Provincial Library apl 23

THE CRESTON REVIEW

VOL XX. CRESTON, B. C., FRIDAY, MARCH 23, 1928 No. 7

Erickson

Mrs. Richardson and son, John, were Nelson visitors during the week.

Mrs. Frank Tompkins and family were at Goatfell for the weekend.

Frank Putnam returned on Friday from a business visit to Kelowna and other Okanagan points.

Mrs. John Hall is to be hostess at a silver tea on Tuesday afternoon in aid of the Ladies' Guild of Christ Church, to which all are invited.

Rev. J. E. Healey was a visitor at Cranbrook at the weekend.

Mr. and Mrs. Thomson of Washington, en route to Alberta, are making Erickson their home until the roads east of here are in shape to resume their journey east.

N. N. Bentley, who formerly operated a sawmill plant near here, spent a few days in Erickson on business this week. He is now located at Edmonton, Alberta.

Clarence Davis of Wynndel spent the weekend on a visit with Erickson friends

Mr. and Mrs. John Andrew have moved to Creston to reside, and are occupying the Lantz (Trotter) place on Hillside Road, near the Catholic Church.

Wynndel

C. Ogilvie, who was at Nelson for a few days, returned home on Tuesday.

Mr. Anderson left on Thursday for the prairie, where he is helping with the finish up of threshing.

Victor Johnston returned home on Thursday from Slocan for a few days' visit.

Paul Gust and son, Oscar, arrived home on Friday from Harrop, and will spend a few days here before going back to their trapping operations.

Miss M. Irving of Creston was a weekend guest of Mrs. Jey. Miss Irene Huscroft was another Creston visitor for the weekend, a guest of Mrs. C. Ogilvie.

Mr. and Mrs. Pat Downey of Creston are now making their home at Wynndel, where the former recently purchased land.

S. Jervis, who has been a visitor in the east, is at present a guest of Mr. and Mrs. Towson, on his way to Nelson.

The baseball club announce a whist drive and dance on March 24th, with an admission of 50 cents. Ladies please bring supper. Ladies not bringing lunch will be charged 50 cents also.

The Women's Auxiliary masquerade dance on Saturday night last was a great success. There was a splendid turnout and all reported a good time. There was a good variety of costumes, and the prize winners were: Best ladies' costume, Mrs. W. Cooper, "Brittania." Lady comic, M. Wood as a lady. Best dressed gentleman, Charlie Penson, "Turk." Gent's comic, Carl Carlson, hobo. Best as hobo. Others in costume were P. Foxall, "Daffodil." E. Towson, "Chrysanthemum." M. Penson and D. Payette, "Roses." M. Joy, "America." D. Hulme, "Bluebird." L. Pigott, "Gipsy." Mrs. Davidge, "Swedish Peasant." D. Butterfield, "Turkish Lady." Mrs. R. Andestad, "Spanish Lady." Miss Irene Huscroft, "Japanese." L. Wittman, "Romper Kid." Mrs. Dunseath, "Old-time Lady." E. Davis, "Artist." Mrs. Hindley, "Shepherdess." W. Cooper, "Turk." J. Davis, "Clown." F. Wilson, "Chef." T. Dunseath, "Sergeant." H. Stingsby, "Ghost." A. Towson, "Poor Old Daddy." W. Johnson, "Clown." Unidentified old lady. The judges were Mrs. Hackett, and Mr. S. Moon, Mr. Duncan, Mr. Gregory. Several were disqualified in the parade as they were not masked. The music was supplied by R. Andestad, violin; A. Andestad, piano; E. Andestad, drums and effects. A splendid supper was served by the W.A. members, and the hall was appropriately decorated in green with white streamers, with a miniature harp for a centre.

Kitchener

Miss Vera McGonegal, of Creston, was a between trains visitor on Saturday.

Miss Grace Rendall and Walter E. Collins of Creston were between trains callers on Sunday.

Miss Laura Andeen left on Friday for Cranbrook, where she is on a visit with her sister.

Fritz Mobius was a visitor to Creston on Friday for the Rod and Gun Club Club masquerade dance.

Mrs. C. Anderson and Mrs. Lindbloom were Nelson visitors during the week.

Mr. and Mrs. Devlin have been on a visit with the former's father, N. K. Devlin.

Sirdar

Rev. W. E. Greer, Presbyterian pastor at Creston, took service in the schoolhouse on Wednesday evening, and was favored with quite a good turnout.

Joe. Lombardo, who has been visiting here for the past few days, left for his home in Revelstoke on Wednesday.

Mr. and Mrs. Jim Pascuzzo and Miss Rosie Pascuzzo were Creston callers on Thursday.

Mrs. Martin and Mrs. Whiteside were Creston visitors on Friday. Mrs. Backus returned on Friday.

Miss Eileen Heap is a visitor from Cranbrook with her parents, Mr. and Mrs. R. Heap, over the weekend.

Mrs. Hopwood and daughter, Helen, of Creston, were visitors with Mrs. Martin over the weekend.

Mrs. Bysouth and Miss Vera Turner of Kuskanook were here on Saturday for the whist drive.

Carl Lavazella is a patient at St. Eugene hospital, Cranbrook.

Mrs. Fluelling of Cranbrook is visiting with Mrs. Cameron for a few days.

Mr. Bleumenauer of Cranbrook was a weekend visitor with Mr. and Mrs. C. Bleumenauer.

Harold Cam left on Monday on an extended visit at Trail.

Mrs. Dennes and Mrs. Parento were between trains callers at Creston on Saturday.

A most successful court whist drive was held in the schoolhouse Saturday evening when ten tables were in play. The high score prizes went to Mrs. Jim Pascuzzo and R. Dennes. The consolation honors fell to Miss Eileen Heap and Jack Grundy. The hostesses were Mrs. Bleumenauer and Mrs. Cameron. The proceeds amounting to $25 go to the Community Hall

Canyon Players Comedy Pleases

The best amateur dramatic offering Creston has seen in several seasons was presented at the Grand on Monday night when the Canyon Players appeared in a rollicking three-act comedy, "A Poor Married Man" which they had previously staged at the Community Hall, Canyon, the week previous. Those responsible were particularly fortunate in their choice of both the play as well as the producing talent. The company was admirably balanced and each and all handled their parts with a confidence and naturalness that is rarely seen in an amateur cast accounting for eight characters.

The play has largely to do with matrimonial tangles, with a negro house servant included to make sure of the right amount of comedy. As "Prof. Wise" Robert Burns, while lacking somewhat in the dignity usually associated with a college professor, certainly was about all the part called for as a spirited young benedict afflicted with too much mother-in-law, and won the favor of the audience from the rise of the curtain.

And as the aforesaid "too much mother-in-law" Mrs. Hickey, as Mrs. Dean, lived up to her reputation splendidly throughout the entire three acts. During her brief existence as Prof. Wise's first wife Miss Helen McRobb, as Zoie Dean, proved herself a chip off the old block and gave a spirited performance of the modern bride sometimes on the lookout for something better in the matrimonial market.

Going to somewhat the other extreme was Miss Lily Cook, the professor's second wife, who was very lifelike in the role of the sweet young better half who gets married and lives happily ever afterward. Miss Kathleen Clayton, as the newspaper reporter, was very much at home in a rather light part. And for a bachelor with a local standing of 40 years T. R. Mawson as Dr. Graham was a great favorite with the crowd in his second venture into and out of matrimony, with Mrs. Dean as wife number two.

Myles Hurl as Billy Blake, the carefree college student and disappointed lover, who goes cowpunching in Arizona to forget his sorrows, was equally at home in the sober and lighter lines of his part, and gave a portrayal of this role seldom equalled by amateur talent.

Roy Browell as "Jupiter," the negro servant, was the droll type of colored handyman, and displayed equal versatility in the lighter parts as well as in the more serions side of his effort. His cradle lullaby effort in the third act was irresistible.

Interest in the entertainment was well maintained with musical numbers before the curtain went up as well as between acts. Miss Lily Cook and Will Ridd contributed piano duetts in talented fashion, and there were vocal numbers by Messrs. Jas. Bateman, Jeff Knott, A. Spencer and Ernest Langston, perhaps the favorites of which were Mr. Bateman's "Paradise for Two," and Mr. Langston's "Tom Devon."

CORPORATION OF THE

Village of Creston

WARNING!

BY-LAW No. 8—A By-Law for Regulating the Streets and Sidewalks and the Traffic thereon, and Relating to Public Places and Trees in Village of Creston.

23. It shall not be lawful to gather in crowds on any sidewalk on any street or in any streeet within the Village of Creston so as to obstruct travel therein or thereon or to encumber the same, and three or more persons shall not stand in a group or near to each other in such manner as to obstruct a free passage for foot passengers on any street or sidewalk on any street within the Village of Creston after a request to move on made by all or any of the Commissioners of the Corporation of the Village of Creston, the Clerk thereof, or any other person duly authorized by the Board of Commissioners of the Village of Creston.

24. No person shall run or race on the streets or sidewalks, or crowd or jostle other foot passengers so as to create discomfort, disturbance, or confusion.

89. No person shall throw stones, balls of ice or snow, or other dangerous missles, or use any bow and arrow or catapult in the streets.

51. Any person guilty of an infraction or violation of any of the provisions of this By Law upon summary conviction before a Stipendiary Magistrate a Justice of the Peace, or other authority having jurisdiction within the Village of Creston, shall forfeit and pay in the discretion of the convicting Stipendiary Magistrate, Justice of the Peace, or other competent authority, for every such infraction or violation the fine and penalty of a sum not exceeding One Hundred Dollars and costs of prosecution, and in default of pay ment the offender may be committed to the common jail or lockup house of the County of Kootenay, there to be imprisoned for any time in the discretion of the convicting Stipendiary Magistrate, Justice of the Peace, or other competent authority, for a term not exceeding two months, and with or without hard labor, unless such fine or penalty and costs, including the costs of the committal and conveyance to the said common jail or lock-up house are sooner paid.

W. O. TAYLOR,
Village Clerk.

Creston, March 20, 1928.

Canyon City

W. Abbott, who has been working at Wetherhead's camp at Yahk for the past two months, arrived home at the first of the week.

Chas. Pipe left at the end of the week for Nelson, where he has secured work as carpenter, and will be remaining for some weeks.

Mr. Shuttleworth of Kimberley is a Canyon visitor at present, a guest o Mr. and Mrs. Knott.

Principal Kolthammer is putting in his spare time on an audit of the books of Creston Co-Gperative Fruit Exchange, the annual meeting of which is scheduled for April.

Land clearing operations will be on a larger scale than usual this year. Orders for stumping powder with Canyon Farmers' Institute are heavier than for some years past.

Mr. and Mrs. E. Bond of Saskatchewan, who are returning from spending the winter at the coast, are spending a few days with Mrs. A Bond this week. The visitors are brother and sister-in-law of A. Bond.

Lister

A. R. F. Bernard, who has been working at the Paradise mine, Invermere, for the past few months, has just arrived to take charge of spring work on his ranch at Lister.

A. Letoille is busy clearing up another three acres on his place, and when this job is complete he will have the whole 20 acres ready for crop.

With the possible exception of canaries all the summer birds have already arrived, and the oldtimers are convinced spring is here to stay.

Listerites extend congratulations to our good friend C. H. Phillips, who was united in marriage on Wednesday last at Kimberley to Miss Harris, who is known to some here, as she was a Lister visitor last autumn. The honeymoon is being spent in Spokane, and Mr. and Mrs. Phillips will reside in Kimberley.

Mrs. and Miss Ruby Lister left on Wednesday for Nelson, where they are to meet Col. Lister, who is returning from the session at Victoria.

The biggest crowd yet was out for the Community Society court whist on Saturday, when there were ten tables in play, and the high score prizes going to Miss Vera Lister and B. R. Bohmer, and the consolation honors to Mrs. Gordon and Ted Bucknell. The supper was of the usual high order and the affair was fully enjoyed by all. The next whist is set for Saturday, March 31st.

Alice Siding

T. Trevelyan left on Friday for Calgary, Alberta, on a visit with his wife who, due to poor health, has spent the winter with her mother in that city.

John Parkin, jr., returned to Michel on Monday, his mother's health showing considerable improvement, although it will be some time yet before she is around as usual.

R. C. Harris, on the former Keddell place, has just completed the erection of a very commodious poultry shed and is intending to specialize in Barred Rocks.

Dick Smith commenced operations on his rat line this week, and is covering the territory from Dow's bridge to Wynndel.

The sunny days at the first of the week is putting life into the strawberry patches. The berries appear to have wintered unusually well but the showing of red top is the worst yet.

Due to so much stump blowing in this section, poultry men are having poor luck with incubator work this month.

Things were rather badly mixed in the bird kingdom on March 17th, according to W. A. Pease, which is the only way he can account for the happening along of the first bluebirds of the season on a day when something with green plumage should have been in evidence. Mr. Pease affirms that the local Irish confined their celebrating largely to drinking green tea. No green cheese was served.

Liberals, Attention!

The Annual Meeting of the Creston Valley Liberal Association will be held in

Beninger's Hall

CRESTON, on

Mon., Mar. 26

at EIGHT p.m.

BUSINESS:

Election of Officers and selecting delegates to attend the convention to name a candidate for Creston Riding.

All Liberals are Invited!

H. H. TAYLOR,
Secretary.

I Wish to Thank the People of Creston

and district for the splendid patronage given me since commencing business here. While I felt sure there was a possibility of building up a good connection in Shoe and Harness Repairing, the results of a few weeks' business has proven to be far beyond my fondest hopes. I deeply appreciate your patronage, and assure you that my best efforts will be given to supply your needs.

Canadians Are Busy

During the years that have elapsed since the war, unemployment conditions in Great Britain have been the subject of much discussion, and in no country has greater attention been paid to them than in the United States. Scores of writers across the line have professed to see in the British situation, with its large army of the unemployed, the dole system, and the great strikes and general industrial upheaval and labor unrest, the beginning of the end for Great Britain in its world leadership in finance, manufacturing, shipping and commerce.

But the Old Land has weathered the many severe storms with remarkable success, has steadily increased employment, re-established its great industries on a peace-time basis, balanced its budget, and is paying off its huge national debt. Its position at home and abroad continues to improve from year to year.

Canada, too, had a hard struggle in the years immediately following the war, though nothing like what Great Britain experienced. Nevertheless, for a number of years business in Canada was depressed and there was a considerable volume of unemployed. At the same time business conditions in the United States were brisk, employment plentiful, production was proceeding at top speed, wages were high, and the whole world was paying financial tribute to it as an outcome of the war. As a result thousands of Canadians emigrated to the States, and throughout this Dominion some sharp contrasts were drawn between conditions here and to the south, always to the disadvantage of Canada.

Within the last year or two a marked change has taken place, and today there is more unemployment in the United States both in the aggregate and in proportion to population than there is in either Canada or Great Britain. In fact, the situation in the United States is becoming so serious as to call for most serious consideration by Congress and the various State Governments.

The Department of Labor at Washington estimates there are four million people out of work at present, and the Industrial Commissioner of New reports 500,000 oot of work in that State alone. Conditions of employment in New York State are officially stated to be the worst since 1921, while Senator Copeland declares there are more people out of work in New York City than at any time since 1914.

Contrasting the United States with Great Britain, it is seen that New York State alone has half as many unemployed as the United Kingdom despite the fact that the latter has four times the population. Or taking the whole United States with two and one-half times the population of the United Kingdom, it is seen there is four times the number of unemployed in the States that there are in Great Britain.

While unemployment has been increasing in the United States in recent years until it has now reached a point where the National City Bank of New York reports 500,000 out of work in that State alone. Conditions of employment in New York State are officially stated to be the worst since 1921, while Senator Copeland declares there are more people out of work in New York City than at any time since 1914.
of this year are still higher than for the corresponding months a year ago. Prospects for a continuance of this satisfactory condition are of the brightest.

It seems to make no difference what branch of Canadian activity is analysed, general improvement is to be noted. The trade of the Dominion is expanding year by year, and in this connection the gratifying fact is noted that the increase in imports is largely accounted for by commodities not indigenous to Canada and were imported for use in Canadian industry. In building construction the value of contracts awarded has risen from $276,000,000 in 1924 to $298,000,000 in 1925, to $372,000,000 in 1926, and to $419,000,000 in 1927.

The steel industry, which has suffered in recent years, reports a 45 per cent. increase in production for January this year as compared with a year ago. Car loadings on the railways were 22,000 greater than a year ago. Bank clearings for the same month increased by $425,000,000 over January, 1927. The total volume of Canadian business in January this year was the highest for any January in the history of the country. Employment for January was 99.5 and for February 100.8 as compared with the basic figure of 100 set for the year 1920, when employment figures were first tabulated in this country, and before the after-the-war depression set in.

Yes, Canada is busy and promises to become increasingly so throughout 1928.

High Price For Canadian Cattle

At a sale of Shorthorn pure bred cattle held in Chicago last month, the Canadian offerings brought the highest prices, one young male bringing $1,800 and another $1,375. The average price for 110 head sold was $300.

Accepts Presidency

Admiral Earl Jellicoe, in command of the British grand fleet during two years of the Great War, has accepted an invitation to be president of the British Legion. He will succeed the late Earl Haig.

Reduce the Acid

Sick stomachs, sour stomachs and indigestion usually mean excess acid. The stomach nerves are over-stimulated. Too much acid makes the stomach and intestines sour.

Alkali kills acid instantly. The best form is Phillips' Milk of Magnesia, because one harmless, tasteless dose neutralizes many times its volume in acid. Since its invention, 50 years ago, it has remained the standard with physicians everywhere.

Take a spoonful in water and your unhappy condition will probably end in five minutes. Then you will always know what to do. Crude and harmful methods will never appeal to you. Go prove this for your own sake. It may save a great many disagreeable hours.

Be sure to get the genuine Phillips' Milk of Magnesia prescribed by physicians for 50 years in correcting excess acids. Each bottle contains full directions—any druggist.

A Busy Season Ahead

Work For Thousands Of Men On Railway Building In Western Canada

Work for thousands of men in Western Canada and payrolls running into millions of dollars are indicated in the western building and expansion programme of the Canadian Pacific Railway for the 1928 season, according to D. C. Coleman, vice-president of Western Lines. Tenders are already out for some of the work, including new stations and sheds, shops, coaling plants and new rail construction.

Exporting Rubber Products

Canada Is Now Fourth Rubber Manufacturing Country Of World

Canada has now become the fourth rubber manufacturing country of the world, exporting rubber products to the value of $30,000,000 annually, though the raw product comes from countries to which the Dominion is exporting the manufactured commodity, said Hon. James Malcolm, Minister of Trade and Commerce at the annual banquet of the Canadian Rubber Association in Montreal.

Seeking Trade With Canada

Chance For More Business Being Investigated By Belgium

According to a despatch from Brussels, a Belgian consular agent has been sent to explore the possibilities for increased trade with Canada. Interesting prospects for commerce with Canada were opening up, it was stated. Canada imported from Belgium to the extent of $10,132,879 in the past year and exported to that country to the value of $18,069,001.

SAME SYMPTOMS IN MANY CASES

An Anaemic Condition Easily Recognized — Calls For a Blood Builder

In most cases of anaemia the symptoms are almost the same. The sufferer grows pale and is easily tired after the least exertion. The appetite is fickle and the patient loses in weight. Sometimes there are headaches, and often inability to sleep well. As the blood becomes thinner the symptoms become more pronounced and often there are fainting spells. All this shows that the blood is thin and watery, and at the very first symptom of this condition the patient should take Dr. Williams' Pink Pills, the most reliable blood-builder and nerve tonic known. The sole mission of this medicine is to enrich the blood, and when that is done all the distressing symptoms disappear. Among those who have reason to praise this medicine is Mrs. M. E. Patterson, Shanklin, N.B., who says:—"About four years ago I became very much run down, I could not eat, sleep nor rest, and I grew so nervous that the smallest things so weak that I did not have strength would annoy me. Eventually I grew to move about without help. I was just a miserable wreck, and became very much discouraged as I had tried many medicines which failed to help me. In this wretched state a friend urged me to try Dr. Williams' Pink Pills. I did so and before long found they were helping me. Gladly I continued taking the pills until I fully regained my health and strength and I have since continued in the best of health. Later my daughter became anaemic and six boxes of the pills restored her to health, strength and color. Naturally I consider Dr. Williams' Pink Pills a blessing to weak, run-down people."

You can get these pills through any dealer in medicine, or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Within a week after thirteen clubmen of London, England, had defied superstition by dining together, four had died and three were seriously ill with pneumonia.

Miller's Worm Powders act so thoroughly that stomachic and intestinal worms pass from the child without being noticed and without inconvenience to the sufferer. They are painless and perfect in action, and at all times will be found a healthy medicine, strengthening the infantile stomach and maintaining it in vigorous operation, so that, besides being an effective vermifuge, they are tonical and health-giving in their effects.

Area Of Canadian Rockies

The Canadian Rockies cover an area greater than that of France, Belgium and Switzerland combined.

MAIN BUDGET MOTION ADOPTED BY 24 MAJORITY

Ottawa.—By a majority of 24, the House adopted the main budget motion. The vote was: For, 116; Against, 92; majority for, 24.

The majority consisted of Liberals, Liberal-Progressives and the Independents sitting on the government side. From the left of the speaker, L. H. Jelliff (U.F.A., Lethbridge) was the only member to vote for the budget. Conservatives, other members of the U.F.A.-Progressive group and Labor members voted against the budget. There were loud cheers from both sides of the House as the result was announced. Speaker Lemieux left the chair and the House resolved into committee on ways and means to consider the budget resolutions one by one. But proceedings in committee were brief. There was a reporting of technical progress and the House proceeded to other business.

The House met in expectant mood. The intervention of Henri Bourassa with its sudden termination of the vote on the main budget motion had left members wondering what the day would bring forth.

Immediately the main motion was submitted Mr. Bourassa rose to speak. But he had said only a few words when Hon. R. B. Bennett, Conservative leader, was on his feet with the objection that Mr. Bourassa has already spoken and was not entitled to speak again. There was some discussion pro and con and the speaker ruled against Mr. Bennett. The speaker held that members with the exception of Mr. Cahan had not spoken on the main motion, and were therefore entitled to speak.

Mr. Bennett appealed the ruling, which was sustained by a majority of 41. Liberals, with the exception of six French-speaking members from Quebec, voted for the ruling as did Liberal-Progressives, Progressives, U.F.A. and Labor members. With them also voted C. H. Cahan, Conservative of St. Lawrence-St. George. All other Conservatives voted against.

When the result was announced, Mr. Bourassa again rose to continue his speech. He was interrupted by booing from the Conservative side. As he endeavored to continue there was a sort of catcall from the opposition lobby.

"Order, order," called the Speaker. "I will ask the sergeant-at-arms to exercise the rights of the House," he said.

The sergeant-at-arms went into the lobby. The noise ceased and Mr. Bourassa proceeded.

Where Women Cannot Vote

Defeat Effort to Give Married Women Right to Vote in Montreal Municipal Elections

Quebec.—A final effort to give married women separate as to property the municipal vote in Montreal was defeated in the Quebec legislative council on third reading of the Montreal bill, the vote being 12 to 9.

Hon. J. L. Perron, minister of roads and Government leader in the Upper House, remarked in the course of the debate that there are not 15 women in the province of Quebec who favor feminine suffrage.

Destroyers For Canada

Ottawa. — The destroyers Champlain and Vancouver, which are being transferred from Great Britain to the Canadian naval service, will sail shortly from Portsmouth. After stopping at various points en route, the Vancouver will reach Esquimalt on June 3 and the Champlain will arrive at Halifax, May 17.

Condition Is Improved

Ottawa. The condition of General A. D. McRae, Vancouver member of parliament, who suffered a fracture of the skull when he slipped and fell on the icy pavement when leaving the parliament buildings, was reported as being considerably improved.

B.C. Legislature Prorogued

Victoria, B.C.—The British Columbia legislature prorogued March 14th with customary ceremonies.

W. N. U. 1725

California Disaster

Death Toll Placed at 264 in Territory Laid Waste by Flood

Santa Paula, Cal. — Rehabilitation work is under way in San Francisquito Canyon and the Santa Clara Valley, which were laid waste by the breaking of St. Francis dam with a known death toll of 264.

While searching parties continued to bring in additional bodies recovered from the silt and slime left in the wake of the flood, telephone and telegraph repair gangs, steam shovels, wrecking and bridge crews took the field in the first steps to restore the stricken area to its former beauty and industry.

Meanwhile a committee was organizing here to formulate a general rehabilitation programme. Speakers charged that the city of Los Angeles, which built the dam as part of its water system, was responsible for the disaster.

The toll in life and property, estimated from official figures and the surveys of careful observers, stood as follows:

264 lives lost.

St. Fancis dam demolished.

Los Angeles municipal power house below dam demolished.

500 homes destroyed or greatly damaged.

20 miles of citrus orchard land buried under many feet of mud and silt.

10 important bridges destroyed.

State and county highways washed out at numerous points.

Telegraph and telephone lines disrupted over an area connecting half a dozen towns and a dozen smaller communities.

1,500 persons virtually homeless and many of these, temporarily at least, destitute.

Livestock killed and drowned, unestimated total.

The aggregate property loss cannot be determined at present.

Officials declared that it would require weeks to fix the figures which might be found anywhere between $7,000,000 and $30,000,000.

Tourists Injured In Fire

Sleeping Car on Train From Luxor Completely Destroyed

Cairo, Egypt.—Passengers of a crowded de luxe train from Luxor narrowly escaped death when fire broke out in a first class coach and spread to an adjoining sleeping car.

In their flight ,some of the passengers, mostly tourists, received cut hands, barked shins, sprained ankles and bruises as they escaped through windows, the only available exit. There was no time to save anything or to don suitable garments.

Baggage and valuables were abandoned, a prey to the flames. Everything was destroyed in the two coaches. The losses are believed considerable.

George Eastman, Rochester, N.Y., millionaire, and his hunting party, were aboard the train, and all the films taken on their trip were destroyed.

The Eastman films included those of wild animal life which he had taken in Central Africa.

Butter From Antipodes

Ottawa.—Between April 1, 1927, and January, 1928, 32,872 pounds of Australia butter entered Canada for consumption, according to an answer given in the House of Commons. It was also stated that 4,000,000 pounds of butter entered Canada from New Zealand during the calendar year 1927, and 895,000 pounds of mutton entered Canada from Australia during the same period.

Beer by the Glass

Winnipeg.—A little more than twelve years ago the old saloon bar, with its familiar brass foot-rail, was discarded in Manitoba. Today beer parlors with fine furnishings and restful appearance opened in Winnipeg, and a "rushing" business was reported from a score of hotels which started serving beer by the glass under the newly adopted liquor control legislation.

Bodies of Slide Victims

Vancouver, B.C.—The bodies of three men buried in a landslide at the entrance of a Canadian National Railway tunnel near Savona, some 200 miles east of here, have been recovered. The men are Andy Anderson, W. Gustha and George Parkes.

B. C. Minister Passes

Hon. William Sloan, British Columbia's Minister of Mines, and former Provincial Secretary, who died recently at Victoria.

Chosen Conservative Leader

Dr. J. T. M. Anderson Selected as Leader of Conservative Party in Saskatchewan

Saskatoon.—Dr. J. T. M. Anderson, member of the Saskatchewan Legislature for Saskatoon City, was selected by three hundred delegates at the Conservative convention here as the provincial leader of the party.

When the moment came for receiving nominations, the following names were submitted to the delegates: M. A. MacPherson, K.C., M.L.A., Regina; Dr. J. T. M. Anderson, M.L.A., Saskatoon; Howard McConnell, M.L.A., Saskatoon; J. A. Haagerman, Unity, and J. F. Diefenbaker, Prince Albert.

Under the procedure decided upon, a special committee consisting of George Bennett, Wolseley; R. E. Alexander, Gull Lake, and W. Ramsay, Bladworth, immediately met the nominees to ascertain whether or not they would accept nomination. The report brought back by this committee stated that it was the unanimous decision of the candidates that Dr. Anderson should be selected and consequently the others withdrew their names from nomination.

Hinkler Receives Cheque

Sydney, N.S.W.—On his arrival at Canberra, Bert Hinkler, Australia's new hero-flier, was welcomed by the Commonwealth government and presented with a cheque for 2,000 pounds sterling by Premier Bruce in recognition of his feat in flying from England to Australia in fifteen days.

Cost of Fishing Probe

Ottawa.—The total cost of the Royal Fisheries commission established to investigate the problems of the fishermen on the Atlantic coast amounted to $51,845.56 up to January 31, 1928. This was divided between $26,220.11 for fees and $25,625.45 expenses.

Officials Will Be Examined

To Give Evidence at Future Sittings of Immigration Committee.

Ottawa.—Officials in charge of immigration and colonization for the Canadian Railways will be summoned before the parliamentary committee investigating the department of immigration.

W. J. Egan, Deputy Minister of Immigration, was again on the stand. He said the department had checked to determine if all farm laborers brought in under the railway agreement actually went on the farm and had discovered that such was not the case in some instances.

Mr. Egan said he thought railways which brought in the bulk of immigrants were fulfilling the spirit of their agreement.

Every effort had been made by the department to induce British farm laborers to come to Canada and despite the lower fare in effect to Australia there were more people coming to Canada from Britain than went to all other outlying parts of the Empire.

Answering a question by George Spotten, Mr. Egan declared there had been newspaper propaganda against Great Britain during 1922 and 1923, arising partly from nonpayment of interest on Grand Trunk securities. This affected immigration, but the propaganda had later been counteracted.

Usually immigrants were not stripped for examination, he said, and Dr. McGibbon objected that if this was so the medical examination was a farce. It would not be known if a man had tuberculosis or heart trouble without stripping him.

For Union With Canada

Senator Would Welcome Newfoundland as a Province of this Dominion

Ottawa. — Favorable attitude by Canada towards any proposal which Newfoundland might make to join the Dominion is advocated by Senator C. E. Tanner, Halifax. Senator Tanner has given notice of a motion for discussion in the Senate advocating:

"That in the opinion of this House, if proposal should be made on behalf of the people of Newfoundland for union with the Dominion of Canada the people of Canada would view such proposal with favor, and would welcome Newfoundland as a province of this Dominion."

Is Back to Par

New York.—The Canadian dollar climbed back to par on the New York money market after being at a slight discount for more than three months. The Canadian dollar was at a slight premium on par from August 22 to December 2, 1926, when it dropped to a discount, which has since ranged from 1-32 to 13-64 of one per cent.

WOULD GIVE AID TO CANADIANS SETTLING IN WEST

Ottawa.—A resolution proposing that citizens of Canada desirous of settling on western land should receive from the Government the same assistance and favorable treatment as the citizens of Europe was proposed in the House of Commons by C. L. Boulanger (Liberal, Belle Chasse).

The reasonableness of the proposal should appeal to all Canadians, Mr. Boulanger said. It would mean more shoulders to bear the burden of debt and would help to keep Canadians at home on the land. Canadians, the descendants of the Loyalists and those of French origin had traditions which made them the best type of settlers.

Hon. J. W. Edwards (Conservativ, Fronteenac) declared that the resolution should be extended in order to encourage westerners to come east and settle in the central provinces. He could not see the force of the resolution until the Government adopted a policy that would keep the youth of Canada on the land.

H. E. Lavigueur (Liberal, Quebec-Montmorency) declared that Hon. Mr. Edwards should be joining hand to hand with Mr. Boulanger in the matter of this resolution, rather than indulging in "whispers of death."

Peter McGibbon (Conservative, Muskoka) declared that what was wanted in Canada was work. He could not understand why the minister of immigration gave greater facilities and encouragement to immigrants from Europe when Canadians were leaving this country daily. He suggested the establishment of fur farms in Northern Ontario and Quebec.

Believes In Northern Route

Capt. Bernier Has Great Faith in Future of H. B. Railway

Ottawa.—Captain J. E. Bernier, famed Canadian navigator and Arctic explorer, believes an unprecedentd period of prosperity will be Canada's fortune once the Hudson's Bay Railway is opened, thereby providing an economic outlet to the Atlantic. He expressed himself thus when he arrived in the caphital.

Captain Bernier said that with the opening of the new route great shiploads of cattle and grain would be facilitated in their voyage to Europe, and that Canada would then compete more capably with the United States in the trading world. He said, however, that the ships used for this purpose would have to be built with sufficient strength to withstand ice pressure ,and that their mariners would require a full and accurate knowledge of existing conditions, supplemented with weather reports from coast stations.

Find Body of Murdered Man

Charred Bones of Victim Discovered On Trail Island

Vancouver, B.C.—Bones of a man who had apparently been stunned by a blow on the back of the head and then killed, and the remains burned in a cleverly concealed natural furnace have been found on the southeast corner of Trail Island, about 30 miles north of Vancouver, it has been reported to provincial police.

The district is popular with summer campers. Indications were that the crime was committed within recent years.

A deep hole between boulders had been selected just above high water mark for the burning in a concealed spot that could not be seen by campers on the mainland. The case is being investigated.

Bill Given Third Reading

Winnipeg.—The Manitoba Old Age Pensions bill has passed its third reading in the legislature. A sum of $500,000 will be required to finance the measure during the first year, and this will be raised by means of a property tax. The bill will be effective only after proclamation by the lieutenant-governor, and probably will not become operative until late in the summer.

Banff Carnival Triumphs

1. Miss Emilie Mason, retiring queen of carnival, receives delegation of Stoney Mountain Indians.
2. Mark Pisette, well known Stoney Mountain Indian, adjusts the new Queen Kate Harrison's skis prior to the ski-joring race.

After one of the most successful Banff Carnivals on record proceedings came to a close on Saturday, February 11, with the crowning of Miss Kate Harrison, of Vancouver, B.C., as the new queen. Miss Harrison will hold office until the close of next year's carnival. One of the most picturesque happenings of the eight days festivities was the receiving of a band of Stoney Mountain Indians by the retiring queen, Miss Emilie Mason, of Calgary, who received a tremendous ovation as she vacated her throne of office.

Visitors from all over the United States and Canada attended and vied with each other in every variety of winter sorts. The Winnipeg Skating Club covered itself with glory when it annexed the Elkhead, emblematic of the championship while that well known musher, Ike Mills, added further to his laurels by winning the Dog Derby and the Strongheart trophy in remarkable time. Ike finished the last 80 miles in the astounding time of two hours and forty minutes.

CRESTON, B.C., FRIDAY, MAR. 23

1928 Fall Fair Officers Elected

Creston Valley Agricultural Association annual meeting on Thursday night attracted a rather light but enthusiastic attendance, and after a thorough discussion of the whole fall fair situation it was finally decided to have an exhibition in 1928, with the last week in September favored.

President C. W. Allan was in the chair, and the duly audited balance sheet submitted by the treasurer, F. H. Jackson, showed a cash balance of $85 after all the expenses of the 1927 fair had been met, including the annual payment of interest to the park association.

The statement was adopted with little discussion and on motion all present recorded themselves in favor of asking the village council to purchase the fair grounds from the park association at a price of $2500 which is still owing on the property. The matter will be presented to the commissioners at the April meeting.

The officers elected for 1928 show a number of new faces, including a larger representation of ladies on the board of management. Those in charge are:

President—C. W. Allan.
Vice-president—Sam Moon.
Secretary treasurer—F. H. Jackson.
Directors, Mrs. G. Cartwright, Mrs. Maxwell, Mrs. Fred Powers (Lister). Messrs. G. Cartwright, Chas. Murrell, F. Knott, W. S. McAlpine, G. Greenwood, R. J. Forbes, Major Mallandaine.

A vote of thanks was tendered the retiring officers, the mover and seconder of the motion speaking in eulogistic terms of the work of the 1927 board, which had been able so successfull, financially, to stage an exhibition in one of the most unlikely year's in fall fair history.

Village Has New Lighting Offer

All the commissioners were present at the meeting of the village council on Monday, 12th, with chairman Jackson presiding, and the most important feature the consideration of a new offer to supply the village with electric light, which was submitted by H S. Amon, who has a hydro plant on Boundary Creek on the Idaho side, and who proposes to erect a pole line along the old K.V. right of way and have the "juice" available to Creston by September 1st. At a special meeting of the council on the 18th, final arrangements were made to buy from Mr. Amon light for not less than thirty 100 watt street lamps at a rate of $20 per month. Mr. Amon was also given the necessary permission to erect pole lines throughout the village for the supply of light and power. He will give a 24-hour service and have the light available to all by September.

The request from the board of trade for enacting a curfew law was considered, and the board written to asking that they communicate with the school board as well as the high and public school staff asking the teachers to exercise greater control of all scholars while going to and from school. By-Law No. 8 governing the control of the village streets will be rigidly enforced. Consideration of the purchase of the fall fair grounds was stood over until after the annual meeting of the Agricultural Association on the 15th. The board of trade will be given the use of the municipal hall for their monthly meetings provided the board pays its share of the janitor costs.

February accounts totalling $178 were ordered paid, and a grant of $25 was made to the Salvation Army for their hospital work. An order was placed for 75 Norway maples and the same number of mountain ash for street beautification this season. Cleanup day in the village is fixed for April 16th, with the usual free removal of garbage provided.

Requests made by the fire brigade at the February meeting were discussed and the matter was left in abeyance until the B.C. Fire Underwriters Association was consulted as to exactly what should be provided in order to ensure the village more favorable insurance rates. The village solicitor is to be asked to draft a by-law governing early closing as well as the customary half-holiday. The Poll Tax By-Law was given its three readings and finally passed. It provides for a levy of $5 on all male residents, and the details of which will be given in next week's Review.

Police court fines at Fernie for 1927 were $2365. The year previous the revenue from fines was $3751.

Kaslo board of trade is to have its monthly meetings following a board luncheon at the King George Hotel.

A branch of the Women's Missionary Society has just been organized at Rossland United Church.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions, is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant, unreserved Crown Lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is $5 per acre, and second class (grazing) land $2.5C per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas not exceeding 20 acres may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free permits are available for settlers, campers or travellers, up to ten head.

CRESTON MERCANTILE COMPANY
LIMITED

BRITISH COLUMBIA

THE MINERAL PROVINCE OF WESTERN CANADA

To the End of December, 1926

Has produced Minerals as follows: Placer Gold, $78,018,548; Lode Gold, $126,972,318; Silver, $80,787,003; Lead, $106,976,442; Copper, $209,967,068; Zinc, $50,512,557; Coal and Coke, $284,699,133; Structural Materials and Miscellaneous Minerals, $50,175,407; making its mineral production to the end of 1926 show an

AGGREGATE VALUE OF $988,108,470

PRODUCTION FOR YEAR Ending December, 1926, $67,188,842

The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees.

Absolute Titles are obtained by developing such properties, the security of which is guaranteed by Crown grants.

Full information, together with Mining Reports and Maps, may be obtained gratis by addressing—

The Hon. The Minister of Mines
VICTORIA, BRITISH COLUMBIA

N.B.—Practically all British Columbia Mineral Properties upon which development work has been done are described in some one of the Annual Reports of the Minister of Mines. Those considering mining investments should refer to such reports. They are available without charge on application to the Department of Mines, Victoria, B.C. Reports of the Geological Survey of Canada, Winch Building, Vancouver, are recommended as valuable sources of information.

Reports covering each of the Six Mineral Survey Districts are published separately, and are available on application.

-the Doctor says:-

"BEER IS GOOD FOR YOU!"

THE chief point in favor of Beer as compared to other alcoholic beverages, lies in the very small percentage of alcohol contained in Beer, just enough to aid digestion. *Phoenix Export Lager* is good, pure beer, it will act as a tonic; its nutrative value is great.

For sale at Government Liquor Stores and Beer Parlors.

Local and Personal

For this week the Grand is submitting a big double bill, running both Friday and Saturday night. The feature is the well known novel, "Graustark," featuring Norma Talmadge, with a great supporting cast. In addition the official moving pictures of the Tunney-Dempsey championship fight will also be shown. The admission is 75 cents to adults, and children 25 cents.

The village commissioners are having frequent complaints about altogether too large groups loitering on the streets and making sidewalk travel anything but pleasant at times. The council have decided to strictly enforce By-Law No. 8, and elsewhere in this issue will be found the provisions of the by-law which provide rather stiff penalties for those breaking it. It is hoped this notice will be all that is required to end the nuisance.

Harry Clements is all smiles these days, due to the success attending his pet hobby—the Creston rabbitry. He is as proud of his 50 odd wee bunnies as a young mother is of her firstborn infant, and takes great delight in exhibiting his little ones. We hear that Miss Alma Johnson is also the proud possessor of some new litters of the same breed, Chinchilla. We hope that both may be successful in their new venture.

Creston Rod and Gun Club had a very large turnout for their masquerade dance in the Parish Hall on Friday, for which music was furnished by Mrs. Lister's orchestra. The turnout of those in costume was larger than usual and the judges, Major Mallandaine, Principal McLellan and H. L. Robinson, had considerable difficulty in placing the prizes which were finally awarded as follows: Best ladies' costume, Miss Ruth Compton, "Minnehaha." Ladies' comic, Mrs. F. C. Rodgers, "Dutch Lady." Best dressed gentleman, Chas. Davis, "Cavalier." Gent's comic, C. W. Allan, "Eton Student." Miss Grace Rendall, attired as the "Chocolate Soldier," was given a special prize.

Fernie ratepayers will have to come through with $51,000 for school purposes this year, a gain of $2000 over 1927.

Since taking over the presidency of the board of trade at Kimberley President Swanson has boosted the membership to 125.

FOR SALE OR RENT

All my improved and partly improved lands near Erickson; 48 acres one mile northeast of Creston; 7 acres half mile south of Creston; 160 acres Kootenay Lake; 420 acres northeast of Creston; 5 large lots on Victoria Avenue, east of the school; 1 corner lot near postoffice; All my property in Creston village. No incumbrances on any of my properties. Price and terms upon application to R. LAMONT, Beamsville, Ont.

Issuing Series Of Historic Postcards

British State Papers Will Be Photographed For This Purpose

To popularize history, the Public Record Office, in London, is about to issue a series of postcards made from photographs of some of the state papers contained in governmental archives. The subjects include: The original draft of the log of Nelson's flagship on the two days after the battle of Trafalgar; a signature of Shakespeare; Sir Philip Sidney's last letter; the indenture to Magna Charta; a page of the treaty violated by Germany in invading Belgium a picture of the two volumes of Doomsday Book.

ARE PALE PEOPLE WELL?

Some pale people are well, but not many. Pallor generally means thin blood. When, in addition, you are short of breath, and your heart palpitates after slight exercise and you perhaps show symptoms of indigestion and nervousness, there is no doubt about it. You are in an anaemic condition.

Dr. Williams' Pink Pills are the logical remedy for anaemia, for they begin at once to build up the thin blood, strengthen the nerves, increase the appetite and aid digestion. But do not wait too long. Thin blood is a stealthy and dangerous foe.

If you will send your name and address to The Dr. Williams' Medicine Co., Brockville, Ont., they will send you two little booklets, "Building Up the Blood," and "What to Eat and How to Eat," both of which will be found very useful in the home.

The Feeding Of Babies

From time immemorial it has been recognized that babies thrive best when breast-fed, and it is the ambition of every mother to nurse her baby. But since it frequently happens that this is not practicable for one reason or another, the young mother looks about most anxiously for that food which will best take the place of the natural food which is not obtainable. It is essential that the food used should be absolutely pure, that it should contain all the necessary elements of nourishment for the child, and finally that it should be easily digestible. For three generations Borden's Eagle Brand Condensed Milk has been the standby of mothers who have been unable to nurse their babies. It is a leading infants' food, more Eagle Brand being used than the combined total of all others. It measures up to the requirements of the infants perfectly, and nearly all babies thrive on it from the first feeding.

Aluminum possesses qualities of lightness, cleanliness and protection against rust and dust which make it incomparable as a container for fine tea. You will never find that flat, stale taste in Red Rose Tea, because it is put up exclusively in dampproof aluminum packages.

SUNDAY SCHOOL LESSON

MARCH 25

JESUS PROCLAIMS THE KINGDOM OF GOD

Golden Text: "And Jesus went about all the cities and the villages, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of disease and all manner of sickness."—Matthew 9.35.

Devotional Reading: Malachie 3. 1-6.

Review By Means Of Allusions

I do not expect the Union to be dissolved, I do not expect the house to fall, but I do expect it will cease to be divided.—Lincoln.

I am confident that should every foreigner be forced to withdraw, the grain of mustard seed will grow. Churches that live will have such vitality that the good news will be spread.—A Chinese Missionary.

One touch upon His garment's fringe
Still heals the hurt of bitter years;
Before him yet the demons cringe,
He gives the wine of joy for tears.
—Margaret Sangster.

This characterization comes perilously near to being akin to the sin of the scribes of old when they attributed that which was good to the action of the spirit of evil. A more careful analysis of the social aspirations now becoming vocal in all lands would indicate that a strong man has entered the house and that he is destined to bind the forces of evil which have been working injury to the weak. —Charles Reynolds Brown.

"Whatever the fever, his touch can heal it."

New Weather Bureau

Station At St. Hubert Aerodrome Has Modern Equipment

The Meteorological Service of Canada has just established a new weather bureau at St. Hubert Aerodrome, near Montreal, under the direction of the Naval Service in connection with the trans-Atlantic air service which is expected to be put into operation in the coming summer. The station is fully equipped with the modern meteorological apparatus and is under the direction of Leo R. Charron, of the Royal Canadian Air Force.

It Will Prevent Ulcerated Throat. —At the first symptoms of sore throat, which presages ulceration and inflammation, take a spoonful of Dr. Thomas' Eclectric Oil. Add a little sugar to it to make it palatable. It will allay the irritation and prevent the ulceration and swelling that are so painful. Those who were periodically subject to quinsy have thus made themselves immune to attack.

Good Yields In Irrigated District

An average of 33.7 bushels of wheat per acre was produced on lands in the Lethbridge (Alberta), Northern Irrigation District in 1927, the total being 1,997,785 bushels on 60,161 acres. The total value of all production in the district, including grain, fodder crops, dairying and poultry, is $2,988,295, as compared with $1,528,000 in 1926. The increase in production in three years has been over 500 per cent.

Are You Nervous? Sleepless?

St. Catharines, Ont.—"I was in such a nervous and rundown state of health that I could hardly get around to do my work. I could not sleep and the least noise or excitement would completely upset me and throw me into a nervous spell. I was advised to take Dr. Pierce's Favorite Prescription and I was soon well and strong and have never had another spell of nervousness since.

Mrs. Ada Taylor

"I always keep a bottle of Dr. Pierce's Pleasant Pellets in my medicine chest; they are the only medicine I have ever taken that would regulate the liver and relieve constipation without causing distress."—Mrs. Ada Taylor, 46 Wiley St.

Send 10c to Dr. Pierce's Laboratory in Bridgeburg, Ont., if you desire a trial pkg. Favorite Prescription tablets.

There is a small island off the coast of Ireland, which is inhabited by only fourteen families.

Experiments have demonstrated that is possible to grow certain hardy fruits on the prairies. If there is anything in a name, the Snow and Northern Spy apples should be frostproof.

Rub It In For Lame Back. — A brisk rubbing with Dr. Thomas' Eclectric Oil will relieve lame back. The skin will immediately absorb the oil and it will penetrate the tissues and bring speedy relief. Try it and be convinced. As the liniment sinks in, the pain comes out, and there are ample grounds for saying that it is an excellent article.

The electric unit known as the volt takes its name from Alexander Volta, who made the first voltaic battery.

The whole world knows Aspirin as an effective antidote for pain. *But it's just as important to know that there is only one genuine Aspirin.* The name Bayer is on every tablet, and on the box. If the name Bayer appears, it's genuine; and if it doesn't, it is *not!* Headaches are dispelled by Aspirin. So are colds, and the pain that goes with them; even neuralgia, neuritis, and rheumatism promptly relieved. Get Aspirin—at any drugstore—with proven directions.

Physicians prescribe Aspirin; it does NOT affect the heart

"Aspirin" is the trade mark (registered in Canada) indicating Bayer Manufacture. While it is well known that Aspirin means Bayer manufacture, to assure the public against imitations, the Tablets will be stamped with their "Bayer Cross" trademark.

CHAPTER XX.—Continued

"Do you think I would marry you to a decent boy—a boy of good family—who was foolish enough to think of marrying a foreigner of whom he knew nothing, and of whom the police knew considerable? Look!"

Helmi leaned over and scanned the paper. Her own picture stared at her. For a moment she forgot everything but the pleasant memories it brought to mind of Miss Abbie's house and its kindly shelter. The picture was taken in front of the house; she had worn her white middy and pleated skirt. She remembered now that Mrs. Wymuth had asked for a photo—it was one of the rules of the Home.

"Helmi Milander, young Finnish girl who escaped from the Girls' Friendly Home. Arrested here a year ago in the worst Chinese den in the city." Helmi reeled, and would have fallen had not Major Gowsett sprang to her assistance and placed her in a chair.

"Do you deny this?" asked the Magistrate, when he thought she was sufficiently recovered to speak.

"No," said Helmi faintly; "that's my picture, but it's all a lie."

"Of course, they all say that."

"Well, at least you can understand that I was not anxious to marry you to young Doran or any decent man. You have a record, you see, and every magistrate in Canada has a copy of this."

"Did Jack see this?" Helmi asked after a pause.

"Yes, I showed it to him while you sat outside," said the magistrate, "but he told me to go on. Like every other young fellow he wanted his own way. But now I advise you not to try to make trouble. You have no claim on him—remember that—and he's gone away, I hear, for good. You'd better go straight back to this Home that you ran away from. No doubt they will help you through again. I understand many of the girls come back two and three times. In fact," he said turning to his friend, "that is one great objection to these Rescue Homes—they make things far too easy for girls of this class."

Helmi was staring past them vacantly. The pallor of her face was deepening.

"Now, look here," said the magistrate, sharply, "no tricks, no faints. You're an old hand at this, although you are not old in years, and you can't make me believe you are an innocent young thing, who has been deeply wronged. You're well able to look after yourself."

Helmi rose uncertainly. She reached out her hand for the certificate she had given him.

"This is no good," he said, "you may as well leave it here."

"Give it to me," cried Helmi, with some of her old fury, snatching it from his hand.

"Take it then, you tiger," he said angrily. "It's no good to you. Take it and get out of here! I am not running a Girls' Friendly Home here."

Helmi opened her purse to replace the paper, and as she did so a card dropped out. She stooped and picked it up. It was a white card bordered with maple leaves, and in the centre were printed these words: "Welcome to Canada!"

The sight of the card brought Helmi back to the night she had got it. It was her place-card the night the girls gave her the party. They were good to her and would be sorry for all this trouble which had come to her. This man who had caused her so much harm would suffer for it. Canada was all right. God was all right. This man was a devil. In a moment all her faintness was gone, succeeded by burning rage.

The two men watched her uneasily. There was something terrible in her anger. She walked over to the table and stood in front of Col. Blackwood. "You are a bad man," she said, "A devil—an old dirty, drunken devil. I hate you, and I will kill you. If my man does not come back to me I will kill you." Her voice was low, but it filled all the room. "It will be your fault, and I will come back here and kill you."

Before either of the men could recover from the shock she was gone.

When Helmi drove into the yard at the Boarding House old Sim, who had been watching for her, came to take her horse. Mrs. McMann came out, too, and the timekeeper, and the mine boss. They had been talking it over.

Helmi stepped out of the buggy and stood leaning against the wheel. Her face was white and lined, and her big eyes were feverish.

"Well, Helmi, what about it?" said Mrs. McMann, who could bear the suspense no longer. "What about it"

"It is not in the book," said Helmi, wearily. "He says we are not married at all. He says Jack was fooling me. He is an old devil, that magistrate."

"Tough luck, Helmi," said the mine boss, "But we all know it wasn't your fault. He fooled you—that's all."

Mrs. McMann found her tongue—never a hard task for her. "Well, one thing sure, Helmy, you can't say I didn't warn you. I knew it means no good to a girl when one of these city dudes starts to go with her. They mean no good to any girl, I tell you, a girl has to watch her step all the time. I can't keep you here. I'd keep you on if I could, but there's so much talk of this, that and the other; and I've always tried to run a decent house, but with so many comers and goers, and now that Mr. McMann has gone I've got to be more careful. I guess you'd better go into the city. There's so many people there no one asks questions."

Mrs. McMann went on talking.

Helmi stood up and faced the sunset and her eyes were looking far away. She did not hear what Mrs. McMann was saying. She was thinking of that sunset long ago—the night before she crossed the Canadian border—how it glowed and gleamed and beckoned. She had been so sure it was a welcoming fire to warm and comfort her. She had come in full of hope and confidence—so sure she was of making her way, and finding friends. But these fires, these friendly fires, where were they now?

Her friend whom she loved had betrayed her into hostile hands. And now her Jack! Was Aunt Lili right after all? Was Jack a painted fire, too . . . and God, her God, who had seemed so close and dear and loving to her, was he just a painted fire, like the other, cold, and dead, and mocking, when she came to him crying and shivering, bitterly alone, and afraid.

The last glow of color faded in the sky and the night wind came whistling, cold and piercing, down the mountain pass.

Helmi was aroused by the collie dog licking her hand.

CHAPTER XXI.

Dead gardens, littered with stocks from which the life had fled and the bright blooms had departed, with all the sadness of the silent places where throbbing life had been, hummocked over the newly earthed graves where the potatoes and turnips now lie buried; dead fields cleared out, swept clean and tidied away like the house of trouble where the neighbors gather and do this sad service for the one who is gone; leaden stubble whose golden hue was faded now to match the lowering sky; leafless trees that draw together moaning and complaining like toothless old women whose children have all forgotten them; no birds at all except the little graybirds who sing no song and whose coats are the color of dust; the rose-haws gone, driven out by the scouring winds of December that foam with rage at any spot of brightness; weary winds that rage all day and moan at night as if they had repented of their evil ways, but whose sorrow is only for the works of destruction which they were not able to accomplish. The harvest past, the summer gone, stark melancholy over all. So came that cold, gray, desolate time which we refer to as the "Turn of the Year."

There was only one hope for the sad old world, so gray and unlovely and lifeless—hope that the decent snow would come with its soft winding sheet to cover the unsightliness of the dead face. Surely there would be snow for Christmas. "A green Christmas makes a full churchyard" the old people said grimly, but no one could truthfully call this a green one, it was only gray and leaden.

(To Be Continued.)

The BABY

Why do so many, many babies of today escape all the little fretful spells and infantile ailments that used to worry mothers through the day, and keep them up half the night?

If you don't know the answer, you haven't discovered pure, harmless Castoria. It is sweet to the taste, and sweet in the little stomach. And its gentle influence seems felt all through the tiny system. Not even a distasteful dose of castor oil does so much good.

Fletcher's Castoria is purely vegetable, so you may give it freely, at first sign of colic; or constipation; or diarrhea. Or those many times when you just don't know what is the matter. For real sickness, call the doctor, always. At other times, a few drops of Fletcher's Castoria.

The doctor often tells you to do just that; and always says Fletcher's. Other preparations may be just as pure, just as free from dangerous drugs, but why experiment? Besides, the book on care and feeding of babies that comes with Fletcher's Castoria is worth its weight in gold!

FIGHTING FOR BABY'S HEALTH

Is the Constant Care Of Every Young Mother

The young mother has a constant care in looking after the welfare of her little ones. Childhood ailments come on so sudden—sometimes without a minute's warning—the mother may have a very sick baby on her hands before help can be obtained. That is unless she has a remedy in the house which she can safely give the baby for any of the many minor ailments of babyhood and childhood.

Such a remedy is found in Baby's Own Tablets. Thousands of mothers throughout the country always keep a box of the Tablets on hand and they proclaim them to be without an equal for sweetening baby's stomach; regulating his bowels, and thus driving out constipation and indigestion, colds and simple fevers, and making the dreaded teething period easy.

Baby's Own Tablets are an absolutely safe remedy. They are guaranteed to be free from opiates or any other narcotic drug which are so harmful to the future welfare of the baby. Mothers, if you value the life of your little ones give him Baby's Own Tablets when he is ill, or, better still, give him an occasional dose of the Tablets to ward off illness. The Tablets are sold by medicine dealers or will be sent to any address, post paid, at 25 cents a box by addressing The Dr. Williams' Medicine Co., Brockville, Ont.

Rubber From Flowers

Asters are three per cent. rubber, and there is enough tire material in dandelions and golden rods to provide an emergency supply should the occasion arise. This according to announcement from the laboratories of America's inventive wizard, Thomas Edison.

Cause Of Asthma. No one can say with certainty exactly what causes the establishing of asthmatic conditions. Dust from the street, from flowers, from grain and various other irritants may set up a trouble impossible to irridicate except through a sure preparation such as Dr. J. D. Kellogg's Asthma Remedy. Uncertainty may exist as to cause, but there can be no uncertainty regarding a remedy which has freed a generation of asthmatic victims from this scourge of the bronchial tubes. It is sold everywhere.

Winnipeg Live Stock Shipments

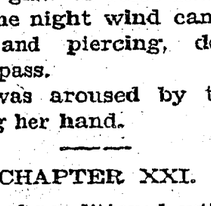
During January 1290 car loads of live stock were handled at the Union stock yards, St. Boniface (Greater Winnipeg). The shipments comprised 20,462 head of cattle, 47,277 hogs, 17,448 sheep and 1,420 horses.

Hard and soft corns both yield to Holloway's Corn Remover, which is entirely safe to use, and certain and satisfactory in its action.

He: "Your cousin refused to recognize me last night. Thinks I'm not his equal, I suppose."

She: "Ridiculous! Of course you are. Why he is nothing but a conceited idiot!"

Our fishing trips take Minard's.



LESSON No. 20

***Question:* Why is *emulsified cod-liver oil so very helpful* as a vitamin-food for expectant and nursing mothers?**

***Answer:* Because it provides an easily assimilated food rich in the essential vitamin that aids in building strong bones and good teeth.**

Take pure, wholesome, pleasantly flavored

SCOTT'S EMULSION

Little Helps For This Week

"Blessed be the Lord, who daily loadeth us with benefits, even the God of our salvation."—Psalm lxviii. 19.

When all Thy mercies, O my God,
My rising soul surveys,
Transported with the view, I'm lost
In wonder, love, and praise.

Ten thousand thousand precious gifts
My daily thanks employ;
Nor is the least a cheerful heart,
That tastes those gifts with joy.
—Joseph Addison.

If gratitude is due from man to man, how much more from man to his Maker? The Supreme Being does not only confer upon us those bounties which proceed more immediately from His hand, but even those benefits which are conveyed to us by others. Every blessing we enjoy, by what means soever it may be derived upon us, is the gift of Him who is the great Author of good and Father of mercies.—Ibid.

Keep Minard's in the Medicine Chest.

Over 2,500 acres of the area covered by Stockholm, Sweden, consist of parks and gardens.

PAINS ALL OVER BODY

Two More Cases of Feminine Illness Relieved by Lydia E. Pinkham's Vegetable Compound

Barrington, N. S.—"I had terrible feelings, headaches, back and side aches and pains all over my body. I would have to go to bed every month and nothing would do me good. My husband and my father did my work for me as I have two children and we have quite a big place. I read in the paper about Lydia E. Pinkham's Vegetable Compound, and then got a little book about it through the mail, and my husband sent to Eaton's and got me a bottle, and then we got more from the store. I am feeling fine now and do all my work and am able to go out around more. I tell my friends it is Lydia E. Pinkham's Vegetable Compound that makes me feel so well."—Mrs. VICTOR RICHARDSON, Barrington, Nova Scotia.

Dull Pains in Back

St. Thomas, Ont.—"I took four bottles of Lydia E. Pinkham's Vegetable Compound and found great relief from the dull, heavy pains in the small of my back and the weakness from which I suffered for five years after my boy was born. After taking the Vegetable Compound and using Lydia E. Pinkham's Sanative Wash I am feeling better than I have for the past seven years, and advise my friends to take it."—Mrs. F. JOHNSON, 69 Moore Street, St. Thomas, Ont.
