VICTORIA—A building permit has been issued to Mrs. Alice W. McLaren of Powderly Avenue, for a private garage.

VANCOUVER — Mr. Gregory, proprietor of the Busy Bee restaurant, 33 Cordova St. W., is receiving tenders for alterations to be made to the premises.

VANCOUVER—The Northern Construction Co. will be ready shortly to receive tenders for subcontracts in connection with the construction of the Canadian Northern Ry. trainsheds at False Creek.

VANCOUVER—Archts. Sharpe & Thompson, London Bldg., will be ready this week to receive tenders for the construction of a number of buildings to be erected for the University of British Columbia at Point Grey. The cost will be close to $25,000.

NEW WESTMINSTER—The School Board decided last week to put a wooden floor over the cement floor in the basement of the Richard McBride school for the manual training operations. Tenders will be invited.

VANCOUVER—Officials of the B. C. Equipment Co. states that the announcement of their intention to erect a new warehouse on Industrial Island is premature. No plans have been prepared and will not be for months, as if anything is done in the matter, it will be late next spring.

VANCOUVER—New tenders will be received up to noon on November 1st, 1917, by the Public Works Engineer, Victoria, B. C., for the construction of a frame bent trestle bridge immediately north of Rosedale, on the Rosedale-Agassiz Ferry Road. Plans and specifications may be seen at the office of the District Engineer, Court House, Vancouver.

VICTORIA—Preliminary investigations and reports on what parts of the southern part of Saanich should be included in the extension of the city's water service were ordered to be made at the meeting at Royal Oak last week between the Victoria and Saanich officials. The investigations and reports will be made at once by City Engineer Rust and Municipal Clerk Cowper, of Saanich. It was said at the meeting that the abandoned Elk Lake water works of the city would not be used in connection with the scheme, but that water would be taken from the city's Sooke Lake service. A reservoir will likely be built either on Christmas Hill or Mount Tolmie.

BUSINESS NOTES.
and other items of interest to the business man.

VANCOUVER—The British Columbia Manufacturers' Association will meet on Friday, November 2, and Mr. H. H. Stevens, M.P., will speak. This will be the first meeting since the summer adjournment in June.

VICTORIA—Notice is given of registration of three companies only during the past week. They are: Simplex Smelter Company, Limited, private, incorporated Oct. 23, authorized capital $100,000, registered office Victoria; Hargit Motors, Limited, private, incorporated Oct. 23, authorized capital $20,000, registered office, Mission City.

VICTORIA—Messrs. Walter Hepburn, moving picture censor, William A. Oswald and John R. Foster, all of Vancouver, are named members of the Board of Examiners under the "Moving Picture Act," in the current week's Provincial Gazette. Mr. Lyster Mulvany, of Burns Lake, Country of Cariboo, is appointed a notary public, and Mr. Charles King, of Greenwood, and Mr. George Clark, of Patricia Bay, are named justices of the peace.

VICTORIA—While no official announcement has been made by the Foundation Company, Ltd., in connection with its future plans for shipbuilding here, persistent rumors are afloat that this corporation has under consideration the building of six wooden steamers for private interests, the new programme to be put under way immediately the vessels now under construction at the Point Hope yard are out of hand. Color is lent to the rumor by the fact that the Foundation Company has made application to the Hon. John Oliver, with a view to securing a two-year lease of the shipbuilding site, to become effective immediately following the expiration of the present lease, which is for one year with option of renewal from month to month at terms to be arrived at by the interested parties.

VICTORIA—Ten additional wooden vessels will be built here by the Cameron-Genoa Mills Shipbuilders, Ltd., with materialization of negotiations which are now in progress with French shipping interests. It has been officially announced that plans have already been formulated for the laying down of three more building slips at the Point Ellice shipyard to take care of the new contracts.

H. W. Brown of H. W. Brown & Co., managers for the Canada West Coast Navigation Company, which concern built twelve auxiliary schooners on this coast, is now in Duluth in connection with negotiations, which if consummated, will result in ten more vessels being built by the Cameron-Genoa Company, with which H. W. Brown is closely identified. It is understood that the proposed plans provide for the construction of six auxiliary schooners, of the same design to the five-masted vessels which have already been built by the Company, and four steamers of the same type now under way at this plant for the Imperial Munitions Board. French and American capital is at the back of the new building scheme, and within the next few days some definite announcement should be available regarding the proposed contracts.

VICTORIA—A modern, completely equipped institutional home for the Children's Aid Society is what the officers of that organization are setting out to secure for next year, it was learned yesterday. The proposal was put up to the City Council on Monday night. The funds wil have to come from the ratepayers and will be submitted at the next elections in January.

NEW WESTMINSTER—An order-in-council has been passed at Ottawa establishing a permanent harbor headline on the south shore of the Fraser river opposite New Westminster, beyond which no wharves may extend from Port Mann to the Government wing dam at Annieville bar.

Plans and a description are on file at the office of Mr. C. C. Worsfold, resident engineer of the Public Works Department, Post Office Building, New Westminster.

PROVINCIAL ESTIMATES ARE TABLED IN THE HOUSE

VICTORIA.—A revenue of just under $6,000,000 and an expenditure of $11,000,000 for the year commencing April 1 next is predicted in the provincial estimates which were tabled in the House by Hon. Lorne Campbell, Minister of Finance, on Monday. The revenue shows a falling off of about $1,000,000 for the anticipated revenue for this year, while the expenditures show a slight increase.

The exact estimated revenue is $5,-944,016, as compared with $7,124,616 for the present year, a difference of $1,095,-600. The estimated disbursements are $11,301,274, as compared with $11,163,-066 for the previous year, an increase of $138,000. The increase is more than accounted for by the increased fixed charges, which are over $300,000.

Summary of Expenditure

The summary of estimated expenditure indicates that in four of the 14 Government services there will probably be an increased expenditure over last year. In the rest a reduction is predicted.

The following are the totals:

	1915-16.	1916-17.
Public debt	$1,152,876	$1,422,254
Civic government (salaries)	1,709,566	1,687,736
Administration of justice (salaries)	65,000	67,428
Legislation	89,320	167,624
Public institutions (maintenance)	467,426	472,575
Hospitals and charities	374,100	525,800
Administration of justice	276,000	293,670
Education	1,594,600	1,624,500
Transport	82,000	42,000
Revenue services	50,000	26,000
Public works	3,067,315	3,022,010
Miscellaneous	2,128,752	2,032,000

In this year's report of the estimates the service "miscellaneous" is divided into three distinct services. "Lands," upon which $565,000 is to be spent this year, and "agriculture," upon which $176,500 will probably be expended, are each given a service to themselves, thus greatly reducing the "miscellaneous" total.

Present conditions have also necessitated more and larger hospitals, the result being an unusually large increase for hospitals and charities. Last year $16,000 was voted in the way of assistance in the construction of hospitals. This year about $150,000 will probably be granted for that purpose. Grants to refuge homes, aid societies, etc, is increased from $19,000 to $80,000.

University of B. C.

Among the appropriations in this year's estimates is a conditional one of $200,000 for the University of British Columbia. Last year's estimate was $175,000. Included in the works and buildings to be constructed by the Public Works Department are the following; Okalla prison farm, $15,000; improvement of government reserve, Burnaby, $10,000; mental hospital and colony farm, Essondale, $35,000; provincial government buildings, London (completion and maintenance), $175,000; maintenance, $8,000. The appropriations provincial normal school, Vancouver, for roads, streets, bridges and wharves in each constituency are the same as last year. Chilliwack gets $33,300; Delta, $22,500; Dewdney, $68,500, and Richmond $40,000. Eighty thousand is revoted for Kingsway through the Municipality of Burnaby. Point Grey gets $10,000 for roads, and Nicomen Island the same amount for dyking; $13,500 is a subsidy for the Ladner-Woodward ferry.

The vote of $400,000 on last year's estimates for the Second Narrows bridge is left off. For bridges generally $450,-000 is set down, while for the bridge over the Fraser River at Prince George there will be an appropriation of $150,-000.

An item in the Land Department appropriations is that for $20,000 for "timber testing and investigation of wood products." An indication that the government intends to continue seeking overseas markets for the B. C. lumber trade is that another $50,000 is appropriated for salaries, travelling expenses, and purchase of material.

Other Appropriations.

Among the other appropriations are the following:

Grant to B. C. regiments $5,000, grant to patriotic fund $6,000, grant to boy scouts $1,000, grant to Victorian Order of Nurses $500, grant to returned soldiers' aild commissions, $15,000; Royal Commissions $15,000 (last year $50,000), cougar bounty $35,000. Contribution to Vancouver toward purchase of certain lanes in Ward VIII., $5,000. Fraser River Bridge, New Westminster, maintenance and repairs, $20,200. Songhees Reserve improvements. $240,000.

THE MEDIUM.

Did you ever notice that 95 per cent. of the big successful firms are firms who advertise? They figure advertising as an investment not an expense. The secret of advertising is the selection of a medium which reaches those people who are or will be the most likely "purchasers of your product." If you are in the building supply or machinery line don't select a moving picture publication in which to do your advertising. Because of the fact that the RECORD is the only paper published in the province devoted exclusively to the contracting business it is read by practically every one you would like to sell your products to. Your ad. where they will see it will put a capital C on your cash.

VANCOUVER—To help in finding a solution to the situation that has kept the Y.M.C.A. building on Georgia St. W. in an unfinished state, W. C. Myers has been appointed by the national council to come here and devote himself entirely to the task of completing the building.

PRINCE GEORGE—The carpentering work has been practically completed on the new city hall, and plastering is now proceeding. At the present rate of progress the new building should be ready for occupation in a month.

NORTH VANCOUVER—The council of the city of North Vancouver has taken a decided stand in favor of a Dominion government-controlled drydock on Burrard Inlet, and in a memorial prepared by Mayor Vance and which received the assent of the council, the Federal authorities are to be asked to undertake immediately the building of a drydock on the North Shore as a Government undertaking.

SOUTH VANCOUVER—The board of trade is scheduled to meet on Monday evening in the municipal hall and among the various metters to be taken up is the appropriation of $100,000 for the North Arm of the Fraser River made in the recent session of the government at Ottawa and which, up to the present, is said to be intact. A rumor was in circulation that this money is to be used for work in the Lower Fraser near the mouth of the river and not for dredging, as was first stated, and it is for discussion of this current rumor that the meeting will introduce the subject.

PROPOSALS WANTED

VANCOUVER—G. Kilgren, 962 14th Ave. E. (Fair. 946L) has been awarded a contract by Archt. F. L. Townley to erect another one story brick store building 25x70 on Pender St. between Main St. and Columbia Ave. The building will cost about $2,500 and the work will be started immediately. The contractor is ready to receive tenders on sub-contracts only.

VICTORIA—The Minister of Public Works will receive tenders up to noon, Tuesday, Nov. 6th, for the erection of a two-room school house at Dundarave, West Vancouver Municipality. Plans, specifications, etc., may be seen at the offices of J. Mahony, Govt. Agent, Courthouse, Vancouver; N. Hopkinson, Secy. of School Trustees, Hollyburn; and the Dept. of Public Works, Victoria.

VANCOUVER—G. Kilgren, 962 14th Ave. E. (Fair. 946L), has been awarded a contract by Archt. F. L. Townley to erect a one-story brick store building 120x25, on Pender St. E., between Main and Carrall St., for Yan Wo & Co. The building wil be on the south side of the street near the Sherman Hotel, and will cost about $5,500. Work is to be started immediately and the contractor is ready to receive tenders on all sub-contracts. He also wants figures for the supplying of 70,000 common brick.

NORTH VANCOUVER — Tenders and designs will be received by J. D. Farmer, Clerk to the Corp. of the Dist. of North Vancouver up to noon on Thursday, November 1st, for construction of a timber bridge across Capilano River at Keith Road. (The old trestle to be produced eastwards for a distance of 40 feet and the remaining portion of Capilano River to be spanned with a span of 150 feet. The timber bridge may be either of the "through" type or "deck" type.)

Tenders to embrace cost of foundation, superstructure, approaches, fences and testing. Further particulars as to height, span, width, loading, etc., can be obtained at the North Vancouver District Engineer's Office, Lynn Valley, upon application.

VICTORIA — The Marine Department is calling for tenders for the construction of a reinforced concrete building on its new site on the water front just north of Johnson St. bridge, all tenders to be in by November 1. As soon as the tenders have been submitted to Ottawa and the contract let, work will be commenced. It is expected that the building will be constructed within three months from the time of starting.

The location of the structure, which is to be used for the storage of carbide and coal oil, will be just below the boiler house of the Foundation Company, Limited. The building will be modern in every respect, proper provision being made for fire protection and the roof being of metal.

The new building which is about to be put up will be 90 feet long by 32 feet in width. Plans and specifications of the structure may be seen at the local offices of the Marine & Fisheries Department on Wharf Street.
