Dance Given by Captain Ogilvie of Steamer Shiela.

The most splendid and largely attended event, that Union Bay has ever had, was the dance and supper given by Captain Ogilvie R. N. R. on Friday last. There were ninety couple present and Humbhroy's Hall was used for the occasion. Mr. Humphrey is to be congratulated on the tip top floor, he has laid down, for it was perfection from the dancers standpoint. There were a few invited guests from Cumberland, and Comox, as well as Denman and Hornby Islands. The hall which is one of the laggest in the district was a dream of loveliness, being decorated with evergreens, and the large flags of all nations, loaned by the steamer "Shiela" and steamer "Wellington". Besides these, there were the nautical arrangements, that were a striking novelty to anyone, who had only attended land lubbers lances. First, there was the Fore Castle Head Bell, which was hung to a cross beam, up among the ivy, and a line was carried from the bell to the leader of the orchestra, who at the start of each number on the program, would give the number of rings necessary to correspond with the number on the program. Cards with large lettering were put up over the entrance Fore-Castle Head the sides of hall "Starboard" and "Port seats Bulwarks." Above the door leading to card rooms at the back of hall, the "Quarter Deck" and the card room was called the "Cabin." The vessel was soon put under way, by the Captain being called upon by the "Navigating Officer" (M.C.) for an opening speech, which was given in rattling good style by the popular seaman, which was as follows:—

LADIES AND GENTLEMEN:—It is usual for the master of a ship to speak to his crew from the Quarter Deck and from the Fore-Castle Head, but owing to the present craft, things are reserved; no doubt the designers intentions were good, but he built a barge, which is the same both fore and after, hence my reason for speaking from Fore-Castle Head. However it gives me the greatest pleasure, to clap my "headlight" on so many "clipper built ships" the Ladies in their various rigs, all classed, A. 1. at Lloyd's studding sails set, and all ready to run before the wind. I also notice a goodly number of "tow boats" the Gentlemen in attendance ready to cast their hawser on board, should it be necessary. I sincerely hope that clippers and tow-boats will be kept going, and at some future time, we may all arrive in port together. I will now heave to on the starboard tack, and trust you will have a rousing good time. A 12 p.m. the first tables in the Hotel dining rooms were taken possession of by thirty couples, at one of which, Captain Ogilvie took the head. The repast was princely, the tables being weighted down by the very best the market affords. Mrs. Humphrey simply surpassed her usual well known skill, in catering to the happy crowd, with the assistance of Miss Bessie McKay and Miss Lewis. The tables were waited on by Mr. Geo. Henshall, second stewart of the S. S. "Shiela." and Mr. William McLaughlan, head chef of the ship, whilst the chief stewart r. E. Johnso superintended things in general. Many remarked the clocklike regularity, with which the viands were handled by these experts in their line of business. At the end of the first sitting, Mr. T. Hudson called on those present to fill up their glasses, and drink to the health of Captain Ogilvie "for he's a jolly good fellow", was sung with vim, and the skipper then, made a few more remarks that smaked of the salt water. The second table was in charge of chief officer Brown, and the third in charge of chief engineer Thomson. After supper the dance program was again gone through. The home waltz, was played in the early morning hours. Altogether this event, was the greatest success, ever known in Union Bay. Jim McNeil, was navigating officer (M. C.) Mr. and Mrs. T. Hudson led the grand march. A. W. Blaney had charge of the decorations, and received the most valuable help from the ladies, and a number of officers of the ship. A return dance is on the boards in honor of Captain Ogilvie, to take place some time this week. The music was grand. The orchestra was composed of the following. Dave Roy, Violin, M. Morgan, Piano. Paolo Monte Saxophone.

Base Ball Match

In that first base ball game of the season here today, Union Bay defeated Comox in a very fast and exciting game. The attendance being very large, and excitement ran high at the finish as at the end of the 9th innings the score stood 6 to 6. It took two innings for the local team to secure the winning run. Final score, Comox 6 and Union Bay 7. Battery Union Bay, Bale and Hill; umpire Umpire, Jim McNeil. A return game will be played in a short time. Time of game 1 hour and 20 minutes.

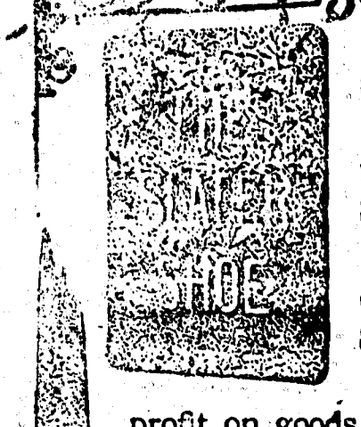
SIGN OF A GOOD SHOE STORE.



THE "Sign of the Slate," hung in front of any Shoe Store is sure testimony to four significant facts.

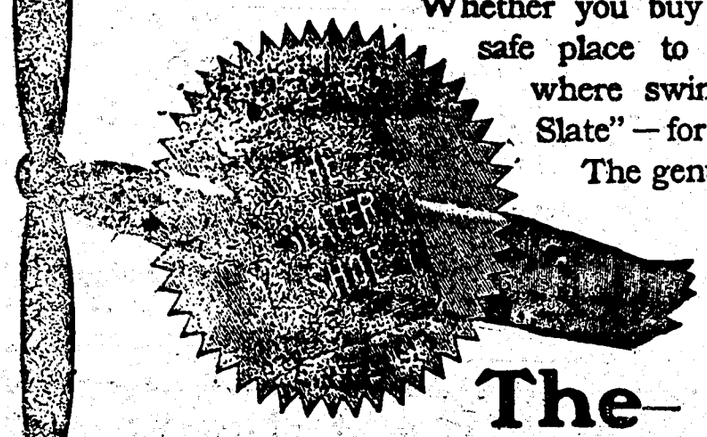
1st—that store is the most reliable in that town or it couldn't get the agency for "The Slater Shoe."

2nd—that it pays its bills promptly, in cash every thirty days, or it couldn't hold "The Slater Shoe" Agency.

3d—that it is satisfied with a reasonable profit on goods or it wouldn't be selling "The Slater Shoe," which is price-controlled by the Makers.

4th—that it sincerely intends to give the best value possible, and to deal "squarely" with its customers every time, or it wouldn't have signed such a contract as must be signed to control "The Slater Shoe."

Whether you buy Slater Shoes or not, a safe place to trade is at the store where swings "The Sign of the Slate"—for the four reasons given.



The genuine Stater Shoe has the slate frame brand stamped, with the Makers' price ($4.00 or $5.00) on the lining.

ONE POINT IN HIS FAVOR.

A witty priest was once visiting a certain eccentric millionaire, who took him to see his seldom used library. "There," said the millionaire, pointing to a table covered with books, "there are my best authors." "Ah," replied the wit, as he glanced at the leaves, "I'm glad you don't cut them!"

Nanaimo 20th.—What was clearly a case of deliberate suicide occurred last night on steamer Queen City while passing in to Vancouver when a man jumped overboard, in presence of several spectators, the steamer was stopped and a boat lowered but no trace of him was found. Ten minutes after a voice was heard, calling for help, but he could not be located on account of the darkness. The missing man was supposed to be Charles Best.

Canadian Home Circles.

Mr. Pattison, representing the Canadian Home Circles, left last Thursday for Duncans, B. C. Mr. Pattison has been in Cumberland and district for several weeks in the interests of the Order and has met with great succes, having established two lodges, one in Courtenay and one in Cumberland, each with a good membership. This organization is a fraternal insurance society, and admits both ladies and gentlemen into its circle, both being able to assemble at the same meeting. The rates in this society are very cheap and should be the means of obtaining a good membership in the district. During his stay here Mr. Pattison gave some very fine entertainments with his moving picture machine in the Cumberland Hall, Also, Mr. Newell, who is quite a good comedian, entertained the audience with his witty sayings and comic songs; and last but not least the descriptive songs by Mrs. Newell were quite a treat and were exceptionally well rendered. Mr. Pattison intends paying the district a visit again next fall and expects to add a good many more new members to the Canadian Home Circles.
