BUILDING PERMITS.

$295—Repair bldg. 928 Commercial Drive, John Sing Kee, owner, $100.

VANCOUVER—It is understood that Purdy & Lonergon, 1340 Barclay St., are low tenderers for the construction of the Shaughnessy Heights Golf Club building. As Architect Bernard Palmer has been instructed to award the contract to the low bidders, the above firm will in all probability get the job.

NORTH VANCOUVER—Acting Engineer Clucas' suggestion that more money should be appropriated for his department to permit of certain needed improvements being carried out before the wet weather sets in has met with the approval of the board of works and it is likely that a favorable decision will be made at the council meeting on Monday evening.

VICTORIA—It is understood that at the next meeting of the city council a resolution will be introduced asking permission for the preparation of a bylaw, to be submitted to the ratepayers in January, for a public slaughter house at Garbally road. The scheme will be a cheap, inexpensive one, not exceeding $5,000, but adequate for the purposes needed.

VANCOUVER—Ald. Kirk informed the civic finance committee last week that there is approximately only $40,000 remaining out of the by-law money to be spent this year. He suggested that the amounts making up this total should be lumped together, and that the most important work for the general good of the city should take precedence on the pro rata plan.

NEW WESTMINSTER — Councillor Morrison, chairman of the water committee of the Coquitlam council, waited on the city council last week to ask that a deputation accompany him to Victoria with the object of finding out why the provincial government is withholding assent to the municipality's bylaw to raise funds for a waterworks system, the rumored reason being that the government does not admit the right of this city to sell water. On Mayor Gray's advice, it was decided to postpone this journey until the new government takes office.

VICTORIA—At the first of the month there had been opened as new post offices in this province, Garsvold, in Comox-Atlin, and Vallican, in Kootenay. The summer office of Caspaco, in Comox-Atlin, has been made a regular office.

VICTORIA—Notice is given of warning not to obstruct access to the fire hydrant downtown and of the intention to proceed against offenders who prevent firemen having free access to signal boxes and hydrants in the city streets.

NEW WESTMINSTER—A new improved type of shingle machine will be installed in the Dominion Cedar and Shingle Company's shingle mill now in course of construction adjoining the Lulu Island bridge. It is known as the Acme, and is the first of its kind to be used in this vicinity. The Schaake Manufacturing Co. is making these machines.

BUSINESS NOTES.
and other items of interest to the business man.

VANCOUVER — Vancouver bank clearings for the week ending Thursday, amounted to $7,589,912.

VICTORIA—Victoria bank clearings for the week ending Oct. 19, totalled, $1,707,678.

NEW WESTMINSTER—The C. N. R. will appeal direct to the Supreme Court of Canada in its action against the city, claiming exemption from taxation, in which the Supreme Court of British Columbia gave judgment for the defendant.

VANCOUVER—Mayor McBeath has received assurance from Premier Borden that the Dominion government will permit vessels to be transferred to neutral foreign flags, final approval subject to British government on completion of ships.

NEW WESTMINSTER — The city council has agreed to give the Canadian Western Lumber Co., Fraser Mills, the same low rate of water enjoyed by industries in the city, on condition that the Senator Jansen should be at the disposal of the city as a fire boat, gratis.

VICTORIA—Announcement is made that the steamer Queen City which was seriously damaged by fire at this port on Sept. 9 last, has been purchased from British and American underwriters by Capt. Lincoln Rogers, of Vancouver. The terms of the sale are private.

VICTORIA—The following certificates of incorporation have been granted to business concerns in the province:

The Universal Smokeless Heat Generator Company, Limited, with its head office in Victoria, and a capital of fifty thousand dollars, to acquire patents held by Walter Thomas and A. E. Mainwaring, Nanaimo, for improvements in heat-generating processes and furnaces.

Brown & Heath, Limited, Victoria, capital $10,000, as brokers agents and financiers; Dumas Club Company, Limited, Vancouver, capital $10,000; New Westminster Foundry Company, Limited, capital $10,000; Shell Garage, Limited, Victoria, $10,000; W. W. Moore, Limited, Vancouver, $6,000 produce dealers and merchants.

The partnership existing between E. E. Wooton and D. Keith Wilson as the Crystal Spring Water Supply was dissolved on Tuesday, and the day following a certificate of limited partnership was recorded in the county court and issued to the same gentlemen, who will continue to trade under the existing name. Mr. Wilson as general partner and Mr. Wooten as special partner.

The Arizona Fire Insurance Co. has ceased to transact business in the province and has reinsured all its risks in British Columbia with the Employers' Liability Assurance Corporation, Limited, of London, England.

G. F. & J. Galt, Limited, has ceased to carry on business in this province.

Home Loan and Contract Company, Limited, will apply to the registrar of Joint Stock Companies a month hence, for leave to change its name to Home Loan and Mortgage Company, Limited.

VANCOUVER — The civic waterworks committee has endorsed a recommendation from City Engineer Fellowes for the purchase of a 6-inch water metre at a cost of $680 to replace the metre at the foot of Howe Street serving the C. P. R. Wharf. Another recommendation for the purchase of an eight-inch metre to supply the Dominion Government dock at the foot of Salsbury Drive has also been agreed to. This will cost approximately $1000.

VICTORIA—Because the successful tenderer for the supplying of coal to the Victoria public schools this year has so far refused to sign the contract that was awarded him some two months ago Victoria school trustees are led to believe that there may be a shortage of coal in this city during the winter.

VICTORIA—The following appointments are announced. Justinian Pelly Chilliwack, to be acting registrar of voters for that electoral district during the illness of Joseph Scott; Charles L. Gordon, William A. Oswald and John R. Foster, Vancouver, to be a board of examiners under the Moving Pictures Act; E. L. Small, to be district supervisor of agricultural instruction for the municipalities of Surrey and Langley; J. E. Britton, to be district supervisor for agricultural instruction for the cities of Armstrong and Vernon and the district municipality of Spallumcheen. The resignation of Elon Ezra Chipman, as police magistrate for the city of Kaslo, as from July 1st, has been accepted.

PROVINCIAL ESTIMATES ARE TABLED IN THE HOUSE

VICTORIA—A revenue of just under $6,000,000 and an expenditure of $11,000,000 for the year commencing April 1 next is predicted in the provincial estimates which were tabled in the House by Hon. Lorne Campbell, Minister of Finance, on Monday. The revenue shows a falling off of about $1,000,000 for the anticipated revenue for this year, while the expenditures show a slight increase. The exact estimated revenue is $5,044,015, as compared with $7,134,615 for the present year, a difference of $1,095,000. The estimated disbursements are $11,301,374, as compared with $11,163,056 for the previous year, an increase of $138,000. The increase is more than accounted for by the increased fixed charges, which are over $300,000.

Summary of Expenditure

The summary of estimated expenditure indicates that in four of the 14 Government services there will probably be an increased expenditure over last year. In the rest a reduction is predicted.

The following are the totals:

	1915-16.	1916-17.
Public debt	$1,152,376	$1,422,254
Civic government (salaries)	1,709,566	1,687,736
Administration of justice (salaries)	68,000	67,428
Legislation	89,820	167,626
Public institutions (maintenance)	467,426	472,575
Hospitals and charities	374,100	525,800
Administration of justice	378,000	308,670
Education	1,594,600	1,524,500
Transport	83,000	43,000
Revenue services	50,000	25,000
Public works	3,067,315	3,023,010
Miscellaneous	2,128,752	2,032,000

In this year's report of the estimates the service "miscellaneous" is divided into three distinct services. "Lands," upon which $565,000 is to be spent this year, and "agriculture," upon which $176,500 will probably be expended, are each given a service to themselves, thus greatly reducing the "miscellaneous" total.

Present conditions have also necessitated more and larger hospitals, the result being an unusually large increase for hospitals and charities. Last year $16,000 was voted in the way of assistance in the construction of hospitals. This year about $150,000 will probably be granted for that purpose. Grants to refuge homes, aid societies, etc, is increased from $19,000 to $30,000.

University of B. C.

Among the appropriations in this year's estimates is a conditional one of $200,000 for the University of British Columbia. Last year's estimate was $175,000. Included in the works and buildings to be constructed by the Public Works Department are the following: Okalla prison farm, $15,000; improvement of government reserve, Burnaby, $10,000; mental hospital and colony farm, Essondale, $35,000; provincial government buildings, London (completion and maintenance), $175,000; maintenance, $8,000. The appropriations provincial normal school, Vancouver, for roads, streets, bridges and wharves in each constituency are the same as last year. Chilliwack gets $33,300; Delta, $22,500; Dewdney, $68,500, and Richmond $40,000. Eighty thousand is revoted for Kingsway through the Municipality of Burnaby. Point Grey gets $10,000 for roads, and Nicomen Island the same amount for dyking; $13,500 is a subsidy for the Ladner-Woodward ferry.

The vote of $400,000 on last year's estimates for the Second Narrows bridge is left off. For bridges generally $450,000 is set down, while for the bridge over the Fraser River at Prince George there will be an appropriation of $150,000.

An item in the Land Department appropriations is that for $20,000 for "timber testing and investigation of wood products." An indication that the government intends to continue seeking overseas markets for the B. C. lumber trade is that another $50,000 is appropriated for salaries, travelling expenses, and purchase of material.

Other Appropriations.

Among the other appropriations are the following:

Grant to B. C. regiments $5,000, grant to patriotic fund $6,000, grant to boy scouts $1,000, grant to Victorian Order of Nurses $500, grant to returned soldiers' aid commissions, $15,000; Royal Commissions $15,000 (last year $50,000), cougar bounty $35,000. Contribution to Vancouver toward purchase of certain lanes in Ward VIII., $5,000. Fraser River Bridge, New Westminster, maintenance and repairs, $20,200. Songhees Reserve improvements, $240,000.

CONGOLEUM
Floor Coverings

If you have Congoleum on your floors, you can run a mop over them and they will be cleaner than any swept floor. Congoleum is waterproof right through—water cannot injure it. Compared with printed linoleum, Congoleum is more durable, more attractive, more waterproof, yet the price is less. Congoleum requires no fastening—any one can lay it—it won't curl up.

Congoleum Rug Borders, laid next to a rug or carpet, give the actual appearance of polished oak.

SAINO SHEET METAL FIRE DOOR

This door is radically different from Fire Door heretofore known. Made of steel and asbestos, crosslaid galvanized iron of two thicknesses, with air spaces and asbestos lining 1-16th inch thick prevents warping. Much lighter than any other standard Fire Door. Weight only 5 lbs. per square foot. Can be installed in any manner that other Fire Doors are installed—sliding, swinging, vertical, etc.—Latest approved hardware and trimmings used.

THE MEDIUM.

Did you ever notice that 95 per cent. of the big successful firms are firms who advertise? They figure advertising as an investment not an expense. The secret of advertising is the selection of a medium which reaches those people who are or will be the most likely "purchasers of your product." If you are in the building supply or machinery line don't select a moving picture publication in which to do your advertising. Because of the fact that the RECORD is the only paper published in the province devoted exclusively to the contracting business it is read by practically every one you would like to sell your products to. Your ad. where they will see it will put a capital C on your cash.

Automobile Records for B. C.

From Week Ending July 29th to Week Ending Augnst 5th

Following is a complete list of new Automobile Licenses, Transfers and Relinquishments Recorded in British Columbia: The name of person to whom transfer is made is given. The name of person making transfer may be obtained by referring to the same license number in any complete published list or by telephoning or writing to the British Columbia Record. Where street address is given and name of town omitted the address is Vancouver.

All cars for hire are ndcated thus: (*)

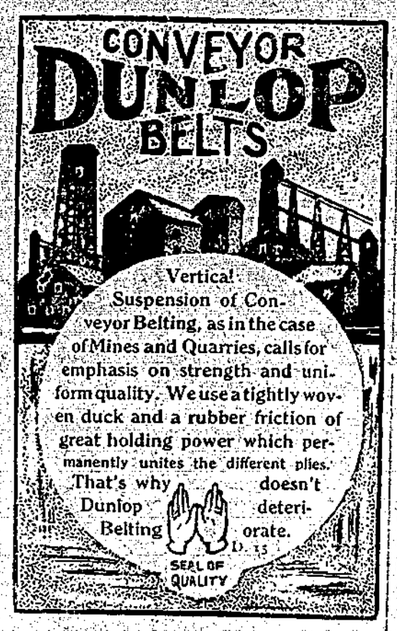
CONVEYOR
DUNLOP BELTS



Vertical Suspension of Conveyor Belting, as in the case of Mines and Quarries, calls for emphasis on strength and uniform quality. We use a tightly woven duck and a rubber friction of great holding power which permanently unites the different plies. That's why Dunlop Belting doesn't deteriorate.

NABOB COFFEE

—is strictly high-grade—a combination of Mocha and Java.

From the plantation to the cup, all the processes through which "Nabob" passes are strictly sanitary.

The blending—the roasting—the grinding—follow an exact scientific formula which ensures absolute Coffee perfection.

And it also ensures absolute uniformity—an exceedingly important point—day in and day out.

A user of "Nabob" knows this—those who are not drinking "Nabob" are surely missing one of the Joys of the culinary art.
