Minister of Finance, on Monday. The revenue shows a falling off of about $1,000,000 for the anticipated revenue for this year, while the expenditures show a slight increase.

The exact estimated revenue is $5,-844,015, as compared with $7,134,615 for the present year, a difference of $1,095,-000. The estimated disbursements are $11,301,374, as compared with $11,163,-956 for the previous year, an increase of $138,000. The increase is more than accounted for by the increased fixed charges, which are over $300,000.

Summary of Expenditure.

The summary of estimated expenditure indicates that in four of the 14 Government services there will probably be an increased expenditure over last year. In the rest a reduction is predicted.

The following are the totals:

	1915-16.	1916-17.
Public debt	$1,152,376	$1,422,254
Civic government (salaries)	1,709,566	1,687,726
Administration of justice (salaries)	68,000	67,428
Legislation	89,820	167,62v
Public institutions (maintenance)	467,426	472,575
Hospitals and charities	874,160	526,809
Administration of justice	275,000	295,670
Education	1,564,600	1,624,500
Transport	85,000	43,000
Revenue services	50,000	55,000
Public works	3,067,315	3,023,010
Miscellaneous	2,128,752	2,032,000

In this year's report of the estimates the service "miscellaneous" is divided into three distinct services. "Lands," upon which $565,000 is to be spent this year, and "Agriculture," upon which $176,500 will probably be expended, are each given a service to themselves, thus greatly reducing the "miscellaneous" total.

Present conditions have also necessitated more and larger hospitals, the result being an unusually large increase for hospitals and charities. Last year $10,000 was voted in the way of assistance in the construction of hospitals. This year about $150,000 will probably be granted for that purpose. Grants to refuge homes, aid societies, etc, is increased from $19,000 to $80,000.

University of B. C.

Among the appropriations in this year's estimates is a conditional one of $200,000 for the University of British Columbia. Last year's estimate was $175,000. Included in the works and buildings to be constructed by the Public Works Department are the following: Okalla prison farm, $15,000; improvement of government reserve, Burnaby, $10,000; mental hospital and colony, farm, Essondale, $35,000; provincial government buildings, London (completion and maintenance), $175,000; maintenance, $8,000. The appropriations provincial normal school, Vancouver, for roads, streets, bridges and wharves in each constituency are the same as last year. Chilliwack gets $33,200; Delta, $22,500; Dewdney, $68,500, and Richmond $40,000. Eighty thousand is revoted for Kingsway through the Municipality of Burnaby. Point Grey gets $10,000 for roads, and Nicomen Island the same amount for dyking; $13,500 is a subsidy for the Ladner-Woodward ferry.

The vote of $400,000 on last year's estimates for the Second Narrows bridge is left off. For bridges generally $450,-000 is set down, while for the bridge over the Fraser River at Prince George there will be an appropriation of $150,-000.

An item in the Land Department appropriations is that for $20,000 for "timber testing and investigation of wood products." An indication that the government intends to continue seeking overseas markets for the B. C. lumber trade is that another $50,000 is appropriated for salaries, travelling expenses, and purchase of material.

Other Appropriations.

Among the other appropriations are the following:

Grant to B. C. regiments $5,000, grant to patriotic fund $6,000, grant to boy scouts $1,000, grant to Victorian Order of Nurses $500, grant to returned soldiers' aiid commissions, $15,000; Royal Commissions $15,000 (last year $50,000), cougar bounty $35,000. Contribution to Vancouver toward purchase of certain lanes in Ward VIII., $5,000. Fraser River Bridge, New Westminster, maintenance and repairs, $20,200. Songhees Reserve improvements, $240,000.

THE MEDIUM.

Did you ever notice that 95 per cent. of the big successful firms are firms who advertise? They figure advertising as an investment not an expense. The secret of advertising is the selection of a medium which reaches those people who are or will be the most likely "purchasers of your product." If you are in the building supply or machinery line don't select a moving picture publication in which to do your advertising. Because of the fact that the RECORD is the only paper published in the province devoted exclusively to the contracting business it is read by practically every one you would like to sell your products to. Your ad. where they will see it will put a capital C on your cash.

Automobile Records

FROM AUGUST 8 TO SEPTEMBER 5

Following is a complete list of new Automobile Licenses, Transfers and Relinquishments Recorded for Vancouver and District.

Where street address is given and name of town omitted the address is Vancouver.

All cars for hire are ndcated thus: (*)

NEW WESTMINSTER — Tenders are invited for the mail service over the proposed Langley Prairie rural mail route No. 2. They must be in the hands of the department at Ottawa on or before November 2. The service calls for a delivery three times a week, and is over a distance of 14 miles.

VANCOUVER—No tax sale will be held this year in Vancouver, according to a statement made by Ald. Kirk, chairman of the civic finance committee. However, should property owners not pay their taxes in sufficient volume by early in the new year, a sale will be held about March, covering all delinquent taxes up to and including 1915.

PRINCE RUPERT—J. S. Emerson is spending the week in town looking into his different milling and logging interests. He has made an inspection of the saw mill being built at Seal Cove for the Prince Rupert Lumber Company. This enterprise is making substantial progress and within another month or so should be in operation.

MINING.

the W. K. P. Co., on its route to Princeton will run through McKinney.

A bunker and wharf will be built at the Monitor Copper Mine, 18 miles from Port Alberni.

In district 18, 29 mines are producing 22,000 tons of coal a day. The coke output is not yet normal.

It is said that the Hedley Gold Mining Company recently placed a $10,000 order for machine drills.

of Claresholm. The Monday, Sunday, Yvonne and Empire claims comprise the group, and development carried on several years ago opened some rich lead sulphite, copper and zinc.

Beginning this month, the pay-days in Trail will be on the 10th and 23rd, and after that on the 8th and 23rd—to comply with the new law enacted by the British Columbia legislative assembly. These semi-monthly pay-days should see from $75,000 to $85,000 distributed here on each occasion.

At the Efanjoy Gold Mining Company's property near Tulameen, platinum is being dug and concentrated in a small plant scarcely more than a toy, but nevertheless turning out concentrates running from $2000 to $5000 a ton. Three hundred pounds of dirt make about one pound of concentrates in this reduction.

The average metal content of hand-sorted ore from the Le Roi No. 2 properties in 13 years was .8142 ounces of gold, 1.0627 ounces of silver and 39.08 pounds of copper, it is gathered from the corporate reports. The mill ore averaged .11 ounce of gold, a little silver and one-half of 1 per cent. of copper. The increase in the price of silver has added about 40 cents a ton to the value of the ore.

The Granby Consolidated Mining, Smelting & Power Company declared its regular quarterly dividend of $374,962 last week in New York. This dividend is the third of its size declared by the Granby this year. This disbursement will raise the dividends for the year to $1,124,886 and the grand total to $7,901,703.

Standard Silver-Lead last week declared its regular quarterly dividend of $100,000, payable Oct. 15th. This payment makes $600,000 paid this year, or a total of $2,700,000, the capital being $2,000,000. This year the mine, located at Silverton has sent over 7,000 tons or silver-lead and zinc ore and concentrates to the Trail smelter.

TIMBER SALE X 361.

Sealed tenders will be received by the Minister of Lands not later than noon on the 28th day of November, 1917, for the purchase of Licence X361, to cut 6,290,00 feet of Douglas fir, hemlock, cedar and spruce on an area situated on Agamemnon Channel, N.W.D.

Three (3) years will be allowed for removal of timber.

Further particulars of the Chief Forester, Victoria, B. C., or District Forester, Vancouver, B. C.

PROPOSALS WANTED

VICTORIA—The Public Works Department is calling for tenders for the erection of an addition to Granby Bay School, at Anyox, bids to be in by October 16.

VANCOUVER—Sealed tenders will be received by C. C. Worsfold, acting Supt. of Dredges up to 4 p.m. Wednesday, October 10, for repairs and general overhaul of the Departmental Dredge No. 303 ("Fruhling"). Specifications can be seen at the office of A. H. Mitchell, Acting District Engineer, Victoria, and at the offices of Mr. Worsfold, New Westminster and 614 Birks Bldg., Vancouver.

SYNOPSIS OF COAL MINING REGULATIONS.

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories and a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 per acre. No more than 2,560 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall permitted to purchase whatever available surface rights may be considered necessary for the working of the mine furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined, and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be at the rate of $10 per acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.
