BUILDING PERMITS

CITY HALL CLOSED

On account of the city hall being closed Saturday no permits were obtainable for this issue.

NEW QUARTERS FOR BANK OF MONTREAL IN NANAIMO

Architect Honeyman & Curtis, Credit Foncier Building are preparing plans for alterations to a building in Nanaimo which will be remodelled for the Bank of Montreal.

NEW VICTORIA HOME

Architects Maclure & Lort, 405 Credit Foncier Building, are preparing plans for an attractive bungalow to be built in Victoria for Col. Bennett. Notice will be given as soon as the plans are ready for figures.

CONTRACT AWARDED FOR ALBERNI INDIAN SCHOOL

Parfitt Bros., 1303 Gladstone Avenue, Victoria, have been awarded a contract for the construction of the Alberni Indian School, at a cost of $65,000.

CONTRACT AWARDED FOR SHAUGHNESSY HOME

Construction work will be started next week by the Vernon Construction Co., 434 Richards Street on the erection of a seven room home on Shaughnessy Heights for Mr. F. Vanalle at a cost of $6,000.

LOCAL HEBREWS PLAN $40,000 SYNAGOGUE

In order to relieve the extreme congestion which has prevailed for some time in the local Hebrew school, in the 500 block, Heatley Avenue, plans are under way and have been practically perfected by the local Hebrew colony for the erection of a new Hebrew synagogue and school at a cost of $40,000.

The site for the new synagogue has not yet been definitely chosen but several suitable ones are now being negotiated for. It will be a two-story structure, of modern brick and concrete construction. The upper floor will contain a large auditorium while class rooms will take up the ground floor.

FOUR MORE BIG SHIPS ARE TO BE BUILT HERE

According to Ottawa advices, the contracts are to be awarded this week to two Vancouver shipyards for four more steel ships to be built for the Dominion government. The Wallace Shipyards are said to be practically sure of getting the award of three of the four vessels, while the Coughlan shipyards will build the fourth,, it is reported. It is undertsood the government will award the contracts on the basis of $165 a ton, and that all four of the vessels will be of the 8,100 ton, single deck, freight carrier type. It is rumored that the reason only one vessel is to be awarded the Coughlan yards is because the government has practically decided to approve of the plans submitted by J. J. Coughlan & Sons for a modern drydock, which means that the firm will receive the government 4½ per cent. bonus on the construction of a $5,000,000 graving dock.

FIFTY-THREE BUILDINGS ON CONDEMNED LIST

VICTORIA—Fifty-three building in the city are under suspicion by the city health officials and the Aldermen as being insanitary and in a dilapidated condition, following a tour of inspection the officials made recently.

Owners of these buildings are being summoned to appear before a court of enquiry at the City Hall beginning November 7, to show reason why these buildings should not be removed at once.

TWO ENGINEERS ARE PUT ON HARBOR BOARD

Much satisfaction is being expressed in technical, professional and contracting circles all over the city regarding the Dominion government's choice for the two new members of the board of harbor commissioners. In the appointment of Lieut.-Col. G. H. Kirkpatrick, D.S.O., and Major A. R. Mackenzie, the federal authorities have not only chosen two returned soldiers who rendered distinguished service to the Empire in the great war, but has also picked two practical civil engineers whose technical training and professional knowledge, as well as perhaps some new wrinkles picked up overseas, will be of real, practical value to the community in their new duties as harbor commissioners. Comment made editorially.

OPINIONS

Pain and Drug Reporter says:—it is stated that the paint industry of this country only produces goods to the value of $100,000,000 a year, and that the business should be much larger than it is. Without gain saying this statement, it might be mentioned that the industry is very busy just now keeping up with the demand, and that in many lines producers are still behind with their orders. In many lines production can not be increased in a day or a week. It is said that it takes four months for a plant producing leads to be placed on a plane of greater production. It might be mentioned

OFFICIAL ORGAN.
The British Columbia Record is the official organ of The Architectural Institute of British Columbia, federated with The Royal Architectural Institute of Canada, and The Engineering & Technical Institute of British Columbia, and as such is used by them as the medium through which to make their official announcements to the general public.
By such selection the British Columbia Record is no wise pledged to editorial support of any policy advanced by these societies, but maintains an absolutely independent position on all matters subject to editorial opinion.

ALL PRACTICAL MEN ON HARBOR BOARD NOW

While there may have been wide differences of opinion in regard to the suitability and fitness of some of the appointees to federal government positions here in the past, there is a singular and satisfactory unanimity of opinion in business, professional and technical circles in regard to the two new members who have been named on the Vancouver Board of Harbor Commissioners. Without any desire to be in the slightest degree derogatory to the former personnel of the harbor board, it was generally conceded that it did not comprise the best possible selections for such an important administrative body as one controlling such an important port as this is destined to be. With the addition of the two new soldier-engineer members however, there is not only practical experience available on the board, but it would be hard to get three better qualified men to direct the carrying out of the big programme of improvements in connection with the expenditure of some $5,000,000 in harbor developments than the trio of men who now comprise the harbor commissioners.

Incidentally, the appointment of the two new members meets with the hearty endorsation of the B. C. Technical Institute, as it follows the general recommendation of that body that only technically trained men should be appointed to such positions as these which call for special and technical training.

In Col. G. H. Kirkpatrick, D.S.O., former O. C. of the 72 Seaforth Battalion, the harbor board has an able chairman. For in addition to being a returned soldier and a civil engineer of wide experience, Col. Kirkpatrick has a thorough knowledge of local conditions and knows the present shortcomings of Vancouver's harbor as well as the best features of other ports on the Pacific.

Major A. R. Mackenzie, the other new appointee to the board, is also a soldier who has rendered valuable service to the empire overseas as a member of the Canadian Engineers. He too is a civil engineer by occupation and for a number of years has specialized in hydraulic and electrical construction work. He has supervised and carried out a number of important hydraulic installations in Europe and South Africa, and one of the latest undertakings which he carried to a successful conclusion was the big dam and power plant of the Western Canada Power Company at Stave River falls.

The government paid a decided and merited compliment to Mr. Sam McClay, in re-appointing him to the board. He was the only one of the three former members of the board so honored. Mr. McClay possesses much practical experience in construction work, particularly in masonry and concrete, and besides he has made a deep study of the port development question and has a wealth of valuable information at his finger-tips.

With such a well qualified and nicely balanced board, great things may be expected in the way of capable administration and expedition in carrying out the contemplated improvements.

MODERN ELECTRIC CONVENIENCES
are imperative in the up-to-date house. If you are building, see that your architect or contractor includes the latest equipment.
Wire your house for an electric range. Do without the kitchen chimney.
Put wall or baseboard plugs in every room, to be ready for electric labor-saving appliances.
Have your meter box open to the outside, so that meter reader will not disturb you at home.
B. C. Electric

GIANT TRUCKS

1--2--3½ TON CAPACITIES
are a perfect assembly of highly standardized units, to which is added an exclusive feature, viz.: the Duntley Generator, which permits the burning of low-grade fuels. Distillate at 23c per fallon instead of gasoline at 33c per gallon effects a saving that the shrewd buyer will not overlook.
Investigate the merits of this truck; inquire into our "Service" before purchasing.

(Continued from page 1)

that the corroders are behind with their orders, although production is at this time last year. How long this now considerably greater than it was ruch is going to continue is a question that different people in the trade have different ideas about. Some hold that just now the rush is because of the fact that orders were held back for a long time, and that in the end prices will curtail production unless prices can be reduced.

3457—Mr. Risley, Beatrice St., addition, $100.

MINING

Frank Helme, who recently bonded the Silver Bear group from Chas. Jackson and Frank Walker, owners, opened up such a fine showing that he has re-bonded the property to Greene Brothers, of Kaslo, for $100,000. Shipments are being made from the property now.

Among other minerals found in the Poplar Creek district is platinum. On the Rio Tinto group assays have been made, running $12 in platinum and $3 in gold. It is also reported that platinum-bearing rock has been found at Gold Hill, about four miles from Poplar Creek.

TO CALL TENDERS NEXT WEEK FOR ROUND HOUSE

VICTORIA — Thirty-six thousand yards of material have been removed from the Canadian National Railways terminal site on the Songhees Reserve by the contractors, Palmer Bros., and it is expected that within a short time the remaining 10,000 yards will have been shifted. Work will then commence on laying the three miles of trackage. Tenders for the construction of a round house will be called for next week.

ASK TENDERS FOR REPAIRS TO OLD PEOPLE'S HOME

Tenders are being invited to October 8th, by the City of Vancouver for repairs to the Old People's Home.

Notice of tender appears elsewhere in these columns.

PACIFIC GREAT EASTERN RAILWAY COMPANY

NOTICE TO CONTRACTORS

Sealed tenders addressed to the undersigned and marked "Tender for the supply, fabrication and erection of steel for superstructure, Deep Creek Viaduct," will be received at this office until 12 noon, October 15, 1919. Plans and specifications may be seen at the office of the Department of Railways, Victoria, B. C., and the office of the Pacific Great Eastern Railway, Vancouver Block, Vancouver.

An accepted bank cheque for the sum of twenty thousand dollars ($20,000), made payable to the order of the Hon. the Minister of Railways, must accompany each tender, which sum will be forfeited if the party tendering declines to enter into contract for the work at the rates stated in the offer submitted.

The cheques thus sent in will be returned to the respective contractors whose tenders are not accepted.

The lowest of any tender not necessarily accepted.

A. P. PROCTOR,
Chief Engineer.

CITY OF VANCOUVER

NOTICE TO CONTRACTORS.

Tenders will be received by the undersigned up to noon on Wednesday, October 8th, 1919, for repairs to Old People's Home.

Specifications may be seen in the office of the Building Inspector, City Hall.

A deposit of an amount equal to five per cent. of the contract price must be made with each tender, by marked cheque payable to the City Treasurer.

The lowest or any tender, not necessarily accepted.

WM. McQUEEN.
City Clerk.

City Hall, Vancouver, B. C.,
October 1st, 1919.

NOTICE TO CONTRACTORS.

SOLDIERS' HOUSING.

Sealed Tenders, superscribed "Tender for Six-room Cottage for Mr. Clay" (or as the case may be), will be received by Commissioner Gillespie up to 12 o'clock noon of Monday, the 6th day of October, 1919, for the erection and completion of the following houses in South Vancouver Municipality, viz.:

Mr. Clay, 5-room bungalow on S. D. 37, D. L. 740, situate on 58th Ave., near Fraser Street.

Mr. Carr, 6-room bungalow, Lot 1, Blk. 5, 6, 7, 8, D. L. 327A, situate at cor. Windsor and Marine Drive.

Mrs. Clark, 6-room bungalow on Marine Drive, near Windsor Street.

Mr. Davies, 6-room house on Lot 82, Blk. 29, D. L. 391-2, situate at Knight Road, between 26th and 27th Aves.

Mr. Hanna, 6-room cottage, Lots 19 and 20, Blk. 4, D. L. 663, situate on Windsor Street and 47th Avenue.

Mrs. Killen, 5-room bungalow, Lots 33 and 34, Blk. 2, D. L. 663, situate on Prince Albert Street and 49th Ave.

Mr. Messenger, 4-room bungalow, Lots 1 to 5 inclusive, Blk. 10, S. D. "A," D. L. 327, situate on 65th Avenue and Ross Street.

Mrs. Tingley, 5-room bungalow, Lots 19 and 20, Blk. 4, D. L. 326A, situate on 62nd and Prince Edward.

Mr. Wilson, 5-room bungalow, Lot 15, N. ½ Blk. 10 D. L. 656, on 60th Ave., near Main Street.

Plans, specification, contract and forms of tender may be seen on and after Thursday, October 2nd, 1919, to and including Monday, October 6th, 1919, between the hours of 10 o'clock and 12 o'clock in the forenoon, at the office of the Municipal Clerk, Municipal Hall, 43rd Avenue and Fraser Street, South Vancouver.

Each proposal must be accompanied by an accepted cheque on a chartered bank of Canada, made payable to Commissioner F. J. Gillespie, for a sum equal to 10% per cent. of tender, which shall be forforfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques of unsuccessful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied, signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

W. T. RILEY,
Municipal Clerk.
