"Long Live The Queen"

On Tuesday, June second, in London, the old traditional ceremonies will be performed with all the "pomp and circumstance" the nation can afford. The Queen will be crowned in Westminster Abbey, surrounded by honoured guests from all the world, decked in finery made famous through the ages because of its significance as a part of the ritual. The Crown, the Orb, the Sceptre, the Sword and the Spurs, the Ampulla and the Anointing Spoon, and all the many items of Church and State significance will be used in their time-honoured roles.

Why should we, the people of a great, growing nation, be so concerned with the coronation of a reigning sovereign of a tiny island group half way

around the world?

We, citizens of an honoured member of the greatest Commonwealth of Nations, also claim Elizabeth as Queen. Because of this great partnership, founded by, and for so long governed from and ordered by Britain, we are part of a great fellowship of peoples. These nations, adhering voluntarily to the ideas and ideal of the commonwealth, have acknowledged Britain's Sovereign as their own, a continuing symbol of their unity.

We claim this charming young woman, this gay young wife, this serious young Sovereign as our own. As we proclaim with our voices, we pray from our hearts, "Queen Elizabeth is crowned, 'long live the Queen!'"

both he and Mrs. Nancy Hodges, of Victoria, had tried to have the Government institute a more adequate system of grants to branches of the VON in view of the valuable work that organization was doing in giving home nursing care, thus relieving the burden on the hospitals. They had met with no success in this, but promised that the effort would not be relaxed.

Another questioner asked if the Hon. Eric Martin had legal power to waive payment of arrears in hospital insurance, or to vary the premiums that had been established by Legislature. Mr. Gargrave replied that it seemed doubtful if such action was legal, but after all the question was academic, and the Government was the party who would normally take proceedings to question the legality, and they were the party who adopted the questionable procedure, and would not be likely to proceed against their own actions.

Replying to a query on the Doukhobor problem, Mr. Gargrave reminded the audience that this was of long-standing and was not of easy solution.

Sechelt Highway To Be Black-Topped

After hearing so many conflicting reports from Election Candidates and private citizens over the past few days, and answering phone calls of inquiry regarding the matter of surfacing of the highway between Gibsons and Sechelt, "Coast News" decided it was time definite information was available to the people of the district.

"Coast News" sent the following telegram, dated Gibsons, May 26/53:

Chief Engineer,
Highways Branch,
Department of Public Works,
Victoria.

What information is available re: blacktopping on Sechelt Highway this year? Public aroused over conflicting reports. Can you wire collect statement for publication today?

The following reply was received on Tuesday:

D. Wortman, Coast News,
Gibson:

Re: your tel: Paving contract has fifteen miles included on Gibsons Landing to Sechelt Highway for re-capping and paving this year.

(Signed) N. M. McCallum,
Chief Engineer.

Bowling Banquet Closes Busy Season

Jim Drummond was master of ceremonies for the evening of May 19th, when a Banquet was held for the Bowlers, in the Legion Hall, Gibsons.

There were eighty-six members present to sit down to a turkey supper.

M. C. Jimmy presented the trophies and prizes to the winning team, the Co-Op Store, Captain Don Malmas, Jean Wilson, Jim Haining, Ben Haining and Frank Crowhurst.

The runner-up for this trophy was the Midway's team, Captain, Ed. Connor, Molly Connor, Sylvia D'aoust, Mervin Fladager and Doug Davies.

High Average, Ladies, Mary Solnick, 743, and Men, Don Malmas, 740.

High Single, Ladies, Florence Brown, 298, Men, Ed Connor 330.

Winners of the Team High Three were the Danaloji's, with 3029, and the Team High single was Dawsons Taxi, with 1015.

Everyone enjoyed the evening, and the awarding of the prizes. A dance concluded the program.

However, the C. C. F. position was that the Doukhobors should be given every right and privilege enjoyed by other Canadians, but should not be excused from any of the responsibilities of other Canadians. Any infraction of laws should be punished just as would be the case for any other citizen.

Tourist Association Discussed By Gibsons B of T

At the regular meeting of the Gibsons Board of Trade on Monday evening, many topics came up for discussion, but owing to their very nature, there was little that could be finally settled.

One thing however, upon which they were definite, was the approval of the resolution which had been previously presented to the Executive by Mr. Simm, The President of the Canadian Chamber of Commerce. This was that the Chamber should study and find means of preventing "Sectionalism" in Canada.

John Perdue Talks AT Redroofs

Redroofs Hall was filled to capacity when Mr. John Perdue, Social Credit Candidate addressed an enthusiastic meeting.

The meeting opened with "O Canada", followed by a hymn.

Chairman, Mr. James Cooper introduced the speaker as a Graduate Civil Engineer outlining his career as an engineer, and describing his interests in construction and logging.

Mr. Perdue reviewed what the Government has done, and proposes to do, assuring the listeners that the Social Credit Party supported a free democratic way of life, honest administration and efficient operation.

Free enterprise was supported but monopolies are opposed. Reference as made to the help to be given to Farming by the establishment of a practical school of Agriculture, fair treatment of Labour groups, Health and Welfare and the Natural Resources of B. C. Mr. Perdue dwelt on the various programs that the Social Credit Government had lined up for the benefit of the people.

Questions concerning the Hospital Insurance Premiums were answered and the meeting adjourned.

Members of the Social Credit Groups from all points on the Peninsula were in the audience.

Mrs. J. Cooper, the Chairman's wife, served refreshments and introduced the candidate to various groups of the audience.

Gibsons To Have New Tennis Court

If anyone noticed long trains of labouring men, bearing heavy bags of cement on their shoulders, winding down the stairway, it wasn't a new pyramid a-building, it was the crew of volunteers carrying bags of cement for the new Tennis Court at the Kinsmen's Park in Gibsons.

The first section of this court was poured on Monday morning, and the whole Court will shortly be completed. This should be a boon to the local rackette enthusiasts. Nothing like a good fast court to bring the players out.

Locke Knowles reported upon the progress of the work on the Bronze Plaque of Robert Telford. It is well under way, and should shortly be completed. Tom Larson reported that the By-laws, as to be amended, were practically drawn up, and would be ready for presentation at the next meeting.

Gordon Ballentine spoke upon the forming of the Tourist Association, and their meeting under the aegis of the Black Ball Ferries, with whom they would co-operate, as with many Boards of Trade, in developing publicity for the Peninsula.

The VON Drive was discussed, as were ways and means of assisting in the attainment of their financial objective.

A new idea of a time-period for the Fish Derby was presented and discussed, but nothing definite done, due to the absence of the Chairman of their committee, Mr. Cliff Gray.

A discussion was led by John Coleridge upon the development of some idea, phrase, or slogan, which would serve to point up Gibsons, specifically, and the idea found much favor. Ideas are now being sought.

There was some further talk of the Carnival Picnic to Pender Harbour for some date in June, but nothing definite was decided.

First Ball Game On New Park Site

The Wilson Creek Park site committee report that Finning Tractor Company of Vancouver, on learning of the purpose for which the equipment is being used, cancelled a \$125.00 bill for a radiator for the cat - donating a new one. The cat which is on loan from the H. R. McMillan Company broke down three weeks ago. Virtue may be its own reward but the Park Committee expresses a hearty "thank you" to the Finning Tractor Company for their generosity.

The christening game on the new softball field was played Thursday evening May 21 with Selma Park taking a close 6 to 5 win over Wilson Creek.

Total cost to date to the Wilson Creek Community Centre Association for clearing the Park is \$14.10 for gasoline for machinery.

Return of the Season.

Checking through files of newspapers often brings up what evidently are strange coincidences. This week, spurred on by a neighbour having found a copy of the Coast News of June 14th, 1949, we were sufficiently interested to look a little further.

What a wonderful year that was! Political meetings everywhere, candidates speaking every other night or so, campaign promises by the dozens being reported in the Press of the day!

Let us give you a look over our shoulder:

"Work on Floats, Dams, Clearing of Canoe Pass to start immediately," reads a headline. "Woodfiber Closing," "Woodfiber Not Definitely Closing," ran side by side. "Audience Pepper Carson with Questions" led off the para stating that Mr. Carson announced that tenders would be let for the construction of the Port Mellon Road, and the fact that the Government did not consider this an 'election promise', or words to that effect.

Further news was carried in other issues, such as "Uncertain Mill Operation Delayed Port Mellon Road", and again "Vast Reservoir Remains for Private Enterprise".

Ah, me! What familiar ground it is!

With the season having rolled around again, we do urge all of you to exercise great care in choosing that person for whom you will vote this election, and that person or party in whose words you find yourself reposing full confidence.

THIS TO THE CITIZENS OF BRITISH COLUMBIA, IS OF IMMENSE IMPORTANCE.

However you vote, and whatever you believe, DO VOTE!

The Editor:

Sir: TransCanada Highway to Port Mellon.

I can assure "Young Timer" that his reply is worth more than two cents. It is unfortunate that he has got started off on the wrong foot, as it were. The gist of my complaint was that the road was only a spur, and could go no where beyond Port Mellon and that half a million dollars was "too much to pay for it."

A secondary gravel highway would have been all that was necessary, but this evidently was beyond the Department of Public Works vision. That sort of road would have been put in years ago, and this writer worked hard to that end.

"Young Timer's" letter loses some value when he conjectures

who I might be, and suggests that I have certain characteristics that are quite prevalent in the district. However, I can assure him that this is not so, and I am well pleased that he wrote. Furthermore, it gives us elders some hope that at least some of the younger people are beginning to take an interest in public affairs.

If he wants to see some small token of the Departments stupidity, walk down the road and look at the sidewalk on the first bridge, and the truss on the other.

ALTERNATIVE VOTE

Editor, The Coast News,
Sir: —

In today's issue of your paper I read with much interest the letter about 'Alternative Voting' by Dave Rees. I can readily understand that the "Vancouver Sun" would be reluctant to print that letter: Dave's long association with movements aimed to improve the lot of the Workingman has taught him a lot of facts of history; these facts are often unpleasant, and are "Hush-Hush" among the better people, such as the big advertisers.

However, while Mr. Rees is consistently correct in statement of fact, I wonder if perhaps some deductions might not be drawn differing slightly from his conclusions. It is true that the CCF believe that under complete socialism the lot of the people who do the actual work of the country would be much improved. It is true that the other three parties claim (some of them quite loudly) that they do not believe in Socialism, and that its application to the economy of the country would be detrimental, even disastrous. But C.C.F.'ers, from Woodsworth to the present, have all stated that the transition must be a gradual process, by steps adjusted by the needs of the times and the needs of the people.

On the other hand, we are now living under an economic system which includes many features that are socialism or state socialism. These features have been damned as "the welfare state", "paternalism", etc., their introduction has been strenuously fought by the more Tory elements of the country, but I think most of them have eminently proved their value to the people as a whole. Very many of these items of legislature have been enacted, most inconsistently, by the Liberals, despite their professed abhorrence of socialism. Of course, it is true that pressure from the more progressive elements, and the wish to get votes from these elements, forced the Liberal hand. But after all, that is the working of democracy, often not very savory, but the best evolved so far by the freedom-loving peoples of the world.

So we have a party, a working mens' party, believing in socialism as the ultimate objective in the fight for public welfare. We

DO YOU KNOW?

THAT in this Province there is a large group of workers which is denied access to the labour laws available to all other workers? These are the 10,000 employees of the B.C. Provincial Government who build your roads and bridges, tend your forests, man your ferries and staff your Provincial institutions and Government offices.

THAT Government workers are conducting a public relations campaign in an attempt to obtain the right of arbitration, which would eliminate the possibility of strike action.

THAT as a result of this campaign, thousands of citizens are now aware of this discrimination.

THAT many newspapers throughout the Province have spoken editorially against this denial of civil right;

THAT trade unionists have expressed overwhelming support for our cause;

THAT many members of the Legislature have publicly protested this relegation of Government employees to the level of second-class citizens;

THAT we have requested all candidates in the forthcoming election to make known to you, the Public, their stand on this vital issue.

Legion To Question Candidates

Acting on the request of its Provincial Council, the Howe Sound Branch of the Canadian Legion BESL agreed at a meeting of the unit held in the Legion Hall, Gibsons, on Thursday evening, to ask the candidates in Mackenzie Riding—Earl Dawe, Tony Gargrave, Bat MacIntyre, and John Perdue, the views of their respective parties on exemption of low income groups from payment of BCHIS premiums, and upon the memorandum as presented to the Attorney General by the Canadian Legion on January 31st in connection with the liquor problem as it may concern veterans' clubs.

During the discussion it was pointed out that one of the candidates in answering a question in regards to distribution of liquor at a recent meeting in Gibsons, had said "that he did not know, but that he knew there was a plan under consideration" yet his party was advertising in the press "that they had accepted the recom-

have the Liberals, denying Socialism, but being forced by the inexorable development of economics to bring in much socialistic legislation to keep themselves in office. And being fairly successful in keeping in office, so their legislation must be benefitting a number of people.

On the other hand, we have the Conservatives, who admittedly have brought down some good legislation, but as tardily as possible, and for that reason, perhaps, not holding office for any important percentage of the time. Also, we have a fourth party, rather unknown, professing a somewhat weird and vague economic philosophy, but actually practicing a most orthodox type of economics, more conservative than most Tories. Many of their apostles, and many of their adherents, seem to be people who failed to get into office under the old Conservative banner or who climbed on the Liberal bandwagon while it was going strong, and hastily climbed off when the going got tough. There does not seem to be much in the legislative record of that party, nor in the records of most of the adherents, to attract even the secondary support of anyone who is interested in the welfare of the working people, who after all are the majority of the population.

So I suggest to Mr. Rees that it might be consistent for a working man to give first choice to the C.C.F., who both in power and in opposition have a record of accomplishment in aid of the common people, and at the same time to give at least secondary support to the Liberals, who reluctantly as may be, have done much for the working man, even to the extent of enacting quite a lot of socialistic legislation.

mendations of its commissioners and has prepared a new Act". The meeting was informed that if the recommendations of the Liquor Inquiry Commission are implemented by the government as written, serious harm will be done to veterans' clubs, by the removal of legislation granted to them many years ago, and endorsed by the Liberal, Conservative, C.C.F. and the one labor man in the Provincial Legislature at Victoria; over the years.

The Convention of the British Columbia Command of the Legion meeting in Nanaimo commencing May 25th, will give attention to this matter.

E. G. Sergant and Robert Macnicol will represent the local branch.

Port Mellon Briefs

by Mrs. Swan

At a meeting of the P-TA Wednesday, afternoon, plans were discussed for the Coronation Day ceremonies to be held in the Community Hall on June 1st at 1:00 p. m.

School Principal, Mrs. Wiren read the program outlined by herself and Mrs. Rudolph. The public are invited to attend.

COMMUNITY CLUB FORMED

A long felt-need was fulfilled last Thursday when a meeting was called for the purpose of forming a Community Club. H. MacDonald acted as Chairman, and represented the Howe Sound Pulp as well. He assured the meeting that the Company would support them in their efforts. A temporary executive was elected to draw up a set of by-laws, and to bring in suggestions to be voted upon at the next meeting.

Officers elected were President, R. Addison; Vice President, A. Lockwood; Secretary, R. Wilson; Treasurer, F. West; Executive: D. David, D. Pitman, L. Wilkie, L. LaBonte, A. Tingely.

Notices will be posted with the date of the next meeting.

Mrs. E. Hume has gone to Vancouver for a couple of weeks to care for her sister who has been in hospital.

Mrs. N. Marlieu is in North Vancouver General Hospital for an operation. Doing nicely at last report.

The M. Watsons are off to Seattle for a short holiday.

The C. Grahams are spending a few days in town. Mrs. R. Gill took Peggy and Robbie to town for a session with the dentist. Mrs. Rennie of Saanichton was a guest of Mrs. Cardinal. The Rennies are moving into Del Pitman's former home. Mr. and Mrs. Harris are having a holiday with their sister in Bell-ingham.

Gardening was neglected temporarily, the last ten days, while everyone went fishing. The run is almost over. We should be a brainy group, the fish that is consumed here.

Harold Bursey, Sig. and Gordon Peterson were busy trying to complete painting their boats to get them in the water for the week-end.

The Bill Booth's house is the most popular in Port Mellon. They have the first T V. Set. Reception is fairly good, and some nights perfect. Billy is still experimenting.

U.B.C. Players Well Received

On Saturday last, the play "Shadow and Substance" was presented by the U B C Players Club in the auditorium of the Elphinstone High School, to an audience from Pender Harbour to Hopkins Landing.

The play itself was much appreciated, and there was much applause for the actors, whose interpretations were sound and quite in character.

Brigid, whose role was not an easy one, stole the show, as far as the Gibsons audience was concerned, Doris Chicott turning in an excellent performance.

Canon Skeritt was well played by Gerry Webb, whose portrayal of the sauve, disciplined member of the Church was very real. The breaks when his temper overcame his polish were beautifully done.

Miss Cooney and her Nephew Francis were both popular, and both played difficult parts well.

The story ran smoothly, from Brigid's first disclosure of her visions to the School-master O'Flingsley, through the plots and counter plots of school employees, disposition of the giggly neice whose very existence was an offence to the good Canon, through the development of Brigid's obsession with her patron saint, the Canon's rather naive attempts to dissuade her with worldly goods, his refusal to make a public spectacle of himself even in the interests of a 'Miracle for St. Brigid', and the final miscarriage of justice.

The whole cast was roundly applauded for a very realistic and interesting performance.

Minor Accident Reported Here

Just opposite the Coast News office in Gibsons, on Saturday morning last, Mr. C. M. Ross chose to have a minor traffic mishap.

While parking a Johnston Motors U-Drive truck in a congested area, he came just that much too close to a little 'Vanguard' car parked behind, and gently but firmly, popped the glass on Bill Docker's headlight.

Mr. Ross phoned to report the accident from the Coast News office, and seemed no little surprised to be asked his correct name for this mild report. Must be the Coast News has been hiding its light under a bushel of something.

Home Economics Discussed By W. I.

The Women's Institute held their regular meeting at the home of Mrs. Reese on May 19, with twenty two members in attendance.

Mrs. Christensen read a letter of thanks, from Mrs. Pearl Trethewey for farewell gifts, also news of the Interior W. I. where she now lives.

A letter of thanks from the May Day Committee was read, for the support and interest shown.

A further letter was received from the VON asking for support in their local Drive. Funds were voted towards the project.

Mrs. Atlee read an interesting article on Home Economics.

Mrs. Haley read an interesting article from the Vancouver Sun, by Mrs. Hodgson, on "Retirement". Made the members all realize how fortunate they are in the beauty and joy of Gibsons.

It was voted that a letter of thanks and commendation be sent the May Day Committee regarding the Community May

VISITORS

Mr. and Mrs. J.E. Marshall Sr., were delighted to receive their daughter, Mrs. C. A. Milligan, from Vancouver, last week. Mrs. Milligan brought her baby daughter with her, to the delight of the grandparents. They remained over the May Day Holiday.

Coronation Plans Cancelled

The Sechelt Branch of the Canadian Legion has announced that they have cancelled their plans for a Coronation Day Celebration. This is, they state, due to the fact that on June first, there is to be an observation by the Schools, to be held on the 'Green at the Sechelt School. All are welcome to attend this function, at 2:00 p. m. on Monday. The President of the Sechelt Branch of the Legion will address this gathering.

Day.

Reports were regretfully received of the illness of two members, Mrs. Phillips and Mrs. Harding. Hopes expressed for their speedy recovery.

The next meeting will be held in the Anglican Parish Hall June 16th.

HOW EASTERN CANADA REJECTED THE SOCIALISTS ... and forged ahead industrially

There are 11,000,000 out of Canada's 15,000,000 people living in Ontario, Quebec and the Maritimes.

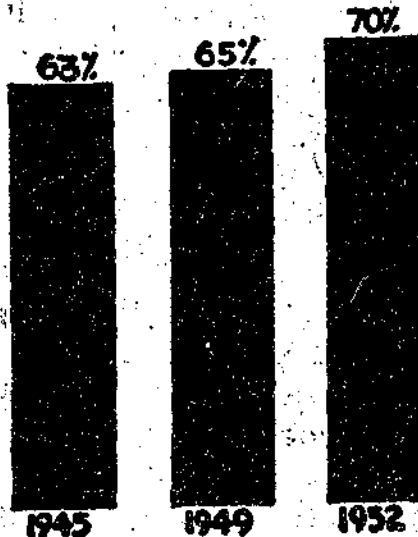

These Canadians elected only two Socialists to the Federal Parliament at the last election. Two seats out of a total of 190.

In Provincial Legislatures of the East there are 329 seats. Socialists today hold 4 of them.

Thus of 519 legislative seats, Federal and Provincial, the C.C.F. holds only 6.

A WEDDING
OF INTEREST HERE

When Ivy Theila Colwell and Del Pratt were united in marriage at Kitsilano United Church Manse at 8 p. m., May 2. Rev. Harry E. Parker officiated. For her marriage the bride chose a pale blue tailleur suit and hat with black patent accessories, yellow gloves and a corsage of orchids complimented with sprays of yellow and white buds. Matron of honor Mrs. Carola Forst wore a french grey suit with white accessories. Flower girls were the 8 year old daughter of the bride dressed in mauve nylon carrying a colonial bouquet and Patty Hamer neice of the bride, in blue taffeta carrying a colonial bouquet. The best man was Mr. H.B. Gordon of Sechelt. Following the ceremony, a reception was held at the home of Mr. and Mrs. D. E. Hamer on West 4th Avenue. Mr. and Mrs. Pratt will reside in Sechelt.

The first of the local Indians leaving for the states to pick strawberries left for Auburn, Washington recently. They were Frank August, Esther August, Joan and Sam Johnson and Amanda August. Others will be leaving next week.

Sorry to hear Mr. W. Allan is in hospital - hope he will be on the mend soon.

Visiting Sechelt recently from Langley Prairie were Mr. and Mrs. Keith Killick with their children David and Joan - guests of their parents Mr. and Mrs. Stuart Killick.

Mrs. Mabel McFarlane had as guests her son and daughter in law Mr. and Mrs. Alec Warner, and two children from Vancouver.

Visiting Mr. and Mrs. E. E. Redman were Mr. and Mrs. Art Redman of New Westminster and Mrs. Frost.

Ann Gordon here from school in Vancouver visiting her parents Mr. and Mrs. H. B. Gordon.

Mr. Gus Crucil Jr. and Mr. Bob Payne spent a few days here at the Sechelt Inn - visiting from Vancouver Island.

We wish to congratulate Mr. and Mrs. Frank August on the birth of a baby boy at St. Mary's Hospital at Pender Harbour.

Mrs. Sara Paul with Stanley and Daphne will be visiting Mr. Joe Paul at Nanaimo Indian Hospital. Also visiting Joe will be his mother Mrs. Elizabeth Paul. We hope they will find Joe in better health. He has been away for some time.

Mrs. Del Pratt, the former Ivy Colwell, has been in Vancouver the past two months studying oil painting under the famous Dutch portrait painter Charles Stegman who has been instructing at UBC's Department of Extension. He and his artist wife Francoise Andre are new arrivals from Holland. They think B. C. is very beautiful and Mr. Stegman has recently completed some wonderful canvases featuring our beautiful coast mountains.

Mr. and Mrs. Cameron Duncan of the Sechelt Inn are in Vancouver for a few days.

Dick Clayton spending a few days with his parents Mr. and Mrs. E. S. Clayton, coming here from Loughboro' Inlet.

CORONATION BALL

The Gibsons Kinsmen's Club is holding a Coronation Ball on Monday, June first. The affair will be by invitation, and is formal.

This evening will make a pleasant addition to the Coronation Festivities here, and has been anticipated with pleasure by the Kinsmen and their friends for many weeks.

"Government deals with the affairs of people not institutions - let us keep our people free and we will have no concern over the freedom of our institutions." Arthur Laing; Liberal Convention, April 8th, 1953. Advt.

Around The School

Special thanks to Gordie, Doreen, Wilma and Carmen, for the good job on the Elphinstone Float, entered in the Sechelt May Day Parade. The float won first prize in its division.

The big Scholarship Dance put on by the Sechelt P.T.A., as a great success. The take in was over \$100, and there were big prizes. Marilyn Turner won the \$5.00 door prize, while other school pals to win were: Marie Van Skiver, Yvonne Garry, Mary, who all won novelty prizes. Music was provided by Eric Inglis and his band.

Progress in the "garden, yard maintenance and lawn-making crew": they have a cement roller on the go and are certainly doing a good job — they have broken two rakes so far.

Practising diligently for sports day goes on every Friday noon-hour while that smell of paint you detect coming from the Council Room is only house C madly painting small banners for the Big Day.

Lindwall or no Lindwall, we are going to have a beach-party on June 1st, the evening of Sports Day. Sponsored by House "A", it will be for all Senior students and their invited guests, and will likely be held at Elphinstone Bay.

The Sports Beat

by Roy Duncan

The Mid-Peninsula Softball League opened May 17th, with Wilson Creek meeting the Gibsons Bluebacks. Bluebacks won the game 10-9. The winning pitcher was starter John Marsh and Don Caldwell was charged with the loss. Gibsons jumped into the lead at the beginning of the game and never lost it.

In the other games played on the 17th the defending champs the Fumblers out-slugged the Braves 18-14.

The game between Selma Park and the Sechelt Firemen that was to officially open the league on the 18th was cancelled with everything else because of the rain.

On the 19th the Bluebacks make it two wins in a row by defeating the Fumblers and Wally Smith 11-5. Again Gibsons entry lead all the way. Denny Tyson went all the way for his first win of the season and speed ball Wally Smith suffered his first set back.

Selma Park made their first game a winning one as they nipped Wilson Creek 6-5. In other Thursday night games the Sechelt Firemen nipped the Braves.

On Sunday May 31st the Bluebacks played their first home game when they play host to the Braves. Game time is 6:30.

In house softball last week house C maintained their senior boys lead by whipping A 8-2. The junior boys game ended in a 5-5 deadlock between C and A. The House C senior girls won their game with House A by default. House A failed to find a team. House B junior boys and House C finished their game in a 6-6 tie. In the junior girls league House B defeated House C by a score of 18-12.

As I See It

by Eric Lindwall

The School is thinking of having another wonderful "beach party." Ah yes, I will remember the last beach party we had and I have a few suggestions gathered around the school toward making the next party a little bit more successful.

1. Arrange with the weatherman at Sea Island for a nice warm evening with darkness real early, (the fires are so romantic) — I can remember the rain last year dampen the spirits and also watered the coffee, (which was an improvement), sogged the hotdogs and contributed to the general confusion of the evening.

2. By bribery or mass execution, quell the insect life which usually outnumbers the members of the party about ten to one. Also, their appetites for human blood and their habits of committing suicide in the coffee; usually quells any optimistic attempts to hog the "food" off the tables.

3. Also by bribery or mass execution, (preferably the latter solution), encourage the hordes of juniors to go to the show, or go to . . . (oops!) (How can we wish anyone such misfortune?)

4. Pick a nice location for

the party: with piles of wood already located conveniently near a place for a fire; soft logs at a proper distance from the fire (which never gets too hot); a good sandy beach where there is no such thing as high tides, and above all, warm water for swimming.

5. Of course, there is the food too. As well as a liberal sprinkling of sand flies, wood bugs and dead mosquitoes, the hotdogs are usually cold, half-done objects stuffed in crisp, (and I mean crisp), weiner buns. And the liquid we are supposed to drink resembles something quite unedible. Perhaps we could have a catering service, (and I don't mean the enthusiastic but rather smash-and-grab antics of our Home Ec. girls.)

6. Perhaps the best suggestion yet is, ((How about having just an ordinary party?)) I don't know, but it sure is a tempting idea, isn't it?

NOTICE

TAKE NOTICE that it is proposed that Bylaw No. 90, zoning Bylaw, 1951, as amended by Bylaws Nos. 91, 92 and 97, be further amended by Bylaw No.101, as follows:

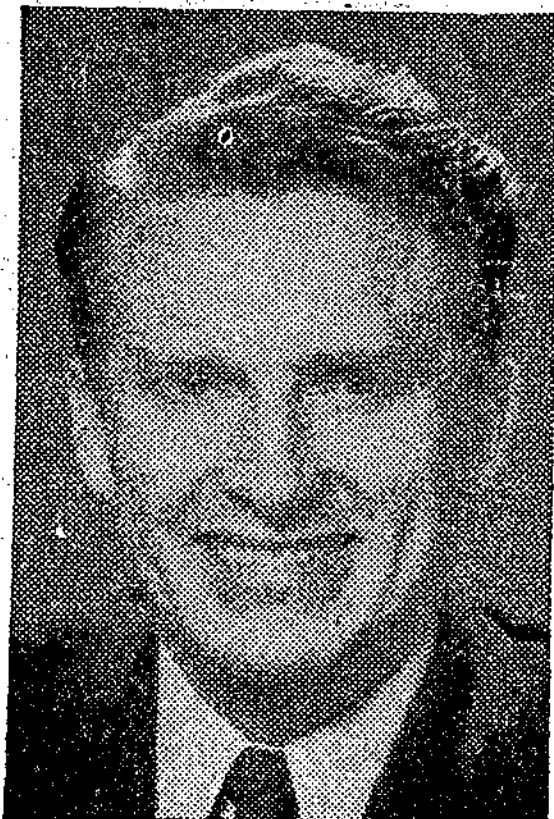

1. Classification "A" (Residential) of Schedule "A" is amended by deleting the words "Lots 1 to 20 inclusive" in the third descriptive paragraph and substituting therefor the words "Lots 1 to 14 inclusive and Lots 17 to 20 inclusive".
2. Classification "B" (Business and Residential) of Schedule "A" is amended by adding thereto as an eleventh descriptive paragraph the words "Lots 15 and 16, Block 2, District Lot 686, Plan 3130".

Explanatory Note: The effect of this proposed by-law would be to create an additional "B" Business and Residential District of Lots 15 and 16 as above; this area is sometimes known as the "Bertram Sub-division".

A copy of the proposed Bylaw may be inspected at the office of the Municipal Clerk on Tuesdays, Wednesdays and Saturdays, from One o'clock p.m. to 4:30 o'clock p.m.

And further take notice that a Public Hearing will be held at the Municipal Hall, Tuesday, June 9th, 1953, at Two o'clock in the afternoon, to hear representations from any persons who deem themselves to be affected by the passage of the above bylaw.

ROBERT BURNS
Clerk.

VETERANS' ALLOWANCE

Editor, The Coast News,
Sir: —

Recently there was quite an article in the Vancouver Press stating that Members of Parliament of all parties had requested an increase in the amount paid to Veterans on War Veteran's Allowance. At the next sitting the Minister of Veterans' Affairs promptly put an end to that idea by saying "nothing doing". Apparently Minister is quite satisfied with conditions as they are and as he is definitely speaking for the present Government it is perfectly obvious the various Ministers of the Crown must, in the majority, be in agreement with him.

Could it be possible that Veterans in some Provinces are getting a better deal than those in others? This question arises because of the "peculiar" events which occurred in the early part of March. A Veteran in Quebec requested help from the Dominion Command and gave his permission for the Legion Officer concerned to have access to his file. This file the Officer was unable to obtain for some little while. During the interim, a report was sent by Mr. Fortune, the Superintendent of Veteran's Welfare Services to Mr. Parliament, the Director General of Veteran's Welfare Services under the date of Mar. 4th 1953 which under the regulations existing at the moment, showed the Veteran to have received more money than would have been permitted in B. C., Mr. Parliament under date of March 6th forwarded his report on the matter to the Deputy Minister. It is a very peculiar coincidence: that under the same date Mr. Garneau issued an instruction no. 6 increasing the amount permissible under the section in question to an amount covering the difference between what would be allowed to a Veteran in B. C. and what was allowed the Veteran in Quebec — after this happened the file was forthcoming to our Legion Officer. Quite a coincidence.

The United Church service which has for some time been held at Selma Park has now been transferred to St. John's Non-Denominational Church at Wilson Creek. This is on the invitation of those responsible for the work which has been carried on by Pastor Elliott. Mr. Elliott has withdrawn from Wilson Creek and the United Church has been asked in the meantime to hold a regular service and to continue the Sunday School. The time of the service will be half past three on Sunday afternoons. A general and cordial invitation is extended to all who care to attend. Transportation will be arranged for any coming from Selma Park.

GIBSONS - JUNE 4 - 9:00 p.m.

Roberts Creek Gibsonnews Round-up

by Madge Newman

It is hoped that Tuesday, June 2, will not be a repeat performance of May 18 as to weather, or the sports-minded will be greatly disappointed. In any case, the Coronation Service will held, as planned, in the School at 11 o'clock. Weather permitting it will be followed by a picnic lunch at Elphinstone Park and sports at 1 o'clock. Tea and Coffee will be for sale, please bring your own cup. Pop and hot dogs will also be available. This is a community affair. Let us make it a good one.

On Tuesday, May 19, some 22 members of the Eastern Star journeyed 'en masse' to West Vancouver where they were guests at a banquet accorded them by Naomi Chapter, OES. Having shed homes, husbands, children and dull care for the night, they engaged suites in a delightful motel and proceeded to have a right-merry holiday, in which shopping for breakfast foods at Park Royal played a pleasant part.

We extend sympathy to Mrs. Shaw, whose husband, Charles Anthony Shaw, passed away at their home here. Funeral service was held at the United Church, May 22, with Rev. H. J. Bevin officiating.

Mount Elphinstone Chapter, No. 65, OES, became a hive of industry on May 21, on the occasion of the official visit of the Worthy Grand Matron, Mrs. Ann McDonald, and her entourage of officials in Eastern Star circles. Following the impressive rites in the chapter room and an inspiring address given by Mrs. MacDonald, the assembly moved to the banquet hall where feasting and informal fun became the order of the day. Worthy Matron, Mrs. Phyllis Parker, Sechelt, and Worthy Patron Harold Metcalfe, Gibsons, presided.

That there is talent among the younger fry on the Peninsula was evidenced Friday evening when 15 pupils of Miss Margaret McIntyre played for their relatives and friends. Six year old John Yates captivated the hearts of the audience with his violin solo. A trio of 11 year old boys, violinists, also did justice to their teacher. Piano and violin solos and orchestra selections followed and were given a hearty applause by a very appreciative audience. Miss Jerrie Jervis and Mrs. E.J. Shaw assisted in the orchestral group. The progress made by Roberts Creek's talented young pianist, Donald Weal, is closely observed by his friends, and his rendition of the second movements of Greig's Concerto in A Minor, accompanied by Miss McIntyre on the organ received high praise. Two other advanced students, Carol Forst and Eric Lindwall, were up to their usual good form. Taking part in the recital were John Yates, Ian Bowden, Carolynne Gilbertson, Wendy Yates, Sheila Smith, David Blake, Donald Ritchie, Kitty Ripley, David Lucken, Wilson Anderson, Joan Reeves, Eric Lindwall, Donald Weal, Carol Forst and Jeff Newman.

Another successful rummage sale and tea were held on the 22nd in the Legion Hall. The

Mr. and Mrs. Knight of Gibsons and their friends are following with interest the accounts of the climb up Mount Everest. Mr. George Band, one of the few chosen to go to the very top, if possible, is a cousin of Mr. Knight.

Welcome home to Mrs. Deely (Mary Slinn), who is visiting her mother and home folks at Soames Point for a well-earned holiday. She has been nursing in Chicago where her husband is at the University, but though she is happy there she thinks this part of the world is much

nicer than Chicago.

Our best good wishes go to Chrissie Stewart, of Gibsons, who was married this month to Murray Begg of Vancouver. The wedding took place at St. Paul's Chapel in the West End. Dorothy, twin sister of the bride, was bridesmaid, and Lloyd Begg, brother of the groom, was best man. The reception was held at the home of the best man. The couple will live in Vancouver.

AGRICULTURE

Is British Columbia's Third Industry

YOU CAN ENSURE A FAIR PROFIT FOR THE FARMER . . .

BETTER QUALITY AND LOWER PRICES FOR THE CONSUMER

**YOUR VOTE FOR A LIBERAL GOVERNMENT
ON ELECTION DAY, JUNE 9, WILL:**

- Remove existing inequities in education costs on farm and ranch lands.
- Establish a vocational agricultural school
- Establish a Veterinary College at U.B.C.
- Institute adequate uniform grading for fruits and vegetables.

It is because the city and farm dwellers are so dependent upon each other that Agriculture holds such a prominent place in the Liberal platform.

SATURDAY AUGUST 15th

May Queen To Open Celebrations

"Queen" Charmaine Adams, who was crowned Queen of May in Gibsons, will open the Coronation Day celebrations at 11:00 a. m. on June 2nd, followed by the Children's Costume Parade.

Prizes for the winners of floats on May Day will then be awarded.

May Pole dancing will be repeated, following which the Volunteer Fire Brigade will give demonstrations of First Aid.

At approximately 3:00 p. m., the May Queen and attendants will be driven in state through the Village, and on up to the Elementary School Grounds. There, she will open the ballgame between the Firemen and the West Vancouver Ball Team, by throwing the first ball.

Coronation Day should be a great day of sports for all.

Local Man To Observe Coronation

Mr. and Mrs. W. Pearson of Madeira Park have received word from their son, Sgt. Ray Pearson, R.C.A.F., at North Luffenham, Rutland, England, that he has secured a seat for the Coronation immediately opposite the entrance to Westminster Abbey, from which view point he will see both the arrival and the departure of the Royal entourage.

He says they have to be in their places by six o'clock in the morning. Cushions are provided for them, and food will be available. The entire proceedings will be broadcast, also the progress of the procession enroute.

Lucky Sgt. Pearson will get a real view of the Royal procession, at least.

Sechelt May Day Awards Announced

Dismayed but undaunted by rain which drenched both participants and spectators, 11 year old Wendy Yates of Selma Park was crowned May Queen at Sechelt's 5th May Day. The parade, led by 70 North Vancouver Sea Cadets and their Auxiliary Wrenettes, proceeded to the Indian Reserve Park where the traditional ceremony was held as scheduled.

Escorted by Board of Trade President, and attended by Leanna Moscrip, Irene Tyson and flower girls Georgina Ibeye, Judy Pendergast, and Cheryl Billingsley, retiring Queen Diana Wheeler thanked her subjects for their allegiance during the past year and with grace and dignity placed the crown on the head of her successor who accepted her future responsibilities with an equal amount of charm and poise. Queen Wendy was attended by Judy Gray, Marda Walker and flower girls Judy Braun, Sheila Nelson, Anne Morrison, Bernice Listee and escorted by Fire Chief Fred Mills. P-TA President Mrs. J. Redman presented souvenir lockets to the queens and bracelets to the attendants.

The ceremony over, the Queens and their retinues, were whisked off to the Indian Residential Auditorium to preside over the Maypole dancing and group singing by the Sechelt Elementary School children. Sports and the first official softball game were cancelled.

As planned, the Children's May Queen Ball was held in the Legion Hall from 7 to 9 p.m. followed by two hours of dancing for the teen agers. Music supplied by Jack Whitaker, a well handled job of MCing by P-TA Vice President Orv Moscrip, hot dogs and soft drinks served by the Selma Park Community Association all combined to make it an out-

standing success. A very happy ending to the small May Queen's first day.

Awards for parade entries were:

Community: 1st - Indian Village War Canoe. 2nd - Selma Park Community Centre Float (The Old Woman Who Lived in A Shoe).

Commercial: 1st - Village Centre Float. 2nd - Sechelt Cartage Float.

Industrial: Jackson Bros. Logging Co. 2nd Crucil's.

Private: Les Peterson (Gibsons).

Children's Bicycles: 1st - Langford Chamberlain. 2nd - Mark Steele.

Walking: Myona Stroshein.

Winners of the program draw were: 1st prize (25.00 gift certificate) Chris Marrs, c/o O & O Logging Co. 2nd prize (15.00 gift certificate) Duncan MacDonald of Wilson Creek. 3rd prize (\$10.00 gift certificate) Mary Jackson of Sechelt. Winner of the two grocery hampers were Mrs. Y. Kubo of Wilson Creek with ticket no. 10317. Ticket no. 10413 has not been claimed. The holder may contact the Sechelt Service Store or call Sechelt 81 C.

States His Plan:

1. We will provide one glass of milk for every school child in British Columbia every school day...

SOMETHING THEY HAVEN'T GOT NOW

2. We will free the Civil Service from fear of political interference and give them a five-day work-week...

WHICH THEY HAVEN'T GOT NOW.

3. We will give every citizen the right to bring suit in Civil Courts should they suffer damage from any action taken by the Government or its servants...

SOMETHING THEY CAN'T DO NOW.

4. We will provide a school system free from political interference.

WHICH YOU HAVEN'T GOT NOW...

5. We will help rebuild our Export Trade...

WHICH IS NOT BEING DONE NOW.

6. We stand for fair employment practices...

WHICH YOU HAVEN'T GOT NOW...

These are some of the important proposals contained in our Party Platform which has specific and advanced ideas under the following headings:

* Forestry * Education * Labour
* Agriculture * Mining * Power
* Liquor Laws * Civil Service * Damage
