Gibsons bylaw makes area park

After a great deal of work involving a lengthy search for relatives of the original Gibson family, and obtaining consent of the provincial Public Utilities Commission step by step on work done, Gibsons village council has passed a bylaw which will give the village possession of the former Gibson Memorial Church property so it can be made into a park in perpetuity.

It has taken some three years to achieve this result and now arrangements will have to be made for the removal of the old church building. After that has been completed the provincial highways department has a plan for the easing of the curve on that corner and will most likely take a slice from the park property to obtain the desired result. In the meantime the park area would be straightened up and the graves area attended to with the object of making a permanent arrangement for their preservation.

Here is a copy of the bylaw which has given Gibsons village possession of the old church property:

A By-law to authorize the purchase of land for the establishment of a Municipal Park.

WHEREAS a tract of land described as Block E, District Lot 686, Plan 3130, Group 1, New Westminster District, containing approximately one-fifth of an acre more or less, situate in the Village of Gibsons Landing, and owned and registered in the name of the United Church of Canada, is suitable for a Municipal Park; and

WHEREAS said land is available to the Corporation for the sum of Five Thousand Dollars ($5,000.00) payable in four annual interest-free installments of One Thousand Two Hundred and Fifty Dollars ($1,250.00); and

WHEREAS estimates of expenditure out of revenue for the year 1963 as cited in "The Village of Gibsons Landing Annual Budget By-law No. 155, 1963," provide a sum not exceeding One Thousand Two Hundred and Fifty Dollars ($1,250.00) for the purchase of park land;

NOW THEREFORE the Council of the Corporation of the Village of Gibsons Landing, in open meeting assembled hereby enacts:

1. The land described as Block E, D.L. 686, Plan 3130, Group 1, N.W.D. shall be purchased by the Corporation for the sum of Five Thousand Dollars ($5,000.00) subject to the Regulation made under Section 7.05 of the "Cemeteries Act" and provided that:
   (a) The property will be made into a Park in perpetuity, except that portion required by the Department of Highways.
   (b) No further burials will take place in the cemetery.
   (c) The Corporation of the Village of Gibsons Landing will be responsible for the decent care and maintenance of the graves in perpetuity.
2. The annual interest-free installments shall be made in the amount of One Thousand Two Hundred and Fifty Dollars ($1,250.00) and shall be payable on September 1, 1963, September 1, 1964, September 1, 1965 and September 1, 1966.
3. The By-law may be cited for all purposes as "The Village of Gibsons Landing Park Land Purchase By-law No. 157, 1963."

Red Cross local to reorganize

Members of Gibsons-Port Mellon branch of the Canadian Red Cross met at the home of Mr. Henniker on the occasion of the visit of Mr. W. B. Johnson, district campaign co-ordinator from Vancouver.

Members of local organizations sponsoring Red Cross activities were present and as no regular meeting has been held within the last 18 months it was decided to take this opportunity to appoint an executive committee for the local Red Cross branch which will operate until the regular annual meeting is held later this year.

Officers appointed are: E. N. Henniker, president; Con. Fisher, vice-president; Mrs. J. A. Mainil, secretary-treasurer and Mrs. H. J. Chaster, executive member.

Mr. Johnson complimented those present on the excellent campaign conducted in March of this year when the collections exceeded the quota set for this district, evidence of hard work by a devoted band of voluntary canvassers.

MANY AT PICNIC

St. Bartholomew's Anglican church Sunday School annual picnic July 6 at Seaside Park, Port Mellon, drew a good turnout in spite of the unsettled weather. Foot racing and games kept the youngsters on the go until the hot dogs, pop, ice cream and cake were ready, most of which disappeared like magic. Adults were served tea and cake. Following the introduction of the Rev. J. B. Fergusson and his wife, a general sing song gave vocal cords an airing with Rev. Mr. Fergusson as leader.

Inspection for young gardeners

Inspection time is here. In the next two weeks the Kiwanis club plan on judging the gardens for part of their points. The following children are competitors: Pamela David, Mark Jewitt, Raymond Johnson, Denise Littlejohn, P. Carey, Esther Carey, Danny Crosby, John Crosby, Christine Hastings, Elliot Trueman, Robert Boyes, Harry Laing, Marcia McHeffey, Murray McHeffey, Phillip Anderson, David Johnson, Peter Rigby Douglas Oram, Charlene Day, Mike Day, Thelma Volen, Frances Volen, Frances McKenzie, Linda McIntosh, Moira McPhedran, Richard Sicotte, Martin Kiewitz, Douglas Gibb, Kirk Thomas.

If there are any more entered but not on the above list please contact Ozzie Hincks, chairman at 886-2471.

Your par is--?

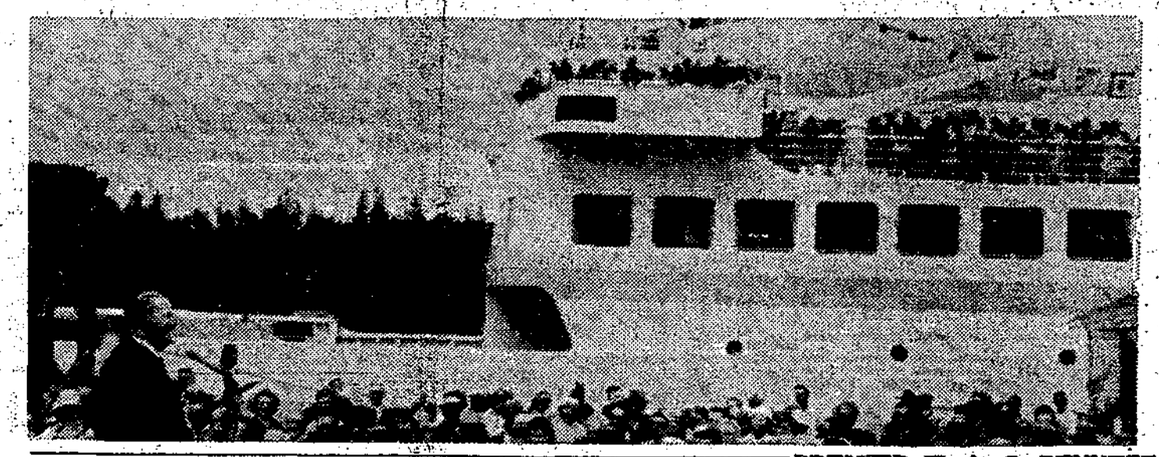
So you want to play golf! How about a course with a par 42? It is just a stone's throw of Gibsons — if you can throw stones as far as the North Road at the Cemetery road turn.

It is the Tiny Tim Golf course which has six holes with par three and 12 holes with par two. You can do it in 20 par going out and 22 par coming in. There are ground rules which make the game interesting.

Some people of this area are of the opinion what the area needs is a nice golf course. While Tiny Tim is a pocket-sized course it still has the thrills of the game which covers acres and acres of area.

PAROCHIAL TEA

On Friday, July 12 from 2:30 p.m. to 4:30 p.m. at the Anglican Vicarage grounds, Gibsons, the Rev. J. B. Ferguson and Mrs. Ferguson will be entertained at a tea given in their honor by the Rev. Denis F. Harris and Mrs. Harris. Guests to this affair will be all members of the new Anglican Parish, Port Mellon to Egmont.



Gaglardi denies rumor

Hon. P. A. Gaglardi has emphatically denied rumors circulating locally that the provincial government has dropped plans to build and operate a ferry between Powell River and Comox, according to last week's issue of the Powell River News.

Gaglardi issued the denial following a telegram sent to him by The News which said:

"Statements here that PR-Comox ferry will not be running this Fall. In fact date of start of service according to talk is said to be 'very indefinite' as cost of ferry 'too high'. Would appreciate any definite statement from you by return wire."

Replying to The News telegram, Gaglardi said:

"A design for the vessel has been drawn up and recently approved by steamship inspector, Department of Transport, Ottawa. Department now engaged in surveys and studies in connection with landing sites. Doubtful if ferry will be running this Fall but preliminary studies proceeding as quickly as possible and contract for vessel will be let in the near future."

125 want to swim

Enrollment in the Kinsmen swimming classes is growing every day. It is reported by the instructor Miss Arnold over 325 students have been enrolled. Well over half of the students enrolled are non-swimmers or advanced beginners. Brian Knowles, who is helping Miss Arnold in Gibsons, reports in that area alone, over 125 students have enrolled.

While the weather has not been too good the enthusiasm is running high. In Sechelt and Davis Bay on rainy days instruction will be given in the Hospital Cottage in Sechelt and in the Wilson Creek Hall in Davis Bay. If the weather is doubtful, bring bathing suits.

In the Sechelt area adult swimming instruction will be given on Tuesday and Thursday evenings commencing July 16 with two classes each day. The first class will be from 7:15 to 7:45 and another from 8 to 8:30. Forms for these classes may be obtained at Morgan's Mens Wear.

Teen dance draws 104

Sechelt branch, Royal Canadian Legion youth dance on June 28 saw a record 104 teenagers in attendance. Music came from recordings with the leaders of tomorrow bringing their own favorite records.

The Ladies Auxiliary prepared the hot dogs with one free on each ticket for admission.

These dances are put on by Branch 140 and are rigidly chaperoned by Legionaires, with no one leaving the hall unless they do not plan on returning. These dances are well received by the parents, as well as the teenagers and the Legion is looking forward to the next Youth Dance which will be on Friday, July 26 from 8 to 12.

All net proceeds go towards Legion's youth activities, including Junior Olympic Training, Soccer promotion and Scouts.

Lynne Ennis Jobie queen

The public installation of Honored Queen-Elect Miss Lynne Ennis and her officers, Bethel 28, International Order of Job's Daughters, was held on June 29, in the School Hall in Gibsons.

Approximately 250 persons attended the ceremony, the theme of which was the Book of Silver. The hall was decorated in this silver theme, and made an attractive background for the ceremony.

Retiring Honored Queen Miss Marion Brown did an excellent job of installing the officers. Other members of the installing team were: Patty Smith, guide; Kathy Toynbee, marshall; Anne Lang, chaplain; Sheila Smith, recorder; Roberta Johnson, senior custodian; and Mrs. Maureen Smith, junior custodian.

Mr. Wilson Anderson sang the two solos, and Mrs. D. Cameron from Pender Harbour provided the music.

The elected officers installed were Lynne Ennis, honored queen; Linda Peterson, senior princess; Susan Taylor, junior princess; Diane Feidler, guide; and Heather Garlick, marshall. Seventeen other appointed officers were also installed.

Following the ceremony, refreshments were served and a dance was held during which the winners of the Job's Daughters raffle were picked.

TO TAKE SERVICES

Miss Henrietta Campbell, community worker appointed by the Board of Home Missions, will be in charge of the United Church services at Gibsons, Roberts Creek and Wilson Creek on Sunday, July 14.

PREMIER W. A. C. BENNETT officially accepted the Queen of the Islands, newest ferry in the British Columbia Ferry Authority fleet, on the dock at Ganges, Salt Spring Island, Thursday. The 400-passenger ferry connects the Gulf Islands to the mainland at Tsawwassen with twice-a-day service. A group of shipyard, government and shipping officials were joined by 300 guests in the inaugural run of the newest Queen, hampered by loss of one engine when a bearing burned out during the final trial run.

Tax diversion is questioned

Sechelt School Board has been asked to ascertain how $45,000 school taxation on Canadian Forest Products new construction for 1962 was diverted into a provincial fund instead of to the credit of Sechelt School district.

Canadian Forest Products was re-assessed when the new construction was completed. The taxation from this assessment has not been credited to Sechelt School District. It has apparently gone into a provincial deficit rural education fund. This fund has been set up to help rural areas who are unable to raise sufficient taxation for their needs. A letter from Canadian Forest Products has asked the board to find out how such a diversion of tax money can be made.

During Tuesday night's meeting of the board a delegation brought up a matter of school discipline which the board has taken under consideration. John Harvey was chairman due to the absence of Reg Spicer, board chairman.

Bollman Roofing, New Westminster obtained the tender for re-roofing Madeira Park school at a cost of $2,635 and Raymond Phillips of Madeira Park obtained a one year contract for transporting pupils by boat at a minimum cost of $43 a day.

Oops! Sorry!

It happened! No matter how one checks on lists of names covering various events, someone is forgotten. Usually it is someone who takes a good part in the event.

This time it was the master of ceremonies for the July 1 Celebration. His name — Ike Mason. So to Ike go the apologies of the July 1 committee members and the Coast News.

PEEWEE MEET

There will be a Peewee meet under Junior Olympic Training plan auspices July 28 at Sechelt. Details of this event will be announced at greater length next week. This meet will take in Gibsons, Sechelt, Powell River and Vananda.

Athletes do well at meet

On Sat., July 6, athletes from Sechelt and Gibsons branches of the Junior Olympic Training Plan in the bantam and midget divisions journeyed to Powell River for the third annual area finals.

Powell River won 15 firsts, Sechelt seven and Gibsons five. Those who went with the young athletes to look after them from Sechelt area were: Mr. and Mrs. R. F. Delong, John Little, Mr. and Mrs. J. H. Macleod and Charles Lucken and from Gibsons area, Mr. and Mrs. E. H. Burritt, Mr. and Mrs. E. Yablonski, Mrs. Quarry, Mr. J. L. Ferrari and Ron Haig, vice-president of the Royal Canadian Legion Pacific command.

The event opened with a march of the participants led by the colorful McMillan Bloedel-Powell River pipe band. The atmosphere of perfection set by the band continued throughout the events culminating with a cold plate dinner for all visitors. Here are the results of the various events:

BANTAM BOYS

Discus: Claes Petri, Powell River, 73'11".

100 yards: Jim Quinn, Powell River, 11.08 sec.

Shot Put: Ken Philip, Powell River, 23'½"

50 yards: Barry MacDonald, Sechelt, 6.5 sec.

High Jump: Ted Fiedler, Gibsons 4'11"

Broad Jump: Jim Quinn, Powell River, 16'2"

220 yards: Jim Quinn, Powell River, 28.3 sec.

BANTAM GIRLS

Discus: Dawn Butler, Powell River, 57'6"

Broad Jump: Gemma Martinig Powell River, 13'10"

High Jump: Sandra Parsons, Sechelt, 4'2"

50 yards: Belinda Gibb, Gibsons, 6.9 sec.

75 yards: Belinda Gibb, Gibsons, 9.5 sec.

Shot Put: Dawn Butler, Powell River 22'7½"

MIDGET BOYS

Shot Put: Dave Valentine, Powell River, 38'6½"

880 yards: Warren Knight, Powell River, 2:24.01

100 yards: David Macleod, Sechelt, 11.03 sec.

440 yards: Warren Knight, Powell River 1:02.0

Discus: Alan MacBeth, Gibsons, 76'4½"

Broad Jump: Dave Valentine, Powell River, 16'3"

High Jump: Dave Valentine, Powell River, 5'2"

220 yards: Warren Knight, Powell River, 26.8 sec.

One Mile: Barry Quarry, Gibsons, 5:38.0

MIDGET GIRLS

Shot Put: Eloise DeLong, Sechelt, 28'6"

100 yards: Kirsten Jorgensen, Sechelt, 12 sec.

High Jump: Jackie Coulter, Powell River, 4'4"

Broad Jump: Sue-Ann MacLeod Powell River, 14'8"

50 yards: Kirsten Jorgensen, Sechelt, 6.4 sec.

Discus: Eloise DeLong, Sechelt, 88'11"

MOVES TO QUEBEC

Les Hempsall of Canadian Forest Products engineering staff at Port Mellon is now in Quebec City in connection with the CFP-Reid Corporation engineering work on the new pulp mill for the Prince George area. He expects to spend about two years in the east then one year at Prince George during the final stages of the building there. His family has moved to Quebec with him.

Clear sunshine features OES annual garden party

Members of the OES must live right as, after a week of rain, wind and storm, last Friday dawned with a clear sunshine for the annual garden party. It was held in the famous Robert Cumming's garden at Roberts Creek. The grounds, enlarged since last year, comprise two acres of lawns, terraces, shrubs and flowers, all kept in perfect order, and on this occasion, much benefited by recent rain. The tranquille sea, on which the property borders, the colorful blooms and sunshine, together formed a perfect setting for the equally gayly attired women and their husbands who had assembled.

Midway between beach and road is a parking lot and there at the entrance to the lower terraces and lawns Mrs. H. Mylroie, WM, and Mrs. W. Rankin, AM, received the guests. Mrs. W. Kirkham, PGM, of Vancouver, opened the affair at 2 o'clock. She also poured later, assisting Mrs. E. J. Shaw and others, at the long tea table centred by a flower arrangement of pink sweet peas, white and pink spiraea and heather which brought many complimentary remarks for its fragrant beauty. It was the work of Mrs. R. Eades, PM, as were the bouquets of sweet peas, Peruvian lilies, Shasta daisies and and multi-colored spirae which graced the tea tables in silver covered bowls. Soft music pervaded over the tea table area.

Working in the kitchen and waiting on the tables were Mesdames J. Swan, PM; G. MacDonald, PM; E. Ramsay, PM; J. Harrison, J. Garlick, V. Franske, J. Hicks, R. Donolly, G. Booker, D. Head and W. Morrison. The chief attraction in the kitchen may have been the past patron, Ted Shaw, who spent the afternoon washing dishes. Mrs. B. Bing proved to be an able and amusing tea cup reader.

The home cooking tables, three in number, were soon emptied. They were presided over by Mrs. C. Wood, Mrs. C. Cameron, Mrs. C. Mittelsteadt and Mrs. R. Quigley. At the delicatessen table Mrs. D. Parsons and Mrs. J. Currie did a rushing business.

The attractive sewing stall was served by Mrs. E. Wakefield, PM; Mrs. B. Clarke and Mrs. D. Robilliard. Mrs. N. Hough and Mrs. H. Lau were on the door, in this instance, the gate. The gate prize was won by Mrs. V. Franske.

Guessing the number of berries in a bowl was in charge of Mrs. J. Wardill, and berries, bowl and four nappies were won by Mrs. A. Craven. Mrs. A. Anderson, PM; was in charge of the post office and the doll raffle, the latter won by Mrs. J. Swan, PM.

Mrs. B. Gardiner had her usual pleasant task of handling the hamper raffle. Winners were Mrs. J. Newman, Mrs. A. M. Harper, Mrs. P. R. Fromager and Mrs. E. Lyons.

Members of Job's Daughters were on hand to mind the kiddies while their mothers took tea and enjoyed visiting with friends.

Mr. Bob Cumming, genial host, was parking lot attendant while Mrs. Cumming, PM; was everywhere, making sure that workers and guests enjoyed a pleasant afternoon.

Collect $125!

After the Sechelt Kinsmen doctors had pulled the bed and patient along the parade route in Gibsons on Dominion Day they were pleased with $125 collected by "The Nurses."

While everyone was weary after the parade it was felt the $125 raised for the hospital was certainly worthwhile, and the Sechelt Kinsmen would like to thank all those who contributed.

A taxation umbrella

Increased taxation is a red flag which when waved before taxpayers, rouses their ire. At a recent meeting of the Gibsons area pollution board the matter of a mill or so additional for the collection and disposal of garbage brought forth strong opinions that the ratepayer would not stand for it and would vote against any such idea.

Such thinking does not reveal that Premier Bennett's home-owner grant has really registered on the minds of the people. Mr. Bennett has raised the home-owner grant from $28 to $70 with the promise of a $100 grant within two years.

At the same time he has raised the assessment values on property and it is likely that the assessment will go up again in about two years time. But in the meantime there is a very convenient umbrella for British Columbia ratepayers in low taxation areas to shelter under. This umbrella is the home-owner grant. How many home-owners in this area are faced with a more than $70 tax? How many only pay a $1 tax and still have room within the home-owner grant for increased taxes?

A couple of mills added to the average tax rate in this area would not, under the present setup affect the pockets of many people. Yet there is that inbred determination to fight increased taxes showing itself. The Coast News does not favor political gimmicks like the home-owner grant but let's face it. Take advantage of it while it pays off.

A rather lively ghost!

Merchants of Horseshoe Bay in presenting a brief to the municipal council of that area maintained that any area which has had a ferry slip removed, had become a dead town. Business fell off and the merchants involved regretted the moving of the ferry.

Among the areas these merchants used to bolster their contention was Gibsons. They argued Gibsons had become a dead town since Black Ball had moved the ferry slip and service to Langdale.

Most Gibsonites will sympathize with Horseshoe Bay merchants but not to the point of admitting that Gibsons is a dead town. There are those people who view the future with mild alarm. They argue that when the cut-off from Langdale to the Sunshine Coast Highway is used, Gibsons will become a ghost town.

To both the merchants of Horseshoe Bay and those Gibsonites who forsee a ghost town future for Gibsons, please rest assured that few Gibsons citizenry are showing any signs of panic. If there is anyone in Gibsons area who is worrying about the future of Gibsons it is the municipal clerk and members of Gibsons council. Neither the clerk or council can see any signs of a ghost town lurking anywhere.

Easy recognition necessary

When Mr. Pearson and colleagues get around to deciding on a design for a Canadian flag, it is hoped that they come up with something that will be generally recognizable.

The Canadian people do not wish to get themselves in the position of the sometime Honorary Vice-Consul for Portugal in a Canadian city. It was in the latter days of royalty and the Honorary Vice-Consul's wife was reputed to be remotely related to the last Queen of the Portuguese royal house.

The local board of trade tried something new when it gave a dinner in honor of all the representatives of foreign powers in the area. As an innovation, they decided that rather than number the tables, each consul would sit at a table designated by the flag of the country he represented. This was all right, except that the Honorary Vice-Consul for Portugal nearly didn't get his dinner, for he could not identify the Portugese flag.

A compromise that does not include any of the old flags will require a generation of education before the new Canadian flag will be generally recognized on sight.

Tips for daring campers

The Canadian Forestry Association offers these tips to campers, hikers, and picnickers so they can have a safe enjoyable outing.

On climbing a steep hill, lean towards the hill and let your body pivot from the waist, so that you will roll easily with the stride.

The secret of safe climbing is never to relax one hold until another is secured; it is in spirit equally applicable to scrambling over rocks, a particularly difficult thing to do safely with a loaded gun.

Test rotten, slippery, or otherwise suspicious holds before trusting them.

In lifting the body up anywhere, keep the mouth shut, breathe through the nostrils and go slowly.

In crossing a high narrow footpath, never look lower than your feet; the muscles will work true if not confused with faltering instructions from a giddy brain.

Economics of disarmament to be studied

A $10,500 grant from the Ontario Economic Council has been awarded to the Canadian Peace Research Institute for a study of the probable consequences to the Canadian economy of international disarmament.

The investigation will be concerned with the effects on a single industry — aircraft. What has been the long term effect of earlier cut-backs on the companies and employees involved? Should peace be "declared" tomorrow how many Canadians would find themselves out of work? The study will seek answers to these questions.

The Canadian Peace Research Institute is a non-profit, non political organization whose aim is to use scientific research to uncover the causes of war and to try and devise practical, peacekeeping techniques that could be applied through the United Nations or government leaders.

It is supported entirely by pubernment grant is the first receivlic donations. The O.E.C. goved from an institution.

Assigned to the economic study is 31-year old George B. Moffett, Jamaica-born post graduate student at the School of Business Administration, University of Western Ontario, London. Mr. Moffett is a graduate of Queen's University and former officer of the R.C.A.F.

Moffett will base his conclusions on information obtained from all facets of the aircraft industry, including government sources, and on information from companies directly involved in earlier contract cancellations.

Moffett's results, says Dr. Norman Z. Alcock, President of C.P.R.I., will be integrated with an overall study of the possible effects of general disarmament on the Canadian economy now being carried out for the Institute by Professor Gideon Rosenbluth of the University of British Columbia's Economics Department.

It is felt by CPRI that a study of the aircraft industry provides an excellent illustration of problems created by large reductions in defence spending.

Professor Rosenbluth is seeking realistic estimates of the possible effects of disarmament on employment, output, rate of growth and other economic variables. The study will also consider the questions of the speed and extent of disarmament and measures to avoid economic disruption.

He maintains it is necessary to study not only the effects of Canadian disarmament, but also the effects on Canada of other countries disarming, particularly the United States.

Two main disarmament problems will be considered by the UBC scholar: The required increase in demand for goods and services and possible ways this can be brought about and the substantial shifts in output and employment between affected industries.

In regard to the latter the study will try to show what industries, regions and occupations are likely to be affected and the problem of mobility of labor and capital involved.

Announcing the new study programs, Dr. Alcock pointed out the importance of an integrated framework of peace research. Apart from the obvious connection between the Rosenbluth and Moffett studies, he said, the UBC research team has already drawn on the results of CPRI's attitude study, conducted earlier this year, and the peace research abstracts compiled by the institute.

The attitude study, in part, indicates how the general public and business, labor and political leaders would wish to see the defence dollar spent if if were not going into arms. This provides several models for Professor Rosenbluth.

Our peace research abstracts have uncovered 69 definite references to various disarmament schemes in addition to the official US and USSR proposals. These will serve as guides to him for the likely form that disarmament will take — conventional weapons before nuclear; two years, four years or 20 years; and so on, he added.

"I'll be over–after I do my banking!"

Nowadays it's natural for the lady of the house to do much of the family banking, because it's so convenient to look after money matters at one place —the local chartered bank, an all-round banking service-centre.

This busy homemaker is on her way to deposit part of her husband's salary in their savings account, cash a cheque on their joint chequing account, and pay the monthly instalment on a personal loan. All this taken care of under one roof—quickly, easily, simply.

Any bank service you use is an introduction to many others. And the chartered banks are always on the lookout for new ways to be helpful to more people. Good reason why the number of deposit accounts has doubled to 14 million in just 10 years, and 3,500 new accounts are being opened every banking day.

THE CHARTERED BANKS SERVING YOUR COMMUNITY

through full-range banking responsive to growing, changing needs

Read Ephesians 4:25-32

Where the Spirit of the Lord is, there is liberty. (II Corinthians 3:17.)

My country has been living through moments of worry and fear, of weeping and desperation. We have been living in the hope that the people will regain their liberty after three decades of repression. Young people have faced the hard circumstances and offered their lives on the alter of freedom for their country. Many young lives have been blotted out.

Upon contemplating these sad scenes, I thought of Christ's sacrifice of Himself upon the cross. He died to free the world of Satan's oppression and to free man from sin and its terrible consequences.

This world is full of injustices, of personal ambitions, of base and selfish desires. But true freedom is not gained by arms and instruments of war, nor in the bloody struggles of men who, like beasts, endeavor to destroy one another.

Those of us who have experience in these things have learned that only where the Spirit of the Lord dwells can there be liberty. Freedom is obtained by the heart that seeks the Lord sincerely and wholeheartedly.

Prayer: O Lord, we thank Thee for the liberty Thou givest us through Christ, our beloved Redeemer. We pray that Thy spirit may dwell in us so that we may possess that liberty to which Thou hast called us. We ask in Christ's name. Amen.

Thought for the day: The closer to Christ we are, the freer we become. — Nicolas Obispo Perez (Dominican Republic)

GUARDIAN HUGH SAYS:

Lower your speed when you drive at night. Never drive at a speed beyond what your lights reveal as a safe stopping distance. You might suddenly come on an unexpected obstacle, a stalled car or truck, for instance, or a prior accident. Even the most efficient high-beam headlights do not give the same clear vision of the road ahead that you get in clear daylight driving. Be sure to shift your lights to low beam when approaching other cars on the highway.

Change in name

As approved at an annual shareholders meeting on April 30 the company name of Shell Oil Company of Canada, Limited changes to Shell Canada Limited effective July 2. This change is made in the interests of brevity, avoidance of confusion with Shell Oil Company, New York. The company also deals with more activities than those described in the old name.

Teenage problems

(By C. D. SMITH)

THE WEEK'S LETTER: "I like a boy who is four years older than myself. My mother and father do not like him. They say he is too old for me and will only bring me trouble. But, really, he's a very nice boy. I like him very much. Do you think I should try to please my parents, or keep liking him (and stay happy). Please answer as soon as possible."

OUR REPLY: You suggest that you can cease to like this boy with the ease of turning off a dripping faucet. Such is not possible. If you think this boy is a nice boy, if you like him, you will continue to like him until something happens to make you do otherwise.

Your parents cannot "make" you stop liking anyone. You cannot "make" yourself dislike someone if you have no reason for disliking them.

What you must do is to consider the fact that your parents have your best interest at heart and they have a great responsibility and obligation to bring you properly to maturity — to teach, guide, train and, when necessary, to forbid. When parents forbid, you must obey.

Four years is not a great difference where the ages of adults are concerned. Teens are something else. Think about these combinations for a moment: a sixteen year old boy dating a twelve year old girl: a seventeen year old dating a thirteen year old; eighteen and fourteen; etc.

These combinations sound much worse than 22-18, 23-19, 24-20, don't they?

Finally, consider this: naturally, it pleases your parents when you do the right thing. Why? Because they feel more certain of your future comfort and well being.

If you have a teenage problem you want to discuss, or an observation to make, address your letter to FOR AND ABOUT TEENAGERS. — Coast News.

Special stamps now re-scheduled

A special commemorative postage stamp honoring Sir Martin Frobisher will be released for sale on August 21 instead of July 29 as previously announced. Hon. Azellus Denis, postmaster general announces.

The issue dates of two other stamps will be affected by the change. A stamp to mark the Postal Bicentennial, originally scheduled for release on August 23, will now be released on September 25. The new regular 15 cents air mail stamp which was to be released on September 30 will be issued on October 30.

Mr. Denis explained that he had set back the release date of the stamp to August 21 in order that the Frobisher stamp could be placed on sale at the time of "Passage 7" a proposed motor vessel trip which was to enter many areas opened originally by Frobisher's explorations. The voyage has now been postponed until 1964.

The postmaster general explained that cancellation of the voyage came too late to let the stamp schedule stand as previously announced.

BIG PAYROLL

Statistics for 1960 show that the forest industries provided employment for 300,241 workers who earned a total of $1,226,000,000 in salaries and wages.

Permanent Life Insurance provides pensions that have a lifetime guarantee

When you own permanent Life Insurance you can plan on retirement with absolute certainty that the income promised in your policy will be paid. Permanent Life Insurance values are guaranteed. All the amounts are carefully set out right there in your policy. The amount of protection is there, the Cash Values are listed—clearly stating the monetary worth of your savings investment for years to come. There is no guesswork, no speculation. These are safeguards no other long-term savings plan can offer.

ROBERTS CREEK

(By MADGE NEWMAN)

Mrs. A. M. Harper of Shasta Lodge, New Brighton, has been the guest of Mr. and Mrs. R. Cumming. At Shasta Lodge, Mrs. Harper entertained Miss Mabel Blackley of Vancouver, and Mr. and Mrs. A. E. E. Blackburn of Old Barns, Nova Scotia. Old Barns is said to owe its name to two old barns left standing when the town was burned and the Arcadians expelled.

Barbara, Reg. and Laurie Hendry, and Carolyn Mallory, all of Vancouver, are spending summer vacation with their grandparents, Mr. and Mrs. T. S. Mallory.

There is plenty of activity at Mrs. Helen Lau's seaside property these days. Her guests are her daughter, Mrs. Chapelle, and family; the Ken Rhymers, George Rayners, A. Johnsons, R. Carters and H. Irons.

Mr. and Mrs. E. Shaw have returned to Roberts Creek from a visit with their son, Edward and family, at their home at Bridge Lake. Accompanying them were Mr. Shaw's sisters, Mrs. G. Macfarlane and Mrs. P. Cambourne and Mr. Cambourne. They were later joined by the Shaw's daughters, Mrs. A. White and Mrs. J. Matthews and families. During their stay Edward rounded up his herd for the first branding of calves. Neighboring cattlemen came to take part, as is the custom of the country, and when the job was done, remained to partake of a smorgasbord at which there were some 50 guests. The young Shaws, formerly of Gibsons, have completed their first year on their cattle ranch.

DAVIS BAY

Mr. and Mrs. Tommy Sinclair of Davis Bay had Mrs. Sinclair's two nieces up for a week's visit from Vancouver, Misses Kathie Dennis and Patricia Calangis.

Coming up for a week's visit this week will be Mr. Sinclair's sister and family, Mr. and Mrs. Ted Urquhart, Lynda and and Brenda, of Vancouver.

JOBIES RAFFLE

Job's Daughters raffle was drawn on Sat., June 29 and the first prize, a clock radio, was won by Mrs. A. Stavdahl, Porpoise Bay Road, Sechelt. Second went to Miss Karen Hansen of Gibsons and was an afghan.

The Davis Ottawa Diary

By JACK DAVIS, M.P.
Coast-Capilano Constituency

A federal-provincial conference to talk about more equitable programs of social welfare measures both now and in the future will be held soon.

Prime Minister Pearson has proposed the meeting in a letter to provincial premiers which he tabled in the Commons recently.

Top item on the agenda will be the Canada pension plan, which is now on the commons order paper in resolution form.

Mr. Pearson told the premiers that he would suggest the earliest possible date which was convenient for a meeting of welfare ministers, or other ministers designated by the premiers.

The conference proposed by Mr. Pearson will range over the whole field of modern welfare measures but will centre on three aspects — survivor benefits under the proposed federal plan, present federal-provincial shared programs for the aged, blind and disabled, and the question of Ontario-type portable pension plans.

The provinces will be asked to give their consent or an amendment of the British North America Act which would enable the federal government to pay pension benefits to widows below pension age, orphans and disbled persons.

Consent for such a BNA amendment was obtained by the former Conservative government from nine of the ten provinces. Quebec asked to see the plan in detail before giving consent.

In his letter to the premiers, Mr. Pearson said benefits under the new federal plan would be "generous" and that "there would be an important place for private pension arrangements."

Discussion of the position of federal employees, workers in companies under federal jurisdiction, and reciprocal arrangements to make pensions portable are involved.

While preparations are being made for the conference, which will be separate from the federal-provincial tax conference the Pearson government will be passing its $10 increase in old age pensions. An extension of earlier Liberal legislation this arrangement can be made without any reference to the provinces whatsoever.

BOTH AT SAME SCHOOL

Mr. and Mrs. Frank Smith of Vancouver, formerly of Otley, Yorkshire, England, visited Mr. and Mrs. Harry Winn, Gibsons, recently. Both men as boys went to the same school and had not seen each other since 1905 except for a ten minute chat three years ago.

Sechelt News

(By Mrs. A. A. FRENCH)

South Vancouver Branch of the Canadian Legion will sponsor a sightseeing trip of the Sunshine Coast for senior Citizens and they will be guests of Branch 140 for coffee and tea in the Legion Hall from 12 noon to 2 p.m. on July 21.

Thirty Girl guides from the Porpoise Bay Nature Study group attended a church parade at St. Hilda's Anglican Church. The new campsite is on the Stockwell property.

Mr. Harry Batchelor of Selma Park landed a 44¾ lb. spring salmon in the vicinity of Nor' West Bay.

Visiting her aunt Mrs. Harriett Duffy and grandparents Mr. and Mrs. M. H. Johnsen, is Mrs. Sylvia Gjervin with Sandra and John of Vancouver.

Mrs. Harry Batchelor celebrating her birthday, was paid a suprise visit by her father, Jack surprise visit by her father, Jack

Mr. and Mrs. W. J. Mayne spent a few days in Victoria and with them was Mrs. Jack Evans formerly of Sechelt and her daughter Mrs. Gordon Robinson of Vancouver.

Mrs. H. Jensen of Vancouver visiting her parents, Mr. and Mrs. H. Stockwell.

Miss Kathie Toynbee of Vancouver is visiting her parents Mr. and Mrs. John Toynbee.

REMOVE DOORS

Removing the door of an unused refrigerator when it is stored or discarded is the only positive way of insuring the airtight cabinet will not become an instrument of death for children, an official of the Candaian Council of Appliance Manufacturers warns.

Baby sitters should know where you are going, and how to reach you.

PLAY IN FRENCH

For the first time, a play in the French language will be produced for the CBC English television network. The Moliere classic, Le Medicin Malgre Lui, will be videotaped July 31 in Montreal, with a cast from that city's famous Theatre du Nouveau Monde. It will be telecast on CBC-TV's Festival series next winter.

Elphinstone Echoes

Again another school year has ended and each student looks forward to the summer holidays. Many junior students have attained enough points to win a Scholarship or Citizenship flash or crest. The following is a list of these junior students.

SCHOLARSHIP

Grade 8 Flash — First Class Honors twice, and Second Class Honors at least once as a minimum: Connie Warn, Dawn Chamberlin, Marilyn Macey, Judy Sigouin, Nicki Wray and Wendy Inglis.

Honorable Mention — First Class, once and two Second Class Honors as a minimum: Merrilee Olson, Christine Hansen, James Duffy, and Lorna Sneddon.

Grade 9 Crest — First Class Honors twice and Second Class at least once: Gloria Bishop, Ricky Davey, John Warn, Michael Willis, Brian Furuya, and Judy Brown.

Flash—For Second Class Honors Standing: Erica Ball, Linda Dockar, Ricky Flumerfelt, Carol Enemark, Gail Swanson, Arlene Johnson, James Mandelkau, and Laurel Postlethwaite.

CITIZENSHIP

Grade 8 Flash—Recommendation of staff and any club sponsors: Annette Berdahl; Wendy Inglis, Heather Patrick, Connie Warn, Patty Gust, Willow Wingrave, Bernadette Gant, James Duffy, Merrilee Olson, Lorna Sneddon, Marilyn Macey, Clyde Higginson, Ann Fitzsimmons, Ann Christiansen, and Linda Solnik.

Grade 9 Crest—At least 5 G's on report card and recommendation of at least two people: Ricky Flumerfelt.

Flash—For pupils who qualify now but do not have a flash for Grade 8: Shirley Fiedler, Laurelei Sheridan, and Erica Ball.

JUNIOR TROPHIES, PRIZES

Grade 8—John Wood Trophy for the highest aggregate: Connie Warn.

Women's Auxiliary to Canadian Legion, best Grade 8 Social Studies student, Judy Siguoin.

Headland Service Prize for the Top Scholar, Judy Siguoin.

Livingstone Award, for best effort, Ann Christiansen and Linda Solnik, tie.

Grade 9 — Trueman Trophy for the highest aggregate, none.

Headland Service Prize, for top scholar, Michael Willis.

Arbutus Rebecca Lodge and School Board, book award, for Grade 9 Honor Society Students: John Warn, Brian Furuya, Michael Willis, Gloria Bishop, Ricky Davey and Judy Brown.

This year the Sports awards for Grade 8's and 9's were given out on the last day of school. The following is a list of students who have attained a certain amount of points for flashes and crests.

Small E Grade 8: Dorcey Lefler, Ricky Brady, Len Newconake, Bernadette Gant, Eloise Delong, Willow Wingrave, Thelma Volen, Gordie Hauka, Patty Gust, Connie Warn, Kirsten Jorgensen and John Karateew.

Grade 9: Allen Cooper, Garth Davis, Dave Mcleod, Bill Mason, Laurael Postlethwaite, Gail Swanson and Doug Carmichael.

Medium E Grade 8: Allan McBeth, Dave Burritt, and Godfrey Robinson.

Medium E Grade 9: Shirley Fiedler, Alex Skytte, Rocky Zantoles, Dave Wilson, Brian Anderson and Phyllis Emerson.

Don's Shoe Store: Most promising jr. girl athlete, Kirsten Jorgenson and most promising jr. boy athlete, Allan McBeth.

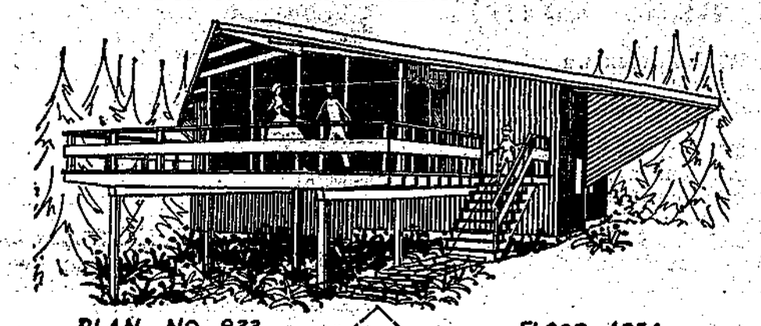
Band Awards for students doing excellent band work: Bonnie Thorburn, Laurel Postlethwaite, Don Cross and Terry Forshner.

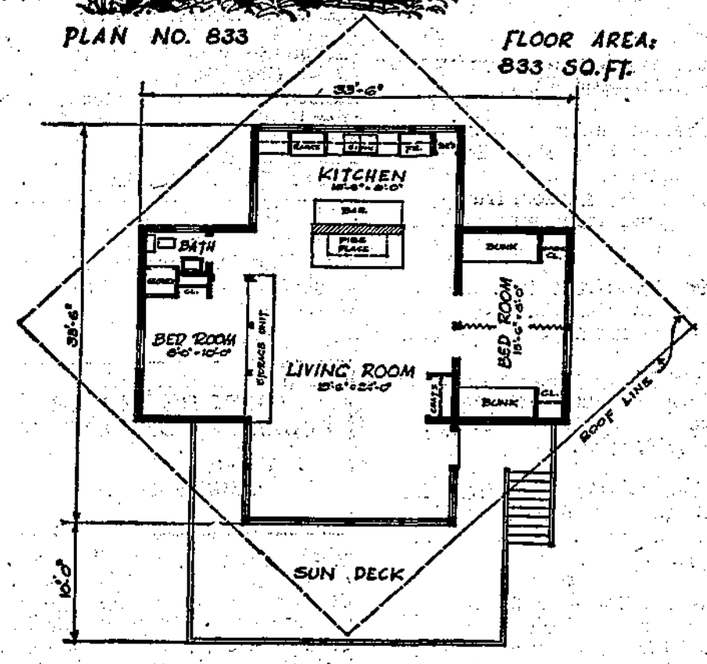
Congratulations to all students who have attained or won these awards.—Nancy Leslie.

ADVANTAGE POSSIBLE

It is possible for man to tinker with the balance of nature to the advantage of both. Careful woodlot management, especially through tree farming, will result in increased yields of both timber and wildlife. Unless disease strikes, careful husbandry must provide for land that is more productive for those who depend on wood for a living and those who depend on hunting and fishing for recreation.

SMARTLY DESIGNED FOR SUMMER LIVING . . . TRY IT FOR A SKI OR HUNTING CABIN, TOO





Plan No. 833 (copyright No. 117093)

Smartly designed for summer living, this is a summer home that is different, and could double, also, as a ski or hunting cabin if desired. From a bird's eye view, the roof gives a diamond appearance, but the actual plan of the house is in the form of a cross, with the living room forming the main section and the bedrooms forming two of the arms, with the kitchen completing the arrangements.

Note that one bedroom is divided by folding doors so that it could be made into two complete private rooms, each furnished with a bunk, and closet space. The main bedroom is divided from the living room by a built-in storage unit, kitchen utilizes the back of the fireplace for a bar section, with cupboards, range, and sink across the end wall.

Bath and shower complete the necessary living conveniences, and the rest of the area is taken up with the really beautiful living room. Note the panoramic windows in the living areas, and the sun deck for outdoor dining, sun bathing, or watever activities the occupants wish to follow.

This is a dream of a summer cottage, but we can also see it being used as a ski cabin located in one of our more popular skiing resorts, or even as a hunter's cabin. It has tremendous possibilities.

Blueprints are available from the Building Centre (B.C.) Ltd. 96 Kingsway at Broadway, Vancouver, B.C. New editions of Select Homes Designs available, with price list for blueprints and building information. Send 50c for mailing and handling.

Weddings

EDMONDS — CONNOR

A pretty wedding was solemnized June 22 in St. Bartholomew's Anglican church, Gibsons, when Rev. Denis F. Harris united in marriage Gwendoline, daughter of Mr. and Mrs. J. E. Connor and Sydney Garnett, eldest son of Mr. and Mrs. A. Edmonds, Port Mellon.

The radiant bride entered the church on the arm of her father to the strains of the Wedding March. The bride chose a floor-length gown of white silk organza with fitted bodice and dainty white appliques. The scalloped misty veil fell from a tiara. She carried a bouquet of red roses and stephanotis.

Mrs. D. R. McLean, sister of the bride was maid of honor, wearing a floor length gown of mauve lace and nylon net and carried a bouquet of yellow carnations. Miss Helen Hacking, bridesmaid in a green floor-length dress of lace and nylon net also carried a bouquet of yellow carnations. Miss Penny Feeney, bridesmaid, wore a pink floor-length dress of lace and nylon net and carried tinted mauve carnations.

Linda McIntosh was flower girl in a yellow lace dress and carried a white lace basket of red roses and white daisies. Mr. Garry Berdahl was best man and the ushers were Roger and Bruce Edmonds, brothers of the groom.

The mother of the bride wore a turquoise ensemble with white accessories. Her corsage was of Talisman roses. The groom's mother wore a yellow ensemble with white accessories with a corsage of Talisman roses.

During the signing of the register, selections were played on the organ. A reception was held in Gibsons School Hall where the bride's table was decorated and centred with a three-tiered wedding cake embellished with white and red roses.

The toast to the bride was proposed by Mr. Douglas Davis, uncle of the bride and responded to by the groom. For her travelling suit the bride a pink ensemble with pink accessories with an orchid and stephanotis corsage. On returning the couple will reside in Gibsons.

HALL — STONE

Central United Church, Sault Ste. Marie, Ont. was the scene in mid-June of the wedding of Miss Donna Jean Stone and Howard James David Hall, grandson of James Dunn, of Sechelt, B.C. Rev. D. Graham Tipple heard the vows.

Miss Stone is the daughter of Mr. and Mrs. Albert T. Stone and the groom the son of Mr. and Mrs. Fred J. Hall, both both families of Sault Ste Marie.

The bride was attired in a formal gown of silk organza over taffeta which featured a scooped neckline, lace appliques and bouffant skirt caught at the back with a large rose. A rose and lily of the valley headpiece held her bouffant silk illusion veil.

Miss Jeralyn Stone was the maid of honor. Bridesmaids were Miss Versa Stone and Miss Beverly Pitcher. The attendants wore mauve and yellow ballerina gowns of silk organza and taffeta. Matching pill box headdresses held their tiny blusher veils. Bob Kelly was the best man and the ushers were Louis Oliverio and Sandy Hopkins.

Mr. and Mrs. Hall left on a motor trip to the United States and on returning will reside in Sault Ste Marie.

RECIPES

Sandwiches are in style any time of year. But warm summer days are ideal for quick 'n easy sandwich snacks or meals. If you're looking for something new and different to serve to family or guests, try these Tuna Nut Triangles. The combination of cream cheese, ripe olives and flaked tuna in the sandwich filling is highlighted by the crunchy contrast of the pecan bits rolled onto the cut sandwich edges. Served with a frosted coffee shake, the dainty but satisfying sandwiches are ideal fare for patio party or indoor afternoon snack.

TUNA NUT TRIANGLES

½ pound white cream cheese
2 tablespoons lemon juice
½ cup mayonnaise
½ cup ripe olives, finely chopped
1 cup (7 oz. tin) flaked tuna
½ teaspoon monosodium glutamate
12 slices enriched white bread
6 slices whole wheat bread
soft butter or margarine to spread bread
1 cup salted pecan bits

Blend together cream cheese, lemon juice and mayonnaise until smooth. Fold in chopped ripe olives and flaked tuna. Season to taste. Spread all slices of bread with soft butter or margarine. Spread 6 slices of enriched white bread with tuna filling. Cover with whole wheat slices. Spread tuna filling on whole wheat slices, and top with remaining white slices to make double decker sandwiches. Trim crusts if desired. Cut each sandwich into four triangles. Spread inside cut edges of each triangle generously with filling. Dip each spread edge into salted pecan tidbits. Arrange on individual plates (four per serving) and garnish with pickle sticks and potato chips. Yield: 6

Star performer at any summer meal is a jewel-like gelatin salad. For hearty rich flavor, start with condensed consomme as the base. This meaty broth contains gelatin which makes it a natural for these jellied specialties. Add chopped meat and vegetables to the consomme (along with more gelatin) and let the refrigerator take over. One bite and you know how good a salad can taste.

A basic recipe for Consomme Salad can be made with either chopped chicken or tongue. Both make delightful summer suppers.

JELLIED CONSOMME SALAD

1 envelope unflavored gelatin
⅓ cup cold water
1 can (10 ounces) condensed consomme
2 4 tablespoons lemon juice
½ cup diced tongue or chicken
½ cup minced cucumber
2 tablespoons sliced, stuffed olives
1 hard cooked egg, chopped

Soften gelatin in cold water; then dissolve over hot water. Add consomme and lemon juice; chill until mixture begins to thicken. Fold in remaining ingredients. Rinse a 1-quart mold or loaf pan with cold water (for decoration, arrange slices of tongue or chicken in bottom of mold so they form a pattern on top of jellied salad). Chill until firm. Unmold and serve on crisp greens. 4 servings.

MONEY BELTS EXCESS BAGGAGE THESE DAYS

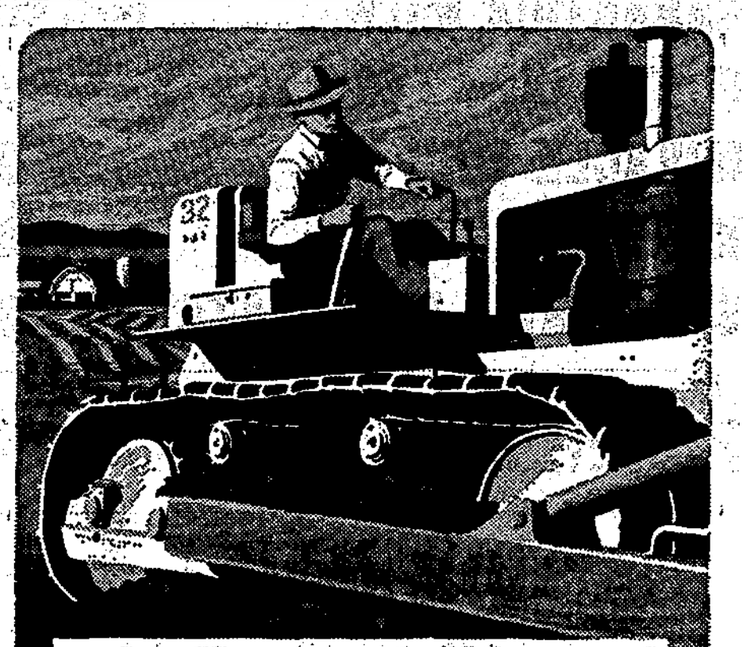
Once upon a time — and even today in some parts of the world — travellers had to hide their money pretty carefully if they didn't want to lose it. Money belts were as common as Gladstone bags in the old days.

Nowadays its different. Today's traveller doesn't need to worry about losing his bankroll. Mostly because he doesn't carry a bankroll at all. Instead, he uses Bank of Montreal travellers cheques. They're the perfectly safe and convenient means of carrying funds while travelling.

A visit to the Sechelt or the Gibsons branch of the Bank of Montreal before starting off on your next business or vacation trip can give you complete peace of mind. There the accountant, D. V. Den Hoed or Keith Baker can sell you the B of M travellers cheques you need, in whatever denominations you think will be most practical for your purposes.

Then you'll be able to travel with the knowledge that if your travellers cheques are lost, stolen, or destroyed, you won't be the loser because the Bank of Montreal will arrange to replace them for you.

If you're going abroad, the B of M can provide you special travellers cheques, or travellers letters of credit for large sums. Travellers cheques are much more comfortable than a money belt, we promise.



TRACK ROLLERS LAST LONGER

Track roller bushings and shafts get unsurpassed protection with RPM Tractor Roller Lubricant. It flows evenly, coating bearing surfaces with a tough film that stays put even under shock loads...seals out dirt, mud and water.

RPM Tractor Roller Lubricant comes in 3 grades for Caterpillar and International equipment and an A/C grade for Allis-Chalmers tractors.

You're in luck when you want to contact an out-of-town firm that lists a **ZENITH** number in the telephone directory.

You can make an enquiry, get a quotation or place an order as easily as if that firm were located across the street from you.

All you do is ask the Long Distance operator for the **ZENITH** number you wish to call.

Right away she'll connect you *free of charge*, no matter whether the firm you want is 40 miles away or 4,000.

You don't have to request a "collect" call. The firm you call automatically pays the toll charge.

Companies with a **ZENITH** number have made an extra special effort to cater to your convenience. For that reason they are usually good companies to do business with.

Remember with **ZENITH** *it costs you nothing to call!*

If you happen to be a business man yourself – and if you are located outside Vancouver – test ZENITH service right away. Merely ask your local operator for ZENITH 7000. That's the number of our Marketing and Sales Department, which will be glad to give you full information.

TAKE YOUR TIME

Don't try to take in everything on one vacation trip is the advice of the B.C. Automobile Association for families planning long holiday jaunts this summer. Instead plan an itinerary that will give you plenty of time along the way so that eating up miles doesn't pressure the pleasure out of your vacation adventure. There will be other vacations. It is not necessary to see and do everything on this one.

Raiders are champions

On Sunday, June 7, Roberts Creek Raiders won the Little League playoffs, by defeating Gibsons Firemen two games to one in the best of three series.

The playoff trophy was presented to the team by Mr. C. Beeman, president of the Little League association.

This is the second trophy won by this hustling team. Previously the Raiders won the Stewart Brothers trophy for the league championship.

After the game the parents and friends of the Raiders treated the two teams with juices and a decorated cake, ending the ball season on a happy note.

The young players of the Raiders thank their sponsor, Elphinstone Recreation Association, for fine support. Thanks also go to the umpires who did a fine job.

The boys especially thank their parents for faithfully turning out to their games.

The ballplayers of the Roberts Creek Raiders are Gary Flumerfelt, captain; Jimmy Gibson, Robert Baba, Ken Bland, Norman Blatchford, Dennis Blatchford, Bobby Gibson, Jimmy Eldred, Philip Bland, Craig Jones, Paul Beeman, Brent Rowland.

SOFTBALL

A dramatic seventh inning home run by outfielder Ben Jack was the highlight of a doubleheader sweep by league leading Peninsula Hotel over third place Avalon Hotel.

Jack's tie breaking wallop broke up a tight pitching duel between Terry McLaren and Billy Ross and preserved McLaren's spotless record which now stands at 12-0.

The locals had won the afternoon contest 4-2.

The Hotelmen have now won eight in a row and have not been beaten since June 2 when E and P edged out a disputed 4-3 win. The front runners travel to Norgate Park this Sunday for games against Deep Cove and second place Squamish.

HER 18th MEDAL

Helen Bezdeck now holds her 18th medal for athletics. She won it at Saskatoon over the weekend where she journeyed to take part in the Canadian National Open Championships. She came third in the discus and fourth in the shot put winning the medal in the discus event. In both events she faced tough competition with top star Nancy McCredy taking first honors in both events.

When children are left in charge of a baby sitter, leave written instructions as to what to do in an emergency.

HALFMOON BAY NOTES

(By PAT WELSH)

The summer colony at Redroofs has arrived in full force and all cottages are full to overflowing complete with all the family pets and weekend guests.

Fishing has been exceptionally good, nice catches of springs and coho having been caught around Pirate Rocks and Sargeant Bay. The Claydon family, all keen fishermen, hooked into a nice 16 pounder. Shane Welsh landed a fat six pound spring; Stu Lefeaux had two beauties and Lorne Ryan four.

Mr. and Mrs. George Claydon with Linda and Frank Jr. are guests of the Frank Claydons. The Ernie Whites have the Eric Whites and children and the Bob Whites and their family. Mrs. Kathleen Joy is another guest.

Mrs. G. B. Simpson's guests recently were Mrs. S. Seaton and Mrs. Goodwin of Vancouver.

Mrs. Florence Thompson who recently returned from a visit to England was the weekend guest of Mr. and Mrs. Frank Lyons.

Also at Irishman's Cove were Mr. and Mrs. Desmond Welsh, and Michael Ryan and grandparents, of Vancouver.

Mr. and Mrs. Lee Straight, Karen and Ronnie are at their cottage.

Dr. and Mrs. Gordon Jinks are the new owners of the Nelson Darling cottage and are here with their two children, Cindy and Barry.

A guest at the Cliff Connor home at Welcome Beach is Mrs. Andy Whatcott, Peggy's sister.

Mrs. Ralph Smart and three daughters are the guests of Mrs. Walker.

Others at their summer homes are Mr. and Mrs. T. Campbell, Mr. Harold Merilees, the Chris Daltons and Jeremy, the Johnny Simpsons, Lynn, Bonnie and Georgie and guest Anne McNair. The J. Cunliffes and Donald, all the Hunt clan, Mr. and Mrs. Shanahan, Dr. and Mrs. H. Caple, Bruce and Christopher, the Burrill family and the Adamsons, Mr. and Mrs. Don Macdonald and Mr. and Mrs. R. Macdonald and family and the two poodles; Mr. and Mrs. Gordon Cruise and children and a host of others.

Mrs. Louise Bath has left for Victoria to visit her daughter-in-law and family for the summer months. Mrs. J. Meikle spent a few days in Vancouver and West Vancouver.

Magistrate's court

Bernard Mulligan was fined $10 for failing to have an operating tail light on his car.

Antonio Pellin was fined $10 for failing to file an accident report and an additional $15 for failing to stay in his own lane.

Wallace Venechuk was fined $20 for crossing a solid double line.

William Coughlin was fined $15 for operating his car with a faulty muffler, having been previously warned.

Two juvenile girls had their drivers licenses suspended for driving without due care and attention.

Arnold Baptiste Jones aged 21 was sentenced to nine months definite and three months indefinite imprisonment on each of three charges of breaking, entering and theft.

Oliver Ballie of Pender Harbour was fined $150 for being in control of a car while his ability was impaired.
