## BUILDING NEWS

And Construction Work not otherwise Classified.

### BUILDING PERMITS.

8263—Alter bldg., 1300 20th Ave. E., Mrs. M. Owens, owner, $150.

8264—Repair fr. house, 783 Keefer St., George Salter, owner, $150.

8265—Repairs to frame house, 239 Lansdowne St., Mr. Rothwell, owner, $250.

8266—Brick chimney, 150 14th Ave. West, W. H. Harcus, owner, $110.

VICTORIA—The by-law providing for the paving of Davie Street has just been passed by the Council.

VANCOUVER—It is now rumored that the contract for the extension of pier "D" at the foot of Granville St. Vancouver, has been awarded to the Dominion Foundation Co. by the C. P. R. This has not been verified.

VANCOUVER—It is stated that the contract for the alteration work at the old Boulder Hotel building on Cordova St., which the Royal Bank will occupy, will not be awarded for a few days at least.

VANCOUVER—Archt. B. C. Palmer, London Bldg., announces that it will be about ten days before he has the plans for the new Shaughnessy Hgts. Golf Club building ready for figuring.

WHITE ROCK—It is announced that the executive of the Diocese of New Westminster has granted the sum of $200 towards the building fund of a church which it is hoped to erect here shortly.

VANCOUVER — Mr. Fullerton of MacPherson & Fullerton, agents for the Central building, 553 Granville St. announces that architects are now preparing the plans for the alterations to the building and details will be available in a short time.

VANCOUVER—The Directors of the Vancouver and Districts Joint Sewerage Board will hold a meeting on Monday, Oct. 16, to go over the Stanley Park trunk sewerage project and will decide at this time whether the work will be done by contract or day labor.

VANCOUVER—It is reported that it is not improbable that in the near future a shipbuilding yard on a somewhat extensive scale will be laid down on the south side of False Creek by John Coughlan & Sons, of this city. Details are not available at the present time.

VANCOUVER—Tenders received at the local offices of the Canadian Northern Pacific Ry. for the construction of a freight shed and freight offices at False Creek have been wired to Winnipeg, and it is expected that an announcement as to who has been awarded the contract will be made in the very near future.

VANCOUVER—Following on the receipt of the news that the city had won the appeal in the Champion & White case instructions were given by the civic bridges and railways committee on Tuesday afternoon to the city engineer to request the contractors to go ahead immediately with the construction of the seawall which is to be erected in connection with the C.N.R. False Creek Reclamation and terminal scheme.

## BUSINESS NOTES.

and other items of interest to the business man.

NELSON—The post office department has announced the opening of a postal office at Vallican, which will be served from Nelson.

NELSON—Receipts at the inland revenue office at Nelson for the past month showed an increase of $1875 over the same period last year.

NEW WESTMINSTER—In an endeavor to find a suitable site and thus prevent the Vulcan Ironworks from moving out of town, the city council will hold a meeting this afternoon.

VICTORIA—The price to be paid for the property at the foot of Johnson St. which may be required for the new Johnson street bridge has been fixed by the arbitrators appointed in the matter at $625 a front foot.

VANCOUVER—At the last meeting of the civic fire and police committee, Aldermen Mahon, Gale and Chief of Police MacLennan were appointed to inquire into the question of the possibility of providing spaces where automobiles could be parked while their owners were at business.

STEVESTON — The steel rolling mills in the old Dominion Safe Works, at Bridgeport, which were burned to the ground about a month ago, have been opened again in an open shed at the upper end of the ruins, and arrangments are under way for the re-building of the structure on the ground level instead of on piers as formerly.

VICTORIA—Panels of heavy rocks are to be placed in front of the Ross Bay sea wall as a protection to the wall against the Winter storms. These panels will be arranged in series so that the sand will be held in place. The panels will extend for 500 feet. The Council has decided to call for tenders for the blocks of stone necessary.

VANCOUVER — The proposed scheme for the reorganization of the fire department of the city which included the closing of certain fire halls in the outlying portions of the city, is still being discussed by the ratepayers of those localities. It is unlikely that anything will be done for some time as it is understood that the civic fire and police committee is waiting on the receipt of certain information from the fire underwriters, which is not forthcoming, and until that is received any question of reorganization is likely to be held in abeyance.

VANCOUVER — City Building Inspector McKenzie in the course of reporting on various matters to the fire and police committee this week, mentioned that there were a number of buildings of considerable size in the city, which despite repeated warnings to the owners, did not have proper fire escapes in accordance with the by-law governing same. He was instructed to insist on proper fire escapes being installed within a reasonable time or in the event of continued refusal, to take legal steps to close these buildings up. The building inspector also reported adversely on the application of Mr. W. A. Clark for a permit to make alterations to the ground floor of his block on Granville street for a garage and repair shop.

VICTORIA — The by-law providing for the repaving of Yates street, between Douglas and Government streets with asphalt has been passed by the council. Granite blocks are to be placed next to the street railway tracks to preserve the edges of the pavement. The council has accepted the tender of the Phillips Stone Works for 180 square yards of plain granite blocks for this purpose at $1.85 a yard, and for 145 square yards of bull-nosed granite blocks at $2..85 a yard.

RICHMOND—The starting of a big industry on Sea Island is probable. Mr. R. D. Rorison in this connection has interviewed the council asking for free water and exemption from taxation for an industry which it is reported will employ a large number of men. No action was taken by the council, but it is expected that more definite proposals will be made in a few days.

VICTORIA—The council of the board of trade will meet on Friday morning.

### TIMBER SALE X 645.

Sealed Tenders will be received by the Minister of Lands not later than noon on the 11th day of October, 1916, for the purchase of License X645, to cut 9,396,000 feet, of Douglas Fir, Cedar, Hemlock, Balsam, Spruce and White Pine, on an area adjoining Lot 654, Topaze Harbour, Range 1, Coast District.

Two (2) years will be allowed for removal of timber.

Further particulars of the Chief Forester, Victoria, B. C., or District Forester, Vancouver, B. C.

### PROVINCIAL ESTIMATES ARE TABLED IN THE HOUSE

VICTORIA.—A revenue of just under $6,000,000 and an expenditure of $11,000,000 for the year commencing April 1 next is predicted in the provincial estimates which were tabled in the House by Hon. Lorne Campbell, Minister of Finance, on Monday. The revenue shows a falling off of about $1,000,000 for the anticipated revenue for this year, while the expenditures show a slight increase.

The exact estimated revenue is $5,944,015, as compared with $7,134,615 for the present year, a difference of $1,095,000. The estimated disbursements are $11,301,374, as compared with $11,163,056 for the previous year, an increase of $138,000. The increase is more than accounted for by the increased fixed charges, which are over $300,000.

**Summary of Expenditure**

The summary of estimated expenditure indicates that, in four of the 14 Government services there will probably be an increased expenditure over last year. In the rest a reduction is predicted.

| | 1915-16. | 1916-17. |
|---|---|---|
| Public debt | $1,152,376 | $1,422,254 |
| Civic government (salaries) | 1,709,566 | 1,687,736 |
| Administration of justice (salaries) | 68,000 | 67,428 |
| Legislation | 89,820 | 167,620 |
| Public institutions (maintenance) | 467,426 | 472,575 |
| Hospitals and charities | 374,100 | 525,800 |
| Administration of justice | 378,000 | 308,670 |
| Education | 1,594,600 | 1,524,500 |
| Transport | 83,000 | 43,000 |
| Revenue services | 50,000 | 25,000 |
| Public works | 3,067,315 | 3,023,010 |
| Miscellaneous | 2,128,752 | 2,032,000 |

In this year's report of the estimates the service "miscellaneous" is divided into three distinct services, "Lands," upon which $565,000 is to be spent this year, and "agriculture," upon which $176,500 will probably be expended, are each given a service to themselves, thus greatly reducing the "miscellaneous" total.

Present conditions have also necessitated more and larger hospitals, the result being an unusually large increase for hospitals and charities. Last year $16,000 was voted in the way of assistance in the construction of hospitals. This year about $150,000 will probably be granted for that purpose. Grants to refuge homes, aid societies, etc, is increased from $19,000 to $80,000.

**University of B. C.**

Among the appropriations in this year's estimates is a conditional one of $200,000 for the University of British Columbia. Last year's estimate was $175,000. Included in the works and buildings to be constructed by the Public Works Department are the following; Okalla prison farm, $15,000; improvement of government reserve, Burnaby, $10,000; mental hospital and colony farm, Essondale, $35,000; provincial government buildings, London (completion and maintenance), $175,000; maintenance, $8,000. The appropriations provincial normal school, Vancouver, for roads, streets, bridges and wharves in each constituency are the same as last year. Chilliwack gets $33,300; Delta, $22,500; Dewdney, $68,500, and Richmond $40,000. Eighty thousand is revoted for Kingsway through the Municipality of Burnaby. Point Grey gets $10,000 for roads, and Nicomen Island the same amount for dyking; $13,500 is a subsidy for the Ladner-Woodward ferry.

The vote of $400,000 on last year's estimates for the Second Narrows bridge is left off. For bridges generally $450,000 is set down, while for the bridge over the Fraser River at Prince George there will be an appropriation of $150,000.

An item in the Land Department appropriations is that for $20,000 for "timber testing and investigation of wood products." An indication that the government intends to continue seeking overseas markets for the B. C. lumber trade is that another $50,000 is appropriated for salaries, travelling expenses, and purchase of material.

**Other Appropriations.**

Among the other appropriations are the following:

Grant to B. C. regiments $5,000, grant to patriotic fund $6,000, grant to boy scouts $1,000, grant to Victorian Order of Nurses $500, grant to returned soldiers' aiid commissions, $15,000; Royal Commissions $15,000 (last year $50,000), cougar bounty, $25,000. Contribution to Vancouver toward purchase of certain lanes in Ward VIII., $5,000. Fraser River Bridge, New Westminster, maintenance and repairs, $20,200. Songhees Reserve improvements, $240,000.

HOLES

We Drill Them Any Size, Any Depth, For Any Purpose

ROBINSON CONTRACTING CO., Limited
K. S. Robinson, Contracting Engineer
Winch Bldg. 'Phone Seymour 6888
Specializing in Foundation Test and Core Drilling

CONGOLEUM
Floor Coverings

If you have Congoleum on your floors, you can run a mop over them and they will be cleaner than any swept floor. Congoleum is waterproof right through—water cannot injure it. Compared with printed linoleum, Congoleum is more durable, more attractive, more waterproof, yet the price is less. Congoleum requires no fastening—any one can lay it—it won't curl up.

Congoleum Rug Borders, laid next to a rug or carpet, give the actual appearance of polished oak.

# YOU WANT MORE BUSINESS

We can help you to increase your business by telling all of our readers every other day:

WHO you are
WHERE you are
WHAT you have to offer
and WHY they should do business with you.

Such a service will pay you big because through us you reach every owner who is building, every architect, every contractor--everybody interested in building.

We will help you to fix up your announcement without charge. LET US BOOST FOR YOU.

## British Columbia RECORD

**Where Human Life and Property are Valued--When Reduced Insurance and Cost are Factors ALWAYS Specify**

## SAINO SHEET METAL FIRE DOOR

This door is radically different from Fire Door heretofore known. Made of steel and asbestos, crosslaid galvanized iron of two thicknesses, with air spaces and asbestos lining 1-16th inch thick prevents warping. Much lighter than any other standard Fire Door. Weight only 5 lbs. per square foot. Can be installed in any manner that other Fire Doors are installed—sliding, swinging, vertical, etc.—Latest approved hardware and trimmings used.

### THE MEDIUM.

Did you ever notice that 95 per cent. of the big successful firms are firms who advertise? They figure advertising as an investment not an expense. The secret of advertising is the selection of a medium which reaches those people who are or will be the most likely "purchasers of your product." If you are in the building supply or machinery line don't select a moving picture publication in which to do your advertising. Because of the fact that the RECORD is the only paper published in the province devoted exclusively to the contracting business it is read by practically every one you would like to sell your products to. Your ad. where they will see it will put a capital C in your cash.

# Automobile Records for B. C.

## From Week Ending July 29th to Week Ending Augnst 5th

**Following is a complete list of new Automobile Licenses, Transfers and Relinquishments Recorded in British Columbia: The name of person to whom transfer is made is given. The name of person making transfer may be obtained by referring to the same license number in any complete published list or by telephoning or writing to the British Columbia Record.**

**Where street address is given and name of town omitted the address is Vancouver.**

**All cars for hire are ndcated thus: (*)**

## MINING.

Portland Canal is again attracting some attention.

The flotation plant is in operation at the Standard, Silverton.

Some good telluride has been found near Chilliwack.

Several B. C. Mines are now using motor cars to transport ore to the railway.

Some companies are drilling for oil on the Queen Charlotte Islands. One well at Drury Inlet is down over 100 feet.

If the coke situation continues to improve the Greenwood smelter will be running another furnace next month.

The Big Copper is now being operated by James Poggi and the B. C. Copper Co. Three teams are hauling ore to Deadwood.

Molybdenite products are now being made by a company at Alice Arm. The price is now about $2,500 a ton for 80 per cent. molybdenite.

The Empress, a copper property five miles north of Agassiz, has resumed operations. This property was crown granted more than 20 years ago.

The gold commissioner at Kaslo has received 24 applications to prospect reverted crown granted mineral claims in the Slocan and Ainsworth camp.

Experienced mining men say that they have never seen more activity in the mines around Ainsworth, Kaslo and in the Slocan district itself than at present.

After being idle ten years, the Paradise mine, Windermere, is once more shipping to Trail, eight teams hauling ore to the railway, the mine now employing 20 men.

Prof. J. C. Gwillim of Kingston, Ont. who lived in the Kootenays in the nineties, is again visiting the mining section of this province, investigating some molybdenite ore deposits.

Eight cottages have been completed at Copper Mountain for employees of the B. C. Copper Co., and several more will be erected. These cottages are 24 x 26 feet and have six rooms.

The B. C. Copper Co. is installing a pumping plant to raise water from the Similkameen river to furnish power for the Copper Mountain mine equipment, and a 5-ton experimental mill.

Some high grade copper ore is being taken out at Voight's camp, ore that will stand to be hauled to Princeton by wagon, and shipped to the smelter by rail, and then pay a good profit at present copper prices.

The Utica, Slocan, is figuring on having a cash surplus of $25,000 in hand when smelter returns are received from recent shipments and contemplates equipping its mine with a power plant and driving a long cross-cut tunnel to open the ledge at great depth.

Highland Valey Co. has received smelter returns on 31 tons of crude copper ore which it shipped from the mine to Ashcroft on the return trips of the freighters engaged in hauling the machinery for the concentrator, the company is now erecting on its property. The shipments netted $1,100.

---

VICTORIA—Tenders are being asked for by the chief forester for the purchase of timber license X690, under which may be cut one million feet of cedar, larch, fir and white pine, one million feet of cottonwood and 5,000 cords of posts, on an area adjoining lot 491, Goat River, Kootenay district. One year will be allowed for the removal of the timber.

VICTORIA—The chief forester is calling for tenders for the purchase of timber license X659, under which may be cut 1,024,000 feet of fir, cedar and hemlock, and 5,120 lineal feet of poles, on an area adjoining Ramsay Arm.

## TENDERS WANTED.

### NOTICE TO CONTRACTORS.

VICTORIA—The City Council has refused to consider the tenders recently submitted for the city's supply of nitrogen lamps and is calling for new tenders to be in by October 9.

---

CALGARY—Sealed tenders are being invited by Archt. W. S. Bates, Alberta Block, for the erection of an office building on the corner of Ninth avenue and Fourth street west, for the Robin Hood Flour Mills, Ltd.

---

VICTORIA—Tenders are being called for by the Department of Public Works for the erection of two-room schoolhouses at South Okanagan, and McBride.

## DEPARTMENT OF WORKS.

### NOTICE TO CONTRACTORS

MARA SCHOOL.

Sealed Tenders, superscribed "Tender for Mara School," will be received by the Honourable the Minister of Public Works up to 12 o'clock noon of Tuesday, the 17th day of October, 1916, for the erection and completion of a two-room school-house and outbuildings at Mara, in the North Okanagan Electoral District.

Plans, specifications, contract, and forms of tender may be seen on and after the 28th day of September, 1916, at the office of L. Norris, Government Agent, Vernon; J. Mahony, Government Agent, Vancouver; W. Owen, Secretary of School Board, Mara; and the Department of Public Works, Victoria.

By application to the undersigned, contractors can obtain a copy of the plans and specification for the sum of ten dollars ($10), which will be refunded on their return in good order.

Each proposal must be accompanied by an accepted bank cheque, made payable to the Honourable the Minister of Public Works, for a sum equal to 20 per cent. of tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques of unsuccessful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied, signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

J. E. GRIFFITH,
Deputy Minister and Public Works Engineer,
Dept. of Public Works,
Victoria, B.C., September 26, 1916.

### NOTICE TO CONTRACTORS.

ROCK BAY BRIDGE.

Sealed tenders will be received by the undersigned up to 12 noon, Monday, October 9th, 1916, for the construction and erection of a timber swing span on the Rock Bay Trestle. Plans may be seen and specifications obtained at the City Engineer's Office on and after Wednesday, Sept 20th, 1916. Tenders must be addressed to the City Clerk, and marked on the outside of the envelope, "Tenders for Timber Swing Span on Rock Bay Trestle." The lowest or any tender not necessarily accepted.

WELLINTON J. DOWLER,
City Clerk.
City Clerk's Office,
Victoria, B. C., Sept. 16, 1916.

**NABOB COFFEE**

—is strictly high-grade—a combination of Mocha and Java.

From the plantation to the cup, all the processes through which "Nabob" passes are strictly sanitary.

The blending—the roasting—the grinding—follow an exact scientific formula which ensures absolute Coffee perfection.

And it also ensures absolute uniformity—an exceedingly important point—day in and day out.

A user of "Nabob" knows this—those who are not drinking "Nabob" are surely missing one of the Joys of the culinary art.

ASK FOR IT AT YOUR GROCERS.
